## Wanted! Some people to serve on the Forest County Board

Forest County is looking for a few good men or women to fill four seats on the Forest County Board. There has been a lack of interest on the part of the public to serve on the County Board compared to years past.

However, it is an important government body that is necessary for the function of many of the services we take for granted, whether it be the roads, health services or a myriad of other functions.

Unfortunately, there are four districts in Forest County that have nobody representing them in county government. Those districts are #7 (Wabeno Ward 4), #13 (Nashville Ward 2), #19 (City of Crandon Ward 2), and #21 (City of Crandon Ward 4).

If interested, prepare a letter of interest for the Forest County Chairwoman Cindy Gretzinger. Mail to 200 E. Madison Stree, Crandon WI 54520 by September 1st.

If appointed, the term will expire on April 19, 2022. If you like the job, you can run for re-election. You might find that serving on the board can be a rewarding experience. It is a chance to participate in the democratic process that runs the country. Besides that, you do get paid for your time at meetings. Give it a try!

## School District of Crandon From District Administrator, Larry Palubicki

We recently just announced the initial reopening plans for the School District of Crandon. As we try to navigate through this uncharted territory, we have derived a plan that offers options to our families. This initial plan can be found on our district's webpage, [www.sdfocrandon.com](http://www.sdfocrandon.com).

**Learning Formats-** We plan to reopen schools September 1, 2020 in a face to face format. For those that are not comfortable with this option, we have a virtual option available. We are currently reformatting our online registration to include the virtual option and will ask that parents fill this out as soon as possible, once it is live. Full virtual learning would only happen in the event of a state or district mandated closure.

**Visitors-** The amount of visitors will be limited. Vendors completing work or parents who have essential meetings scheduled will be allowed in and required to follow our safety measures. All other visitors will not be allowed in the building.

**Safety-** Our team has been working on rearranging classrooms and implementing safety measures so that we can maintain social distance to the best of our ability. There will be additional sanitization stations in classrooms and throughout the building. Face coverings are now mandatory and the expectation is to wear them while on the bus and in the classroom. We were able to acquire two cloth masks for each student in the district.

Please understand that this plan can change, based on local and state circumstances. Your patience and understanding during this process is appreciated. We appreciate our Cardinal Community for working with us to provide the best education for our students during this challenging time.

*Editor's Note: The Pioneer welcomes other area school districts to send us their plans for school reopenings that we will feature in this spot on our front page.*

## Dahlquist Heating & Cooling are new owners of Gravitter Heating

By Mike Monte

Mike Gravitter, of Gravitter Plumbing & Heating, has sold the heating and cooling portion of his business to Rhinelander based Dahlquist Heating and Cooling. Joe Dahlquist was in Crandon for a meeting and introduction on Tuesday at the former Gravitter shop.

Dahlquist is located on the east side of Rhinelander. They will be taking over the sales and service of all brands sold by Gravitter, including the Heat 'N Glo and Quadra Fire fireplaces.

While based in Rhinelander, Dahlquist has two employees living in Forest County that will be available for 24-hour emergency service. The phone number is still 715-478-2284 when you have a problem with the furnace that quits in the middle of the night.

We wish them luck in their new Forest County business venture!

## Conservation Corner

*Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).*

ATV/UTV has become a popular sport in Wisconsin over the past few years. While a fun, popular sport, it can also be dangerous. It's important to take safety classes, know safety laws, and practice safety while riding.

We want to remind everyone to stay safe while riding. On March 4, 2020 new laws went into effect for passenger requirements, headlamps, operational requirements and more.

**Some of these new laws include:**

- ATV operators cannot have a passenger riding in or on any part of an ATV that is not designed or intended to be used by passengers. Before March, this law only applied to roadways. After market seating does not comply with the law.
- All ATVs and UTVs must now have a lighted headlamp and tail lamp during operation- regardless of time of day and location.
- No person (except emergency services personal) may operate an ATV or UTV that is equipped with any of the following:
  - 1.) A lamp that emits a color other than white or amber and that is visible from directly in front of the vehicle.
  - 2.) A lamp that emits any color of light other than red, yellow, amber or white and that is visible from directly behind the ATV or UTV.
  - 3.) A flashing, oscillating or rotating lamp that emits any color other than yellow or amber. In addition to the new laws changed in March, here are some additional safety tips while riding and operating ATV/UTV's.
- Never consume alcohol or drugs before or during ATV operation.
- Consuming alcohol or drugs is a factor in more than 40 percent of all ATV-related fatalities. • Wear your helmet! It could save your life.
- Travel at a speed appropriate for the terrain, visibility conditions, and your experience.
- ATVs are designed for off-road use.

## Heavy rains have consequences

Our heavy rains this summer has caused problems in some places. Crystal Lake, near Pickerel is very high. As can be seen in these photos, it is over the banks in low lying areas. The two cabins above will require some elbow grease when the water goes down, and in the photo below, the water is up in the yard. The brush in the lake is likely the normal shoreline, and you can bet the TV dish wasn't mounted in the lake.

## Fifty-nine cases of Covid-19 confirmed in Forest County

Forest County Public Health officials have confirmed additional persons have been diagnosed with novel coronavirus infection (COVID-19) for a total of 59 cases in Forest County. The individuals are isolating at home. No further information will be released to protect the confidentiality of the individuals. County health officials and local partners are contacting others with whom the individuals who tested positive had close contact with. As of today, Forest County has 1,536 negative test results and 16 pending. There are currently 3 active cases, 52 released from isolation, and 4 deaths.

The Forest County Health Department encourages community members to minimize their contact with others by staying home when possible, practice physical distancing and good personal hygiene, wear a mask or cloth face covering, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested.

In an effort to keep our community members up to date on COVID-19, the Forest County Health Department will continue to update our Facebook page daily and local newspapers weekly with current COVID-19 case counts. This will include the number of negative and positive cases in Forest County. Please call our office at 715-478-3371 with any questions or concerns.

## Old Time's Sake Pickerel Again

George Rock called on this old photo when published last week. He is sure that this spot is now the site of Mueller's Pine Grove Resort. It is on the southwest corner of Pickerel Lake. According to George, this spot was the only way you could get to the north end of the lake by boat, as there were no roads at the time.

- Operate an ATV on designated trails which may include public roads. Be aware of the rules while riding public roads before you head out.
- Remember, anyone who operates an ATV on public riding areas - e.g. trails, frozen waters, routes, permitted county and/or forest lands - who is at least age 12 years of age and who was born on or after Jan. 1, 1988 must have completed a safety certification course. These ATV operators must carry their safety certification card and they must display it to law enforcement officers when requested.
- Additional information and resources, Google the following:
  - A Community Official's Handbook to ATV route guideline and suggestions.
  - Tail Sign Guide
  - WI ATV association.

### Covid-19 can limit your oxygen, not so for masks

In the last week's issue of this paper's Letters to the Editor a letter contained some misinformation about face masks limiting your oxygen supply. While this is a widely circulated posting on social media it has no basis in science.

A molecule of oxygen is 0.29 nm (nanometers) diameter (6/5/2018 Material Science). One inch equals 25,400,000 nm. Both oxygen and CO2 molecules are small enough to freely pass through a mask (WHO Mythbusters). However, the size of the droplets that transport the Covid-19 (SARS COV-2) virus ranges from 20,000 to 200,000 nm in size (June 26, Particle sizes for mask filtration).

This means there is an immense size difference between the droplet carrying the virus and a molecule of oxygen. This allows the mask to inhibit the passage of the droplet carrying a virus, but not molecules of oxygen. For decades face masks have been used in medical procedures with no reports of the wearer suffering oxygen deprivations. If you are really concerned about your body suffering from a lack of oxygen your concern should not be a face mask it should be contracting the Covid-19 virus.

In the six months we have been in this pandemic the medical professionals have gained significantly more insight into how to slow the spread of this disease.

An editorial in the July 14 issue of the Journal of the American Medical Association (JAMA) reports there is increasing evidence that cloth face-covering helps prevent people who have Covid-19 from spreading the virus to others. The editorial cites actual case studies to support this recommendation. In the words of Dr. Robert Redfield CDC director "Cloth face coverings are one of the most powerful weapons we have to slow and stop the spread of the virus."

In this same period of time, researchers have found that asymptomatic and pre-asymptomatic carriers play a considerable role in spreading this disease. These people feel well and display no symptoms, but are infectious to others. Since these carriers are not readily known to others or themselves this makes the widespread use of face-covering an important means to stop the spread of the virus. As Dr. Redfield stated, "All Americans have a responsibility to protect themselves, their families, and their communities." This need to protect the well-being of other humans is a tenet of most religions and hopefully something we can still agree upon.

### Friends of the Rhinelander Library present Author Darlene Machtan 8/11

Friends of the Rhinelander District Library invite you to an outdoor author event with Darlene Machtan, presenting and reading from her latest memoir, Daddy's Long Goodbye, August 11, from 3-5 p.m. The date for inclement weather is Thursday August 13, 3-5 p.m.

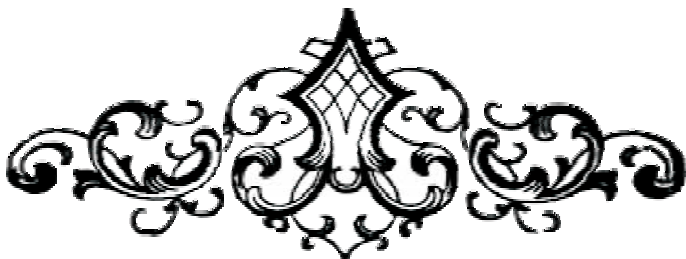

Please wear a protective face mask, bring a chair, if you like, and practice physical distancing for this special outdoor author event outside the Friends of the Library Re-Tale shop at 25 East Rives.

Daddy's Long Goodbye is an unforgettable, life-affirming reflection on the challenges of care-giving, father-daughter relationships, and facing death, Readers everywhere will know they are not alone in their struggle to both love and let go.

Daddy's Long Goodbye is a companion piece to Machtan's previous memoir Conversations With My Mother. She has also published an anthology of 3 previous books of her poetry called Timely Seasons of Desserts: A Trilogy. All 3 books are available for purchase at the Re-Tale Shop, located next to the library or from the author. See <https://mach10pub.wixsite.com/mysite> for additional information on Ms. Machtan's books.

Contact the Author: [machtdar@gmail.com](mailto:machtdar@gmail.com)

Anyone is welcome to join the RDL Friends of the Library. Rhinelander District Library Friends of the library meets every third Tuesday in the library's meeting room. To join the Friends and participate in this and other RDL FOL activities, message <https://www.facebook.com/FOLRhinelander/>

## Bonus Antlerless Deer Harvest Authorizations On Sale In August

MADISON, Wis. - The Natural Resources Board Thursday approved the final 2020 deer season structure and antlerless harvest authorization levels.

Deer hunting licenses are currently on sale for the 2020 deer seasons. One or more Farmland (Zone 2) antlerless deer harvest authorizations are included with the purchase of each deer hunting license and are available for selection through GoWild, the Wisconsin Department of Natural Resources' license system.

Review the list of units with bonus antlerless harvest authorizations available for purchase here or visit [dnr.wi.gov](http://dnr.wi.gov) and search "bonus availability." These and all other deer hunting licenses and harvest authorizations are available online through the Go Wild website or at many authorized license sales locations. DNR customer service centers, including counter sales, remain closed.

Bonus antlerless harvest authorizations are available for purchase starting Monday, Aug. 17 at 10 a.m. through GoWild. The first three days of bonus sales are management zone-specific and will be available as follows:

Aug. 17, 10 a.m. - Northern and Central Forest (Zone 1);

Aug. 18, 10 a.m. - Central Farmland (Zone 2);

Aug. 19, 10 a.m. - Southern Farmland (Zone 2); and

Aug. 20, 10 a.m. - Remaining bonus harvest authorizations (all zones).

Due to the ongoing COVID-19 public health emergency, state office buildings are closed to the public until further notice. As a result, counter service at all DNR service centers is unavailable. We strongly encourage you to purchase harvest authorizations online. DNR Customer Service Representatives are also available to assist you 7 a.m. - 10 p.m. daily by calling 1-888-936-7463.

Deer populations throughout Wisconsin are regulated based on a variable antlerless harvest quota. In its simplest form, this means that as deer numbers increase, more antlerless harvest authorizations are issued to help manage herd growth. In contrast, where populations are lower, fewer antlerless deer need to be harvested to maintain or grow the population.

Bonus antlerless harvest authorizations are available for purchase in all but three deer management units for the 2020 season. The three DMUs without bonus harvest authorizations available are Forest County and the Forest Management Zone portions of Marinette and Oconto counties.

Bonus authorization are sold at a rate of one per person per day until sold out or until the 2020 deer hunting season ends. The cost is \$12 each for Wisconsin residents, \$20 each for non-residents and \$5 each for youth ages 11 and under.

To prepare for the sale, each day at 9:45 a.m., an online queuing system will be put in place to manage volume in the GoWild system. At 10 a.m. all online users that are on the site will be randomly assigned a number and staged into a virtual queue. There is no advantage for customers who enter the site before 9:45 a.m. Please note that customers who enter the site after the randomization that occurs at 10:00 a.m. will be added to the end of the virtual queue in the order in which they arrive. All visitors to the site during this time period will be entered into the queuing system.

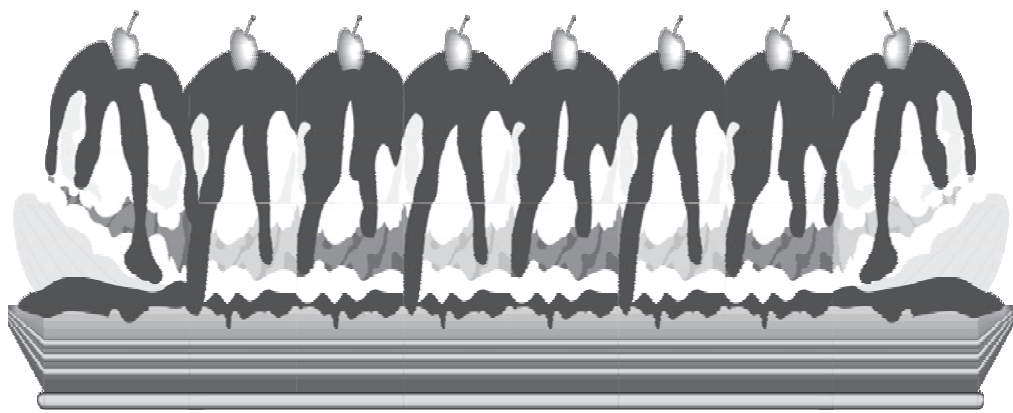

When you access GoWild, follow the prompts until you reach your personalized dashboard. To purchase a bonus antlerless harvest authorization, click the "Buy Licenses" button from the dashboard to open the sales catalog. From there, you will find Bonus Antlerless Harvest Authorization at the very top of the list. If you haven't had the chance to get your license in advance, GoWild can help you purchase one after you select the Bonus Antlerless Harvest Authorization.

Hunters will need to know the deer management zone and unit in which they intend to hunt. They will also need to determine whether they will hunt on public or private land in order to make their purchase.

As a reminder, Farmland (Zone 2) antlerless harvest authorizations are now available for distribution. A Farmland (Zone 2) antlerless harvest authorization is included with the purchase of each deer hunting license in units that offer them. Some units will offer more than one antlerless deer harvest authorization with each deer license.

Learn more about deer hunting in Wisconsin here, or visit [dnr.wi.gov](http://dnr.wi.gov) and search "deer."

Treat Yourself to great rates!

## PUBLIC NOTIFICATION OF NONDISCRIMINATION POLICY

The School District of Wabeno Area is committed to providing an equal educational opportunity for all students in the District. No person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of a person's race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, including transgender status, change of sex or gender identity, disability, age (except as authorized by law), military status or physical, mental, emotional, or learning disability or handicap as required by Sec. 118.13, Wis. Stat. This policy also prohibits discrimination as defined by Title IX of the Educational Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973 (handicap).

All career and technical education programs follow the District's policies of nondiscrimination. In addition, arrangements can be made to ensure that the lack of English language skills is not a barrier to admission or participation.

The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available.

Any questions concerning Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of sex, should be directed to: Jeffrey Walsh, District Administrator, School District of Wabeno Area, PO Box 460, Wabeno, WI 54566; Phone 715-473-2592.

Inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to: Mr. Robert Tucker, Special Education and Section 504 Coordinator, Wabeno Elementary School, PO Box 460, Wabeno, WI 54566; Phone 715-473-3633.

Inquiries related to Title VI (race, color, and national origin) and all other complaints, should be directed to: Jeffrey Walsh, District Administrator, School District of Wabeno Area, PO Box 460, Wabeno, WI 54566; Phone 715-473-2592.

118.13

118.19

118.20

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690- 7442; or (3) email: [program.intake@usda.gov](mailto:program.intake@usda.gov).

USDA is an equal opportunity provider, employer, and lender.

## SCHOOL DISTRICT OF WABENO AREA

### ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND EVALUATION PROCEDURES

Upon request, the School District of Wabeno Area is required to evaluate a child for eligibility for special education services. A request for an evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Robert Tucker, Director of Pupil Services, School District of Wabeno Area, at 715-473-2592, or by writing him at P.O. Box 460, Wabeno, WI 54566.

### NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program.

This is a state-administered program. A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined under section 115.7915 of the state statutes. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2019-2020 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <http://dpi.wi.gov/>

## SCHOOL DISTRICT OF WABENO

### ACCESS TO PUBLIC RECORDS

The Board of the School District of Wabeno Area shall allow persons to have access to school district records in accordance with this policy and implementing procedures and in accordance with the law.

The District Administrator is designated as the legal custodian of records. The legal custodian shall safely keep and preserve records of the authority and shall have full legal power to render decisions and carry out duties related to those records maintained by any school district authority. The legal custodian may deny access to records only in accordance with the law.

Public records may be inspected, copied and/or abstracted at any time during the established district office hours, which are from 8:00 A.M. to 4:00 P.M., Monday through Friday. The legal custodian may establish fees for services in accordance with the law. A list of fees is available at the district office.

### STUDENT RECORDS

Student records are maintained to assist students, parents, guardians, and the school in achieving the student's educational goals. Such records are accumulated, maintained, released, transferred, and eventually destroyed by the building principal or his/her designee in accordance with state and federal law. Only those individuals or agencies specifically authorized by state and federal law shall be granted access to a student's records.

The School District does forward records to other schools that have requested the records and in which the student seeks or intends to enroll, or is already enrolled, as long as the disclosure is for purposes related to the student's enrollment or transfer.

An adult student or the parent/guardian of a minor student may inspect the student's records in accordance with administrative policy and established procedures and may challenge the content if he/she believes the records are inaccurate or misleading. Such a complaint would be filed with the building principal. If not satisfied with the decision, an appeal avenue is available through the Family Policy and Regulations Office of the U.S. Department of Education.

### TEACHER LICENCE

Federal law requires that we share with you the qualifications of the teachers in the School District of Wabeno Area. All of the teachers in the School District of Wabeno Area have a minimum of a Bachelor's Degree and many have a Master's Degree or advanced training. All of the teachers are fully licensed for their teaching assignment. If you want to see the state qualification for your child's teacher you may ask us, or find it on the DPI website at: <https://dpi.wi.gov/tepd/icenselookup/public-search>

### PARAPROFESSIONAL QUALIFICATIONS

Federal law requires that we share the qualifications of paraprofessionals in the School District of Wabeno Area. All paraprofessionals in the School District of Wabeno Area are appropriately licensed for their assignments and have the minimum education required by federal law. In addition, many have education beyond that required by their licensing and/or state and federal law. All paraprofessionals are licensed for their assignments. If you want to see the state and federal qualifications for paraprofessionals working with your child, you may ask us for find it on the DPI website at <https://dpi.wi.gov/title-i/teacher-and-paraprofessional-qualifications>, <https://dpi.wi.gov/title-ii/paraprofessionals-hiringrequirements> and <https://elo.wieducatorlicensing.org/datamart/publicSearchMenu.do>.

**Community Coalition of Forest County receives awards**

Forest County has once again proven that it is ahead of many other Wisconsin counties in the area of substance abuse prevention.

In a virtual ceremony on July 1, 2020, Marshfield Clinic Health Systems Northwoods Coalition, a conglomerate of community coalitions dedicated to substance abuse prevention, presented four awards to The Community Coalition of Forest County (CCFC) and their members:

**Prevention Coalition of Excellence Award**

To CCFC for significant improvements to a community in the area of prevention. The CCFC has long brought passion and drive to the many prevention programs and community partnerships in which they have been involved.

**Innovative Prevention Program**

To CCFC for their participation in the Substance Abuse and Mental Health Services Administration's (SAMHSA) 2019 Prevention Week held May 12-19, 2019. The week included a Prevention Parade, a Recovery Walk, and a cookout that included speeches from local authorities. All of these events engaged community youth and both local tribes, Forest County Potawatomi and Sokaogon Chippewa.

**Outstanding Prevention Professional Award**

To Jorge Cisneros for his strong passion to make a difference in people's lives. Jorge has changed lives by sharing his own personal story about recovery and continues to promote "Good Medicine" and using cultural ways to help people heal.

Jorge works tirelessly to lead planning for prevention events, and represents the Forest County Potawatomi Tribes prevention efforts in Coalition meetings. He initiated "See Something/Say Something, Stop the Dealing, Start the Healing," and worked with the jail population to teach and advocate for resources to help people successfully transition into the community.

AmeriCorps Member of Distinction  
 To Elizabeth Mary Thornton for serving two terms as a Marshfield Clinic Health Systems AmeriCorps Recovery Corps recovery coach for the Community Coalition of Forest County. Her accomplishments include supporting many community events, being an advocate to help people make positive changes in their lives, assisting Laona School's Guidance Counselor Jason Bertrand with the implementation of the BOTVIN LifeSkills program, and helping form a transition team to address the needs of the jail population. She continues to serve in her community and has signed on for another year of service for CCFC.

Congratulations to this amazing group of individuals and community members!

See the CCFC website for a video of the virtual award ceremony. <https://www.forestcountycc.org>  
**MORE ABOUT THE COMMUNITY COALITION OF FOREST COUNTY (CCFC)**

The CCFC is a 501 (3) (c) Non-Profit Organization that was formed in 2008 for the purpose of informing and engaging all age groups and cultures in our diverse county in a collaborative effort to measurably improve the health and well-being of our residents with a focus on substance abuse and prevention. The CCFC meets the second Tuesday of each month at 1:30 p.m. Currently these meetings are virtual due to Covid-19.

**School District of Wabeno Area ANNUAL NOTICE - HOMELESS CHILDREN**

The McKinney-Vento Act defines children and youth who are homeless (twenty-one years of age and younger) as:

- \* Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:
  - sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as double-up);
  - living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
  - living emergency or transitional shelters;
  - abandoned in hospitals;
  - awaiting foster care placement;
- \* Children and youth who have a primary nighttime residence that is a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.
  - \* Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
  - \* Migratory children who qualify as homeless because they are living in circumstances described above.

If you are personally aware of or are acquainted with any children who may qualify according to the above criteria, the School District of Wabeno Area provides the following assurances to parents of homeless children:

- \* Local school district staff member (liaison) to assist homeless children/families:
  - Tim Brauer, Homeless Liaison, (715) 473-2592 ext. 4503 or [tbrauer@Wabeno.k12.wi.us](mailto:tbrauer@Wabeno.k12.wi.us)
- \* There shall be immediate enrollment and school participation, even if educational and medical records and proof of residency are not available.
- \* All educational opportunities and related opportunities for homeless students (preschool to age 21), including unaccompanied youth, shall be the same as for the general student population.
- \* Enrollment and transportation rights, including transportation to the school of origin. "School of origin" is defined as the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.
- \* Written explanation of a child or youth's school placement, other than school of origin or the school requested by the parent, with the right to appeal within the local dispute resolution process.
- \* Meaningful opportunities for parents to participate in the education of their children. These shall include: special notices of events, parent-teacher conferences, newsletters, and access to student records. Please contact Tim Brauer, homeless liaison for the School District of Wabeno Area, for additional information about homeless issues. Tim Brauer can be reached at (715) 473-2592 ext. 4504 or [tbrauer@Wabeno.k12.wi.us](mailto:tbrauer@Wabeno.k12.wi.us)

**State Patrol August Law of the Month focuses on speeding**

Excessive speed is a common factor behind many traffic-related crashes, injuries and deaths in Wisconsin. In 2019, there were 21,813 speed-related crashes in Wisconsin that resulted in 8,398 injuries and 163 deaths. The State Patrol Law of the Month for August highlights Wisconsin speed-related laws (346.57) and reminds drivers that speeding can result in a fine and higher insurance rates – or worse yet – can cost you or someone else their life.

"Drivers who disregard speed laws and limits endanger everyone along our roadways," said Wisconsin State Patrol Captain Travis Wanless with the State Patrol's North Central Region Post in Wausau. "Our message to drivers is simple – buckle up, phones down, slow down. We want everyone to reach their destinations safely."

Last year in Wisconsin, there were 156,242 traffic convictions for speed-related violations. Important things for drivers to keep in mind:

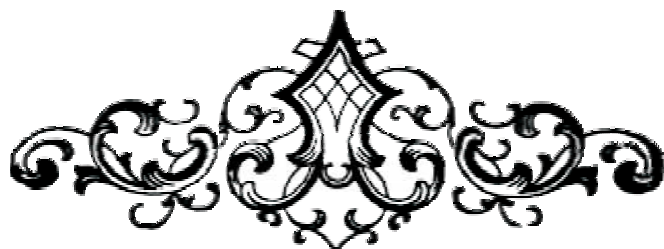

Posted speed limits apply when travel conditions are ideal. State law requires drivers to adjust their speed to what is "reasonable and prudent" based on specific driving conditions including weather and traffic volumes;

Traveling at an excessive speed greatly increases the chance of a driver losing control of their vehicle. Speeders also have less time to react should traffic ahead slow down or stop. Along with watching their speed, drivers should always scan the road ahead carefully for potential hazards, traffic incidents or stopped emergency vehicles.

"Virtually every day, we see the tragic outcomes associated with excessive speed," Captain Wanless said. "What's most tragic is such incidents are totally preventable."

**VA Emergency Room Notifications (UPDATE)**

The VA has gone to a national number for Emergency room notifications. Hospitals have been given this number and are asked to call on behalf of the Veteran, however the VA still encourages Veterans to call within 72 Hours after E.R. visit to make sure they are covered. That number is 1-844-724-7842.
