The Lake Metonga Boat Parade

Who do ya know wants to go for a boat ride? Who do you know wants to be in a July 4th Parade?

The Lake Metonga Association would like you join 1000 of their neighbors in an Armada of boats, both decorated and stock all celebrating this GREAT NATION on July 4th, 2020. The theme for the parade is intended to "Honor Front Line Workers" who continue to work tireless through this Covid pandemic.

This is your opportunity to join 1000 of you friends and neighbors in an awesome show of support while maintaining "Social Distancing" and having a good time.

Here's the plan!
All boats would leave their dock (or get in line if visitor) at 1 p.m. on July 4th. You will travel clockwise around Lake Metonga and return to your dock.

OH!! did I mention the thousands of dollars we are giving that support our local businesses who have always supported us. On your journey around the lake you will receive a rare qualifying ticket.

OH!, Then theirs the "Decorated Theme Boat", option which really steps up the prize and fun for your crew.

Watch the newspaper and Lake Metonga Association web page for details.

No registration required.

If you can figure out how to get the Cardinal Band, the "Honor Guard", Fire Department, the Graduates and any other community organization "On board" let us know we will find a Boat for you.

This event is open to the public. The more the merrier!
Gary Mueller

Free COVID-19 testing in Forest County with National Guard assistance

Forest County Health Department and Forest County Emergency Management is collaborating with the Wisconsin National Guard to provide free COVID-19 testing. The National Guard will be providing drive-through COVID-19 nasal swab testing in Crandon on Monday, June 22nd from 10 a.m.-3 p.m. at the Crandon School District parking lot.

No appointments are necessary. Anyone 5 years and older with at least one of the following symptoms: fever, cough, loss of taste/smell, shortness of breath, sore throat, fatigue, body aches, diarrhea, vomiting, nausea, chills, or muscle aches can get tested. This event is available for all Wisconsin residents.

Individuals getting tested should be prepared to provide a current address, county of residence, and phone number when they arrive. Please be aware that the testing will be provided on a first come, first served basis and that attendees may have to wait to be tested. Vehicles will form a line while waiting for testing and all attendees will need to stay in their vehicles at all times. No restroom facilities will be available so please plan accordingly.

The National Guard will be doing the testing. They will be in uniform and in full PPE (personal protective equipment, including gowns, mask, gloves, etc.) during this event. We have two goals with this event: 1) provide our communities with mass testing, and 2) give public health better insight into how widespread COVID-19 is in our communities. Following this event, we will continue to work closely with our local healthcare providers to continue building their capacity to meet patient demand.

Please note that anyone tested is required to stay home until test results come back. Test results will be provided via telephone by the National Guard or by your local public health department in a timely manner.

There are additional community testing sites in Wisconsin throughout June. Any Wisconsin resident is welcome to attend any one of the testing events. Information on community testing events can be found at <https://www.dhs.wisconsin.gov/covid-19/community-testing.htm>

Please contact the Forest County Health Department with any questions at 715-478-3371.

Kentuck Day Festival set for July 25, 2020

The 2020 Kentuck Day Festival in Crandon is not cancelled as previously stated last week. The car show is cancelled for 2020. The Kentuck Day Festival is a celebration of the areas early settlers from Kentucky. The event is held on the courthouse square. This year it will be held on Saturday, July 25, from 9 a.m. to 3 p.m. Admission is free.

There festival will consist of an arts and crafts show, flea market and sidewalk sales. There will be lots of great food, music and Brandt's Horse Drawn Wagon Rides.

For vendor information, you can visit the Forest County Chamber of Commerce at visitforestcounty.com or call the Forest County Chamber at 715-478-3450. The chamber can also be reached by email at info@visitforestcounty.com

Wabeno Chamber Craft Fair has been postponed

The Wabeno Chamber Craft Fair, scheduled for July 11th has been postponed. No further date has been scheduled at this point.

Watch these pages for the new date of the Craft Fair.

Bellin to offer Free COVID-19 testing in Lakewood

Site open to the public, hours 10 a.m.-6 p.m. June 24 & July 15

LAKEWOOD: Bellin Health will sponsor a no-cost COVID-19 testing site Wednesday, June 24 and Wednesday, July 15 at 17215 State Hwy 32 (parking lot of the Krist station across the street from Bellin Health Lakewood). The site will be open 10 a.m.-6 p.m. both days.

The Lakewood testing site will be open to any symptomatic or asymptomatic community member. Tests will be done via drive-through, with no appointment or provider order required.

Safe disposal of unwanted drugs

You should properly dispose of unused medications. They should not be just thrown in the garbage or left laying around. It is important to members of the community and the environment.

There is a safe way to dispose of these drugs with a drop box in the Forest County Sheriff's office that is open 24/7. To learn more about this safe disposal of your unwanted drugs, please read the ad in this issue from the Community Coalition of Forest County.

Lakes Country adds appointments for library computers, browsing

Beginning June 22, the Lakes Country Library in Lakewood will take appointments by phone for library computer use and browsing. The sessions will be 40 minutes each, with a limited number of people allowed in for each session. The library's phone number is 715-276-9020. No appointments will be taken at the door.

Appointments are limited to use of the library computers and browsing only. Wireless internet is available from outside the building, 24 hours a day; the library will also be adding tables behind the library for wireless use.

Staff will wear masks during appointment sessions, and highly encourage all patrons to wear masks as well. In addition, common spaces will be cleaned after appointment sessions, and materials will be quarantined for 3 days before shelving.

The library will continue to offer curbside pickup at the back of the library. Library staff can take requests by phone or email, and will select materials if requested.

"We wanted to add services that our patrons can only get inside the building." Director Nicole Lowery said, "And we wanted to offer those services in the safest way possible for our community and staff." She noted that there is some always risk involved when going into a small building with others, especially for those in high-risk groups, "but if everyone follows the health guidelines, we can lower that risk somewhat."

Forest County Board meets

By Mike Monte
The full Forest County Board met last Tuesday evening at 7 p.m. to take care of the people's business.

There was a discussion about the tower construction that will provide high-speed internet to those areas of the county that are in need. It appears that the first tower will be constructed near Hiles, and will service not only Hiles, but Argonne and part of the Town of Crandon.

There will be a total of 17 towers and the project will take about two years.

In other business, Jerry Gibson has resigned from the Civil Service Commission, and Donna Pfeifer was appointed to take his place. Penny Carter was appointed to fill the Wisconsin Counties Association (WCA) Steering Committee in the area of Judicial and Public Safety, and Cindy Gretzinger was appointed to represent the county with the WCA Personnel, Finance and County Organization Committee.

The first item on the agenda was the Chief Deputy Wage Structure. The wage increase will start in 2021, and is 1/25% increase that will match the wages of the lieutenant and captain. This was a unanimous vote.

Item two on the agenda was a raise for county board members who spend a day at a meeting. This is a \$10 raise for a meeting that uses up most of a day. This means that instead of a \$40 payment for the meeting, the pay goes to \$50. The vote was not unanimous, with two board members, Burl and Pethers voting no.

Item three, the funding for the broadband grant borrowing was voted in unanimously.

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

Using Tech to Learn in Nature

Just because you can't tell a Tufted Titmouse from a Coast Pignut Hickory doesn't mean your kid has to know you're not a walking Natural History Museum. With the following nature apps for smartphones and tablets, you can wander outdoors, day or night, and answer practically any question they have, from "What is that bright star on the horizon?" to "Is this bug that I'm putting in my mouth poisonous?" The window of time during which your kid thinks you know everything is vanishingly thin, so leverage technology to make it last as long as possible. Because, someday soon, they'll be all grown up and able to Google things for themselves.

These plant, animal and star identifying apps let you identify pieces of the world around you through your phone's camera feature or by asking you questions. They turn screen time into an opportunity to get out into nature and learn, giving your kid the gift of having a world of information at their fingertips. Some are free and some involve a fee.

Bird Apps

Merlin Bird ID - Merlin asks you 4 simple questions about any bird you happen upon and delivers a small selection of potential species. Assuming you can see and/or hear it, you can quickly identify whatever it was that just pooped on you. Merlin cross-references your answers with a massive database of bird sightings that's maintained by thousands of hardcore bird geeks, and only suggest species known to have been seen recently near your location. However, while suggested species will include samples of their song, the nature app can't identify a bird based on its song, which some less-free apps can (free iOS, Android).

Stars and Planets Apps

Skyview - Point your phone's camera at the night sky and SkyView will determine your location via GPS and identify all the planets, constellations, stars and satellites that are currently visible. A robust search function that helps you find things like the International Space Station, the Hubble telescope, or the Big Dipper. It also has daily updates that point out when new things have become visible. SkyView is one of the top-rated nature apps of all time in the App Store. (\$1.99 iOS, Android).

In appreciation of the Wabeno Town Board and Wabeno Town employees

Senior Spotlight Anjelina Lyons

My best high school memory was my junior prom, homecoming and winterfest week. My biggest accomplishments are maintaining a 3.7 or higher GPA in all 4 years as well as being 12th in my class.

I have learned in the past twelve years that I won't get something if I don't work for it. Things aren't going to get handed to me. I learned to always try my best and to always be positive while doing so.

My future plans are to attend Nicolet Technical College in Rhinelander. I will be studying in the Human Services program. I plan to be a social/case worker for young children or a mental health counselor for children and teens.

I would like to thank my grandparents for always being there to help me through anything and pushing me to do my best. I thank my teachers for all they have taught me and for being understanding and patient with me.

SAFE DISPOSAL SAVES LIVES.

Learn more at: www.DoseOfRealityWI.gov

With summer's arrival, The Community Coalition of Forest County and the Forest County Health Department would like to remind everyone of the importance of keeping your medications locked up properly, and disposing of unused medications in a safe manner. The Forest County Sheriff department has a 24/7 drop box available for you to bring your unused medications to and dispose of them in a safe manner.

Items that can safely be disposed of include: Prescription medications, over the counter medications, ointments, patches, non-aerosol sprays, inhalers, creams, vials, and pet medications. These items can safely be disposed of by bringing them to the 24/7 drop box located in the Forest County Sheriff department lobby.

You should not bring: Illegal drugs, needles/sharps, aerosol cans, bio-hazardous material (anything containing bodily liquid or blood), mercury thermometers or personal care products (shampoo, soaps, lotions, sunscreens, ect), household hazardous waste (paint, pesticides, oil, gas).

By properly disposing of your unused medications, you can help protect our community members, and the environment.

If you have any questions or need a free medication lock box or are interested in home disposal products, please contact the Forest County Health Department at 715-478-3371.

C-STORE HOURS EXPANDED!

Beginning Sunday, June 14, 2020, hours for both the Carter & Stone Lake C-Stores will be 5 a.m. - midnight.

Curbside pick-up service is still available upon request for all products EXCEPT cigarettes and tobacco Monday thru Friday, 11 a.m. to 4 p.m. Customers may place and pay for orders over the phone during those hours by calling:

- Stone Lake C-Store orders: 715-478-4199
- Carter C-Store orders: 715-473-5100

We thank you for your patience and continued support. Stay safe and practice social distancing!

Wabeno High School Class of 2020

Death Notices

Those we lose continue on in our hearts and memories. **Ursula June (VanZile) Barber** passed away June 15, 2020 at The Bay at Nu Roc Nursing Home, Blackwell. Ursula was born August 21, 1924 to Ralph and Murriel (Bull) VanZile.

She was united in marriage to Frank Barber and he preceded her in death November 23, 1984. Ursula worked with her mother in the Post Office which was ran out of the home. She worked at Cheney's Super Club, was a housewife and mother. She had one son, Frances and he preceded her in death.

Ursula was loved by everyone who knew her. She could be sassy at times but you had to know her to love her. In the later years, her cousin Mel Smith took her under his wing, watch out for her and kept her safe. Ursula lived in Cavour all her life.

She was preceded in death by her parents, Ralph and Murriel VanZile; husband, Frank; son, Frances; sisters and brother, Alice, Cloe, and Ralph; dear cousin Mel Smith; grandparents; nieces and nephews.

A great soul serves everyone all the time. A great soul never dies, it brings us together again and again.

Sue Smith was the best caregiver and her dearest friend she ever had.

A celebration of life for Ursula will be held at a later date.

Online condolences may be left for the family at www.weberhillfuneralhome.com

Wayne M. Montgomery, 48, of Crandon, WI went to be with his Lord and Savior on June 12, 2020. Wayne was born January 11, 1972 in West Bend, WI the son of Wayne Montgomery and Peggy Walker.

He loved the Lord and read his Bible every day. He loved to work on cars and snowmobiles and put together model cars which he became quite the expert in doing so. He lived his life with determination that his health problems would not keep him from the people or the things he loved.

Wayne is survived by his mother, Peggy Walker, Crandon; father, Wayne (Bunnie) Montgomery, Laona; sister, Lisa (John) Arrowood, Crandon; step-brother, Alan (Riza) Montgomery, Philippines; nephews, Christopher, Scott, and Steven Rosio.

He was preceded in death by his grandparents, Harvey and Anna Walker and Orville and Patricia Montgomery; and his uncle, Chris Walker.

Services will be held at 11:00 a.m. on Saturday, June 20, 2020 at the Weber-Hill Funeral Home, Crandon, WI., Daniel Childers officiating. Visitation will be held from 9:00 a.m. to time of services at church.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com

Rapp, Susan Carol

Susie passed away peacefully on June 3, 2020. She is preceded in death by her parents Florence and John Rapp, stepfather Ralph, brother Thomas, best friends Everett Reddick and Pat Exferd and Scott Rodriguez. She is survived by her niece Linda Rapp, great-niece Tina (Nick) Lawrence, great-great nephew Ben, great-great niece Maisy, brother William, amazing friends Cathy Reddick, Mary Prausa, Ann Hagmeyer, Pam Kuczynski, Ruth Benoit, Claude Bowman and Lois Fisher. Also, a special part of her life, and who she considered her children, were the Rodriguez children, Reddick children and Derfus children.

Susie was born in Milwaukee in 1946. After graduating high school, she continued her schooling to work towards a degree in accounting. She worked at Louis Allis until she lost her eyesight and could no longer crunch the numbers. In 1981 Susie and her friends made the move to Townsend, WI, which she called "God's country", to start on a new journey.

Susie had many roles and volunteered in a lot of areas of the town. She volunteered her time at St. Mary's parish where she worked funeral dinners, cleaned, and performed various duties as needed. Another area, which she considered her baby, that she helped to cultivate and incorporate was the Townsend Festival Association. She was the president and treasurer at one point and made it her mission to make sure that Townsend had its place on the map every summer. From baseball tournaments to the biggest fireworks in the Northwoods, she was passionate about making the summer a great one and one that visitors and locals could have a good time. Her voice could be heard far and wide on the PA announcing someone's order from concessions or the countdown to the fireworks.

In April of 1991 Susie became the first, and longest running, female Town Chairperson in Townsend. She continued her work in the festival committee as well as helped pave many roads, figuratively, for the town. She got Townsend and four other towns to combine to be the Five Most Northern Towns. This meant that people could conduct many activities without having to travel 60+ miles to do so.

A memorial will take place in Townsend in the fall, guidelines permitting. The family hopes to have a bench made and dedicated to Susie at the ballpark and do something special for her on July 4, 2021, this was her favorite holiday in Townsend. Special thanks to everyone at St. Luke's South Shore for making sure her last moments were not alone and were peaceful. Thanks, as well for all of the calls and texts of kinds words and funny stories. Susie was a talker and a character, and the world will not be the same without her.

Armstrong Creek site manager Sharon Giles at 715-674-3532 (home) or 715-336-2218 (site). Meal served at 11:30 a.m. on Tuesday and Wednesday.

Senators Tammy Baldwin and Rick Scott Calling on Americans to Buy Products Made in the U.S.

WASHINGTON, D.C. U.S. Senators Tammy Baldwin and Rick Scott announced a bipartisan resolution calling on Americans to buy products made in the U.S. whenever possible in order to support American jobs and manufacturing, and help build up the U.S. supply chain. The resolution is also supported by the Coalition for a Prosperous America and the Alliance for American Manufacturing.

Senators Tammy Baldwin and Rick Scott also recently introduced the bipartisan Country of Origin Labeling (COOL) Online Act to ensure that all goods sold online list their country of origin to allow American consumers to make informed decisions, and help promote goods that are made in America.

"I strongly believe that when we're using U.S. taxpayer dollars, we should be supporting American workers and American-made products," said Senator Baldwin. "As our nation addresses supply chain shortages and works to keep our economy moving forward during this pandemic, we must boost our Made in America economy by prioritizing American manufacturers, workers and products over foreign workers and foreign-made goods."

"Buying American products is the number one thing we can do to support American jobs and stand up to our foreign adversaries. We can no longer rely on countries like Communist China, who lied about the coronavirus and refuses to be a trustworthy partner, for our critical supply chain," said Senator Rick Scott. "Buying American is not partisan, and I'm glad my colleagues from both sides of the aisle are coming together to encourage all Americans to take a stand against Communist China and buy products made in the U.S."

"The Coalition for a Prosperous America supports Buy American and is pleased to see the Senate introduce a resolution calling on Americans to buy products Made in the USA. This is a good first step and I look forward to the Senate working on bipartisan legislation to codify these sentiments. Buy American is critical to rebuilding the economy," said Dan DiMicco, Board Chairman of the Coalition for a Prosperous America.

"Times are tough right now for many Americans. Tens of millions are out of work and countless businesses have closed for good. But buying American-made products is one way all of us can help get things back on track. When you buy something that is Made in America, you support good-paying jobs, local businesses, and frankly, some amazing products. The government also has a role to play by applying Buy America to things like infrastructure spending, which ensures taxpayer dollars are reinvested into our communities instead of being sent overseas," said Scott N. Paul, President, Alliance for American Manufacturing.

For Old Time's Sake

Okay all of you Crandon High 2020 graduates! This is the Class of 1920. As you can see, styles have changed a bit in the last 100 years. The question is, did the girls have to all dress alike, or is it something they all just decided to do. They did have something the 2020 grads didn't have, and that is a commencement program. However, they did have a pandemic while they were in school. It was called the Spanish Influenza pandemic, people were sick, and some died.

THE SECRET IS OUT....

State moratorium on utility disconnections to end July 25

MADISON - On Thursday, the Public Service Commission of Wisconsin (PSC) voted unanimously to lift the temporary moratorium on utility disconnections for nonpayment during the COVID-19 public health emergency. The move comes as the state continues to reopen and nearly a month after the state Supreme Court struck down

Safer at Home. The PSC strongly encourages customers behind on payments to arrange for a payment plan, or apply for assistance.

"As our state's businesses reopen and people return to work by following the steps in the Badger Bounce Back plan, we must calibrate consumer protections with costs to all utility customers. The longer deferral of payments are allowed, the more it will impact utility bills for everyone. Our actions today will ensure that those who are able to pay will continue to do so, and those who are struggling can seek a payment plan or apply for energy assistance," said Rebecca Cameron Valcq, Chairperson of the PSC. "When working out payment plans with customers, I strongly encourage utilities to provide extra flexibility for those whose lives and employment continue to be severely impacted by this disease."

To avoid disconnection, customers who have fallen behind on payments are encouraged to first contact their utility to set up a payment plan. Contact information for the largest utilities in Wisconsin is listed below:

- Alliant Energy 1-800-255-4268
- Madison Gas & Electric 1-800-245-1125
- Superior Water, Light & Power 1-800-227-7957
- We Energies 1-800-842-4565
- Wisconsin Public Service Corporation 1-800-450-7260
- Xcel Energy 1-800-895-4999

If customers cannot reach an agreement with their utility, they may contact the PSC by calling 1-800-225-7729, or by filing a complaint on the PSC website.

For more information about utility disconnections and collections, see the PSC's fact sheet on residential customer rights.

If a customer is having difficulty paying their energy bill or receives a disconnection notice, they may be eligible for assistance from the Wisconsin Home Energy Assistance Program (WHEAP).

To determine eligibility or find out where to apply for assistance, go to <http://homeenergyplus.wi.gov/> or call 1-866-HEATWIS."

If full payment or a payment plan cannot be agreed on, utilities will be allowed to send disconnection notices starting July 15. Customers who have a medical condition or are infected and sick with COVID-19 can still avoid disconnection with a temporary waiver from their utility. Additionally, the PSC voted to allow utilities to commence charging late payment fees on debts incurred after July 15, refuse service for failure to provide documentation to prove identity and residency after July 25, and allow utilities to require a cash deposit as a condition of new service starting July 31.

On March 23, 2020, Governor Tony Evers and Andrea Palm, Secretary-designee of the Wisconsin Department of Health Services, ordered residents in the state to stay at home except when performing essential activities or accessing essential services.

In response to Governor Evers' initial Safer at Home order, the PSC met on March 24 and ordered that:

- No public utility may disconnect or refuse service to any customer for nonpayment;
- No public utility may refuse service to a new customer for failure to provide documentation to prove identity and residency;
- Every public utility shall offer to any customer a deferred payment agreement;
- No public utility may assess upon any customer any fee or charge for late payment; and
- No public utility may require a cash deposit or other guarantee as a condition of new service.

On May 13, 2020, the Wisconsin Supreme Court struck down Safer at Home, ending measures put in place to manage the spread of COVID-19. The utility disconnection moratorium, however, remained in place.

"An archaeologist is the best husband a woman can have. The older she gets, the more interested he is in her."

HONORING FRONTLINE WORKERS ALL BOAT ARMADA 4th of July on Lake Metonga

Come one, come all. We've got 2,100 acres of lake space to accommodate all the social distancing you need! Decorate your boat or pontoon for a chance to win big prizes. Or, just join the parade as you are, and you'll still have a chance to win prizes — all of which will help support our local Crandon-area businesses.

Parade Rules:

- The ALL Boat Armada on Lake Metonga will go in a **CLOCKWISE** direction.
- The procession is for one lap beginning and ending from your dock or point of origin beginning at 1:00 pm on Saturday, July 4. Please maintain a slow speed, safe distance from others boats, and reasonably close to the shore, so spectators can get a good look.
- To be eligible for a prize (decorated or not), on your way around the lake, swing by the dock at Charlie's to pick up your registration ticket. These will go into the raffle drawings for prizes, and used by the judges to select decorated boat contest winners. **KEEP YOUR TICKET!** Winning numbers will be published in the Forest Republican and Pioneer Express newspapers, and on the LMA website. You must have your ticket to claim your prize! Pickup location for prizes will be published with winning numbers.
- If you have a decorated craft, pass through the judging station by Goeman's dock on the south-west side of the lake (don't worry, you won't be able to miss it!). Please go slow and allow plenty of space so the judges can get a good look.

Decorated Boat Theme

In support of all the front line men and women in Forest County, in Wisconsin, in the USA and around the world, this year's boat parade theme is "Honoring Frontline Workers".

If you'd like to decorate your craft to some other theme, that's OK, but you won't be eligible for the prizes awarded by the panel of judges.

Prizes

- Non-Decorated Watercraft Raffles**
- 10 – \$20 Chamber Bucks Certificates
 - Grand Prize: Reservation for 8 at Charlie's Tiki Bar
- Decorated Watercraft**
- | Judged Contest | Raffles |
|----------------------------|---|
| Chamber Bucks Certificates | • Reservation for 8 at Charlie's Tiki Bar |
| 1st Prize \$250 | • Mole Lake Casino Weekend Package |
| 2nd Prize \$150 | • \$100 Chamber Bucks Certificate |
| 3rd Prize \$100 | • \$100 Gift Certificate for Smith Sport & Hobby |
| 4th Prize \$50 | • \$100 Gift Certificate for Trisha's Treasurers |
| | • \$100 Gift Certificate for Schaefer's IGA |
| | • \$100 Gift Certificate for Conway True Value Hardware |
| | • \$100 Gift Certificate for Rustic Allure |

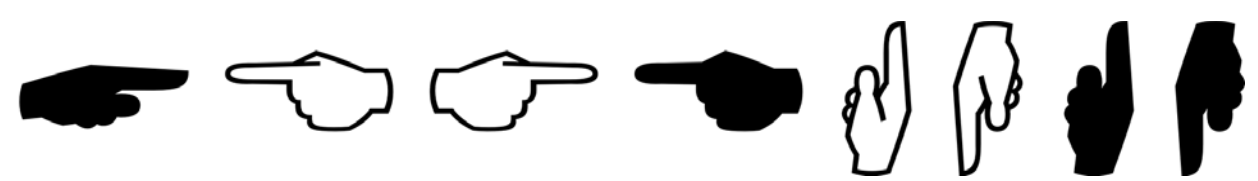

Good luck to all decorated boat contestants. We look forward to seeing everyone on the lake — to share and celebrate the birthday of what many consider the greatest nation and democracy ever on earth. Let's show we live up to that reputation!

Nicolet Medical Assistant grads far exceed national average on certification exam

The most recent report from the American Association of Medical Assistants shows that Nicolet College graduates consistently outperform other graduates from across the country on the national certification exam. The new report from the Medical Assisting National Review Board shows that Nicolet posted a five-year pass rate of 94.25 percent for 2014 to 2018, the latest years for which number are available in the recent report. This includes a 100 percent pass rate for Nicolet Medical Assistant students in 2017. The national average pass rate is 60 percent for students taking the certification exam for the first time, according to the American Association of Medical Assistants. "We were absolutely thrilled to see our students perform so well on the national exam, which they are required to pass in order to work in the field," said Jolene Guenther, Medical Assistant Program Director. "We were with them day in and day out and we know how hard they worked and how dedicated they were to their studies, and it shows in this report." The five years the recent report looked at show 86 students graduated from the Medical Assistant program at Nicolet and passed the national certification exam. "The vast majority of these graduates elected to stay and work in the Northwoods, delivering much needed quality health care to the residents who live here," Guenther added. The national exam also serves as a report card of sorts on Nicolet's Medical Assistant faculty and the program as a whole, said Candy Dailey, dean of Health Occupations at Nicolet. "It's always good to know that we are properly preparing students for careers as medical assistants," Dailey said. "If the program had a low pass rate, changes would need to be made. But we know that's not the case here at Nicolet. The report shows that both the students and the faculty are going a fantastic job." For more information on the college's 32-credit Medical Assistant technical diploma, visit nicoletcollege.edu or call the college at (715) 365-4493, 1-800-544-3039, ext. 4493, TDD 1-800-947-3529 or 711 relay.

Other astronomy apps include NASA, StarWalk, Star Chart, SkySafari, Solar Walk, Sky Map, Go Skywatch, Stellarium, and Pocket Universe.

Bugs and Butterflies
Audubon Butterflies, Insects and Spiders - Basically just an app version of the Audubon Society's world-class field guides, these apps include in-depth information on literally every single butterfly or bug you could possibly encounter in North America. Spectacular photo galleries for every single species and robust search that lets you enter things like size, shape, and color to help identify things when you don't know the name. (Insects and Spiders: \$4.99 iOS,

Picture Insect Just take a photo of the insect you wish to identify and Picture Insect will use artificial intelligence to try and match it with one of the over 1,000 species they have cataloged. Users can share photos with each other for second opinions on what type of insect is pictured. However, there are in-app purchases available, so keep this one away from curious little fingers (free iOS, Android).

Animal Track Apps
iTrack Wildlife Pro - Another app version of an old school field guide, iTrack Wildlife lets you search a database of 69 North American mammals based on some basic information about their foot, paw, or claw prints. The app will not only help you identify animals based on their prints, but also on their skulls. However, tiered pricing means you can access a handful of species with the free "Lite" version and a handful more with the "Basic" version. The whole package is pretty spendy for an app (\$14.99 iOS, Android).

Trees Apps
Leafsnap Leafsnap uses software similar to facial recognition to scan a photo of leaf that you take with your phone and compare it with a database with hundreds of different tree species. The resulting match includes everything you could ever want to know about that tree. Leafsnap will help you see (and name) the trees from the forest. It currently works best in the Northeastern U.S. and Canada, as well as the U.K. Also, it's iOS only, although the Audubon Society has a less robust tree app for Android (Free iOS).

County Board Cont. from pg. 1

Item four was the continuation of the Covid 19 Committee. A unanimous vote was made not to continue the committee.

The vote, in item five, for new voting machines, one per precinct, was also unanimous.

Number six, the land purchase using the Knowles Nelson Stewardship Grant was also passed after a discussion. When the grant program is used, the county is only responsible for half of the purchase amount using an interest free loan from the DNR, which is paid back from timber sale revenues on a percentage basis. The idea is to have county forest lands in the future, not only for timber, but for recreation as well. It is an investment in for future generations and helps preserve the forest resource from development.

Item seven was to approve a budget over run for the 911-Dispatch Center and Radios. Costs have went up since the project's beginning, and money will be used from a low interest loan previously approved for these contingencies.

Some other routine business was conducted, and the board adjourned.

HAPPY FATHER'S DAY!

Bids & Notices

NOTICE OF PUBLIC HEARING Town of Lincoln Plan Commission Thursday, July 9, 2020 6:30 P.M.

Town of Lincoln Town Hall
5376 County Rd W, Crandon, WI

The purpose of the Public Hearing will be to receive public comment regarding a Conditional Use Application from Stephen J. Bunda, to construct a non-metallic mining operation (sand, gravel and rock) south of Pine Rd to the east and south of Potawatomi Trail, Section 33, said location being over 1000' from Lake Lucerne and therefore under Town of Lincoln zoning. Such use is allowed in General Rural zoning but requires a conditional use permit.

There will be a Plan Commission meeting following the Public Hearing for discussion and possible action on the application.

For further information contact Town of Lincoln Zoning Administrator Kyle Black at 715-889-2820.

Notice request for Bid - Sokaogon Chippewa Community

Requesting bids to complete the construction of an existing building located at 3053 Hwy. 55

Scope of work consists of;
Connection of sewer and water lines.
HVAC
Electrical
Concrete floor in the basement
Finish of parking lot around the building
Landscaping around building
Steps to one entrance and steps with ramp to the main entrance

If interested please contact the Sokaogon Chippewa housing office 715-478-2001, to make arrangements to view the project.

Deadline to bid on the project will be June 26th, 2020

Senior Spotlight Anjelina Lyons

My biggest high school accomplishment was pushing myself to do good in all of my classes. I have taken many college courses in the past few years to prepare myself for college.

In the past twelve years I have learned that it is ok to struggle. Not everything is going to come easy, you just have to push yourself to get through it.

I am accepted and plan to attend UW Green Bay. At Green Bay, I am going to get me degree in elementary education. After that, I am hoping to teach grades kindergarten through second grade.

I would like to thank my grandparents, mom and dad for pushing me to reach my fullest potential. I would like to thank Ashlee Peters for helping me figure out what I want to do with my future and showing me that being kind is one of the best things you can be. I would like to thank Hollie Ackley for always being there when I needed anything and helping me figure out my future plans as well. I would also like to thank Lori Sekel because she helped me realize the kind of teacher I want to be.

Senior Spotlight Robert Kellor

My best high school memories are earning two gold medals at state forensics and announcing at basketball games and running the video board.

In the past twelve years I have learned that it is ok to have your own path. I march to the beat of my own drum and I am proud to say that. Not everyone will understand your choices, but it is important to just do you.

I plan to attend North Central Technical College is Wausau. I will be studying in the Video Production program. After college, I plan to have a career along the lines of

Invitation for Quotes WABENO AREA SCHOOL DISTRICT

The School Board of the School District of Wabeno Area will receive sealed quotes for the supply items listed below. All quotes must be received in the District Office located at 4346 Mill Lane, Wabeno, no later than 3:00 P.M., Friday, July 24, 2020, either in person or by mail to:

Jeffrey Walsh, District Administrator, School District of Wabeno Area, P. O. Box 460, Wabeno, WI 54566. Please label the quote envelopes accordingly.

Milk supplies for the 2020-2021 school year

Milk is to be delivered (1% & Skim white grade A) in one-half pint cartons (approximately 110,000) per year for student use, in one-half gallon cartons (approximately 200 per year) for kitchen use, and chocolate 1% milk in one-half pint cartons (approximately 20,000 per year) for student use. If a price adjustment is expected, please include an adjustment clause in the quote. Please mark envelope "Milk Quote".

Snow Removal for the 2020-2021 school year

The School District of Wabeno Area is requesting sealed quotes on snow removal. Please quote costs to remove snow from all parking areas, bus garage, and elementary playground on a per plow basis. There are also timeline requirements so these areas are plowed prior to staff and students arriving at school. For further questions about the snow removal quote, contact Laurie Pries, Head of Maintenance at 715.473.5122 x 5138. Please mark envelope "Snow Removal Quote".

Fuel for buses for 2020-2021 school year

Gasoline – Approximately 5,000 gallons conventional no-lead w/o Ethanol
Diesel fuel – Approximately 10,000 gallons #2 w/winter blend as needed
The above must be delivered in bulk, on a keep full basis, to the School District's tanks in Wabeno. If a price adjustment is expected, the vendor should include an adjustment clause in the quote. Please submit the quote on a per gallon basis less federal tax, based on prices on July 21, 2020, and include your price sheets for that date. Please mark envelope "Gas & Diesel Quote".

The School Board reserves the right to reject any and all quotes. The quotes will be presented at the regular school board meeting on August 5, 2020.

Invitation for Quotes WABENO AREA SCHOOL DISTRICT

The School District of Wabeno Area is accepting sealed quotes for the scrappage of a 2004 International 65 passenger school bus, 7.3 International diesel engine, standard Eaton transmission. Upon delivery, a 3" x 3" hole will need to be drilled into the engine block and the frame rail will need to be cut in half per scrappage requirements. Minimum bid \$500.

Quotes will be accepted either in person at the District Office, located in the Elementary building, 4346 Mill Lane, Wabeno, WI 54566 or by mail no later than 3:00 PM on Friday, June 26, 2020 to: Jeffrey Walsh, District Administrator P.O. Box 460, Wabeno, WI 54566. Please mark envelope "Bus Scrappage". For further questions about this quote, contact Lee Mattern at 715.473.2603. The School Board reserves the right to reject any and all quotes.

EQUIPMENT BID

The School District of Laona has a piece of equipment for sale. If you are interested in placing a bid on the equipment listed below, bids will be accepted until July 3, 2020 at 4:00 p.m.

Equipment – 7' x 8' Hobart Walk in Cooler (This unit includes a compressor and condenser)

For further details regarding the specifications of the cooler, please contact John "Gus" Klementz at 715-674-2143 ext. 207. You can set up an appointment with him to review the equipment.

Bids will be opened at the July 13, 2020 board meeting. The winner of the bid will need to remove and pay for the cooler no later than July 17, 2020.

Please send sealed bids to:

School District of Laona
Attn: Walk in Cooler Bid
5216 Forest Ave Suite A
Laona, WI 54541

television and film.

I want to thank my mom and dad for always pushing me to do my best. I also want to thank all of the teachers I have had a class with. So many of them put in so much extra time to personally help me in school. They never quit on me and I will never forget that.

Little Logrollers is a new daycare located in the Wabeno Elementary School. We are enrolling children ages 6 weeks to 12 years of age. We provide quality care from early morning to early evening, Monday through Friday.

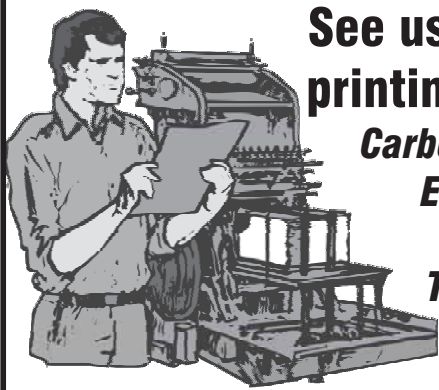

If you have any questions or need to discuss enrollment, please call Jess at 715.473.2592, ext. 4531 or email jolewinski@wabeno.k12.wi.us.

**Wabeno School District
Full Time Cross Categorical
Teaching Position**

Job Description: The School District of Wabeno Area is accepting applications for the position of a Jr./Sr. High School Special Education Teacher. This is a full-time position to begin in the 2020-21 school year. Responsibilities may include, but are not limited to: creating, updating, and implementing the IEPs for all assigned students in a timely and professional manner and evaluating new students as assigned. Applications need to reflect a willingness to participate in academic/behavioral grade level teams and to promote and contribute to our positive school climate.

Requirements: Candidates must have an appropriate DPI license (1801 Crosscategorical Special Education).

How to Apply: Interested and licensed candidates should submit a letter of interest, resume, transcripts, copy of license(s), and three (3) current letters of reference to: Jeffrey Walsh, District Administrator, PO Box 460 Wabeno, WI 54566. Applicants may apply until position is filled.

The School District of Wabeno Area is an Equal Opportunity employer. The School District does not discriminate against applicants or employees based on race; age; sex or sexual orientation; creed or religion; color; handicap or disability; marital, citizenship, or veteran status; membership in the National Guard, state defense force, or reserves; national origin or ancestry; arrest or conviction record; use or non-use of lawful products off the District's premises during non-working hours; or any other characteristic protected by law.

NOTICE

The City of Crandon is seeking a motivated, skilled, ambitious individual for the position of Water & Sewer Crew. Applications may be picked up at City Hall, 601 W. Washington St. and must be returned no later than 4 p.m. on June 30, 2020.
