Homeland Realty now open for business in Crandon

By Mike Monte
 Kathy Flannery has just opened a new real estate business in Crandon called Homeland Realty. The office is located at 100 Washington, near the post office. Joining her in her new venture is her son, Hunter Flannery.
 Kathy has nearly six years of experience as a realtor, and she and Hunter are anxious to add to her list of clients who wish to sell their properties.
 Kathy said she will be listing and selling all types of property, including: business, residential, vacant land, lake homes and properties, and recreational lands.
 If interested in contacting Kathy and Hunter, call 715-449-5022, Kathy at 715-889-0330 or Hunter at 715-889-0323.
 The *Pioneer* wishes them luck in their new business venture!

Good Luck at State to the Lady Cards!

The Wolf River Water Walk

The Wolf River Water Walk stretched a long distance down Cole Road last Sunday

By Mike Monte
 The Wolf River Water Walk was held on Sunday, March 8. The event began with a kick-off at the Mole Lake Casino, went by car to the Kramer Road on County B, and on foot on B to Cole Road and down to Hwy 8. From Hwy 8, it was by car and van, west to Browns Road and by foot, south, to the site of the proposed drilling. Tina Vanzile, Mole Lake Environmental Dept.; Ron James, a Langlade County concerned citizen; and congressional candidate Tricia Zunker spoke at the gathering.

It is the possibility of an open pit sulfide mine near the Wolf River that has brought out the opposition to a possible mine in this location. Because it is a sulfide based deposit, there is a fear of acid mine drainage in the Wolf River watershed and possible pollution to this river that many find special and important to the ecology and history of the Northwoods.

An estimated 200 plus marchers participated in the Water Walk. They came from the Chippewa, Potawatomi, and Menominee nations and from all along the route of the Wolf River. In asking where they lived, we were told Hollister, White Lake, Aniwa, Antigo, Appleton and other locations along the Wolf. A good guess is that over 40% of the participants were non-tribal members.

Certainly, if the drilling at this site lead to a proposal to do an open pit sulfide mine this close to the river, there will be fierce opposition. Those for the project will cite that a mine will produce jobs and a boost to the local economy. They will also say that we all use mineral resources, and to be against mining is hypocritical. There will also be assurances that modern mining techniques make sulfide mining safe to the environment.

Those opposed will point out that there hasn't been an example of a sulfide mine operated and closed safely without some pollution to date. They will also argue that mining for zinc and copper is being done safely in arid regions of the world, and that there is no shortage of these minerals. They will point out that the real reason for the mine will be for the precious metals like gold and silver, and that the mining company, Badger Minerals, is a Canadian mining company that will only operate for a short time, making any jobs generated short term employment.

Whatever the outcome, the dispute will certainly heat up as the process wears on. There will be pressure applied to politicians from the local level to the state level by both sides. Be ready for a heated debate.

Lady Cardinals go to State 2 out of last 3 years

The Crandon Cardinals girls basketball team advanced to the State Tournament for the second time in three years. The Lady Cardinals will face Aquinas on Thursday, March 12, at 6:35 p.m. If they defeat Aquinas, they will play the winner of Melrose-Mindoro vs Mishicot, on Saturday, March 14. That game will start 15 minutes after the conclusion of the division 5 championship game.

The staff at the Pioneer Express wish the Lady Cards the best of luck at state! **See roster on page 15**

St. Patrick's Day Parade in Pickerel this Saturday

A scene from the 2015 Parade

Dig out your green clothes! The annual St. Patrick's Day Parade is in Pickerel this Saturday, March 14. The parade begins at noon.

Entries in the parade are always welcome, and the parade begins at the ball diamond, winds its way to Hwy. 55 and ends in the church parking lot. There is always a good time at the Pickerel St. Paddy's Day Parade. All are welcome and encouraged to come!

Free Community Music Festival coming to Nicolet College on Mar. 22

When you have to fall back on your own resources, you sometimes find out – happily – just how rich you are. And that's what the Northwoods discovers about itself every year when the Community Music Festival, which features local vocal and instrumental groups, is held at Nicolet College.

The lineup for the 2020 event -- on Sunday, March 22 at 2:00 p.m. -- includes vocal ensembles the Rhinelander Male Chorus, the Northwoods Choraliers, and Hymns and Hyrs plus the all-instrumental Rhinelander Area Community Band. Admission is free.

The concert continues a long tradition in our region. "I believe these festivals have been going on for more than two decades and perhaps almost three – most of the time at the college and a couple of times at Rhinelander High School," said Bonnie Dawson, who directs the Choraliers and also sings with Hymns and Hyrs.

The music presented at the festival is appropriate for all ages – but not just because there will be no objectionable lyrics. "Some of the tunes that will be performed will be more familiar to people 40 or older but we've also selected some that will be more familiar to younger people," said Dawson. "The program will have a universal appeal."

The vocal groups have overlapping memberships, with many vocalists besides Dawson singing with more than one group. But each group also has its own identity and unique repertoire of material. The Rhinelander Male Chorus includes about a dozen members at present and is directed by Collette Zunk, who is the group's accompanist, as well. The Choraliers number about 25 women and have been directed by

It's time for the 2020 Census! Invitations to respond to the 2020 Census will be delivered between March 12-20. Once you receive that invitation, you can respond online, by phone, or by mail.

By April 1, 2020, every home will receive an invitation to participate in the 2020 Census. You will have three options for responding: online, by phone, or by mail.

In mid-March, households will begin receiving official Census Bureau mail with detailed information on how to respond to the 2020 Census.

Getting a complete and accurate census count is critically important. That's why your response is required by law. If you do not respond, the U.S. Census Bureau will follow up in person to collect your response.

Why is the census so important? The results are used to determine how much funding local communities receive for key public services and how many seats each state gets in Congress. State and local officials also use census counts to draw boundaries for congressional, state legislative, and school districts.

And while you are required by law to participate, the Census Bureau is also required by law to protect your answers. Your responses are used only to produce statistics. The Census Bureau does not disclose any personal information.

Ruffed Grouse Society Banquet

The RGS Banquet was fun, with good conversation, nice gifts and delicious food catered by the Hotel Crandon. The money generated will go to increase habitat for one of our favorite game birds, the ruffed grouse.

There were many raffles, a silent auction, door prizes and the chance to bid on some lovely works of art.

And, some guys got lucky and one a shotgun, like Mark Gatton, seen below with his new Benelli!

Crandon Senior Spotlight - Deegan Jaeger

Deegan Jaeger, son of Jeff and Jodi Jaeger, said playing basketball since 6th grade and winning a conference championship sophomore year was one of his favorite memories. In shop class, he also made many memories and learned a lot of new skills.

He has learned many things throughout his time in school, but the most valuable lesson he's learned is to never take your time in school for granted.

He plans to go into the workforce or attend Associated Training Services in Sun Prairie for machine operating.

He would like to thank his parents for supporting him throughout all the years of school. He would also like to thank Willy Krause, Mrs. Peters and Susan VanHoof. Lastly, Brady Weber for always pushing him to be his best.

Crandon Senior Spotlight - Austin Rogers

Austin Rogers, son of Linda Zimmerman and Daniel Rogers, said his best memories are traveling to Special Olympics for field day, learning how to throw the football and playing catch in gym class. This year his group has been selling coffee and treats, teaching him many skills.

Over the past twelve years, he has learned finance skills, how to live on his own, coping with problems, and taking awesome pictures.

His plans include attending Nicolet College "Jump Start Program" with the dream of becoming a photographer for the Green Bay Packers.

He would like to thank his mom and dad for their support. A special thanks to his grandfather who is his best camping partner. His grandmother holds a special place in his heart as she has been his support for most of his life. She now watches him from above.

Baldwin Supports Bipartisan Legislation To Ensure Funding for the Land and Water Conservation Fund

Baldwin calls for action to ensure that future generations will be able to carry on Wisconsin's traditions of hunting, fishing and enjoying the great outdoors

WASHINGTON, D.C. U.S. Senator Tammy Baldwin is calling on the Senate to support the bipartisan Great American Outdoors Act to ensure essential federal funding for the Land and Water Conservation Fund (LWCF) that will protect and preserve public lands for generations to come. This legislation will be considered by the full Senate this week and also provide a large funding boost to address deferred maintenance in our national parks and federal recreational lands.

"Wisconsin has long been a national leader for conservation and we have a rich history of hunting, fishing and enjoying the great outdoors. I'm working across party lines to protect these traditions for future generations and safeguard the natural resources we enjoy in Wisconsin," said Senator Baldwin. "Wisconsinites understand that protecting public access to our natural resources is important to our quality of life and to our economy, so Congress must act to guarantee strong funding for the Land and Water Conservation Fund for years to come."

Wisconsin has received more than \$200 million in LWCF funding over the past five decades, protecting and providing public access to places like the Chequamegon-Nicolet National Forest, the Ice Age National Scenic Trail, the North Country Scenic Trail, the St. Croix National Scenic River and the Apostle Islands National Lakeshore.

Senator Baldwin has long advocated for investing in the LWCF. Last year, she worked with a bipartisan group of Senators to permanently reauthorize LWCF.

Three additional Mursau bills signed into law Governor vetoes paddlewheel raffle bill

Madison ... Three bills introduced by State Representative Jeff Mursau (R-Crivitz) were signed into law by Governor Evers today at a bill signing ceremony at the State Capitol. A fourth bill co-authored by Mursau related to Paddlewheel raffles was vetoed by the Governor.

"All of these bills impact our local communities and were overwhelming supported by my constituents," expressed Mursau. "I'm proud of the work we did on these bills and I'm happy they were signed into law by the Governor."

Assembly Bill 607 will fully fund the Length of Service Program, which was enacted in 1999 and provides a tax-deferred benefit to volunteer firefighters and emergency medical responders at the time of their retirement. The program currently operates on a 2:1 match, with one-third coming from the local department and the other 2/3rds is contributed from the state. The program is currently underfunded so volunteers were receiving prorated benefits.

Senate Bill 298 requires the Department of Natural Resources to include information on Lyme disease and how to prevent tick bites in state park brochures. The bill also directs the department to conduct a Lyme disease awareness campaign during the month of May.

Assembly Bill 472, co-authored by Representative Mursau, allows two or more communities to form a Joint Emergency Medical Services District and qualify for the levy limit exemption, which is currently

allowed for Joint Fire Departments. This flexibility will present greater opportunities for communities to consolidate critical services for the areas they serve.

Governor Evers vetoed Senate Bill 43 that would allow charitable organizations holding a Class B Raffle License to host paddlewheels raffles. Paddlewheel raffles are a popular way for many non-profits, lake associations, local police and EMS departments to raise money for its causes or necessary equipment. Without this change in statute, these organizations risk a Class I felony charge.

"I'm deeply disappointed the Governor vetoed SB 43, which would've allowed charitable organizations to hold paddlewheel raffles to raise money for their local causes," said Mursau. "This bill passed the legislature unanimously because legislators across the state heard from their constituents that this type of fundraising is a fun way to bring communities together and raise money for important causes."

Death Notices

Peter Michael Pichotta, 78, died unexpectedly after a brief illness on March 4, 2020, in Snellville, GA, where he lived for the past 30 years. He was born on February 19, 1942, in Laona, WI, to Harold and Helen (Kopecky) Pichotta. Pete married Joan Hennessey on May 20, 1967, in Cincinnati, OH, and they were married for 44 years until her death in 2012.

Pete is survived by his son, James (Shannon) Pichotta of Watauga, TX; and grandson, James (JP) Pichotta. He is also survived by his brother, Philip (Mary Beth); and sisters-in-law, Marilyn Rocolle and Margo Pichotta. He was preceded in death by his wife; parents; and brothers, David and Joseph.

Pete grew up in Wabeno, WI, and graduated from Wabeno High School in 1960. He attended DeVry Tech in Chicago and worked as a technician for Nuclear-Chicago Corporation servicing radiation detection equipment used in industry and hospitals in many cities around the country and overseas.

Pete loved to go to estate/garage sales, flea markets, and gun and knife shows, searching for interesting items. He would enjoy researching his finds and getting them into working condition. He always had interesting items to show nieces and nephews along with outlandish stories. He was a wealth of information and odd facts, and no one was ever sure if he was stretching the truth.

Pete spent the past few summers at the family home in Wabeno, WI, and traveled around the area searching for additional treasures. Pete enjoyed eating raw oysters (he had 60 oysters on his most recent birthday) as well as steamed blue point crabs and lobsters.

No services are being planned at this time, but a celebration of life will be held at a later date.

Todd F. Muenster, 71, of Crandon, WI passed away peacefully Sunday, March 8, 2020 at his home. Todd was born April 10, 1948 in Appleton, WI, the son of Orville and Amanda (Sturm) Muenster.

He was united in marriage to Peggy Eggert on October 8, 2003 in Appleton.

Surviving is his wife of 16 years, Peggy Muenster of Crandon.

He was preceded in death by his parents and a brother, Kermit Muenster.

Private services will be held. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Music Fest cont. from pg. 1

Dawson for about 30 of the Choralier's roughly 40-year existence. Their current accompanist is Carmen Kreitlow. Jim Priovolos both directs and accompanies Hymns and Hysr.

Like the Choraliers, the Rhinelander Area Community Band, at present composed of about 40 Northwoods instrumentalists (that number swells when the snowbirds return), has been entertaining the region for almost four decades (37 years to be exact). Expect a songlist drawn from the hits of several eras, including the current one. Besides being fun for the whole audience, that variety represents the interests of the group's members, who range in age from high school students to senior citizens.

The vocal groups will offer some instrumental pleasures, too. "In recent years, we've tried to add more flavor by adding more accompaniment, especially rhythm instruments," said Dawson. "This adds up to a fuller musical experience for the audience."
 "Most of us had times where musically talented friends or relatives have entertained us in someone's living room," said Nicolet College Theatre Director Jim Nuttall. "The Community Music Festival is sort of like that writ large, because many in the audience will know at least a few people in the various groups. It's special when you get to experience the musical skills of people you know in other ways."
 The Community Music Festival is part of the Nicolet Live! 2019-2020 Performing Art Series and will take place in the Nicolet College Theatre. It takes place on Sunday, March 22 at 2 p.m. and admission is free.

Jaxon Thomas VanZile, said over the years he has made good friends. In his sophomore year, he was named most improved student of the year. He has been able to make the honor roll.

In the past twelve years he has learned how to be an advocate for himself, build tables in woods, and learned life skills to help me be a better person.

He is taking one day at a time so he is able to look ahead and figure out a career.

He is thankful for the support of his mom and dad over the years. Mr. Krause has taught him plenty of woodworking skills. Mr. Flannery has helped him keep fit over the years.

Iron Mountain VA implements prevention measures

IRON MOUNTAIN -While the Centers for Disease Control still considers Novel Coronavirus (COVID-19) to be a low threat to the general American public, the Iron Mountain VA Medical Center is paying special attention to it and implementing screening measures to safeguard Veterans and employees from potential exposure to the virus.

Effective at 4 p.m. CST on Wednesday, March 11, all patients and visitors to the medical center's main campus and its seven community-based VA clinics will be screened for signs of respiratory illness and exposure to COVID-19. If screened positive, an individual will be treated appropriately.

Patients are advised to allow for longer entry times when arriving for their appointments.

Additionally, to minimize the risk of exposure, all VA Community Living Centers have implemented visitor restrictions. See the following press release regarding VA nursing homes: <https://www.va.gov/opa/pressrel/pressrelease.cfm?id=5400>

Enrolled Veterans who have flu-like symptoms such as fever, cough and shortness of breath, should call the nurse triage line at 906-774-3300 (toll free 800-215-8262), extension 33101, before visiting their provider at the VA medical center or local VA clinic.

For more information on COVID-19, including steps to protect yourself and others, see <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Top Ten Consumer Complaints for 2019

MADISON - For the seventeenth year in a row, Telemarketing topped the list of consumer complaints received by the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) in 2019, at 4,244 complaints. However, for the first time in a decade, the number of these complaints has dropped.

While this category still tops the complaint list, the decline may be a sign of more good news to come. The federal TRACED Act is designed to combat spoofed phone numbers by requiring that telephone companies in the U.S. match the caller ID and origin numbers. This will alert consumers to potential scam calls before they even pick up the phone.

Landlord/Tenant complaints held steady at the second spot with 1,128 complaints. These were primarily related to issues with security deposits, evictions, and unauthorized entry.

Many disputes between landlords and tenants can be avoided if both parties understand their legal rights and responsibilities. DATCP's Guide for Landlords and Tenants is intended to help landlords and tenants avoid common problems and resolve them when they do occur: <https://datcp.wi.gov/Pages/Publications/LandlordTenantGuide.aspx>

Further down the list, Identify Theft (228 complaints) remains at number six. Complaints on this topic primarily revolved around fraud, tax identity theft, misuse of Social Security numbers and unauthorized account access. Although these complaints did not increase in 2019, identity theft can still have devastating effects for those who experience it.

In an effort to address data security challenges facing consumers and businesses in Wisconsin, DATCP created the Data Privacy and Security Advisory Committee in 2019. Following a series of meetings, the committee will make recommendations in the summer of 2020 on possible law and policy changes. The department encourages the public to submit public comments to the committee by emailing DATCPDataAdvisory@wisconsin.gov.

"We realize how stressful it can be to navigate an issue with a business, but you don't have to do it alone," said Lara Sutherlin, Administrator for DATCP's Division of Trade and Consumer Protection. "Whether it's through our website, our Consumer Protection Hotline, or our mediation team, DATCP is here to serve as a resource if you need help."

To file a complaint or find additional resources and information, consumers can visit DATCP's Bureau of Consumer Protection at <https://datcp.wi.gov>, call the Consumer Protection Hotline at 1-800-422-7128 or send an e-mail to datcp@datcp.wi.gov. You can also connect with the bureau on Facebook at www.facebook.com/wiconsumer or Twitter: @wiconsumer.

"Picnic" auditions to be held April 6 & 7 at Nicolet

The Nicolet Players are gearing up for their spring play, "Picnic," with auditions scheduled for Monday and Tuesday evenings, April 6 and 7, at 7:00 p.m. at the Nicolet Theatre.

"Picnic" is a wonderful piece of writing by William Inge with a rich history," said Jim Nuttall, the director of the Nicolet College Theatre. "It won the Pulitzer Prize for Drama in 1953. It also was the play where Paul Newman, who was unknown at the time, first displayed his talent to the world. The play has comedy, drama, and romance – just a lot of stuff for our cast to dig their teeth into."

"Picnic" starts off with several women in a sleepy little town preparing for the annual Labor Day picnic. But a drifter looking for work is about to enter their lives in some widely disruptive ways. After he hops off a freight train and accepts a gig trading odd jobs for a room at one of the women's homes, his edgy proclivities start to upset apple carts all over the place. Hearts break, lives change forever, and the town's innocence goes the way of the train tracks out of town.

As always, the auditions are open to everyone. No acting experience or enrollment at Nicolet College is required. Those interested don't necessarily need to prepare for the audition, but as with any play, it can be a good idea to read the script beforehand. Scripts are available for a three-day checkout from the service desk on the third floor Richard J. Brown Library, located in the Lakeside Center.

Interested parties need to audition only one night but in the past, many have elected to attend both nights.

There are roles for seven women and four men. Five of the roles (Madge, Hal, Alan, Millie, Bomber – see below) are for younger people, from teens to early 20's. The remaining six roles are for older adults. Casting decisions will be partly based on the ages of the actors who show up at auditions. Full descriptions of the roles and other information about "Picnic" can be found at the "Upcoming Auditions" link at www.nicoletlive.com.

Rehearsals will run from 6:30 p.m. to 9:30 p.m., four nights a week. The play breaks down into discrete groups of characters, so most actors will get nights off as different scenes are rehearsed. All cast members need to be present for the last two weeks of rehearsals.

Public performances are scheduled for June 5-7 and 11-14, with Sunday performances at 2 p.m. and all others at 7:30 p.m.

For questions, contact Nuttall at (715) 365-4476 or by email at jnuttall@nicoletcollege.edu.

2020-2021 OPEN ENROLLMENT APPLICATION PERIOD SCHOOL DISTRICT OF GOODMAN- ARMSTRONG CREEK

The Goodman-Armstrong Creek School District will be accepting applications for Public School Open Enrollment. The applications will be accepted between the dates of February 3, 2020 and April 30, 2020 until 4 pm. Late applications will not be accepted for any reason. Parents may apply on-line at <https://dpi.wi.gov/oe>.

Wisconsin's inter-district public school open enrollment program allows parents to apply for their children to attend school districts other than the one in which they live. More information may be obtained from the Wisconsin Department of Public Instruction-Public School Open Enrollment Program by calling 1-888-245-2732 or you may visit their web site at <https://dpi.wi.gov/oe>. You may also contact the Goodman-Armstrong Creek School District at PO Box 160, Goodman, WI 54125. Phone: 715-336-2575, ext. 203.

Important dates: February 3 April 30: parents must submit applications online or directly to the nonresident school district. June 5: nonresident school districts must mail notices of approval or denial. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal. June 12: resident district must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal. June 26: parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2020-21 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.

Please note: If your child is already attending the Goodman-Armstrong Creek School District through Open Enrollment, you do not have to reapply.

FOUR-YEAR OLD KINDERGARTEN OPEN HOUSE

On March 6 and March 13, the Crandon School District is having an open house from 11:30 a.m. to 6 p.m. for parents interested in Four-Year-Old Kindergarten during the 2020-2021 school year. Any interested parents can fill out an enrollment form for their child on this day.

Parents are required to bring their child with them when they come to enroll in the Four-Year-Old Kindergarten program. This will give your child an opportunity to meet the teachers.

Parents should bring their child's birth certificate and immunization record. The 4K staff will also present information and answer questions for parents. Please contact the Crandon Elementary School at 478-6123 with any questions.

School District of Wabeno Area Child Development Day

The School District of Wabeno Area will be conducting a developmental screening for young children living in the District ages 2 ½ to 4 years old. Children will be screened through observation in a natural play setting. The screening will be held at Wabeno Elementary School on Wednesday, April 1 from 8:00 a.m. - 2:00 p.m. and Tuesday, April 7 from 3:30 p.m. - 6:30 p.m. 4K registration will be held during this time.

If you have a child in this age range and have not yet scheduled an appointment, please call the Elementary school at 715.473.3633.

Motion by Trinity Shepard seconded by Janet Opiela to approve the amended agenda. Carried 7 to 0.

Introduction of Deb Gurke, Gurke Consulting, by Jeff Walsh.

Work Session with the public on Strategic Planning for the School District of Wabeno Area. Worked on Practical Vision what do we want to see in 3 to 5 years as a result of our actions? Broke into groups. Individually, wrote down visions of 7 words or less. As a group, picked 2 that we wanted to post on the wall and share with the entire group. Slowly, each group added 2 more visions at a time to the board, grouping those of similar nature into columns based on their overall message. Discussed which columns were the most achievable and which were the most difficult to achieve. Which visions affected others, good or bad? As an entire group, we then created "catchy" slogan headings for each column. Next session will focus on Underlying Contradictions.

Next meeting is Thursday, March 5, 2020 at 6 P.M. at the Wabeno Jr./Sr. High School Commons and is open to the public.

Motion by Dawn Jakubiec seconded by Trinity Shepard to adjourn at 7:30 P.M. Carried 7 to 0.
