## Laona Lions Community Soup and Souper Run Saturday, August 3rd

The great tradition of the Laona Lions Community Soup is on for this Saturday, August 3, at Silver Lake Beach, in Laona. The Soup begins at noon, and runs until 5 p.m. This is the 99 year the Community Soup has been held, and it sustains the tradition of people from the community getting together and sharing the fixin's for a very large kettle of vegetable soup. Like the old days, you have to bring your own bowl.

Also on Saturday, August 3, the 40th Annual Souper Run. Race day registration begins at 7 a.m. at the Silver Lake Beach. The race is open to anyone from 6 and under to 65 and up.

## History on Tap features stories of Lake Metonga

The Crandon Area Historical Society is pleased to announce that its Monday, August 5, "History on Tap" program will offer the program, "It is a Sandy Beach : Stories of Lake Metonga." The program will feature photos, postcards and local history stories of the lake, its resorts, land owners, camps and the industries its supported through the years. The information for the program was researched and collected from information found within the Crandon Area Local History Room at the Crandon Public Library.

Historical society member Michelle Gobert will also provide information on an upcoming local history workshop series provided by the Division of Extension Forest County, that will offer tips and tricks to residents interested in researching local history and/or their family history.

The program will begin at 7 p.m. at the Historic Hotel Crandon. History on Tap is free of charge and is open to all ages. Complimentary snacks will be provided. Alcoholic and non-alcoholic beverages are for sale. History on Tap is sponsored by the Crandon Area Historical Society and the Hotel Crandon. For more information, contact Michelle at 715-478-7797.

# National Night Out

On Tuesday, August 6, from 4:00-7:00 p.m., the Forest County Sheriff's Department and Crandon Police Department will be hosting National Night Out in the parking lot of the Sheriff's Department.

The following will be at the event: Drunk Goggles, Dunk Tank, High Strike, Archery, Teen Bedroom by Forest County Health Department, Diaper Drive by Nation Alliance for Drug Endangered Children and Community Coalition of Forest County (please give diapers of all sizes & pullups to help support Forest County Drug Endangered Youth), Taser and K9 Demo. There will also be food, drink and prizes.

Everybody is invited to attend and have a good time as well as learn.

## Crandon Rocks to kick off 50th World Championship Off-Road Races Kid Rock comes to Crandon!

CRANDON, Wisconsin (July 26, 2019) – For fifty consecutive Labor Day weekends, the rolling hills near the tiny hamlet of Crandon, Wisconsin have come to life thanks to the roaring symphony of 900 horsepower trucks as part of the world's largest short course off-road race. Now this uniquely American Midwest tradition will explode as Crandon International Raceway today announced the appearance of Kid Rock as part of its new "Crandon Rocks" concert series.

Set to take place Friday, August 30 at Crandon International Raceway, the Kid Rock concert has now been officially added to the famed singer's 2019 tour schedule. His "Crandon Rocks" performance will incorporate a complete stadium-style production, including world class staging, sound, lighting, video and pyrotechnics executed in pure Kid Rock style.

Tickets for this historic Crandon concert will be available Monday, July 29 beginning at noon at [www.crandonrocks.com](http://www.crandonrocks.com). In keeping with a time-honored Crandon tradition of providing world-class entertainment for the everyman, tickets for Friday's day of racing and general admission to the concert will be just \$75.00. In contrast to many modern venues, "Crandon Rocks" will offer concert goers parking, food and beverages of all types at extremely affordable prices.

In addition, a limited supply of Gold Section tickets at three-tiered pricing will also be offered, which includes reserved seats, private concert entrance, VIP bar and catered food locations as well as a private bathroom facility.

Taking place August 28 through September 1, this year's five-day 50th Anniversary Polaris RZR Crandon World Championship Off-Road Races® will be the biggest off-road short course race anywhere, with a record crowd of more than 55,000 people expected to attend the weekend celebration. A complete slate of Lucas Oil Midwest Short Course League Pro and Sportsman races is scheduled, as are special events and unique fan experiences including the 2019 Crandon Rocks concert. Sunday, September 1 will feature the 4th annual Crandon World Cup, the sport's richest day of racing, that will attract the very best professional drivers and teams all competing on the track's legendary 1.75-mile course for coveted Crandon World Champion titles.

Kid Rock burst onto the music scene in 1998 with his Devil Without a Cause album and hasn't looked back. From hit singles like "Bawitdaba" and "Cowboy" to "Picture" and "All Summer Long," the recording artist has blazed his own trail in the music world, having sold over 26 million albums to date. Kid Rock holds the Michigan record for most tickets sold with 150,000 for a run of ten consecutive sold-out shows, and recently set the Little Caesars Arena attendance record in his hometown of Detroit with 86,893 attendees in six sold-out shows. On the heels of this arena success, Kid Rock hit the road in 2018 in support of his first album fully recorded in Nashville, Sweet Southern Sugar, with two hugely successful tours – winter's American Rock n Roll tour and summer's Red Blooded Rock n Roll Redneck Extravaganza. The year also saw the release of his first ever greatest hits project, Kid Rock Greatest Hits You Never Saw Coming. Kid Rock remains at the center of media attention in regard to his musical and personal ambitions, leaving his mark in a multitude of genres.

Located just two hours northwest of Green Bay in Wisconsin's scenic Northwoods, Crandon International Raceway is a 400-plus acre, purpose-built facility known by its three generations of fans as "the Big House." Since holding its first off-road race in 1970, Crandon has been home to a beloved Labor Day weekend tradition for racers and families alike, with more than 2,200 grass camping sites and lots of down home entertainment all adding up to an unforgettable and timeless "Crandon Experience."

## Lake Lucerne Advancement Association Family Fun Day & Auction

It will be fun for the whole family, at the Lake Lucerne Advancement Association Family Fun Day and Auction at the Lake Lucerne Community Center on County W. The fun begins at 11 a.m. on Saturday, August 3.

The auction inspection is at 11:30 a.m., and after that be ready to bid on everything from sporting goods to furniture and appliances.

There will be plenty of refreshments and food, the big money raffle and more. There will be a bouncy house for young kids and plenty of conversation between friends and acquaintances. All are welcome!

## Governor Evers' order sends support to northern Wisconsin

To ensure power is restored to Wisconsin communities following the weekend's devastating storms, Governor Tony Evers directed state agencies to facilitate emergency responses.

Wisconsin Department of Transportation Secretary-designee Craig Thompson signed a waiver to allow out-of-state utility crews to obtain a no-fee permit to travel in the state. The waiver will expedite the restoration of power and related infrastructure to northern and central Wisconsin.

Certain utility trucks and equipment that are not registered in Wisconsin or enrolled in the International Registration Plan (IRP) or the International Fuel Tax Agreement (IFTA) may obtain a no-fee permit. The fee waiver remains in effect through October 20, 2019.

Governor Evers signed Executive Order 35 declaring a State of Emergency due to extreme weather causing exceptional damage to critical infrastructure.

## Annual Lakes Country Arts & Crafts Show Saturday, August 3 in Lakewood

The Annual Lakes Country Arts & Crafts Show is this Saturday, August 3. The event runs from 9 a.m. - 3 p.m. There are 281 booths occupied by 215 vendors offering original work. It is free admission and free parking. The show is located at the Lakewood Town Hall and Activity Center. No pets allowed.

The Annual Lakes Country Arts and Crafts Show is sponsored by the McCaslin Lions Club. All money raised by the McCaslin Lions Club goes back into the community.

## Crandon Public Library Presents Randy's Rockin' Reading Show August 9

Join the Crandon Public Library in welcoming back Randy Peterson for another Rockin' Reading Show on August 9 at 2 p.m.

His show is a sing-along, clap-along concert that is perfect for kids and families. This year, the show is a musical story of the universe. Young patrons will blast off together, to sing and dance their way through space. Along the way, Randy will lead the children in songs such as the Mars Macarena, the Jupiter Jump and the Pluto Polka!

Randy's Rockin' Reading show is a fast-moving mix of music, education, humor and storytelling geared for kids, but will be enjoyed by everyone! This program is brought to you by the Friends of the Crandon Public Library.

## DNR seeks input on ruffed grouse management plan

The public will have an opportunity to provide input and comments on a proposed ruffed grouse management plan for Wisconsin in person at a series of public hearings as well as online. The Wisconsin Department of Natural Resources is drafting a ruffed

**News updates for Veterans**

This article is being penned to ensure all Veterans have access to the latest information as it pertains to their benefits. It will highlight two huge changes that have taken effect in the last 60 days, and what that means to you.

**HEALTH CARE**

First is the MISSION Act that went into effect on June 6th. It is an overhaul of all of the VA's Community Care programs and allows Veteran increased options for their health care.

The major change is increased eligibility for Veterans to receive care locally if they choose not to get care at a VA facility, and they meet these expanded eligibility criteria. In future articles we will discuss the entire health care system in detail.

The other historic change that the MISSION Act authorizes is the use by Veterans, enrolled and current in the VA Health Care system, to visit Urgent Care (Walk-In) clinics. This benefit is available only at In-Network Urgent Care facilities. If the Urgent Care Clinic is not In-Network the bill for services will be solely the responsibility of the Veteran.

Use only a VA IN-NETWORK URGENT CARE facility. As of July 23, 2019, the only VA authorized In-Network Urgent Care facilities within 50 miles of Forest County are: The Marshfield Clinics Urgent Care facility in Minocqua. Be sure to let them know that you are utilizing your VA benefit. The most up to date list of In-Network Urgent Care facilities is available online at, <https://vaurgentcarelocator.triwest.com/Locator/Care>

**BLUE WATER NAVY**

Earlier this year the Blue Water Navy Vietnam Veterans Act was signed into law. This will expand the number of Veterans who will be allowed disability for the presumptive illnesses associated with exposure to Agent Orange. The bill contained a provision that allowed the VA to delay implementation of the law. The VA has exercised this right and has issued a stay on all Blue Water Navy Claims. This delay should allow the VA to establish new parameters for qualification (ie define the new mile marker granting exposure), and get rules in place. What do Veterans and widows who may now be eligible do?

1. If you filed before or since the new ruling, whether you were denied or a decision has not been reached, just realize that the clock has stopped and no one at the VA will do anything with your claim.
2. If you have filed an Intent to File; nothing changes. You need to ensure that you file the claim with in one year of the Intent.
3. If you have not filed, either a claim or an Intent to File, and believe you may become eligible due to the Blue Water Navy expansion, stop by the office and file an Intent to File.

This applies to both Veterans, and widows of Veterans who died of one the presumptive illnesses caused by exposure to Agent Orange, and may qualify under the Blue Water Navy Vietnam Veterans Act.

## Around the Area

**Tuesday August 13 5:00-8:00 p.m.**  
**Cheeseheads documentary and tailgate!**

Join RDL at Rhinelander Masonic Lodge to celebrate the 100th anniversary of the Packers with a tailgate preceeding a viewing of Cheeseheads, a documentary featuring local sites and folks. This film takes viewers on a tongue-in-cheek tour of Cheesehead culture in Wisconsin by exploring the factories, farms, museums, breweries, and people who have made the moniker globally recognizable. A question and answer session follows the film.

This program will be at the Rhinelander Masonic Lodge 242, 23 E. Davenport Street. Tailgate appropriate refreshments available for nominal cost courtesy of the Masonic Lodge and Rhinelander Brewery.

**Final performance at Concert on the Riverwalk**  
**Wednesday, August 7th**

The final Concert on the Riverwalk for the 2019 season will feature the Rhinelander Area Community Band at the bandshell near Trig's beginning at 7 p.m. on Wednesday, August 7.

Along with the usual rousing marches, familiar show tunes and traditional polkas, director Jim Pekol promises a few surprises. Free popcorn will be served and there are a few benches available.

In case of bad weather, the show will be held at the senior center (ADRC) building across the parking lot. This week's sponsor is RIPCO Credit Union.

P18

## State wildlife reps agree on top-level priorities for controlling CWD

MADISON, Wis. - Expanded testing research, disease management evaluation and enhanced regional collaboration are among the top-level priorities identified by wildlife professionals from 12 Midwestern states, members of Wisconsin Tribal Nations, plus state and federal conservation groups who met this week in Madison to discuss preventing the spread of chronic wasting disease.

The two-day working meeting hosted by the Wisconsin DNR focused on the latest data available on how CWD is affecting each states' wild deer population as well as disease management strategies and collaboration opportunities. The meeting kicked off Wednesday with opening remarks from DNR Secretary-designee Preston Cole and a video message from Gov. Tony Evers.

"Working together on CWD management and research will help all of us address how CWD is affecting our deer herd and how it's impacting the sport of hunting we all know and love," Evers said. "CWD not only impacts hunters, but there is also a ripple effect that touches our residents and economies. By all of us working together, we will more effectively manage this disease and reduce the impacts of CWD."

CWD is a contagious neurological disease of deer, elk and moose that is caused by an abnormal protein called a prion. These prions cause brain degeneration in infected animals and lead to extreme weight loss, abnormal behavior and loss of bodily functions. This always fatal disease was first found in Wisconsin in 2002 through testing of hunter-harvested deer in November 2001. There are currently 56 CWD affected counties across the state.

"This type of meeting of the minds around CWD research and collaboration is unprecedented," said Cole. "I applaud the many states, Tribal Nations and conservation groups who joined us in Madison to have a significant dialogue around the management of this disease. I am humbled by what I have heard and am hopeful the promises of a shared commitment to get ahead of this insidious disease will be kept."

Some priorities the group established are:

**Expanded research into testing methods** - The group agreed there is a need for more advanced research into testing methodologies that do not require lymph node material. The desire is to develop live animal testing methods that use alternative tissue while still generating scientifically valid results.

**Evaluation of management actions** - While many states are initiating control actions, such as management zones and restrictions on carcass disposal, few have evaluated these actions to determine efficacy. The group agreed there is a greater need for empirical data to establish whether these actions are sufficiently effective in controlling CWD.

**Enhanced collaboration on management and communication** - There is a need for more consistent communications across state lines about each state's CWD management rules and how to inform hunters about how to comply with those rules. This collaboration especially comes into play when new CWD detections are made near state borders.

"We are excited and encouraged by the broad participation in this meeting, not only from the many states but also by the tribal nations, deer farming industry and wildlife organizations who are ready to work together to confront this problem," said Tami Ryan, acting director of the DNR's Bureau of Wildlife Management. She added that word of the DNR meeting spread to the South East Association of Fish and Wildlife Agencies about the success of the Midwest CWD Collaboration Meeting, which prompted them to schedule a similar event in Mississippi next month.

Another year of Accordion music in the Old Saloon with Roger Geldon August 3 during Stovewood Daze!

### McNaughton inmates graduate from Nicolet Maintenance Mechanic program

Wisconsin Department of Corrections Secretary Kevin Carr, second from left, congratulates Nicolet student James Wertman during a recent graduation ceremony at Nicolet College. The ceremony honored Wertman and four other inmates from the McNaughton Correctional Center who completed the college's Maintenance Mechanic certificate program. Also onstage are, standing, Nicolet President Richard Nelson and Nicolet Executive Vice President of Academic and Student Affairs Kate Ferrel. In the background are, left, Jeff Labs, Nicolet dean of Trade, Industry, and Apprenticeships, and Howard Honig, Nicolet Maintenance Mechanic instructor.

"By getting an education, each of you has proven that you have the courage, strength, and determination to better your lives," Carr said in his address to the graduates.

This is the third graduating class from McNaughton to complete an academic program at Nicolet.

### Nicolet Walk/Run a big success

The 16th Annual Nicolet Walk/Run was held on June 15th. It turned out to be a beautiful day for a walk around Maiden Lake. This year's event was dedicated to the memory of Jerry "J.D." Doucha. J.D. was one of this event's most committed supporters and will be missed by all who knew him.

Proceeds go to local EMS units, including Fire Departments, Ambulance and Nicolet Search Team. This year we were able to donate \$6,000. Over \$90,000 has been donated since this event began in 2003.

We sincerely appreciate our sponsors - TruVenture Composites, LLC; Northern Perks Coffee Shop; TriFitness, LLC; BDS Fastener & Supply, LLC; CoVantage Credit Union; Lotter's Lakewood Shell; Wipfli, LLP; Creative Planning, Inc.; Entec Polymers; Harding Portables, LLC; Uline; Laona State Bank; EH Wolf & Sons, Inc.; and HSHS St. Clare Memorial Hospital/Prevea Health for their contributions.

We'd also like to recognize all the businesses that supplied items for our participants and for the goodie bags - Lakewood Super Valu; Town of Riverview; Nicolet Pharmacy; Forest County; Potawatomi Carter Casino; NorthLakes Community Clinic Lakewood; GSF Mortgage Corp; Dama Plumbing; Maiden Lake Supper Club; Bellin Health Lakewood and Pour Haus Bar & Grill.

To all the volunteers and EMS Units, for all your help prior to and during this event, we are grateful for all you do. We couldn't do it without you!

And to our 143 participants, we hope you had fun and look forward to seeing you at next year's event on June 20, 2020!

Go to [www.nicoletwalkrun.com](http://www.nicoletwalkrun.com) for photos and results.  
Submitted by the Nicolet Walk/Run Committee.

# Death Notices

**Beverly R. Collins**, 75, of Rhineland, WI passed away Thursday, July 25, 2019 at the Friendly Village Nursing Home in Rhineland, surrounded by family. Beverly was born in Laona on November 12, 1943 the daughter of the late Glen and Helen (Brooks) Stanley. She was united in marriage to Hilton Collins on October 10, 1959 and he preceded her in death on February 5, 2007.

She and Hilton loved doing everything together. She also loved spending time with her family, especially her grandchildren and had a passion for cooking and baking.

Surviving Beverly are daughter, Tammy (Kevin) Collins of Laona; sons, Hilton "Buck" Collins Jr. of Rhineland, Jeffrey (Amy) Collins of Argonne, Timothy (April) Collins of Lac Du Flambeau and Bruce (Cindy) Collins of Rhineland; 15 grandchildren and numerous great-grandchildren; sister, Dorothy Wagoner of Crandon; and brother, William Stanley of Laona.

She was preceded in death by her parents, sisters, Sharon Newman, Mary Schmelling and Shirley Penasa; and grandson, George Bailey.

Honoring Beverly's wishes, a Celebration of Life will be held on Saturday, August 24, 2019, from 11 a.m.- 2 p.m. at the Argonne Town Hall in Argonne. Private graveside services will be held at the Laona Cemetery.

The family would like to thank the staff at Friendly Village & Ascension Northern Hospice for the compassionate care they gave to Beverly.

Online condolences may be left for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Zachary James Brazeau**, age 10, 11/13/2009 to 7/11/2019. Zachary was fighting a courageous battle with lymphoblastic leukemia. Even though he was starting to go into remission, his already weakened immune system took a hard hit from sepsis and a lung infection, and unfortunately he lost his life due to these complications.

As I sit here with tears in my eyes, I think about the 10 short years we had with Zachary. So many happy memories were made. Zachary was a wonderful son and awesome big brother. He was always a hard working kid. Always putting a big smile on his face no matter how terrible he was feeling. And his smile put a smile on the faces of all of his family and friends. We will remember him for his big heart, his mischievous laugh and for his empathy.

Zachary has many who miss him so very much. Starting with his siblings: Kaytlyn, 7 years old, Owen, 3 years old, Ava, 2 years old, and Ronan, 5 months old. His loving grandparents Pete and Chris Johnson and Bruce and Diane Brazeau. His aunts and uncles Luke & Andrea Johnson, Andy Johnson, Katie & Jeremy Kevilus, Ben Johnson, Bobbi-Jo Johnson, Elizabeth and Ethan Kurtz, cousins Ezra & Ryan, Kurtis, Rachel & Rebecca, and so many family members on both sides and friends that will miss him so very much. But missing him the most will be his dad and mom, Matthew and Cindy Brazeau. It is never going to be the same without our Zachary. Gone way too soon but never forgotten.

## Senior Chatter

### Wisconsin's SeniorCare Program

#### Extended for 10 Years

By the **GWAAR Legal Services Team** (for reprint)

On April 12, 2019 the Centers for Medicare & Medicaid Services (CMS) granted the Department of Health Services (DHS) a 10-year extension for the SeniorCare Prescription Drug Assistance Program. This program is utilized by nearly 50,000 seniors in Wisconsin. Those who use or are planning to use the program now have peace of mind knowing their prescription drug benefit will continue for the long term.

Since it began on September 1, 2002, the SeniorCare program has successfully delivered comprehensive outpatient drug benefits to more than 310,000 seniors in the state. SeniorCare covers most generic and brand name prescription medications and over-the-counter insulin. It has a simplified enrollment process, \$30 annual enrollment fee, income-based deductibles and copayments of \$5 for generic drugs and \$15 for brand-name drugs.

The previous 3-year extension expired in December, 2018, and the state had been operating on 1-month extensions for January, February, and March of this year. With the 10-year extension, SeniorCare members will continue to have affordable access to prescription drugs for years to come!

#### Bus Schedule

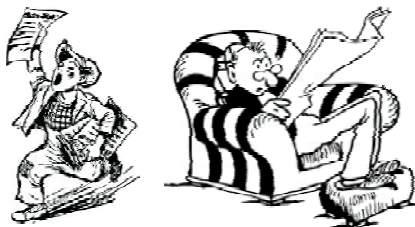

**Tuesday - Aug. 6** - Carter, Wabeno, Laona and Crandon to Rhineland - **Bus driver:** Dan Pedersen  
**For reservations please call the bus driver for that day.**

**Dan Pedersen: 715-478-4254**  
**We are on the hunt for a new driver. If you or anyone you know is energetic, has a great personality, loves driving and looking for a part-time job, please pick up an application at the County Clerk's Office.**

Forest County Office on Aging provides transportation to residents 55+ and the disabled. Bus route trip stops may include Aldi's, Crandon Library, Schaefer's and other area businesses including doctor appointments.

### Cellcom accepting applications for Green Gifts \$37,400 will be donated to environmental causes

Cellcom is now accepting applications for the 2019 Green Gifts program. Through Green Gifts, Cellcom donates proceeds from its cell phone recycling program to local organizations, programs and projects that are dedicated to or support environmental sustainability.

The program launched in 2010 to protect the environment and support conservation in Central and Northeast Wisconsin and Michigan's Upper Peninsula. Green Gifts complete the green cycle that starts with consumers being environmentally conscious and recycling their old handsets. Cellcom is proud to support organizations of all sizes, whose work is impacting the community and building a greener tomorrow.

Green Gifts can be used to support organizations, programs and projects that:

- Address a community-based issue that relates to the environment.
- Focus on reducing negative impact on the environment.
- Provide environmental education programs for children.
- Provide educational opportunities for adults to learn about environmental sustainability, including training or leadership development.
- Foster water conservation; protection of our air, landscape and water, or wildlife preservation.

This year a total of \$37,400 will be donated across Cellcom's service area. This includes an additional donation to the restoration of Bay Beach from devices collected in January and February of 2019.

Applications must be submitted by September 23 at noon. The online application and additional criteria can be found at [www.cellcom.com/greengifts](http://www.cellcom.com/greengifts). Award recipients will be notified in early October.

**Oconto County Fisheries Meeting 2019**  
 A public meeting regarding the status of the fisheries in Oconto County is being held on Saturday August 10, 2019 beginning at 9AM in the pavilion behind the Town of Riverview town hall. DNR personnel will be on hand to present current projects and surveys being conducted in the county. A question and answer period will allow participants to make their concerns and opinions heard. This meeting is sponsored by the Oconto County Lakes and Waterways Association (OCLAWA).  
 Following the fisheries discussion, a session will be held for any groups who plan to apply for a grant through the Oconto County Healthy Waters Cost Share Program. The deadline for applications is September 15, 2019 for projects that need funding support in 2020. Directions, guidelines, and tips for completing a successful application will be covered by OCLAWA representatives.

## Reminder!

It's your car and your choice of what body shop performs the repairs, don't let your insurance company steer you to a body shop of their choice. You pay the premiums and it's your choice on where you want to take your vehicle. Also, you only need one estimate. The small shops can get the same quality parts as the big/dealer shops and give the same quality repair if not better than the big shops.

**HELP WANTED**

Lakewood Sanitary District #1 is looking for an **Assistant Maintenance Technician**. Under the direction of the Plant Manager, the Maintenance Technician will be responsible for performing general maintenance and repairs on facility equipment and facility structures, in addition to performing grounds maintenance. Individual will also have to handle and process wastewater samples.

Technician will have to obtain a Wastewater Operator Certification from the Wisconsin Department of Natural Resources (WI DNR) within one year of hiring. All work will be done in compliance with WI DNR, EPA, Hazmat and OSHA safety rules and regulations.

If you have prior experience in a maintenance role, we encourage you to apply for this position, however, we are willing to train someone without experience and background who possesses a willingness to learn.

Position guarantees a minimum of ten hours per week. Applicants must have a valid driver's license and pass a drug screening.

If interested contact the Lakewood Sanitary District at 715-276-1830 or send resume to Lakewood Sanitary District, P.O. Box 309, Lakewood, WI 54138.

## Happy 10th Birthday Elias!

We love you!

Mom, Dad, Kylie, Porter & Vance, Grandma & Grandpa Strong, Grandma & Grandpa Kevilus, & Great Grandma Giessel

## Thank You

The family of William (Bill) Plummer would like to thank everyone for the kind words and expressions of sympathy shown to us during Bill's recent passing. We would also like to thank Bill's caregivers, Pastor Franz for the beautiful service, the Ladies from Praise Chapel for help with the meal, everyone who brought food to the house and church, Dee Perik for the music and the honor guard. It was all greatly appreciated.

Thank you again,  
Shirley and family

## Many recreation areas closed on the National Forest in Langlade and Oconto Counties this weekend

LAKEWOOD, Wis. (July 26, 2019) – The southern portion of the Lakewood-Laona Ranger District on the Chequamegon-Nicolet National Forest was damaged by a storm on July 19. Many of the Forest's recreation areas, roads and trails are closed until crews can clear the damage and safely reopen them.

"We are encouraging visitors to visit other parts of the National Forest not damaged by the storm," said Mike Brown, District Ranger on the Lakewood-Laona Ranger District of the Chequamegon-Nicolet National Forest. "We want everyone to be safe – there are many recreation areas in Forest County on the National Forest that provide similar recreation opportunities."

Additional storms and rain are in the forecast for tonight and again on Sunday which could change conditions in the Forest.

"An area may look safe at first glance, but there could be dangerous limbs hanging above you or trees leaning nearly falling over that you are unaware of," said Brown. "Our crews that are clearing roads are having to clear trees on their way out that weren't there when they went in to a particular area earlier in the day."

Many of the Forest's developed and dispersed recreation sites including trails are closed until further notice in Langlade and Oconto County. There are numerous trees down in these areas and roadways are impassable.

"We are working to clear the primary roads on the forest and have numerous saw crews and heavy equipment operators working in the storm damage area," stated Brown. "Please stay off of closed roads and out of recreation sites that are closed for your safety and that of our crews working. We have law enforcement officers out patrolling to ensure everyone's safety."

A closure order is in place for roads, trails and recreation sites that were damaged during the storm. As areas are cleared the closure order will be updated daily. Please continue to check the Forest's website and social media for updates. Recreation areas currently open in the storm damage area include Ada Lake Campground, Boulder Lake Campground, Boot Lake Beach and Boat Landing and Bass Lake.

"The Forest is working to clear recreation areas of the storm damage and reopen those that we are able to at this time," said Brown. "We appreciate everyone's patience and understanding while we work to assess and clean-up the storm damage."

Drivers are advised to practice defensive driving techniques, reduce your speed, drive with your lights on and watch out for downed power lines, trees on roadways and other storm debris. In addition, Forest employees are out assessing roads and will be operating heavy equipment and dump trucks as repair work and clean-up efforts continue.

For more information on the Storm Event please visit the Chequamegon-Nicolet National Forest website at [www.fs.usda.gov/CNNF](http://www.fs.usda.gov/CNNF) or follow us on Twitter at <http://twitter.com/CNNF002> or like us on Facebook at <https://www.facebook.com/CNNF002>. You may also contact the Lakewood-Laona Ranger District at 715-276-6333.

## Our Healthcare System's Ills and Proposed Remedies

The August meeting of the League of Women Voters of the Northwoods (LWVNOW) will take place Tuesday, August 13th, 5:30 to 7:00 pm at the Oneida County Department on Aging (ADRC of the Northwoods), 100 W. Keenan Street, in Rhinelanders. Dorothy Skye, with audience input, will identify the shortcomings of the current healthcare system, discuss what bills have been proposed to the U. S. Congress to address those shortcomings, and the likelihood of passage.

Dorothy Skye, a retired physician, practiced at Ministry Healthcare in Rhinelanders, in Obstetrics and Gynecology for 30 years, part of that time serving as Medical Director Previous to that, she trained and practiced at the Naval Regional Medical Center in San Diego, California. Currently, she is the president of the LWVNOW, and serves on the board of the League of Women Voters of Wisconsin, where she is a Legislative Committee member. Dorothy is uniquely qualified to lead a discussion on our healthcare system's ill and explain the ramifications of the bills being proposed in Washington D. C to the residents of Wisconsin and specifically the north woods.

The LWVNOW encompasses Florence, Forest, Langlade, Lincoln, Oneida and Vilas counties. Our local league belongs to the state and national League of Women Voters, a non-partisan organization devoted to helping members and fellow citizens develop educated political opinions and act upon them through the democratic process. Our monthly meetings and sponsored events are open to all. You can contact us at [information@lwvnow.org](mailto:information@lwvnow.org). Our website is [www.lwvnow.org](http://www.lwvnow.org).

# Stamp Contest

Cont. From Pg. 17

Second place in the wild turkey stamp contest went to Betty Casper of Almond, who created a beautiful depiction of a gobbler. Jon Rickaby of Suamico, a veteran of the wildlife stamp contest, won third for his painting of a tom and hen walking together through the forest.

All turkey hunters are required to purchase the \$5.25 Wild Turkey Stamp to hunt turkeys in Wisconsin legally. Proceeds from stamp sales provide vital support for turkey management and hunting in Wisconsin and bring in over \$775,000 annually for habitat management and restoration projects, education, research, equipment purchases and management of the wild turkey program.

Pheasant Stamp

Kuether also won the 2020 pheasant stamp design with a striking rendition of a hen and rooster pheasant hiding in the grass.

Second place went to Robert Metropulos of Arbor Vitae, for his painting of a hen and rooster pheasant in a snow-covered field. Third place went to Jon Rickaby for his painting of a pair of pheasants with a barn on the horizon.

A \$10 Pheasant Stamp is required to hunt pheasants in the state of Wisconsin. Proceeds bring in approximately \$500,000 annually for the development, management, conservation and maintenance of wild pheasants and their habitat in Wisconsin. Stamp dollars also support the state game farm that raises pheasants for stocking efforts on Wisconsin's public hunting grounds.

Waterfowl Stamp

Robert Metropulos of Arbor Vitae won the 2020 Wisconsin waterfowl stamp contest. He learned how to paint from his mother, who was an artist herself. Growing up, Metropulos's mother used drawings and pictures as teaching tools. He feels this helped him to overcome dyslexia, a diagnosis he received later when he was in college. Metropulos said that he does not see dyslexia as a disability but instead feels it has helped him to become an even better painter. Metropulos has been painting since he was in high school and has owned an art gallery in northern Wisconsin for over 39 years. His advice to new painters is to find what makes you happy in life and go from there. "Happiness," he said, "is the greatest inspiration." In his free time, he enjoys gardening, disc golfing and photography.

Second place went to Keith Raddatz of Watertown, for his painting of a gadwall in fall. Third place went to Brian Kuether of Greenfield, for his painting of a northern shoveler.

Duck and goose hunters are required to purchase the \$7 Wisconsin Waterfowl Stamp in order to hunt waterfowl in the state. Revenue from these sales generates an estimated \$350,000 for managing, restoring and protecting habitat in Wisconsin and Canada for waterfowl and other wetland-associated species.

Please note that an electronic "stamp approval" is printed on the licenses of wild turkey, pheasant and waterfowl hunters at the time of purchase. Hunters will not receive an actual stamp unless they request it. To obtain a physical copy of a stamp, visit the Wildlife and Fish Collector Stamp webpage or go to any DNR Service Center.

For more information regarding Wisconsin's wildlife stamps, visit [dnr.wi.gov](http://dnr.wi.gov) and search keyword "wildlife stamps."
