## Three murals added to the Forest County Humane Society store

The Forest County Humane Society Resale Shop has been given a nicer look with the addition of three murals painted by Charles Steiner after answering an ad in this paper for an artist.

Steiner has an impressive set of artistic credentials that includes a faculty position with the University of Arkansas, Director of the Wichita Art Museum, and a Rockefeller Foundation Fellowship.

The paint was donated by Luke Brendemuhl and the Sherwin Williams paint store in Rhinelander, and the donation was much appreciated, as was the artistry of Mr. Steiner.

## Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

Boaters in Wisconsin have long had to cut back on speed near docks, rafts, piers and restricted areas. Did you also know that the slow, no-wake rule also applies to the full lake shoreline on all lakes in the state?

The law prohibits boaters from operating their boats faster than slow, no-wake anywhere within 100 feet of shore.

Slow, no-wake means operating a boat at low speed but still able to maintain steering of the craft.

Lake areas of flowages, which are wide parts of rivers such as Lake Wisconsin, also are covered under the new rule.

The law makes it safer for people wading, swimming or fishing near shore and it should help reduce conflicts between near-shore recreationists and boaters.

The rule will also aid in erosion control, since boats operating in shallow waters near shore can churn sediments and chop vegetation, possibly spreading invasive species such as the Eurasian water milfoil.

With the high water we've been experiencing on all of our area lakes, it's especially important that boaters follow the No Wake law. Several area lakes have temporarily posted their lakes as No Wake lakes. If your lake is experiencing problems with wave erosion, you may want your lake association to consider temporarily classifying your smaller lake as a No Wake Zone Lake.

Another alternative is to mark areas that are prone to erosion with NO WAKE ZONE buoys and floats. If you are experiencing these problems, contact the Forest County Sheriff's Department's Recreation Officer or the DNR.

## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

**Kirk Bangstad**  
**Candidate**  
**for the 34th**

## Crandon International Raceway to wave green flag for 2020 events

In a summer filled with unusual times and a constantly changing environment, Midwest racing fans will find solace in the news that two of their favorite events are becoming a welcome reality.

Wisconsin's famed Crandon International Raceway today announced that both of its upcoming September off-road racing events will take place as scheduled. The state has already seen a host of race facilities open their doors to live audiences, including several large IndyCar and IMSA events at Wisconsin's famed Road America.

## Lewis style Trap Shoot at Padus Gun Club

Grab your gun and have some fun! There is a 50 Bird Lewis Trap Shoot at the Padus Nicolet Gun Club this weekend, August 15th. The shoot starts at 9 a.m. and runs until 2 p.m. Sign up when you get there.

The Padus gun club is located on Padus Road about halfway between Laona and Wabeno. It is time to sharpen your shootin' eye for the upcoming hunting season!

## Sixty cases of Covid-19 confirmed in Forest County

Forest County Public Health officials have confirmed an additional person has been diagnosed with novel coronavirus infection (COVID-19) for a total of 60 cases in Forest County. The individual is isolating at home. No further information will be released to protect the confidentiality of the individual. County health officials and local partners are contacting others with whom the individual who tested positive had close contact with. As of today, Forest County has 1,630 negative test results and 7 pending. There are currently 4 active cases, 52 released from isolation, and 4 deaths.

The Forest County Health Department encourages community members to minimize their contact with others by staying home when possible, practice physical distancing and good personal hygiene, wear a mask or cloth face covering, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested.

In an effort to keep our community members up to date on COVID-19, the Forest County Health Department will continue to update our Facebook page daily and local newspapers weekly with current COVID-19 case counts. This will include the number of negative and positive cases in Forest County. Please call our office at 715-478-3371 with any questions or concerns.

## Crandon School Board discuss reopening this fall

The Crandon School Board met for their regularly monthly meeting on Monday, August 10 in the high school auditorium.

There were two citizen comments. One comment was about the reopening of the school and bussing. The other comment was about Crandon not wanting to play sports in the fall. Superintendent Larry Palubicki stated that it was a rumor and that the Crandon School District is working with the WIAA and local health officials on the matter.

Kadie VanCleve resigned her position on the school board. There were second reads of handbooks,

Continued on page 16

## Laona back-to-school plan, in school or virtual

The School District of Laona plans to return to school five days per week this fall, starting on Tuesday, September 1. The school board approved our Return to School Plan at last night's meeting, with exception to the face covering expectations we originally had in place. The Governor's Order supersedes the expectations of our Back to School Plan at this time, so we will follow those expectations until the Order is lifted.

For students who will not be attending school face-to-face in the fall, we will provide synchronous and asynchronous lessons via our Google Classroom platform. This will not be a true virtual school format, because our students will be able to connect from home each period of the day. They will receive the same instruction as those attending face-to-face, and be able to interact via Google Meet. Our staff will record their face-to-face lessons each hour, so students who need to connect from home can log on at that time. If a student can not connect during the class period, the lesson will be stored in Google Classroom. This will allow the students to access the lesson at a later time. Attendance will be taken each day for students who are working from home.

Our plan is to return to school better than normal, for our students who will be attending face-to-face and virtually. It is our goal to return to school as safely as possible, keeping the safety of our students and staff at the forefront. We will continue to ensure that each student receives the best possible education during this uncertain time, allowing them to prepare for their future.

## Pickereel Fire Department receives WPS Foundation grant

Left to right with accountability and incident management boards are: EMT/FF/Assistant EMS Service Director Dave St. John; AEMT/President Cathy St. John; and Fire Chief Ted Jacobsen.

Pickereel Volunteer Fire and Rescue received a 2019 grant from the Wisconsin Public Service Foundation for the purchase of an accountability system for tracking of personnel for both Fire Department and Rescue Squad on incidents as well as incident management for large incidents from fires to search and rescue to mass casualty incidents. The grant money was awarded to help bring the department into alignment with the same system being adopted statewide through the Mutual Aid Box Alarm System, also known as MABAS.

Langlade County departments adopted a similar system back in the 2000s however some changes and a more robust system was needed as evidenced by large incidents such as the July 2019 storms. The system when used increases the safety of our volunteers as well as the efficiency in tracking personnel, resources, and patients in large incidents.

This is the third time Pickereel has been awarded this grant from the Wisconsin Public Service Foundation, the first time in 2014 ago helped fund a major portion of the purchase of a thermal imaging camera and the second time in 2016 funded part of the purchase of new helmets and flashlights.

Pickereel Volunteer Fire and Rescue would like to extend its gratitude to the Wisconsin Public Service Foundation, its own personnel who assisted in finding and obtaining the grant, Ainsworth and Nashville townships, and most of all to the community which supports the department. This continued support and generosity allows the department as a whole to continue to improve and helps us as a department help you as a community.

We are available online at: [pioneerexpresscrandon.com](http://pioneerexpresscrandon.com)

The Nicolet AARP group held their summer picnic at the Bill Lazanski Community Center in Mountain. Members enjoyed a picnic pot-luck and meeting with old friends. Attendance was down somewhat due to concerns for the coronavirus pandemic by several members.

A board meeting followed the event and it was decided that the August meeting will continue to be held at the Bill Lazanski Community Center with speaker at that meeting to be Lisa DeViley representing Stay at Home Care. Due to the coronavirus pandemic the September Social and the Nu-Roc dinner have been cancelled.

All persons 50 and over are invited to join the local AARP Chapter (when meetings are resumed). AARP meetings are social, entertaining, and informative. Meetings are held at the Lakewood Presbyterian Church on the fourth Tuesday of the month starting at 7:00 PM. Contact Joyce West, Membership Chairman, at 715-850-0336.

**Rosemary H. Methfessel, 79**, of Rhinelander, WI passed away Monday, August 10, 2020 at her home surrounded by loved ones. Rosemary was born January 13, 1941 in Milwaukee the daughter of Benjamin and Isabel (Chappa) Smith. She was united in marriage on May 8, 1962 to Charles Methfessel in Waukegan, IL. and he preceded her in death May 25, 2004.

Surviving are her daughters, Carol (Jose) Gomez, Rhinelander; Paulette Martinez, Argonne; sons, Michael Smith, Milwaukee; John Methfessel, Missouri; Timothy (Margaretta) Methfessel, Rhinelander; 14 grandchildren, Ben, Dawn, Lana, Mark, Alexis, Isabel, Eleazar, Maria, Silvia, Josh, Sabastian, Joey, Christina, and Cassandra; brother, Clarence Smith, Milwaukee.

She was preceded in death by her parents, Benjamin and Isabel Smith, husband of 42 years, Charles Methfessel; brothers, Lenny, Archie, Richie, Eddie; and grandchild Bobby.

Visitation will be held from 1:00 p.m. to 3:00 p.m. on Tuesday, August 18, 2020 at Weber-Hill Funeral Home, Crandon. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**Candidate Spotlight Cont. from pg. 1**

My name is Kirk Bangstad and I'm running for State Assembly District 34 as a Democrat. I currently own the Minocqua Brewing Company, a large brewpub in Minocqua. I grew up in Portage County and worked my way through Stevens Point Area High School, waiting tables and mowing lawns before earning a scholarship to attend Harvard University. After graduation, I landed a job in the Silicon Valley of California, and worked primarily as a strategist for technology companies – both with early stage start-ups and corporate leaders like Microsoft, Oracle, Google, and Cisco.

Growing up in a family of musicians – my mother was a voice teacher and my father a choir director – I have had a life-long passion for singing. A second career in music took me from California to Chicago to New York, while I worked with technology companies by day and sang by night. I also pursued graduate studies in voice at Northwestern and sang on stage from New York to Japan and places in between.

After my late wife Elizabeth was diagnosed with cancer, I left New York City and moved to Minocqua thinking that a slower lifestyle in God's country would be a healthy way for Elizabeth to flourish in spite of her illness. Along the way, I purchased the Minocqua Brewing Company, learning the business of brewing and restaurant ownership. I dove into the community, ultimately becoming the president of the Minocqua Island Business Association, where I work with local business and community organizations to bring more tourism to this beautiful Northwoods town.

I decided to run for office after observing how the state legislature responded – and failed to respond – to the coronavirus pandemic. We needed representatives that listened to health experts and supported a careful, statewide process of re-opening. I also am deeply committed to democracy, which has been undermined in Wisconsin. We should prevent partisan gerrymandering that allows a political party to rig elections in their favor. We should make every effort to allow our citizens to vote by mail so they don't have to risk their lives with in-person voting. We should overturn Wisconsin's notorious voter ID laws that are aimed to suppress the vote and make it difficult to vote by mail.

We also need to accept BadgerCare expansion. The state legislature has already left \$1 billion in federal funding that would have helped Wisconsinites and we miss out on over \$200 million each year. We need to protect our natural resources for our tourist economy and quality of life. That includes opposing toxic mining. Wisconsin needs to invest in its children and its future by reversing years of budget cuts to public education and childcare. To pay for that we need tax reform so our public funding is designed to benefit the people of Wisconsin, not the super-wealthy.

To follow my campaign, please go to my website, [www.bangstadforwisconsin.com](http://www.bangstadforwisconsin.com), or follow me on Facebook.

**Letters to the Editor**

*We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.*

To the Editor:

In a Special Election on May 12, we sent Tom Tiffany to Washington to represent our Northwoods communities. Maybe he's not the right person for the job. He voted against the Great American Outdoors Act. This Act includes full and permanent funding of the Land and Water Conservation Fund from offshore oil and gas revenues. Many Wisconsin lands and waters are protected by the LWCF most important for our communities is the Chequamegon-Nicolet National Forest. The Act also included \$1.9 billion annually for the next 5 years to compensate for deferred maintenance on lands managed by the National Park Service, U.S. Forest Service, U.S. Fish and Wildlife Service, Bureau of Land Management and Bureau of Indian Education. Anyone who has used our local public lands in the last few years is well aware that there has been a serious lack of money for maintenance, leading to closures of popular trails and camping areas. The Great American Outdoors Act will preserve our Northwoods natural legacy, and will also boost the local economy and preserve recreation and tourism. Perhaps it was the economic shot in the arm that convinced President Trump not known as a conservationist to sign it. 41% of House Republicans voted for it. But not Tom Tiffany. He decided to vote against the best interests of his Northwoods constituents. Maybe it's time to rethink this November who will truly represent us in Washington. One of our senators, Ron Johnson, also voted against the Great American Outdoors Act, while our other senator, Tammy Baldwin, voted for it. Our rural areas want and need their share of federal revenue, but Tiffany and Johnson seem determined to make sure we don't get any. Their "anti-government" stance was painfully misplaced here, and could have cost our communities much needed revenue.

Clair Carty  
Blackwell (Forest County)

**THANK YOU! THANK YOU! THANK YOU!**  
 I would like to send out a huge thank you to all of you who made and brought food for Jack Jensen's celebration of life. A special appreciation to the Crandon Lions Club for their help and support.  
 Thanks to the Wendt boys for furnishing all of our ice. It meant a lot!  
 Special thanks to Sally and Coleen for serving food in the pavilion  
 Thank you Pack-Em-Inn for letting us borrow whatever we needed, and are always there for me.  
 Sincerely,  
 Mary Jensen

.  
Lenora Mattern, District Clerk

**SCHOOL DISTRICT OF LAONA  
SPECIAL EDUCATION SCREENING & REFERRAL PROCEDURES**

**Any person aware of a child between the ages of birth and 21 who may be experiencing physical, mental, emotional or learning problems may contact the Special Education teachers at the School District of Laona, 5216 Forest Avenue, Suite A, Laona, WI 54541, phone (715) 674-2143 to initiate screening services that will determine if a referral for special education is appropriate.**

**Referral Procedure**  
The school district shall solicit and receive referrals of students with suspected educational needs from all persons who have responsible cause to believe that such needs exist. Specific state criteria shall be adhered to in determining eligibility for specific handicapping conditions. Referrals of suspected children with disability shall be referred to either of the people listed above.

**IEP - Team Evaluation**  
Whenever a child is referred who is suspected of having an exceptional educational need, the school district shall establish an IEP Team. An appointment of this team shall be the responsibility of the Program Support Teacher. The Program Support Teacher shall approve the evaluation process and may request additional information.

**Procedural safeguards for evaluation including the following:**  
The notice of intent to evaluate shall be sent to the parents that will include:  
A full explanation of the due process/procedural safeguards;  
A description of the evaluation proposed, an explanation of why the evaluation is proposed, any options that were considered, and the reasons why those options were rejected;  
A description of each evaluation procedure used as a basis for the evaluation;  
The type of professionals conducting the evaluation;  
A description of any other relevant factors.  
Written parental consent shall be obtained when a child is being evaluated for the first time within the district. This consent form shall include:  
A statement documenting that the parent understands the content of the notice;  
Information on the general areas to be evaluated;  
Information on the general types of procedures to be used.

**FOREST COUNTY DISTRICT'S  
#7, #13, #19, AND #21 COUNTY  
BOARD SUPERVISOR VACANCIES**

**Forest County is looking to fill vacant supervisory positions in district's #7 (Wabeno, Ward 4), #13 (Nashville, Ward 2), #19 (City of Crandon, Ward 2), and #21 (City of Crandon, Ward 4). If interested a map of each district is available for viewing at the County Clerk's office.**

**Qualified electors wishing to fill a vacancy in their specific district, are asked to please submit a letter of interest to the Forest County Chairwoman: Cindy Gretzinger at 200 E. Madison Street, Crandon, Wisconsin, by September 1, 2020. These vacancies will be appointed to fill the remainder of the term which will expire on April 19, 2022.**

By mail or person at  
Ron Cole  
5161 Cole Road  
Crandon, WI 54520

### Crandon Raceway Cont. from pg. 1

Crandon International will be releasing a final 2020 COVID-19 operational plan to local law enforcement and health officials later this week, as well as sharing the comprehensive plans with fans, racers and corporate partners on its new website. Series officials in the Champ Off-Road and Ultra4 series will also be working closely with Crandon officials to ensure a solid safety plan is in place to execute all phases of the race weekends in an integrated manner.

"Frankly, it's an understatement to say that 2020 is difficult year to be an event promotor in today's constantly shifting environment," added Crandon International's Marty Fiolka. "However, it's the enthusiasm of our racers, fans and corporate partners that fuels our efforts and passion. Success in off-road racing is always about being persistent and never, ever giving up. The management at Crandon International shares that philosophy, and we have a solid plan to make our races a reality."

Crandon's forthcoming COVID-19 event plan includes numerous safety procedures and facility upgrades for fans and campers, along with comprehensive operational plans for racers and officials provided by the Champ Off-Road and Ultra4 series. The Crandon staff we especially appreciate Forest County Sheriff John Dennee and Health Director Jacee Shepard for their efforts in helping moving forward.

Crandon International race fans and team will retain all of their original 2020 World Championship and Brush Run event camping, pitting admission and grandstand reservations. There is no refund policy, but reservation holders can transfer their admittance and Camp Crandon tickets to other fans if desired. Those seeking help or assistance can contact the Crandon office directly via email at [trackoffice@crandonoffroad.com](mailto:trackoffice@crandonoffroad.com)

On Labor Day weekend (September 3rd - 6th) Crandon will celebrate its hosting of the 51st Crandon World Championship Off-Road Races. Last year, a record-shattering crowd packed the "Big House" for history's largest short-course off-road event. In addition, unlimited 4-wheel drive Ultra4 class cars will take part in two special races, with one taking place Saturday night, September 5th as the day's finale. The world's best Pro short-course racers will compete the next day for a Crandon World Championship title and a huge cash and prize purse on off-road racing's biggest competition -- the fifth annual Crandon World Cup.

Admission ticket, camping and grandstand reservations are still available for either or both 2020 races by visiting [www.crandonoffroad.com](http://www.crandonoffroad.com).

## Tribal Members of the Sokaogon Chippewa Community

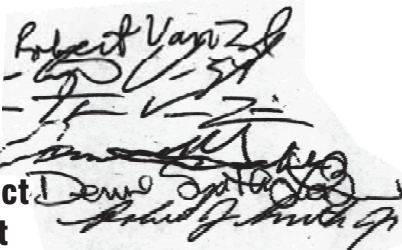

Our community needs to make a change with this upcoming election. The tribal community seems to be stuck in a rut. There has been no significant progress in making Mole Lake a better, self-sustaining community. Our tribe has faced serious challenges, such as budget deficits, financial mismanagement, an administration that gave up responsibility, lack of accountability, and tribal infrastructure being ignored. On top of that, the current council, we elected, chose to operate behind closed doors while neglecting to get any community input.

As tribal members we have the ability to voice our opinions in the coming election by voting for a change in the current council. We need a council that makes decisions after receiving the tribal members' opinions and input. We cannot keep allowing the council members to only help their families, their friends, and themselves. Making the tribe flourish is the ultimate goal. Even if you do not vote for us, we hope you vote for change. If the past few years have taught us anything, it is that current elected council looks out for "themselves."

**USE YOUR VOTE, MAKE A CHANGE!  
WE CANNOT AFFORD TO GO BACKWARDS.**

**Thank You,**

Robert A. VanZile, Jr.-Chairman Elect  
August Vanzile-Vice-Chairman Elect  
Thomas L. VanZile-Treasurer Elect  
Denise Labine-Smith-Councilman 1 Elect  
Robert J. Smith, Jr.-Councilman 2 Elect

**WE WILL BE HAVING A MEET & GREET AT  
ROBERT J. SMITH, JR.'S HOUSE SUNDAY  
AUGUST 16th AT 3:00 P.M.**

**Primary Oct. 5th and General Election Nov. 3rd**

## Due to COVID 19

We will only have bus transportation on Tuesdays and Thursdays. The bus is only transporting within Forest County. Thank You and sorry of any inconvenience.

### Help track Wisconsin's deer population by reporting deer sightings

MADISON, Wis. - The Wisconsin Department of Natural Resources is asking the public to participate in Operation Deer Watch, an annual citizen-science survey that collects information on Wisconsin's white-tailed deer and gives residents an engaging opportunity to assist with deer herd management efforts.

Participants can report their deer sightings through an easy-to-use online form. The data collected provide insights into the reproductive status of Wisconsin's deer herd and help shape deer management for the state. Now through Sept. 30, participants are asked to record all bucks, does and fawns seen during the day.

A printable tally sheet is available to help citizen-scientists record sightings and enter their results online at a later time. For safety, participants should not record sightings while driving a vehicle. Instead, wait until the vehicle is stopped to take note of your sightings.

Any deer sightings can be counted, whether you spot deer while in the woods, on a drive or while out for an evening walk.

"This is a fun and useful opportunity for everyone to enjoy Wisconsin's plentiful wildlife while participating in citizen science," said Brian Dhuey, DNR wildlife population and harvest assessment specialist. "The DNR encourages anyone interested in deer to take part."

Data from the survey is also used by County Deer Advisory Councils to develop deer season framework, harvest quotas and permit level recommendations.

NLC sports update was that there would be a 7 game football season and a volleyball season this fall. There will be no playoffs for football as the season is going to be starting later than normal. There is a meeting this Friday about the fall sports so this information might change. It is week to week situation with fall sports.  
The reopening update was that masks will be required as it is mandated by the Governor of Wisconsin. When the mandate expires, masks will be strongly encouraged, but not required. Virtual learning is being set up and students can register online. The district asks that all students going virtual be signed up by August 21.

Just picked up my social distance support animal.
