## Timberworks Lumberjack Show to perform at Camp 5 June 29

Faster than a speeding bullet. More powerful than a locomotive. No, it's not Superman - these "men of steel" are LUMBERJACKS!

Captivating audiences for the past 25 years, Timberworks Lumberjack Show powered by STIHL provides images of man against the impossible, along with the sport derived out of a nation's heritage.

The show includes such events as axe throwing, chopping, log rolling, cross cut sawing, hot sawing and chainsaw carving. These century-old skills were used in the logging camps of North America. To pass idle time, lumberjacks would challenge each other in a head-to-head competition. Although technology and machinery have replaced manual labor, the skills are still used today by the lumberjacks at Timberworks Lumberjack Show.

Feel the rush of adrenaline as competitors race up poles at lightning speed or saw through twelve inches of aspen with the speed of a modern day chain saw. Then move to the edge of your seat as competitors show off their fancy footwork while running on logs or axe throw with the precision of a dart board champion.

Drawing live audiences of over one-million combined, Timberworks Lumberjack Shows is an exciting and entertaining adventure providing a unique blend of sports, history and comedy and includes an opportunity for the audience to experience a nostalgic logging competition of the early 1900s.

Ride the Lumberjack Steam Train to this exciting show on June 29. The vintage depot is located on Hwy 8 on Laona's west side. The Lumberjack Steam Train departs for the Camp 5 Museum Complex starting at 10 a.m. with runs every hour with the last run at 2 p.m. Tuesday through Saturday. Climb aboard for an exciting time!

Visit [lumberjacksteamtrain.org](http://lumberjacksteamtrain.org) for more info, or call 715-674-3414.

## Laona Summer Festival this weekend!

Laona's Second Annual Summer Festival is Saturday, June 22, beginning at 9 a.m. and running until 4 p.m. at Soup Kettle Park in Laona. Enjoy food, music, vendors with very nice items and more!

## Conservation Corner

### USFS FOURMILE VEGETATION MANAGEMENT PROJECT-COMMENT PERIOD OPEN

*Conservation Corner is a weekly article produced by the Forest County Land Conservation-Land Information Department. For more information, contact Al Murray, County Conservationist-Land Information/GIS Director, at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).*

Hello readers, this article is a little untimely with short notice, but still in time for you to comment on the project. The Fourmile project area is located in parts of Forest, Vilas, and Oneida Counties.

The purpose and need of the Fourmile Vegetation Management Project is to maintain and manage vegetation communities to their desired conditions as described in the 2004 Chequamegon-Nicolet Forest Land and Resource Management Plan (referred to as the Forest Plan). This project will also maintain or enhance existing

## Wabeno Lions award scholarships

Wabeno High School graduates Rhiannon Hooper and Jacob Christianson were each awarded a \$500 scholarship presented by John Harter, representative of the Wabeno Lions Club. These scholarships are granted based on a six-point criteria and are paid at the successful completion of the first semester of the sophomore year of post secondary education.

## Conway True Value's paint donation helps Crandon and Laona school's youth achieve

*From the left: Jim Bradley, Laona, Nancy Conway and Edward Then, Crandon*

A fresh coat of paint brightens any room, and this summer both the Crandon and Laona School Districts will refresh their learning environment with 30 gallons of donated paint. Crandon and Laona School Districts were selected as the winner of a paint grant through Conway True Value's partnership with True Value Foundation's Painting a Brighter Future program. A True Value Foundation paint grant helps improve a school's learning environment and can have an impact on student attitudes and academic performance. More than 1,600 schools across the country have been awarded paint since the program's inception in 2009, covering nearly 17 million square feet of learning space.

Partnering with True Value Foundation, Conway True Value nominated Crandon and Laona School Districts for a 30 gallon paint grant to help refresh their learning spaces. Nancy Conway of Conway True Value is delivering the asthma and allergy-friendly paint to the school this summer.

Conway True Value loves being able to give back to our community. These grants not only save the school districts money, but more importantly, they will help create an environment that foster learning, inspire creativity and

## Forest County Board meets

By Mike Monte

The Forest County Board met last Tuesday evening. There was a lack of "hot" issues, mostly routine county business, and all the issues were given a unanimous vote by the board.

A brief list of these issues includes: an approval of the Land & Water priorities in the governor's budget, a clarification of the credit card policy, an approval of an adjustment of the fees the Sheriff's Department charges

## "Clean Waters: Our Mission, Our Legacy"

**This is the theme for annual 6-county meeting of lake groups from northern Wisconsin**

Natural shorelines and water resource protection will be the focus of the annual meeting of lake group leaders and members from six northern Wisconsin counties on Friday, July 12, at Nicolet College auditorium in Rhinelander.

"Clean Waters: Our Mission, Our Legacy" is the theme for the meeting, from 9 a.m. to noon. Attendees will explore ways to encourage lake residents and lake users to take actions to protect lakes and streams and the scenic values of the Northwoods. Attendees are expected from Oneida, Vilas, Forest, Langlade, Lincoln, and Iron counties.

"The single best and simplest measure people can take to protect their lakes is to keep the shoreline habitat natural or restore it to a more natural condition," says Bob Martini, president of the Oneida County Lakes and Rivers Association, which is organizing the event with the Vilas County Lakes and Rivers Association.

The main speaker, Patrick Goggin, lakes specialist with the UW-Extension Lakes team, will discuss shoreland buffers and other forms of shoreline protection as a way to help prevent runoff of nutrients and sediment into lakes.

Other speakers include Michael Engleson, executive director of Wisconsin Lakes, giving an update on state government policies affecting lakes; Dave Noel, presenting summaries of studies linking lake quality to regional economies and property values; and Bob Martini, reporting on the Wisconsin's Green Fire organization promoting sound science as a basis for public policies.

Dane Whittaker, a graduate assistant at Arizona State University, will report on a Northwoods Fishery Study now underway. A discussion and feedback session will follow the program. The event will include exhibits from water-related organizations. Annual meetings of countywide lake associations will follow. For more information, contact Martini at 715-282-5896 ([bobmartini@charter.net](mailto:bobmartini@charter.net)) or Steve Budnik at 715-686-7852 ([skbudnik@centurytel.net](mailto:skbudnik@centurytel.net)).

## Public comment sought on DNR's surface water grant program

MADISON-The public comment period to provide feedback on a proposed consolidated administrative rule governing the Wisconsin Department of Natural Resources' surface water grant program opened on June 17 and will continue through July 24.

The proposed language can be found under Board Order WY-18-15 on the department's proposed permanent rules site. The department's web page on NR193 has more information.

The surface water grant program helps local groups protect and restore lakes, rivers and wetlands, and control aquatic invasive species by providing around \$6.5 million each year in the form of cost-sharing funds. Local organizations and units of government use the funds to improve the lakes they manage and live on, protect their property values, and ensure resources are protected and restored for the benefit of nature and society.

The consolidated code will clarify policies, improve customer service and satisfaction, improve administrative consistency and efficiency and is designed to support better and more cost-effective environmental outcomes that serve local needs and advance department management objectives for state surface waters. Goals of the rule creation include uniting current subprograms under one consistent set of procedures and policies, updating management standards with reference to new statutory programs, supporting management at the watershed scale, enhancing accountability and allowing for performance standards.

Written comments may be submitted at the public hearings, by mail or email to Alison Mikulyuk, Department of Natural Resources, 101 S Webster St. Madison WI, 53703, call 608-264-8947, or email to [Alison.Mikulyuk@Wisconsin.gov](mailto:Alison.Mikulyuk@Wisconsin.gov). Written comments may also be submitted to the Department at [DNRAAdministrativeRulesComments@wisconsin.gov](mailto:DNRAAdministrativeRulesComments@wisconsin.gov).

Interested parties should sign up for the Surface Water Grant Program electronic newsletter to stay informed of developments.

## Explore new experiences in Nicolet Outdoor Adventure classes

June classes in Nicolet College's Outdoor Adventure program are ramping up with numerous offerings available for individuals to get outside, learn new skills, and explore the rich natural resources that define the Northwoods.

"Every class is led by instructors who have a high level of expertise in their field and truly enjoy sharing what they know with others. Guided experiences like this make it easier for individuals to learn new activities that they can enjoy for a lifetime."

Upcoming classes in June include the Loon Paddle - Iconic Birds of the North, Introduction to Dragon Boat Paddling, Fishing from a Pedal Kayak, Shooting Trap and Sporting Clays, Disc Golf for Beginners, Primitive Fire Starting, and Lake Julia Yoga and Paddle.

To register for any class or for more information, visit [nicoletoa.tix.com](http://nicoletoa.tix.com) or call (715) 365-4544.

Details on upcoming classes are as follows:

**Loon Paddle** - Iconic Birds of the North - Join biologist and loon expert Terry Dalton as we explore the Turtle-Flambeau Flowage, one of the most scenic bodies of water in Wisconsin and home to the most pairs of nesting loons in the state! During the journey Dalton will share interesting facts about loon behavior patterns and habitat, all the while instilling a greater understanding and appreciation for this iconic bird of the north. With its nearly 200 islands, the Turtle-Flambeau is also rich with bald eagles, osprey, terns, merlins, great blue herons and a diversity of waterfowl and songbirds. 9 a.m. to 4 p.m., Tuesday, June 25, Turtle-Flambeau Flowage - Lac Du Flambeau Area. Cost \$70, \$85 with kayak rental.

**Shoot Trap and Sporting Clays** - Dial in your aim and improve your shotgun skills with this class geared toward refining technique for more success in the field. Top-notch instructors will share their proven tips, working with participants one-on-one and in small groups. Class will start with a safety briefing and then on to the Trap Range

with each individual shooting 25 clays which will fly straight away. Next we'll move to the more challenging Sporting Clays Course. Here, instructors will take small groups of three to four through the 10-station, 50-clay course where the clays fly all different directions and at varying speeds. Students must have a semi-automatic, double-barrel, or pump shotgun and have at least 75 shells at the start of class. Youth age 12 and older are encouraged to enroll. Youth must be accompanied by a parent or guardian and have passed the Wisconsin Hunter Education course, which can be completed online at [hunter-ed.com/Wisconsin](http://hunter-ed.com/Wisconsin). 9 a.m. to noon, Saturday, June 8, Harshaw Sport Club, 10047 Rocky Run Road, Harshaw. Cost \$50.

**Primitive Fire Starting** - By learning the ancient bushcraft skill of primitive fire starting, you'll be able to quickly and effectively make a fire in any weather conditions. We'll cover various materials for preparing the best tinder and the proper technique and equipment used for ferrocium rod flint and steel fire starting. After this course, you'll have all the means to get a blaze going wherever and whenever needed. Everyone will receive a ferrocium rod flint with striker to keep. If you have your own rod flint, or survival knife, you are encouraged to bring that as well. 6 p.m. to 8 p.m., Wednesday, June 12, Nicolet College Campus - The Point. Cost \$30.

**Introduction to Dragon Boat Paddling** - Experience the thrill of paddling a 45-foot-long Dragon Boat on Lake Minocqua in the scenic Northwoods! As a team of 20, you'll have a great time learning basic Dragon Boat paddling techniques and commands on land before heading out for an evening paddle on Lake Minocqua. Beginners with a sense of adventure are encouraged to enroll. 5 p.m. to 7 p.m., Monday, June 17, Torpy Park, Minocqua. Cost \$20.

**Fishing from a Pedal Kayak** - Fishing from a kayak offers a degree of quiet stealth other boats can't match. Now rig that kayak specifically for fishing and make it pedal powered to free up your hands and you have all the makings for loads of piscatorial entertainment. Individuals in this class will take to fish-rich Brandy Lake in Arbor Vitae to learn the finer points of maneuvering a pedal kayak and about the modern rigging involved to enhance the experience. Other elements will include casting technique and how to use the craft to troll for game fish. Students will need to provide their own fishing gear. 1 p.m. to 4 p.m., Friday, June 7, Brandy Lake Boat Landing, Arbor Vitae. Cost \$30.

**Disc Golf for Beginners** - The resort that's home to the Wisconsin Disc Golf Hall of Fame will be the outdoor classroom for this offering that will introduce you to all aspects of this fun sport that offers highly-accessible exercise in the great outdoors. Instruction will include an overview of the equipment and rules, proper technique for a variety of different throws, and even the proper footwork to get the most out of every throw. This four-session offering will include individual and group instruction as disc golfers make their way through Sandy Point Resort's world-class, 27-hole course known for its quintessential Northwoods natural aesthetic. Note that you will need your own discs for this class. If you do not have any, you can purchase a three-disc set from Sandy Point Resort at the discounted price of \$30. The set includes a driver, midrange, and putter. 5 p.m. to 8 p.m. on four consecutive Wednesdays, June 19, 26, July 3, and 10, Sandy Point Resort and Disc Golf Ranch, Lac du Flambeau. Cost \$75 for four sessions of instruction and play.

**Lake Julia Yoga** - Join us for a revitalizing hour of gentle yoga on the college's Lake Julia Terrace overlooking the lake! After the yoga session, we'll have a healthy snack and then take to the water in kayaks and canoes for a casual guided tour of the lake that will include interesting tidbits on both the natural and human history of Lake Julia. No yoga experience is required but it is recommended that participants have paddled a canoe or kayak before. The paddling tour is optional if students would prefer just the yoga portion. Note that this class replaces the previously scheduled Island Yoga, which was going to take place on Big Island. The DNR has closed the island to accommodate a pair of nesting loons. Noon to 3 p.m., Saturday, June 22, Nicolet College Campus - Lake Julia Terrace. Cost \$20 or \$35 with kayak or canoe rental.

To register for any class or for more information, visit [nicoletoa.tix.com](http://nicoletoa.tix.com) or call (715) 365-4544.

Wabeno High School National Honor Society members (from left to right): Kelly Boor, Annalise Sommer, Rhiannon Hooper, Madelyn Korbas, Jennifer Shopodock, and Alexandra Taylor

On April 24th, Wabeno High School inducted six young women into its chapter of the National Honor Society. The beautiful candle light ceremony was held at Waubee Lake Lodge in Lakewood, Wisconsin. The new inductees are Kelly Boor (Junior), Annalise Sommer (Junior), and Alexandra Taylor (Junior). Renewing their memberships are Rhiannon Hooper (Senior), Madelyn Korbas (Senior), and Jennifer Shopodock (Senior). National Honor Society is a select group of students who have been chosen for their performance in their school and community. Students who have been chosen to be a member of the National Honor Society must first meet the criteria of maintaining a cumulative GPA of 3.5. That distinction then allows them to submit an application to a committee of Wabeno High School teachers, who rate them based on their character, community and school service, and leadership qualities.

During the ceremony, the chapter advisor, Mary Ellen Keller, addressed the families and guests. She shared that over the past three years, a group called Making Caring Common conducted research, surveying over 3,000 young adults and high school students from all over the country, and from that recommends valuable guideposts for schools, parents, and college admissions leaders to consider when helping students prepare for their future. The National Honor Society tenets are embedded in their recommendations, and the overarching idea is Ethical Action. This important research challenges students, families, schools, and organizations like the National Honor Society with helping young adults and teens focus on meaningful service, not just service that collects hours; and creating opportunities to highlight the value of everyday characterpromoting the value of diverse cultures and relationships that reflect love of self, but also concern for others. Mrs. Keller than shared some of the activities and qualities of the members that demonstrate their ethical actions.

Along with their individual community and school service projects, the chapter hosted a blood drive for the American Red Cross. This is the first drive the chapter has hosted in a couple of years, and in total, 20 units of blood were collected. There was a good turnout and appreciation goes out to those who came to donate! At least 60 lives will be saved from this event. Next school year, the chapter is planning three drives, so watch for information on how you can help.

# AUCTION

# AREA EVENTS

**ANOTHER AUCTION WITH COL. RENÉ BRASS**  
[www.colrene.net](http://www.colrene.net)

**(Sun. June. 23 ) (Starts 10:30 AM)**  
**(View 9:30) (Lunch) Elderly Gentleman Wally Roder is moving.**  
**(Most items excellent)**  
 4 miles North of **Crandon WI** on County Rd. S to 10750 Chaney Rd.

Every early photographer made it to Stone Lake Hill and recorded the view, including Mr. Parfitt from Tigerton. This is the earliest view of the road we have seen thus far. Later photos were taken when the timber was cut and Stone Lake, or Lake Lucerne these days, was visible. There are pictures of horsemen riding on the hill and later on, Model T Fords or their equivalent were photographed going up or down the hill. With auto photos, the old auto is always going down, but with gravity feed gas tanks, these early cars often had to back up hills to keep gas going to the carb. This means that these rear shot photos may have been somebody backing up the hill.

## Around the Area

**Gb's Dance Band to open Summer Concerts in the Park Series at Three Lakes**

GB's Dance Band will kick off the summer Concerts in the Park series at Cy Williams Park in Three Lakes on Tuesday evening, June 25.

This seven-piece big band performs a variety of popular hits from the 1930's to the 1960's. GB's Dance Band celebrates music of the big band era with their own 55+ year tradition of performing big band music throughout Wisconsin. Originally established as the Greiner Brothers Orchestra in 1956 by Glenn and Ralph Greiner in Edgar, Wisconsin, it is now known as GB's Dance Band under the direction of local musician, Jim Pekol. More than 30 musicians have performed with the group during their long history.

The Concerts in the Park series is presented by the Three Lakes Historical Society. The free concerts are held at the gazebo in Cy Williams Park each Tuesday evening through August 6 with different Northwoods groups featured each week.

Attendees are invited to pack a picnic and a blanket or chair; popcorn, soda, water and cider will be for sale. All proceeds benefit the Three Lakes Historical Society and Museum.

Concerts are held rain or shine rain location is the Three Lakes High School auditorium. For more information, call 715.546.2295 or visit [www.facebook.com/ThreeLakesHistory](http://www.facebook.com/ThreeLakesHistory)

## Natural Resources Board to meet in Barneveld

MADISON - Requests to consider proposed rules and framework for the 2019 Wisconsin migratory bird season, rule changes to agricultural and urban best management practices, and proposed rules for taking catfish by hand or with a bow and arrow or crossbow are among the items the Wisconsin Natural Resources Board will address when it meets June 26 in Barneveld. The board meeting will convene at 8:30 a.m. at Deer Valley Lodge, 401 W. Industrial Drive in Barneveld.

The Natural Resources Board will offer remote participation in an open forum with the board from the DNR Service Center, 1300 W. Clairemont Ave., Eau Claire. Agenda Item 5 - Open Forum is an opportunity for citizens to provide testimony remotely or at the Barneveld meeting location on matters that are not otherwise on the meeting agenda. Comments generally should address broad general policy rather than the day-to-day operations of the Department of Natural Resources. Opportunities for remote testimony will be specifically noticed on each meeting agenda. Pre-registration by posted deadline is required.

Future remote locations include: Milwaukee for the August 14 meeting when the board will be meeting in Wausau; Fitchburg for the September 25 meeting when the board will be meeting in Mishicot; Rhinelander for the October 23 meeting in Madison; and Green Bay for the December 11 meeting in Madison.

Other topics on the June 26 meeting agenda include a request to approve proposed rules related to aquaculture and fish farms; approval of a scope statement incorporating the 2015 national ambient air quality standards for ozone; request for approval of a scope statement related to eliminating night hunting restrictions for raccoons; along with other topics.

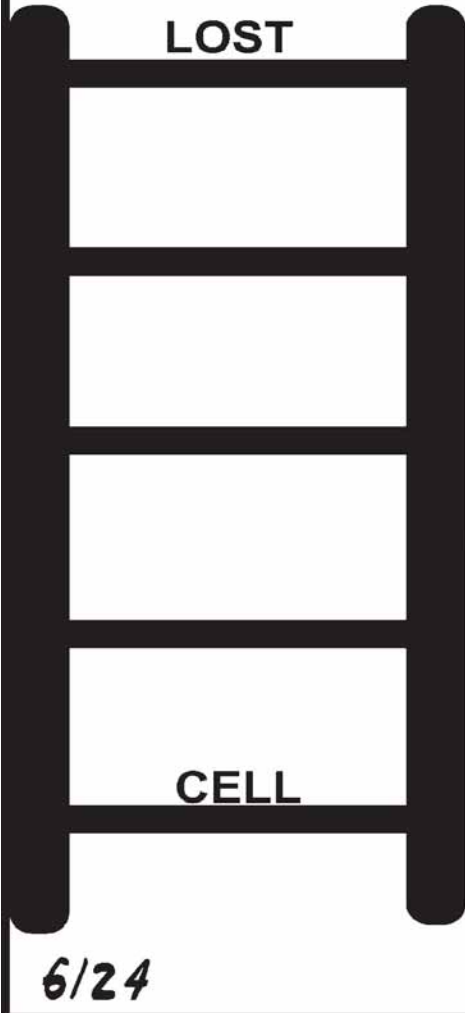

On Tuesday, June 25 the board will participate in area tours and presentations on southwest Wisconsin ground water, a trout shocking demonstration, streambank easement and habitat improvements, statewide trout management plan overview, update from DMAP landowner and cooperators on the SW WI CWD and Deer Predator Study, spring update on the SW WI CWD and Deer Predator Study, and a partner update on the adopt-a-dumpster and adopt-a-kiosk programs regarding CWD management. No action will be taken. NOTE: The public must pre-register with Board Liaison to attend scheduled tours and provide their own transportation. The complete June board agenda is available by searching the DNR website, dnr.wi.gov for keyword "NRB" and clicking on the button for "view agendas."

The public must pre-register with Laurie Ross, board liaison, to testify at the board meeting as well as during open forum (remotely or at meeting). The deadline for Board liaison receipt of your request to testify or your written comment is 11 a.m. on Friday, June 21, 2019. Registration information is available on the NRB pages of the DNR website. No late requests or comments will be accepted.

Board meetings are webcast live. People can watch the meeting over the internet by going to the NRB agenda page of the DNR website and clicking on webcasts in the Related Links column on the right. Then click on this month's meeting. After each meeting, the webcast will be permanently available on demand.

### New stamp series recognizes America's Wild and Scenic Rivers

These new forever stamps released by the U.S. Postal Service feature several of the Wild and Scenic Rivers managed by the Forest Service.

The National Wild and Scenic River System spans more than 13,000 miles of the United States through landscapes as diverse as the rivers themselves.

Just last year, the system celebrated its 50th anniversary. President Lyndon B. Johnson signed the Wild and Scenic Rivers Act into law with overwhelming bipartisan support in Congress. On signing the law, President Johnson said "an unspoiled river is a very rare thing in this Nation today," adding that unless there were steps taken to protect them, healthy, free flowing rivers would become a thing of the past.

Since then, the system has grown to include rivers in 41 states and Puerto Rico. The USDA Forest Service manages more miles of these rivers than any other federal agency, including the National Park Service, Bureau of Land Management and the U.S. Fish and Wildlife Service.

Now, the United States Postal Service has released a new series of forever stamps commemorating the National Wild and Scenic Rivers System. At the release event along the banks of the Deschutes River in Bend, Oregon, U.S. Postal Service chief financial officer and executive vice president Joe Corbett said, "When Americans use the stamps, either to mail letters and packages or to add them to collections, they will be reminded of our cherished Wild and Scenic Rivers."

The stamps feature photographs of 12 designated Wild and Scenic Rivers. Many of these rivers are managed in whole, or in part, by the Forest Service. Those rivers include the Flathead, the Merced and the Deschutes.

Pacific Northwest Regional Forester Glenn Casamassa speaks at the announcement event for the Wild and Scenic River stamp series in Bend, Oregon, May 21, 2019.

These designated rivers and others like them throughout the country provide a wide range of economic, ecological and other social values.

"Wild and Scenic Rivers are the backbones of many communities that rely on the visitors to fill hotels, visit shops and outfitters, and to hire guides," Pacific Northwest Regional Forester Glenn Casamassa said at the release event. "We need to take responsibility for stewardship of these rivers in collaboration with partners, local communities and other stakeholders."

June 1 through 9 is also National Fishing and Boating Week, a time to connect with the great outdoors by getting on the water to fish, boat and even scuba dive. Learn more about National Fishing and Boating Week and the many events being held to celebrate at [TakeMeFishing.org](http://TakeMeFishing.org).

- **Lost Marbles Group - Open AA meeting** - Saturday mornings at 9 a.m. Wabeno Fire Station, side entrance.

## DISTRICT ADMINISTRATOR CORNER

**Dr. Patrick C. Saunders**

Summer Greetings and Farewell to School District of Crandon Residents:

In late September of 2018, I was invited to interview for an interim district administrator vacancy here in Crandon. In early October, I began this role.

Over the past nine months, I have sought to provide assistance to the board in recruiting and selecting a new district administrator. I have also sought to provide stable leadership to develop the board team & develop the administrative team into trustworthy, insightful and forthright functioning groups.

The selection of a district administrator has been completed and many, many aspects of the transition with Mr. Palubicki have begun and hold promise for continued growth and positive school years ahead. The development of trustworthiness earned through insightful, forthright decision-making continues to require development and reinforcement. As it should.

The board members elected to govern the Crandon Schools and the hired professionals {Administrators & Faculty} who analyze, create, deliver and evaluate all programs and academics deserve your support. Making errors is always a possibility for us or anyone. What will be the hallmark of Crandon Schools is the sustained effort and preponderance of evidence which reveals honesty and trustworthy behaviors. Decisions made based upon the safety of persons, the academic achievement of students and, sound financial planning to responsibly handle public monies are expected by parents and residents.

The good work of the board of education and the persons employed at the school district shall reflect and reveal the moral and ethical values held by the greater community and citizens. Obviously, the children will also reflect and reveal the moral and ethical values of the greater community and citizens. A wise person once stated, "What is tolerated is actually promoted."

After my short time in serving the School District of Crandon, my heartfelt wish is that persons in leadership roles, persons in governance roles, persons in customer roles, and persons in observation roles continue to hold virtues as expected behavior and non-negotiable. I wish Crandon continues to recognize that times of instability and pain occur in life. But, they pass. I wish Crandon a perpetual reservoir of optimism from which springs a contagious attitude of resilience and resourcefulness.

Upon arriving at my post in Crandon, I knew there would be difficult issues to face and persons to restore to vitality. It is my hope that, "I left the wood pile bigger than when I found it."

Patrick C. Saunders, Ed.D. [finally retired]

### SCHOOL DISTRICT OF LAONA BID REQUEST

The School District of Laona is looking for bids to remove, dispose of, and reinstall commercial grade carpeting in the band classroom.

For further details regarding the specifications and scope of the project, please contact John "Gus" Klementz at 715-674-2143 ext. 207. You can set up an appointment with him to measure and review the project.

Sealed bids will be accepted through July 5, 2019 at 4:00 p.m. The project needs to be completed by August 16, 2019. A certificate of insurance must be provided before the start of the project.

Please send sealed bids to:  
School District of Laona  
Attn: Carpet Bid  
5216 Forest Ave Suite A  
Laona, WI 54541

### Additional public meeting on statewide inland trout management plan

MADISON - Wisconsin Department of Natural Resources staff have scheduled an additional public meeting in Crivitz to review the draft statewide Inland Trout Management Plan.

We heard from our stakeholders that a meeting in the northeast part of the state is important. We invite all interested members of the public to attend this additional meeting to learn about trout management in Wisconsin and this 10-year statewide management plan. We will also be accepting public feedback at this meeting and through a public comment period.

The meeting will be held at the following location:  
Location: Crivitz Community Center, 901 Henriette Ave, Crivitz, WI 54114  
Date: June 24, 2019  
Time: 6-8 pm  
Contact: David Boyarski, 920-559-2341

The Trout Management Plan provides direction for inland trout management in Wisconsin. It covers Brook Trout, Brown Trout, Rainbow Trout and Lake Trout in inland lakes, ponds and streams of Wisconsin. This includes tributaries of the Great Lakes upstream from the first impassable barrier such as a dam and naturally occurring falls.

The plan communicates the direction and focus of the DNR Fisheries Program on inland trout management for the next 10 years. Specifically, it guides the allocation of resources, identifies constraints, and prioritizes management activities. This plan addresses many important fisheries management activities such as monitoring and research, habitat improvement, stocking, fishing regulations, land management, and land/easement acquisition.

The Trout Management Plan is available for review online at <https://dnr.wi.gov/topic/fishing/trout/inlandtroutmanagementplan.html>, or learn more by searching the DNR website, [dnr.wi.gov](http://dnr.wi.gov), for keywords "trout plan."

Written comments will be accepted through July 5, 2019. Send comments to [Joanna.griffin@wisconsin.gov](mailto:Joanna.griffin@wisconsin.gov) or fill out the online survey by visiting [dnr.wi.gov](http://dnr.wi.gov), search "program guidance."

## Celebration of Life

### A Tribute to MaryAnn Wojcik

MaryAnn Wojcik, age 83, passed away peacefully in her sleep, with her loving husband by her side, on June 16, 2019. The daughter of Peter and Frances (Wisniewski) Nowak was born on February 2nd, 1936, in Pulaski, WI. She was a 1954 graduate of Pulaski High School. She married her high school sweetheart and the true love of her life, Richard Wojcik, at Assumption B.V.M. Church, on June 28th, 1958. The fun loving couple were crowned Homecoming King and Queen. They knew what true love really was and enjoyed 61 wonderful years of married life together.

MaryAnn was a woman of Faith and a true believer in Jesus Christ, our savior. She was a member of Assumption B.V.M. Parish, where she was baptized, received her First Communion, was married, and now will celebrate her life with a Mass of Christian Burial.

We always felt loved by her... she showed her love through her constant concern and helping hand. She truly enjoyed cooking for her family and will always be remembered for her homemade chicken soup, chili, delicious pies, and cookies. She was the most unselfish and giving person... feeding or helping anyone that crossed her path.

MaryAnn and Richard enjoyed their bountiful vegetable and flower gardens. Dad did the tilling and mom did the canning. Mom was 100% Polish and it showed in her gift of true grace on the dance floor. She taught Dad to dance and it was a joy to watch them Polka and Waltz together.

Her husband, children, grandchildren, and great grandchildren were her life's greatest joy. She never missed remembering everyone's birthday, anniversary, or Holiday with cards, presents, and treats. She loved holding the little ones and spoiling the older ones with licorice and Tootsie pops.

Mom always had an inviting and warm home... offering great meals with caring conversation and laughter! Her special place was on her front porch swing overlooking the lake... we can still hear her saying "come on in and sit down!"

During her quiet times she enjoyed reading novels... although mostly prayed... I am sure for all of us... Mom deeply loved all of us so very much and we loved her the same... she will be forever missed.

MaryAnn is survived by her loving husband, Richard Wojcik and the three children God blessed them with: David (Terry) Wojcik, Jane (Andy) Basten, Kathy (Ned) Van Brunt.

Further blessed with seven grandchildren: Ryan (Betsy), Lucas (Melissa), Drew (Kelli) Basten, Blair (Cali) Basten, Brooke (Tate) Mc Millan, Abbey Van Brunt, Megan Van Brunt.

Eight Great-grandchildren: Henry, Griffin, Zella, Margot, Elle, Crew, Cain, and Hal.

Further survived by: One sister, Aurelia Nowak: One sister-in-law, Regina Nowak: two brothers-in-laws: Donald (Marinette) Wojcik and Al Schomberg: nieces, nephews, other relatives, and friends.

In addition to her parents, she was preceded in death by her siblings: Esther (Peter) Karcz, Geraldine Schomberg, Art (Dorothy) Nowak and Bernie Nowak.

Family and Friends are invited to celebrate MaryAnn's Life at Assumption B.V.M. Church at 119 E. Pulaski Street, Pulaski WI: Visitation from 8:00 AM till the start of her Christian Burial Mass to be celebrated at 10:00AM Saturday the 22nd of June, with Fr. Patrick Gawrylewski, O.F.M. presiding. Christian Burial to follow in the church cemetery.

The family wishes to extend a special thanks to Andy Karcz and the medical professionals for their care and concern. We also, extend our appreciation to Fr. Patrick Gawrylewski and Marnocha Funeral Home for their spiritual comfort to our family.

When someone you love becomes a memory, that memory becomes a treasure!

## Charles Wilbert (Chuck)

Ackley entered into eternal life on May 30, 2019, surrounded by family members. He was a devoutly Christian father who loved, shared his faith and prayed for his family. He was a very respected member of his church and his tribe, the Sokaogon Chippewa Band of Mole Lake. He demonstrated his faith by being a church song leader and Sunday School teacher in The Mole Lake Community Church and always helping with church summer camps.

He was a World War II veteran, a member of the 40th Infantry Division, earning the Bronze Star for bravery, the Combat Infantry Badge, three battle stars, and the Philippine Liberation medal. He was finally awarded the Bronze Star on February 15, 2002. He had earned it in the Philippines in 1945, but during the confusion and rush to bring home American service men and women he did not receive the medal or any of the service ribbons and badges he had earned until that date in 2002.

Shortly after returning, he married Naomi VanZile and had five children, two of whom died at birth.

He was the son of the late Chief Willard Ackley, who was instrumental in establishing the Mole Lake Reservation. Chuck enjoyed growing up in Mole Lake and fishing, hunting and trapping.

In the 1960's he was one of the founders of the Mole Lake Housing Authority that was responsible for acquiring government funding to build the first 14 government assisted housing units on the reservation.

He worked 40 years for the Connors Lumber Company. After retiring, he was involved in the Elder Nutrition Program and was a supervisor of the Foster Grandparents, Senior Companion and Title V programs in Mole Lake.

He was preceded in death by his wife of 49 years, Naomi Vanzile; his father, Chief Willard Leroy Ackley; his mother, Sadie McGeshick; his step-mom, Dora Johnnie; and two children, Eugene Paul and Linda Ann.

He is survived by three children, Jeffery (Sue) Ackley, Karen Ackley (Sam) Seward (Milwaukee) and Victoria Ackley; and six grandchildren, Carrie (Keith) Fluegel (LeRoy, Illinois), Tammy (Ted) Howerton, Jeffery (Hollie) Ackley, Jr., Amanda (Charles) VanZile, Jerod Ackley and Neena Ackley. He is also survived by twelve great-grandchildren, Shannon and Erin Howerton, Michael (Flushing, MI) and Daniel Mullins (LeRoy, Illinois), Madison, Ryder and Tatum Ackley, Michael and Trentin Justice; and Evan, Colton and Sophie Ackley; and one great-great-granddaughter, Charlotte Mullins.

For the last two decades of his life he was blessed with a good friend and special companion, Lillian Phalen.

Special thanks go to Mike Monte and The Pioneer Press for sharing Chuck's story over the years with the community.

Special thanks also go to the following for their care and support: Ascension at Home, Ministry Health Care, Sokaogon Chippewa Tribal Chairman, Garland McGeshick, the Sokaogon Chippewa Council, the Sokaogon Chippewa Health Clinic and Senior Care Program, Mole Lake Lodge and Casino Bingo and the Aspirus personal care assistants on behalf of the Veterans Administration. The care and human touch provided by all of these organizations was an immeasurable comfort to Chuck and his family. To all who sent comforting cards and flower arrangements/plants, his family has the deepest appreciation. Memorials can be sent to the Midwest Indian Mission in Crandon, the Mole Lake Community Church and VFW.

Funeral services for Chuck were held on Tuesday, June 4, 2019 at the Waba Nun Nung Gospel Chapel in Mole Lake with Pastor Don Dewing officiating. Interment was at the Mole Lake Tribal Cemetery. Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

# Letters to the Editor

*We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

Dear Supervisor:

A few years ago a minority of our County Board Supervisors set out on a journey that ultimately destroyed a once first class Forestry Department. The majority of the full County Board were one vote short of the two thirds majority required to correct the problem. After two attempts at filling the vacant position ended in firings. I think the Board needs to reaffirm their original conviction that the firing of Dave Ziolkowski was as a mistake and they need to work out the details necessary to rehire him. As a former Forest County Supervisor and Forest Committee member I know first hand the complexities of this position and the Department it manages. It is not just about watching 13,000 acres of trees grow. It is about managing this \$20,000,000 resource as a profit center for the County while providing jobs and recreation opportunity for the public.

As a Board Member you need to look at what steps it will take to accomplish this task. You need to hire Dave Z for as long as he needs to train his successor, five or ten years should be sufficient. Do the math on what it will cost to make it happen and compare it to the monies squandered for the last few years an into the uncertain future.

Very Truly Yours,  
Gary Mueller  
Forest County Supervisor  
[retired but still cares]

## Congressman Duffy Urges Speaker Pelosi to Fund the President's Request for More Beds for Unaccompanied Alien Children

Washington DC - Wisconsin Congressman Sean Duffy, Ranking Member of the Financial Services Subcommittee on Housing & Insurance, sent a letter to Speaker Nancy Pelosi to address the humanitarian crisis at our southern border by supporting President Trump's request for more beds to be used by Unaccompanied Alien Children (UAC). Read the entire letter below.

"Dear Madame Speaker:  
"Knowing that you may soon bring supplemental appropriations legislation to the floor of the House, I urge you to ensure that this legislation fully funds the President's request for beds to be used by Unaccompanied Alien Children (UAC).

"As you know, the Office of Refugee Resettlement (ORR), which provides essential services and beds to UAC, is experiencing a substantial increase in referrals to their facilities. As of April 30, 2019, ORR had received referrals of approximately 40,800 UAC, which represents a 57 percent increase over Fiscal Year 2018 and puts ORR on a path to care for the largest number of UAC in the program's history.

organizations and promoting the ATV safety education program;  
 --assist the DNR and Tourism in creating an outreach program to inform local communities about appropriate ATV/UTV use in their communities; the economic benefits that may be gained from promoting tourism to attract ATV/UTV enthusiasts;  
 --techniques the organization will use to recruit, train and manage volunteer trail patrol ambassadors to monitor the recreational operation of ATVs/UTVs on public trails; and improve and maintain its relationship with the DNR, Tourism, ATV/UTV dealers, manufactures, recreation partners and off-highway motorcycle clubs

Additional requirements apply and the organization that receives the funding must be able to provide supporting documents showing objectives have been met through the use of reports, receipts and audits.

Organizations interested in applying for the funds should search the DNR website, dnr.wi.gov, for ATV UTV Enhancement Funding.

The deadline for submitting funding applications is 5 p.m., June 28, 2019. DNR expects to issue the fund agreement to the successful applicant no later than July 19, 2019. The fund agreement will be effective as of July 1, 2019.

### Funding available to assist in promoting safe ATV operation

MADISON - Organizations interested in assisting the Department of Natural Resources in the recruitment and training of all-terrain vehicle (ATV) safety instructors and volunteer trail ambassadors may apply for funding through a 2 year program to promote the safe operation of ATVs and UTVs in the state. The program funding is for up to \$297,000 for each year

Eligible organizations must provide documentation that they are registered with the Wisconsin Secretary of State's office as non-stock organizations and have an established board of directors. Funding applicants must create and provide a business plan detailing the methods and approaches the organization will use to accomplish a number of requirements that will promote the operation of ATVs and UTVs that is safe and responsible, does not harm the environment and does not conflict with laws, rules and department policies.

Among these requirements are:  
 --assisting the DNR in recruiting, assisting and providing support to volunteer safety instructors ATV/UTV clubs and

### Healing Hearts Grief Group

Ascension at Home invites everyone to a group for processing loss and grief creatively. Loss and grief can be caused by many life altering events, not only the death of a loved one. This free drop in group will allow participants to process these difficult emotions through creative means. Participants can join art facilitators and bereavement coordinators in the class project or bring their own project to work on in a nurturing and supportive space. Supplies are provided.

You do not need to be an "artist" or consider yourself "creative" to participate.

Meetings are scheduled on the first Tuesday of every month, 11 a.m. - 1 p.m. at the Old School Arts & Learning Center | Riverview Hall, 903 Boyce Drive in Rhinelander. There is no fee to attend. No registration is necessary. For additional information, please call Christina Harkness at 800-643-4663.

## Duffy Continued from pg. 7

"On May 1, 2019, the Administration sent a letter to Congress requesting an emergency appropriation to address the needs of those UAC in federal custody. This would provide ORR the funding necessary to offer adequate lodging and care while it works to find sponsors for these children. Without emergency funding, the UAC program could exhaust its funding as soon as the end of June and will be forced to scale back services to these children. Additionally, should funding not be appropriated, thousands of children could be forced to remain in Department of Homeland Security facilities that were not designed to serve as long-term shelters.

"There is a major humanitarian and security crisis at our southern border. Regardless of your political leanings, we should all agree that the critical needs of UAC should be met. As the father of eight, I cannot stand idly by while these children suffer. Inaction amounts to nothing less than a dereliction of our Constitutional duty.

"Therefore, I respectfully request that you fulfill the President's request for humanitarian assistance via supplemental appropriations.

"Thank you for your consideration of this important matter and I look forward to your response."

# Thank You and Personals

## We Thank You

The family of Steven Sekel would like to thank everyone for the tremendous response of generosity, kindness and love to Steve's passing. There is no way to mention everyone that sent cards, flowers or food. We are truly appreciative. The reaction on social media was overwhelming. The visitation and funeral service attendance was stunning. The stories shared by all those who knew him were both comforting and entertaining. We wish that we had more time to speak to everyone. The church had a woodsy-jungle vibe with all the trees and plants! The planting of the Brotherhood Orchard at the school was a beautiful idea. It serves as a reminder of how we should act and treat others. Thanks to all who stopped by our homes to share food, memories and insight. The sharing of hugs, tears and laughter, sometimes simultaneously, was so welcomed. FCP Executive Council's offer of time off for staff to attend services was absolutely outstanding. It was fantastic to meet so many of Steve's co-workers. The Go Fund Me page for the Steve Sekel Memorial Fund sparked unbelievable generosity. I hope we can provide the stewardship of the funds your generosity deserves. Thank you to St. Paul and Pastor Pappenfuss for the beautiful service. Many thanks to Praise Chapel, Pastor Gerber, The Hotel, Weber-Hill, Flowers From the Heart, all the people who brought food and the ladies who worked so efficiently to serve the dinner. You are all remarkable. A special thank you to Steph Mattson, the Lehmans, Kincaids and Plummers for their tireless efforts to assist in the process when our minds and spirits were elsewhere.

Steve packed a lot into his 29 years and we were lucky enough to ride along. Untimely passings like this trigger so much emotional energy. Steve will be missed by family and friends. We hope that as the pain of this loss dulls, you will remember to treat each other as Steve would've expected and we hope you smile at his memory. Hope to see you on July 5th.

With Love,  
 Danielle, Lori, Chuck, Tyler and Willie.  
 The family of Steven Sekel

We Love You! You are such a great kid!  
 Love Mom, Dad, Ben, Grandma Linda & Grandpa Mike

## Still time to donate to Flea-Zaar

Forest Larger Parish Presbyterian Church (FLPPC) continues to collect donations for the July 19 and 20 Flea-Zaar. We welcome donations of gently used household items, furniture, and small appliances as well as lawn mowers, recreational vehicles, boats, bikes, etc. Please, no clothing, mattresses, pianos, baby car seats, cribs, electronics, or large appliances (anything with a dump disposal fee). If you find you have an excess of perennial plants as you are doing your yard work, please share them with us. Fine and costume jewelry donations are also accepted.

We are having another early drop off day on Saturday, June 29 at the Lakewood location. The garage located at 15552 Hwy. 32 will be open for donations from 10:00 a.m. to 1:00 p.m. if you have items you would like to donate, but can't hold on to until the week of the Flea-Zaar. Donations will also be accepted July 16, 17, and 18 from 10:00 a.m. to 2:00 p.m.

If you have larger items you need us to pick up ahead of time, please call the church office at (715) 473-3603 and you will be referred to someone near you for pick-up. Please DO NOT DROP ITEMS OFF AND LEAVE THEM ON THE PREMESIS. Donations must be left when there is someone at the church to receive them.

The sale will be on Friday (July 19) from 8 a.m. to 4 p.m. and Saturday (July 20) from 8 a.m. to 2 p.m. We hope to see you there!

All proceeds will benefit the missions of Forest Larger Parish Presbyterian Church.

## For Old Time's Sake

You better get started decorating your car for the 4th of July Parade! This vintage car wasn't vintage when it was in the Crandon 4th of July Parade, it was the family car. This photo is from the Keith collection.

**Senior Chatter**  
 Dental insurance vs. dental savings plans  
 Submitted by Kathy O'Melia  
 If you or someone you love is looking to save money on the high cost of dental care, two available options include dental insurance and dental savings plans. These may sound similar, but they offer different types of benefits and have different limitations. There are pros and cons of each. It is important to know the difference between the two and choose a plan that is right for your individual dental care needs.  
**Dental Insurance**  
 Dental insurance is like health insurance. You pay premiums to the company, and then, the dental insurance company pays the dental provider on your behalf. These insurance plans will typically require copays and deductibles. They will oftentimes have a provider network that works much like an HMO or PPO health insurance plan.  
 It is important to note that some dental insurance plans have an annual maximum amount that they will pay on your behalf (sometimes referred to as a "benefit cap.") Sometimes, this maximum amount will be around \$1,000 or \$1,500. If you need a lot of dental work in a one-year period, this could mean your insurance benefits are used up rather quickly. It may also mean that more expensive items or services may not be fully covered. However, some plans do have negotiated discounted prices that you pay the provider after you reach your annual benefit cap.  
 Another drawback to dental insurance is that they sometimes require a waiting period before a particular service is covered. One benefit to dental insurance is that sometimes they will cover preventative care with no co-pays. Most importantly, keep in mind that each plan is different, and you should compare multiple plans to choose the right one for your needs.  
**Dental Savings Plans**  
 Dental savings plans are not insurance (although sometimes they may be administered by insurance companies such as Aetna.) With a dental savings plan, you pay the provider directly, but those charges are discounted in accordance with your plan. Also, you must choose a dentist who participates in the plan.  
 With a dental savings plan, there are generally no deductibles, no waiting periods, and no annual maximums. However, most often, the discounted price you pay for these services is higher than the copay amount you would pay with dental insurance. Notably, some services that are not typically covered by dental

insurance, such as cosmetic services, may be discounted through a dental savings plan.  
 It is often possible to have both a dental insurance plan and a dental savings plan. For example, if you reach your annual benefit cap with your dental insurance plan, you can then start paying discounted rates through the dental savings plan, or you can pay discounted rates for items or services that dental insurance does not cover. If you chose this option, you will want to make sure your dentist is in-network for the insurance plan and participates in the savings plan.  
 Finally, and most importantly, when choosing a dental insurance plan, dental savings plan, or both, you should weigh the pros, cons, and total costs of each option. To do this, it is helpful if you have an idea of your expected dental needs. Then, you can estimate what your total dental care cost will be under each plan considering copays, deductibles, benefit caps, covered services, and discounts.

# HELP WANTED

## SCHOOL DISTRICT OF CRANDON VACANCY DETAILS

6/13/2019

**Position Title:** Title IV Tutor/Instructional Aide

**Position Type:** Paraprofessional

**Position Details:**

- Reports to: Associate Principal
- Position will be posted until filled
- 29 hours per week
- Competitive Pay

**Position Description:**

The School District of Crandon is seeking a Title IV Tutor/ floating instructional aide for the 2019-2020 school year. This position provides support services for our native students in either a one-on-one or small group setting. Academic tutors do not deliver new instructional material; they routinely meet with students to reinforce, supplement, and review class material. Applicant must pass an academic skills assessment in the areas of language arts and/or mathematics prior to hiring. The majority of the floating instructional aide tasks will include: providing breaks to support staff and to provide tutoring assistance in our alternative education classroom.

**Position Responsibilities:**

- Collaborate with instructional staff
- Monitor and maintain documentation/notes of student performance
- Meet regularly with Home-School Coordinators
- Be an academic support to students of varying abilities

- Keep students on task
- Other duties as assigned

**Candidate Requirements:**

- High School Diploma
- Some college preferred
- Experience working with diverse populations preferred
- Organized
- Flexible
- Basic technological skills
- Builds Positive Relationships
- Collaborative
- Willing to learn, explore, and implement various academic support strategies

**How to Apply:** To apply for this position, please submit a letter of intent summarizing your qualifications and interest for this position, resume, and references either via WECAN or send directly to Jewel Mucklin, MS/HS Principal, at muckljew@sdoofcrandon.com. Please contact Ms. Mucklin at 715-478-3339 with any questions.

*The School District of Crandon does not discriminate on the basis of sex, race, religion, national origin, ancestry, creed, sexual orientation, pregnancy, marital, or parental status, mental, emotional, or learning disability.*

## School District of Crandon External Vacancy

Posted: 6/13/2019

**Position Title:** Title 6 Home/School Coordinator

**Position Type:** Paraprofessional

**Position Details:**

- Reports to: Administration
- Position will be posted until filled
- 40 Hours/5 Days per Week
- Competitive Pay

**Position Description:**

The School District of Crandon is seeking an individual who is eager to join the School District of Crandon team to enhance educational, co-curricular opportunities, communications, and positive relationships between school and home for our Native American student population. Due to the nature of this position, the ideal candidate will: 1) possess strong written and verbal communication skills; 2) be organized; 3) act professionally and with discretion when handling confidential information; 4) have a passion with building positive relationships; and 5) be aware and act with sensitivity when working with diverse populations and cultures.

**Primary Duties & Responsibilities:**

- Collaborate, arrange, and participate in parent visitations to school or home visits as requested
- Transport students off-campus (i.e. home) upon the request of building administration in the absence of parent/guardian availability following the district/tribe established guidelines
- Act as a liaison between families and school district personnel as needed
- Disseminate academic and behavioral data, as requested or required, by tribal personnel
- Assist families to better understand educational programming, opportunities, and policies
- Collaborate and attend meetings with appropriate tribal personnel and district personnel as needed to support students and families
- Be willing to provide academic and behavioral support as directed

**Candidate Preferred Qualifications:**

- Experience working with kids and diverse populations specifically Native Americans
- Associate's Degree
- Flexible Schedule
- Proficient in Technology

**How to Apply:** To apply for this position, please submit a letter of intent summarizing your qualifications and interest for this position, resume, and references via WECAN or directly to Jewel Mucklin, MS/HS Principal, at muckljew@sdoofcrandon.com. Please contact Ms. Mucklin at 715-478-3339 with questions.

*The School District of Crandon does not discriminate on the basis of sex, race, religion, national origin, ancestry, creed, sexual orientation, pregnancy, marital, or parental status, mental, emotional, or learning disability.*

## Conservation Corner Cont. from pg. 1

Forest research studies; contribute toward satisfying demand for wood products; provide a safe and effective road system; increase public safety related to wildfire potential; and maintain or enhance recreation experiences.

Alternative 2, the Proposed Action, meets the purpose and need with actions on around 12,100 acres of timber harvest, 562 acres of fuel reduction pertaining to wildfire probability and reforestation, 6.5 miles of hunting hiking trails maintenance, 1.2 miles of new road construction, 0.2 mile temporary road construction, road reconstruction, road closure and removal from Motor Vehicle Use Map (MVUM), 50.7 miles of unauthorized roads added as closed to public motor vehicle use, and road decommissioning.

The National Forest System has many needs and priorities on the National Level and has much input from groups and individuals Nationwide. Many local residents and users of the forest have had past concerns with reduced access to the forest, especially in regards to forest products and motorized vehicle use. To the advantage of Forest County, this proposed project includes 12,100 acres of timber harvesting which will benefit our timber industry. The project will include 46.4 miles of road reconstruction which will improve the current forest roads. The project will include 6.5 miles hiking trails maintenance which will improve our hunting resources. The project proposes reducing forest access by closing of 50.7 miles of roads currently used by motorized vehicles, it proposes converting 48.9 miles of road to trail and it proposes eliminating 147.2 miles of road by obliteration. Net loss of motorized forest access will be a little over 247 miles of roads, if this concerns you, now is your time to voice your opinion. More information on the project can be seen at <https://www.fs.usda.gov/?project=51959>.

If you have concerns about this project or if you want to support items in the proposal, what can you do? USFS comment period is open until June 28, 2019 on this project. Comments should include your name and contact information, the title of the project and your signature. Comments should be sent to Chad Kirschbaum (District Ranger), ATTN: Kristine Vollmer, 500 Hanson Lake Road, Rhinelander, WI 54501. Comments can also be submitted by phone at 715-362-1346 or by e-mail at [Kristine.Vollmer@usda.gov](mailto:Kristine.Vollmer@usda.gov).

**County Board** Cont. from pg. 1  
 prisoners for various services, a support of broadband expansion, approval of the purchase of a mid-size SUV 4x4 in the \$25,000 range for the Health Department, a change in fire number fees, an abolishment of the nuisance ordinance, and a movement of money from the Gang Task Force (where it is not needed now) to the Youth Task Force. A street signing ordinance was also passed.  
 It was also a unanimous vote to oppose the closing the Blackwell Job Corps, with a discussion of the loss of 54 jobs and the fact that this facility has been given awards for their work in training young people trades that are needed in our society.  
 In addition, the rules for usage of the Courthouse Square for activities was changed and approved, without making the facility not available to non-profits holding an event.  
 There were two pieces of correspondence read that pushed for the rehiring of former Forest Administrator Dave Ziolkowski. Ron Krueger sent a letter to the board as did Gary Mueller. Both letters were read aloud to the assemblage. Mueller's letter is printed in this issue of the Pioneer.  
 There were two award given at the board meeting. Shannon Boney, the Child Support Director, was given an award for 20 years of service. In addition, the Child Support Department, which consists of Shannon Boney, Nancy Donek and Stephanie Statezny, was given an Outstanding Achievement Award.
