CWD sampling places for Forest, Florence, Lincoln, Langlade, Oneida and Vilas Counties

In 2019, the Department of Natural Resource is again offering multiple Chronic Wasting Disease (CWD) sampling opportunities throughout the Headwaters area of Wisconsin. Numerous self-service kiosks and cooperating businesses are available to help hunters get their deer tested for CWD.

"Hunters who harvest a deer within any of the counties in the headwaters are encouraged to submit their deer head for CWD testing. Multiple wild deer have tested positive along the Lincoln/Oneida county border south of Rhinelander as well as multiple captive positives on deer farms in Oneida, Forest and Marinette Counties. I want to say thank you to all area hunters who continue to help with this important monitoring effort," said Tom Carlson, DNR Wildlife Biologist.

Sampling kiosks for Forest and Florence Counties are available at the Crandon DNR Ranger Station, the Laona Shell Station, Krist Station in Wabeno, The Corner Store in Armstrong Creek, The Fence Post in Fence, Stephenson Marketing in Aurora, The Store in Long Lake and at the Florence Resource Center.

Free deer carcass waste disposal dumpsters are also available this year for a limited time at select locations.

Dumpsters are available at DNR offices in Crandon, Rhinelander, Antigo and Tomahawk from now until December 5th. A dumpster sponsored by the Fence Sports Club is also located at The Fence Post at 603 Memory Lane in Fence from now until December 5th.

For a complete list of sampling options and deer carcass dumpsters with details, visit "dnr.wi.gov" and search "CWD Sampling." An interactive map shows locations and details for each sampling station and dumpster.

Conservation Corner Be careful on the ice!

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information, contact Steve Kircher, County Conservationist-Land Information/GIS Director, at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

As you read this week's submission, we will probably be in the midst of Wisconsin's gun deer season. Last week the DNR reported that our waterways and landscape may be treacherous because of all the fall rain we received. I reposted some of their safety tips if you didn't get their newsletter.

The Wisconsin Department of Natural Resources Chief Conservation Warden Todd Schaller said hunters are known to like a bit of snowfall to help with seeing and tracking deer. "However, the ground is saturated statewide, leaving wet conditions and ice forming on ponds, lakes, streams," Schaller said.

The result is a possibility of walking into a marsh or a swamp that has an ice cover concealed by the snow. "The hunter will not know until that first step and the ice breaks, possibly causing a fall into the water with the firearm," Schaller said. "The marsh or swamp that the hunter believes is usually a certain depth may be quite a bit deeper due to the saturated conditions. If a hunter falls into deeper water, the next danger is the onset of hypothermia."

Schaller urges hunters to check the hunting area this week before the gun deer starts. "No one needs the surprise of a sudden fall into deep water or a slip on icy mud. What you thought is normal is not normal this year," he said.

Here are more easy-to-follow ice safety tips:

- **In all likelihood, the ice looks thicker - and safer - than it is.
- **The best advice to follow is no matter what the month, consider all ice unpredictable.
- **There can be cracks and changes in the thickness you may not be able to see. This is especially true after the first cold nights, and the early ice is spotted.
- **Always remember that ice is never completely safe under any conditions.
- **Go with a friend. It is safer and more fun.
- **Contact local sport shops to ask about ice conditions.
- **Carry a cellphone and let people know where you are going and when you will return home.
- **Wear proper clothing and equipment, including a life jacket or a float coat to help you stay afloat and to help slow body heat loss.

This team decided to donate their winnings to the Laona/Wabeno golf team and the local food pantry. This generous donation is very much appreciated by our program and our golfers!

A review of a new book called "Bella's Legacy" (With a local touch!) By Luanna Meyer

By Mike Monte

"Bella's Legacy" is a history of the lives of women through the decades of the 20th Century. The stories were inspired by the family histories of the author, but are not a factual account of their lives. The author provides insights into what factors, good and bad, affected the lives of each generation of the women in her family who preceded her. That being said, the book also provides a history and memories of those periods in our history.

Whether it was World War I, gaining the right to vote, the Great Depression, World War II, the Korean War, Vietnam and the protests of that war, or any other events of

If interested, have questions or cannot attend this event, please contact Timothy Homp, US Census Recruiter, at 715-415-2811 or timothy.j.homp@2020census.gov.

Crandon Lions donate turkeys

Linda Duff, with the Crandon NEWCAP Food Pantry, accepts 340 pounds of turkeys delivered by Lion Larry Sommer.

The Crandon Lions Club donated 340 pounds of turkeys to NEWCAP. NEWCAP will furnish these turkeys to families in our area as requested prior to Thanksgiving.

Our appreciation to Rob McCorkle, meat department manager at Schaefer's IGA for working with the Lions Club on this large special order.

This purchase of turkeys by the Lions was made possible by the many donations from local friends and businesses in our area.

The next fundraiser for the Lions will be their Fish-O-Ree on January 18, 2020. The event will be held at the Crandon Community Building. Tickets for the event are available now from any Lions membership local business. As in the past, all proceeds will be returned to the community. The Club's goal is to provide \$4,000 in scholarships next June.

The Wabeno Lego League

FLL teammates (back row) Joseph, Eddie, Hayden, Sawyer, Ezekiel (front row) Jayse, Luke, Carter, Nathan.

Seven years ago, Teresa Romprey, a first grade teacher at Wabeno Elementary, started Wabeno Lego League (WLL). Wabeno Lego League is an extracurricular activity that offers students hands-on, creative experiences in science, technology, engineering, and math. The levels that are offered at Wabeno are FIRST LEGO League Junior (FLL Jr.) for grades K-3, FIRST LEGO League (FLL) for grades 4th-8th, and FIRST Tech Challenge for grades 7th-12th. FIRST is an international initiative that stands for Foundation for Inspiration and Recognition of Science and Technology. As the students progress through each successive program, they are introduced to more advanced concepts, robotics, and computer coding.

Each August FLL Jr. and FLL teams are introduced to a scientific and real-world challenge. Students collaborate with their teammates to research the challenge, develop a solution, and present their findings at competition. In addition, the students construct and code a team robot.

The FLL Jr. team was coached by Wabeno Area School District teachers Christian Hellermann and Tyler Wagner. The FLL Jr. Challenge this year was called Boomtown Build.

The FLL team was coached by Wabeno Area School District teachers Teresa Romprey and Christine Kuntz and community volunteer Caroline Coughlin Lampereur. The Challenge each year has three parts which include Innovation Project, Robot Game, and Core Values. The FLL Challenge this year was called City Shapers. In the Innovative Project part, the students needed to choose a building or public space in their community and design a solution, share it with others and refine it. The students researched putting solar panels on the roof of the elementary school. Their alternative plan was to update the 2002 SolarWise panels and add more solar panels to the high school roof. The students were focused on renewable and sustainable source of energy for the district. The students interviewed, Dave Seeber, local business owner of Super Valu in Lakewood. In 2017, Dave and his family invested in an extensive solar energy system for the grocery store. In the Robot Game part, the students had to design a robot that could successfully complete missions to earn points. In the Core Values part, the students had to incorporate the seven values of FLL, which include discovery, innovation, impact, teamwork, inclusion, fun, and Gracious Professionalism (being kind). The teammates practiced these values by being in conversation, listening, and problem solving. The team competed at the FLL Regional Competition held at Appleton East High School this month.

The FIRST Tech Challenge is coached by Wabeno Area School District teachers Beth Calhoun and Teresa Romprey and community volunteer Jon Calhoun. This Challenge focuses on designing, building, and programming a robot for competition. The team started mid-November and will be preparing and focusing on the January competition in Hortonville.

Forest Larger Parish makes a book donation to Lakes Country Library

Suzanne Bell and Shirley Rohe of the Forest Larger Parish Presbyterian Church present seven copies of the book "Love Your Enemies" by Arthur Brooke to Lenore Younkle, Assistant Librarian at Lakes Country Library.

The books were purchased with the church's annual Peace Offering with the hopes of promoting peace in our communities. The Wabeno Library also received a copy.

Please come to the library to check out a copy and learn what we all can do to restore civility to our country in a time of great division.

Wabeno School fire safety day

1. Don't be scared
2. Never hide, go outside.
3. Have a plan!
4. If it's smoky, crawl on your knees.
5. Never stop, go outside quickly!
6. Sit and wait.

The Wabeno Home and School Association hosted our 8th Annual Fire Safety and Prevention Day on October 31, 2019 at the Wabeno Elementary School. All students grades 4K through 6th participated in activities, emergency drills, and hands-on training throughout the morning. There were many volunteers from our local emergency departments that helped make this day successful.

The students were able to experience many things such as: practicing CPR and a school bus evacuation, learning about Halloween safety, viewing and exploring emergency vehicles, and much more.

The students were also able to meet Leroy, Forest County's canine unit, and see him in action. Our 3rd grade class worked together with their families and teachers to put together care bags for each of our volunteer groups.

The Wabeno Home and School Association would like to acknowledge the Wabeno Elementary staff, Wabeno Fire Department, Lakewood Townsend EMT, Wisconsin Forest Service, Laona Rescue, Townsend Fire Department, Forest County Sheriff's Department and Drug Task Force Coalition, Krist Oil, and all the other many volunteers that made this day a success.

Violinist Randy Sabien's "Meet Me Under the Mistletoe Concert" at Nicolet College

Acclaimed violinist Randy Sabien loves the holiday season – especially the holiday music tradition.

Sabien and his band of extraordinarily talented musicians will continue that tradition in the Nicolet College Theatre with the rich and entertaining concert Meet Me Under the Mistletoe: A Holiday Concert with Randy Sabien at 7:30 p.m., Tuesday, December 10.

The mix will include traditional fare with exciting twists and many of his original holiday tunes in the wide range of styles he's mastered that include blues, rock, jazz, swing, and classical.

"I absolutely will be playing some songs people will recognize, but not the overdone ones that everyone can sing in their sleep," said Sabien. "I'll also be doing some parodies – my way of honoring the joy of the season. People who attend can be assured that there will none of the same old same old. It will be festive, it will be fun, and in its own kind and gentle way will defy all expectations."

Take for instance the song Meet Me Under the Mistletoe Tonight, from Sabien's CD Meet Me Under the Mistletoe, for which the concert is named. It starts off like a sweetly romantic jazz standard, and step by step, verse by verse, ends up in a distinctly bawdier place. "We're not irreverent but let's just say, like the woman singing the song, we're looking for a real good time," Sabien laughed.

He's excited about the skilled musicians he's recruited to support him for this event. "I need really good musicians with me and that's what I have," he said. "Drummer Joe Lindzius is from Chicago. People may know him from Molly and the Heymakers (a regional country act that performed from 1987-1995). Ed Willett, our cellist, is one of the musical directors of Big Top Chautauqua near Lake Superior and formerly toured as part of Ricki Lee Jones' group. Our keyboardist and vocalist, Yasmin Bowers, is an expert in Latin music and has a beautiful voice."

Sabien is a graduate of the esteemed Berklee College of Music in Boston, whose alumni include Bruce Cockburn, Steely Dan's Donald Fagen, Gillian Welch, Quincy Jones, and a huge list of notable jazz musicians. He also founded and chaired the school's string department at the age of 21. He wrote his first Christmas song, "Boogie Woogie Christmas," in 1996. The song was performed by award-winning acoustic guitarist Pat Donahue on Prairie Home Companion the following year, and by the PBS children's cartoon character Arthur Read on his first PBS holiday special.

"Meet Me Under the Mistletoe: A Holiday Concert" with Randy Sabien, is part of the Nicolet Live! 2019-2020 Performing Art Series and will take place in the Nicolet College Theatre. Tickets are \$15 and can be ordered online at nicolelive.com or by calling (715) 365-4646.

Animal Resource Fund News

As Animal Resource Fund marks off twelve years of serving the animals in our area, we reflect on what we have accomplished and what we plan for the year 2020.

Because of the low turnout for the last shot clinic of October 2018, we did not schedule another for 2019. There is so much time, effort and money invested in these clinics, if we cannot get the numbers of animals participating, it just is not practical to hold one. We are hoping that in the coming Spring, another clinic would be better attended. We have stayed busy, however, assisting families with medical veterinarian costs when they have had a sick or injured pet with unexpected costs.

Even though we have not held recent spay/nueter clinics, we have issued many certificates to have those surgeries done at no cost. We issue those to be done through The Fix Is In, a low cost surgery mobile unit. In the few cases where the animal has special needs or circumstances, we have made arrangements to have those surgeries done at one of the area veterinarian clinics. We have also worked with Dr. McKay, a mobile veterinarian, to visit pets in homes of older pets that are more difficult to transport. Sometimes it is a simple ailment that can be treated in the home with medicine. All of the above bills come to us; we pay exactly the same amount per animal that

everyone else pays. In the past there have been misconceptions that we get those services free or reduced. We do not.

We were able to hold one more Spring sale this year, due to generous donations from those who believe in what we do in the name of animals and have faith that every cent goes directly for those animals. Also, our Flea Market sale continues.

We worked both the Spring and Fall Brush Run events, earning a donation to add to our working revenue. We are so fortunate to have a great group of volunteers for these events. They are rock solid supporters of our cause and unwavering in their dedication.

We received an invitation from the Sokaogon Chippewa Community to attend their annual event at the Conference Center in Mole Lake, supporting area organizations with their donations. We feel both honored and appreciative that we were among the recipients.

We were happy to have board member Judy Zimmermann back with us for meetings this summer. Even though her home base is in Milwaukee, she has a home on Lucerne and she remains an active member whether in person or long distance.

Please mark your calendars to attend our annual Christmas sale slated for Saturday, December 7 at the Nashville Town Hall. We will open at 8 a.m.

Ed Smith INSURANCE TIP HEATING WITH WOOD & PELLET BURNERS

Outdoor wood furnaces & pellet burners have become increasingly popular. Some companies charge a premium of \$15 to \$50. Others do not. Contact your agent to do an inspection or if you have questions before you install or have it installed.

If you are burning wood, follow all manufacturer's guidelines for installation or hire a professional to do the installation for you.

Here are some more safety tips:

1. Burn seasoned wood. Wood two years old or more.
2. Place ashes in a covered metal container to keep wind from blowing coals and sparks around.
3. Clean your chimney at least twice a year, using an approved cleaning method.
4. Install smoke alarms on same level as stove and have a fire extinguisher close by.
5. Every year, make sure your smoke pipe is firmly in place where it enters the chimney and screw sections together.

DR. KLOCKOW TO RETIRE

After 40+ years serving Wabeno and the surrounding areas as your hometown dentist, I have decided it is time to retire. Although exhaustive efforts have been made to transition the dental practice, no successor has been found and we will sadly close the doors on Dec. 11, 2019.

A warm thank you to all of the wonderful patients I've had the pleasure to work with over the years! If you need records or x-rays transferred to another dental clinic, please call 715-473-6711 before the end of the year and we'd be happy to do so. Also a very special thank you to my past and present employees - you've made work seem more like a dream than a job. And one last big thank you to my wife, Melody, for the love, support and encouragement from day one.

Sincerely, Dr. Brian Klockow

Thank You

Thanks for everything: meals, goodies, visits, phone calls, cards, flowers, gifts and most of all your prayers; without them I might not be here! A special thank you to my husband Jerry for his loving care of me while in the hospital and at home.

Sincerely, Beth Gibson

Thank You!

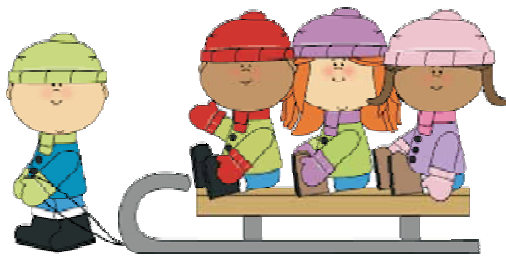

The family of Gladys Whitt would like to thank everyone who called, sent a card, made a dish, sent flowers or offered their condolences to our family at this difficult time.

To Greg, Tammy and Susan at Weber-Hill Funeral Home for all their help and beautiful arrangements. To Pastor Farr for such a wonderful sermon.

To family and friends who traveled long distances to be with us and lend a helping hand.

We would like to thank the Crandon Nursing Home staff for all the great care they gave Mom over the years. Thank you to Milestone Assisted Living, Friendly Village Nursing Home and Hospice in Rhinelander for their care in Mom's final days.

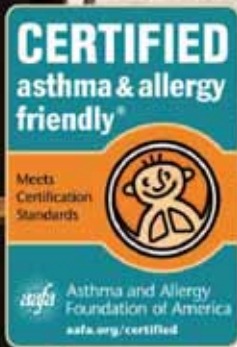

She will be missed by family and friends.

CoVantage Cares Foundation pledges \$150,000 in matching funds

CoVantage Cares Foundation has announced the kickoff of their annual 2-week fundraising campaign. The event will begin Tuesday, December 3, which has become known nationally as "Giving Tuesday," and will end on December 17. Funds generated will be matched with up to \$150,000 in contributions from CoVantage Cares Foundation, a public charity established by CoVantage Credit Union. Local non-profit organizations to receive funding from this year's campaign were selected by CoVantage staff and are located throughout the communities served by CoVantage Credit Union.

CoVantage Cares Foundation was established as a way to provide financial support to organizations that serve individuals, especially those experiencing significant financial challenge, and organizations that work to enhance quality of life in communities served by CoVantage Credit Union. According to CoVantage CEO Charlie Zanayed, "I'm grateful to say our credit union has a history of supporting local non-profit organizations and living our mission of helping those in need. Because our members, staff, and community members have made Giving Tuesday campaigns such a huge success the past three years, we wanted to continue our public fundraising effort in 2019 with a larger match by the CoVantage Cares Foundation. We believe the communities we serve have the potential to raise enough money to match the Foundation's \$150,000 grant and as a result we anticipate being able to provide resources that will benefit thousands of local people served by receiving organizations. Please join me by making a Giving Tuesday contribution between December 3 and December 17 at any CoVantage branch. CoVantage members can also make online donations through MyCoVantage."

Charities selected to receive funding from the fourth annual Giving Tuesday initiative and their sponsoring CoVantage branches include: United Way of Langlade County (Antigo); The Neighbors' Place (Wausau, Weston, Rib Mountain, Rothschild); Elcho Food Pantry (Elcho); Midwest Indian Mission, Inc./New Hope Shelter & Transitional Housing (Crandon); National Alliance on Mental Illness (NAMI) Northern Lakes (Rhinelander); Operation Bootstrap Inc. (Stevens Point); Bridge the Gap, Inc. (Shawano); Suamico Fire Department (Suamico); Court Appointed Special Advocates (CASA) of the Fox Cities (Neenah, Menasha, Appleton); Iron Endurance/Crystella Rec. Assoc. (Crystal Falls, MI); Sons of American Legion Reino Squadron No 21 (Iron River, MI); and Menominee Opera House (Menominee, MI).

For more information about CoVantage Cares Foundation or the Giving Tuesday campaign, go to www.covantagecu.org/cares.

Bella's Legacy Cont. from pg. 1

the times during the lives of these generations of women and how it affected their lives, is portrayed in the book. Author Meyer loosely uses the stories of her family to blend a fascinating and thought provoking look back up to the year 1993, and how the lives of women have changed, with more freedom to pursue careers, have personal opinions and a bigger say in how their lives should be lived.

Having spent a good part of a weekend reading this novel, I should add that this isn't just a book for the woman reader. I found it interesting and very well-written.

What is of particular interest to readers in this area is that a generation of her family spends about twenty years living in our own town of Argonne, where the husband worked for the Soo Line Railroad beginning in the 1920's. Ms. Meyer also talked to me about the history of the area and life in Argonne in the 1950's.

That branch of the Meyer family, by the way, moved to Schiller Park, near Chicago, at the insistence of

the wife, who also wanted a career and couldn't seem to find one in Argonne. The husband transferred to the Soo Line facility in that location.

The title, "Bella's Legacy," is a credit to one of the women in this familie's history who chose to live her life independently after losing her husband to a railroad accident in Gladstone, Michigan, where a portion of this story takes place.

This is an excellent read, and it is probably of more interest to female readers, but shouldn't be ignored by the men either. I would highly recommend it to both genders.

The book is available on Amazon.com both in paperback and kindle format. It is a great gift idea for Christmas.
