Cash purse of \$100,000 announced for Crandon International's Forest County Potawatomi Brush Run

Scheduled for June 14-16, more than 200 Lucas Oil Pro and MORR Sportsman class racers are expected at the historic Crandon International Raceway for the 26th Brush Run weekend. Sponsored by the Forest County Potawatomi community, the Brush Run represents the first of a five-race series in the Lucas Oil Midwest Short Course League, a summer-long schedule of events that will conclude over Labor Day weekend at Crandon's historic 50th anniversary Off-Road World Championships®.

This announcement includes a comprehensive payout structure designed to offer cash payouts to Pro category racers deeper in the field, including the Pro 4, Pro 2, Pro Lite, Pro Modified SXS and Pro Stock SXS categories. The Pro cash purse combines the regular series' contribution plus the addition of nearly \$25,000 from Crandon International Raceway. Living up to its "Big House" nickname, the track is also support myriad of its grassroots Sportsman racers with another \$10,000 in cash support for their two days of competition around Crandon's famed 1.75-mile course.

The Brush Run's feature race will be Sunday afternoon's "Forest County Potawatomi Community Cup," which pits the high-horsepower, unlimited Pro 4 versus Pro 2 in an annual showdown that's always a fan favorite. In 2019, the Cup race offers a total cash prize package of \$28,000, with the winner picking up a healthy \$10,000 pay day plus valuable product bonuses. Second place will pay \$3,500, third place \$2,000 and fourth place earns \$1,500. For the second year in a row, racers coming home 5th through 15th will earn a guaranteed \$1,000 cash award for competing in the unique spectacle.

Wisconsin native Johnny Greaves has dominated the FCP Community Cup history books, with a total of six race victories, including back-to-back wins in 2017 and 2018.

"Crandon International is proud to support our racers and their efforts by adding cash to the overall purse for the upcoming Brush Run weekend," shared President Cliff Flannery. "Our fans deserve to have the very best show possible, and, let's face it, everyone runs just a bit harder when money is on the line. We are looking forward to a very competitive and fun weekend at the "Big House!"

The massive gates to "Camp Crandon" will open up at 12:00 on Thursday, June 13, with many of the groomed grass camping spots still available. Saturday night will feature a festival-style concert that is free for fans camping at Crandon for the weekend, or those attending Saturday's races. Crandon International will open its gates to the public all three days beginning at 8 a.m.

All racefans can enjoy watching practice on "Free Friday," which takes place June 14. Weekend admission is \$45 for adults, with children 12 and under and seniors 75 and older getting in free all three days. One-day admission is just \$25 for adults, with children under 12 and seniors 75 or older again enjoying complimentary entry.

Tammy Baldwin celebrates 100th Anniversary of the 19th Amendment
Women gain the right to vote!

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin today praised the unanimous Senate passage of the bipartisan resolution she cosponsored celebrating the 100th anniversary of the passage and ratification of the 19th Amendment, which granted American women the right to vote. The resolution, introduced by Senator Lisa Murkowski (R-AK), seeks to honor, reaffirm and preserve the historic precedent set by the ratification of the 19th Amendment in further promoting the core values of our democracy as promised by the U.S. Constitution.

"A century ago, after decades of struggle by brave women and men, our nation finally extended to women the most fundamental right in our democracy – the right to vote," said Senator Baldwin. "We still have more work to do, and more glass ceilings to break, but it is important to celebrate this monumental anniversary and all the progress that women have made in the last 100 years. This resolution recognizes and honors the struggle to secure the vote for American women and thereby taking a major step forward as a nation."

Senator Baldwin joined the 24 other women in the Senate for a bipartisan commemoration of the anniversary. Senators wore a yellow rose on their lapel throughout the day. The yellow rose, a symbol of the women's suffrage movement, evokes the historic debate by the Tennessee legislature prior to becoming the final state to ratify the 19th Amendment in 1920. Those who supported women's enfranchisement wore yellow roses, and anti-suffragists wore red roses. Senator Baldwin also wore a purple ribbon to acknowledge the invaluable contributions of women of color to the suffrage movement.

Senator Baldwin's Women's Suffrage Centennial Commission Act, which was enacted in 2017, created a commission charged with planning and executing programs, projects and activities to commemorate the 100th anniversary of the passage and ratification of the 19th Amendment.

Wabeno and McCaslin Lions Host 2019 Senior Banquet

Left to Right, Alan Harrison, Program Chair; Mike Richmond, Master of Ceremonies, Rhiannon Hooper; Peggy Christianson; Madelyn Korbas; Paul Newton, Service Award Chair and Rich Wickersheim, Wabeno Lions President.

The Wabeno and McCaslin Lions hosted the 2019 Wabeno High Senior Banquet on May 8th. The banquet is held annually to honor the senior class of Wabeno High School with an evening of dinner, guest speaker and awards from the Lions. This year's event was catered by Shell-B's of Wabeno. There were 102 people in attendance consisting of graduates, families and Lions members. Our guest speaker this year was 1980 Wabeno High School graduate Peggy Christianson, a Registered Nurse Practitioner, of Townsend. Peggy gave a very heartfelt story of growing up without a lot of means, raising a family of four children and then how she decided to pursue a college degree in nursing when her oldest son went off to college. She received an Associates Degree, then a Bachelors Degree and finally a Master's Degree all in the nursing field since. She is employed at Bellin Health in Lakewood. Kudos to Peggy!

The annual Lions Service Awards were then awarded. This award honors the outstanding senior(s) that practice the Lions motto of "We Serve" in their communities. This year the recipients were Madelyn Korbas of Wabeno and Rhiannon Hooper of Lakewood. Congratulations to them! Next, Senior Class President, Madelyn Korbas, introduced the Senior Class of 2019 to the audience to a round of applause. The evening then closed out with the singing of "God Bless America" led by M.C. Mike Richmond.

A while back, we warned you about the "one ring" scam. That's when you get a phone call from a number you don't know, and the call stops after just one ring. These calls are coming at all times of the day and night and are being received in Oneida County. The scammer is hoping you'll call back, because it's really an international toll number and will appear as a charge on your phone bill with most of the money going to the scammer. Well, the scam is back with a vengeance, and the FCC just issued a new advisory about it. Read the FCC's advisory for more detail, but the advice from both agencies remains the same if you get one of these calls:

- Don't call back
- Report the robocall to the FTC at www.donotcall.gov and the FCC at <https://consumercomplaints.fcc.gov>

• Always check your phone bill for suspicious or unusual charges

Conservation Corner Cont. from pg. 1
 Chairman of the Committee, county staff established a tour to show Mr. Krueger conservation related issues in Forest County including our increasing agriculture in maple syrup operations, shoreland restoration projects, some of our agricultural areas and also some of our forestry related issues. Part of the tour included a visit with Tim and Joan Ginter at their maple syrup operations at Ginter's Corner Tap and Sap in the Town of Crandon.
 The Wisconsin Land and Water Conservation Association (WI Land+Water) is a 501 (c) 3 non-profit, membership organization that supports the efforts of around 450 Land Conservation Committee (LCC) supervisors and 400 conservation staff in 72 county Land Conservation Department (LCD) offices throughout Wisconsin. WI Land + Water provides training, develops conservation standards, promote youth education, issue grants, builds partnerships, and provide advocacy for conservation activities throughout Wisconsin.
 The Mission of Wisconsin Land + Water is as follows: Wisconsin is its land, waters, and people. How Wisconsin citizens conserve and maintain the state's limited land base and soil productivity, as well as its lakes, streams, and groundwater, will determine the future of our economy and quality of life. It is our mission to support the county LCCs and LCDs to help landowners and users meet their objectives while protecting our common economic and environmental infrastructure - land and water resources.
 Wisconsin Land + Water has seven staff members in their Madison office, but the entire organization includes the Executive Committee, Board of Directors, eight Committees & Area Associations, Advisors, and many volunteers who all collaborate together to progress towards the mission from locations across Wisconsin.
 The tour was followed by the Land Conservation-Land Information/GIS Committee meeting. Forest County was happy to show Mr. Krueger what it has accomplished and what the County plans to accomplish in the realm of Land Conservation.

Death Notices

Steven William Sekel, age 29, of Crandon, WI unexpectedly passed away on May 31, 2019. Steven was born on February 5, 1990 in Waupun, WI to Charles and Lori (Lemke) Sekel. He was a 2008 graduate of Crandon High School and later completed his degree at UWSP. As a young child he kept his parents busy answering the many questions that cycled through his head. As a young adult he continued that practice with a sincere interest in how others were doing or a particular knowledge/skill set that others possessed.

On February 9, 2017 in Tulum, Mexico he married Danielle Nicole Ziolkowski. The marriage was the perfect blend of high energy silliness and adaptable reason. Steve, the "idea guy," and Danielle the "voice of reason," made the perfect partnership. Diverse interests allowed them to experience adventures that helped them grow closer. They enjoyed traveling and attending concerts together. The addition of "doghter" (term made up by Danielle), Nicki, added energy and entertainment to their home. Steve was against adding a "yippy, ankle-biter" but Danielle prevailed. Soon Steve was Nicki's biggest fan and the small dog became one of his loves.

Steve loved the outdoors, whether it was hunting, fishing or golfing with his brothers and dad or yard work and planting flowers for his mom. He enjoyed the lake life with all his family and friends. Everyone knew that the 4th of July was his favorite time of year and the Brush Run was a dress-up event. Endless energy came out in his willingness to help others and greet everyone with a smile.

He is survived by his wife, Danielle; mom and dad; brothers, Tyler and William; niece, Ivory; nephew, Vander Sekel; grandmother, Ruth Lemke; mother-in-law, Laurie Ziolkowski; sister-in-law, Andrea (Brandon) Blakely; brother-in-law, Brandon Ziolkowski; and niece, Margaret Ziolkowski.

He is preceded in death by grandparents, Frank Lemke, Sr., Bill and Karen Sekel; and father-in-law, Randy Ziolkowski.

Steven loved living in the north woods and being a member of the Crandon community. He often spoke fondly of those he worked with and celebrated others success. He will be missed by family and friends. Whenever you think about him we hope you smile.

Visitation took place on Wednesday, June 5, 2019 from 4-8 p.m. and June 6, 2019 from 9-11 a.m., the funeral service will commence at 11 a.m., all at St. Paul Lutheran Church in Crandon. A meal will be served following the service at Praise Chapel in Crandon.

Online condolences may be left for the family at www.weberhillfuneralhome.com.

Patricia A. Craggs, 83, of Lakewood, WI passed away Wednesday, May 29, 2019 at Atrium Post Acute Care in Oconto Falls. Patricia was born July 29, 1935 in Kewanee, Illinois, the daughter of Ernie and Frances (Drust) Williams. She was united in marriage to Clarence Craggs in 1960 and he preceded her in death September of 1993.

Surviving Patricia is her daughter, Victoria Craggs of Wilbrook, IL; sons, Peter (Nancy) Dreher of Western Springs, IL and William (Deborah) Craggs of Elmhurst, IL; grandchildren, Michael, Joanna, Stephen, Zac, Lukas, Sam, Saige and Tyler; great-grandchildren, Lily, Richard, Frances and Davien; and brothers, James (Shirley) Williams of Downers Grove, IL and Robert (Nancy) Williams of Weddington, North Carolina.

She is preceded in death by her parents; son, Timothy Craggs; and sister, Deloris Williams.

Services will be held at 11 a.m. Friday, June 7, 2019 at Weber-Hill Funeral Home in Wabeno, WI with Pastor Don Dewing officiating. Burial to follow at Lakewood Forest Cemetery in Lakewood. Visitation will be held from 9 a.m. to time of service

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Kaydence Jane Tucker (Wagnitz), age 9, of Wabeno, WI passed away Wednesday, May 29, 2019 at her home surrounded by loved ones. Kaydence was born February 24, 2010 in Rhinelander, WI, the granddaughter of Travis and Marsha Tucker.

Kaydence was very loving and compassionate little girl, with a sprinkle of sass. She was an animal whisperer and loved to travel and camp. She loved playing basketball and was proud to be a Rebel. Her love for school inspired her plans to be a teacher and dentist in the future. Kaydence was extremely proud to be a member of her family and made sure that all of those around her knew that she loved them. Kaydence taught all of the people that were in her life the value of love, she was lucky to have so many people that loved her. Our warrior princess has shown many people, near and far, how to come together as a village.

Kaydence is survived by her sisters, Amila and Amaya of Arizona, Kevin Wagnitz and Tia Gilligan; great-grandparents, Terry and Jean Spencer, Karen Lewis, Marrette Tucker and Marie Gilligan; uncles and aunts, Michael (Jocelyn) Gilligan and Travis Tucker II (Kate Lowery); cousins Bryanna, Robbie, and Beau; soul sister, Morgan Mattern; Grandma Sylvia; Grandpa Donnie; and many additional aunts, uncles, and cousins.

Visitation will be held on Sunday, June 2, 2019 at the Wabeno High School Gymnasium from 10 a.m.-4 p.m. Services will follow with Chaplin David Guerrero officiating. Burial to follow at Lakeview Cemetery, in Carter, WI.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Hunters and local businesses increase chronic wasting disease surveillance in the north during the 2018 deer season

About 1,500 deer were sampled and tested for chronic wasting disease in Lincoln, Langlade, Oneida, Forest and Vilas counties during the 2018 CWD surveillance year (Apr. 1, 2018 - Mar. 31, 2019). The Department of Natural Resources encouraged hunters to submit tissue samples from harvested adult deer in two surveillance areas near Rhinelander.

These targeted CWD surveillance efforts occurred in northeastern Lincoln, northwestern Langlade and southern Oneida counties following the detection of CWD in two wild deer along the Lincoln/Oneida County border. The first of these cases was detected in January 2018 and the second in April 2018. Surveillance efforts also included eastern Oneida, southern Vilas and western Forest counties as a result of CWD positive deer found on an Oneida County captive deer hunting ranch in 2015.

"Numerous hunters submitted deer heads for testing from these areas and beyond. We are very thankful to the hunters and cooperating private businesses that stepped up to help with this important sampling effort. With their assistance, we are better able to understand the geographic distribution and prevalence of the disease," said Janet Brehm, DNR wildlife biologist. "We couldn't have done this without them."

In addition to samples submitted from hunter harvested deer, this year the DNR offered free CWD surveillance permits to private landowners as well as to the public on select parcels of public land within these targeted surveillance areas. These permits were used to enhance CWD surveillance, and it was a requirement for all adult deer harvested under these permits to be CWD tested. The DNR had a projected sample goal of testing 450 deer from each area; the use of surveillance permits by hunters assisted greatly, accounting for about 25% of the total samples submitted.

Lincoln/Oneida county surveillance area In the 2017 and 2018 deer seasons combined, about 430 deer were submitted and tested for CWD.

A new CWD-positive wild deer was detected through the enhanced surveillance efforts in 2018. The sample was submitted voluntarily by a hunter during opening weekend of the gun deer season. This adult doe was harvested in south-central Oneida County in the town of Crescent, about 1.5 miles from the first wild CWD positive in Oneida and about 1.5 miles from the first wild positive in Lincoln County (town of Harrison).

In total, the three known wild positives are clustered in close proximity, along the Lincoln/Oneida County line.

Oneida County surveillance area

In the 2017 and 2018 deer seasons combined, 220 deer were submitted and tested for CWD.

No wild deer have tested positive for CWD.

Baiting and Feeding

As required by law, the CWD positive detection in the fall of 2018 in south-central Oneida County renewed the existing three-year baiting and feeding ban in Oneida County and the two-year baiting and feeding ban for Langlade County. Lincoln County is still within the three-year baiting and feeding ban from the first CWD positive detection. Vilas and Forest counties still have baiting and feeding bans due to captive deer farm CWD positives.

"This additional positive CWD detection gives us a better understanding of where the disease is on the landscape and its prevalence in the local deer herd. During the 2019 deer season, hunters will again be encouraged to submit their adult deer for CWD sampling as we continue efforts in both surveillance areas, as well as throughout northern Wisconsin," said Brehm. "We also plan to offer hunters surveillance permits again to help with continued disease assessment in the two surveillance areas."

The DNR will continue to take the following steps:

Work with County Deer Advisory Council members from the counties impacted by these CWD positive detections.

Perform surveillance activities to assess disease distribution and prevalence including:

- Encourage reporting of sick deer
- Sample vehicle-killed adult deer
- Sample adult deer harvested under agricultural damage permits
- Sample adult deer harvested under urban deer hunts in the area
- Establish CWD sampling locations to be available during the 2019 deer hunting season.
- Prevent the spread of CWD

There are recommended practices to reduce and prevent the spread of CWD that hunters, landowners, and any individual can assist with. Some of these actions include proper transportation, handling, and disposal of deer carcass waste, reporting sick deer, following baiting and feeding information, cleaning/decontamination of equipment, and following urine-based scent recommendations.

For more information regarding baiting and feeding regulations, ways to reduce the spread of CWD, and overall CWD information in Wisconsin, visit the DNR's website, dnr.wi.gov, and search "bait and feeding" and "CWD" respectively. To report a sick deer on the landscape, search keywords "sick deer" or contact a local wildlife biologist.

Local musicians The Treble Makers to perform June 13 at Nicolet College

An ensemble of local musicians will combine their considerable musical talents to present an inspiring evening of music at the Nicolet College Theatre when The Treble Makers perform Thursday June 13 at 7:30 p.m.

Carmen Kreitlow, Holly Spiegelhoff, Laurie Craig, and Cindy Nelson will return to the Nicolet stage and be joined by Scott Kirby in an eclectic mix of musical styles.

"Their 2014 Christmas concert was so well-received that they are back by popular demand to conclude the 2018-2019 Nicolet Live! Performing Arts Series," said Nicolet College Theatre Director Jim Nuttall.

The upcoming show is a musical reunion of sorts. "We've continued to work together as duos and trios at various venues but all of us have not performed together for five years, and we are very excited to be together again!" explained Spiegelhoff.

All of the musicians have a long history and deep-seated love for music, unifying for the upcoming performance they've deemed Our Musical Roots.

"We all came from diverse backgrounds," Spiegelhoff continued. "We searched our past, what formed our love of music, and narrowed a bunch of songs and styles down to seven or eight songs that spoke to our youth and the genres we loved."

The second half of the program will focus on how they evolved in their musical journeys.

"We're all children of the '70s, so we tend to gravitate toward '70s folks. But we love many genres. And Scott Kirby, being our younger counterpart, will keep things fresh," she added.

The group is eclectic in many ways. Spiegelhoff is a full-time music director and teacher at Nativity of Our Lord in Rhineland. She provides vocals, harmonies, and plays keyboard.

Carmen Kreitlow is a registered nurse and private music teacher, known for bringing gorgeous improvisation and classical piano sound to contemporary music as well as vocals.

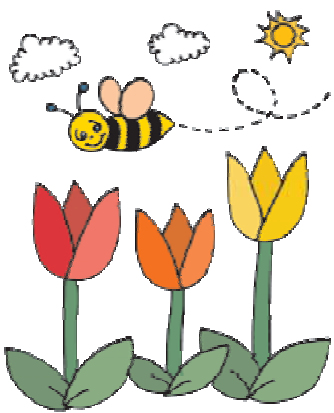

Cindy Nelson, who works at an assisted living facility and as a substitute teacher, is a skillful violinist with an incredible vocal range.

Laurie Craig, a Nicolet Players theater troupe veteran, is a house painter and vocalist with beautiful vocal tone and instinctive harmonies and creativity.

Recording artist Scott Kirby is a talented guitarist with bluesy rock grit vocals. Drummer Jaime Knott will sit in on percussion for the evening.

"When it's over, I want the audience to remember that even though we're all very different, music speaks the same language, touches all souls, and brings us together," Craig said.

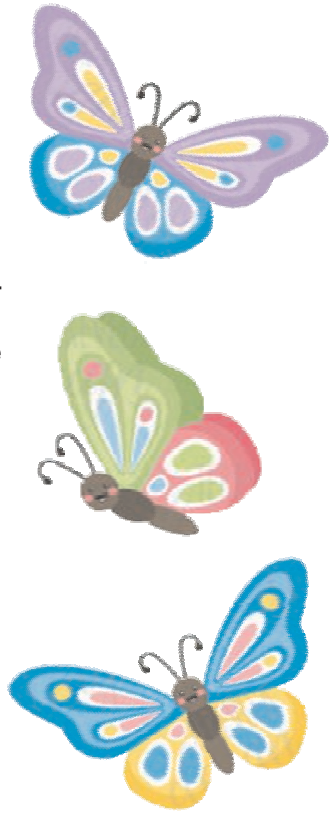

Tickets for The Treble Makers are \$10 and can be purchased online at nicoletlive.com or by calling (715) 365-4646.
