Rebels beat Elkart Lake/Glenbeulah 16 to 0 in the MONLPC West 8-Player Football Conference in the playoffs! Regional Champs!

The cold and snow didn't stop the the Laona/Wabeno Rebels from playing with heart and soul on Friday night! After a 66-yard run by Seth Lempel the Rebels took the lead and went into half-time ahead 8 to 0. In the second half, Quarterback Clayton Janesch threw a beautiful pass to his brother, Carter Janesch to help the Rebels take the lead 16 to 0.

The defense proved why they are number 1 in the State by holding the Resorters to zero points. The Rebels finished their season as the Regional Champions of their state playoffs!

If they would have continued the Sectional game would have been next and then the final state playoff game, but with the Covid issue and the late start - this is what they did.

Forest County Chamber of Commerce HELPS WISCONSIN BUNDLE UP

Local organization serves as collection site for Wisconsin Department of Tourism's annual charity drive

Forest County Chamber of Commerce is inviting residents to drop off new or gently used coats, sweaters, hats, mittens and other warm clothing items as part of the Wisconsin Department of Tourism's Big Bundle Up campaign. The Big Bundle Up is a statewide collection program running Nov. 5 Jan. 5, 2021.

This is the tenth year of the Big Bundle Up. To date, the program has collected over 185,000 warm winter items to help families in need.

Donating warm winter items is the perfect way to give to Wisconsin families in need as the holiday giving season approaches. A box will be located at 116 S. Lake Ave. Crandon, WI for donors to drop off warm clothing items. All items donated at this location will be given to a local charity. For more information about why Forest County Chamber of Commerce is participating in the Big Bundle Up, please contact insert contact.

WHO: Forest County Chamber of Commerce

WHAT: Collecting coats, sweaters, hats, mittens and other warm clothing items to donate to local charities this winter season.

WHEN: Nov. 5 Jan. 5, 2021, insert hours

WHERE: 116 S. Lake Ave, Crandon, WI 54520

658 cases of Covid-19 (80 Active) confirmed in Forest County

Forest County Public Health officials have confirmed additional persons have been diagnosed with novel coronavirus infection (COVID-19) for a total of 658 cases in Forest County. County health officials and local partners are contacting others with whom the individuals who tested positive had close contact with. As of today, Forest County has 3,302 negative test results. There are currently 80 active cases in isolation, 560 released from isolation, 5 hospitalized, and 13 deaths.

The Forest County Health Department encourages community members to minimize their contact with others by staying home when possible, practice physical distancing and good personal hygiene, wear a mask or cloth face covering, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested.

In an effort to keep our community members up to date on COVID-19, the Forest County Health Department will continue to update our Facebook page daily and local newspapers weekly with current COVID-19 case counts. This will include the number of negative and positive cases in Forest County. Please call our office at 715-478-3371 with any questions or concerns.

Covid-19 testing at the Doty Town Hall on Nov. 24

There will be free Covid-19 testing again in the Town of Doty at the Town Hall on County T. The testing will be held on November 24 from 10 a.m. until 6 p.m. Testing will be held again on December 8th as well at the same times.

Anyone age 5 or older with symptoms or who has been exposed to someone with Covid can get tested. See the ad inside for more details.

Why can't they wear a mask?

We had a call from one of the people who makes a living working at one of our local retail stores. She is upset that so many people come in shopping and don't have the courtesy to use a mask. As she put it, "I'm here eight hours a day. I wear a mask because I don't want to give Covid to someone else, and I don't want to catch it either." She is hoping people will wear masks even if they are sure that a filter over their mouth doesn't work! If it cuts the chance of getting Covid, then please wear a mask! We agree.

Crandon International Raceway purchased by Jamey Flannery

Todd and Sarah Palin (top left) enjoyed a special weekend at Crandon's 50th Anniversary event in 2019, joined by Jamey Flannery and Crandon International President Cliff Flannery. Jamey helped celebrate history at that same event by providing key resources needed to host the first ever Crandon Rocks concert featuring a stadium level show by Kid Rock.

Engaging a bold strategy designed to ensure its continued legacy of success, Crandon International Raceway management today announced that the historic facility and all its assets have been purchased by successful business owner and Crandon native Jamey Flannery. One of the most iconic motorsports venues in the world, the 400-plus acre track located in the picturesque Northwoods of Wisconsin has hosted the largest off-road races in the sport since opening in 1984.

Details of the historic purchase have been finalized and will take full effect on Friday, January 1, 2021. The new agreement will also operate the track as a business venture, replacing the current non-profit club structure in operation since the Crandon races began in 1970. Flannery is the owner of several highly successful businesses including Flannery Contracting, Flannery Trucking, Jamey Flannery Trucking and soon Flannery Recycling. Jamey is also a champion at Crandon, taking the prestigious 1998 Crandon Governor's Cup in four-wheel drive Chevy truck.

Hunters reminded of Covid-19 safety

MADISON, Wis. – With deer season underway, the Wisconsin Department of Natural Resources (DNR) is urging hunters to keep COVID-19 safety measures in mind and use the online reporting system to report their deer.

"Hunting is a long-established tradition in Wisconsin. However, with the pandemic, it is up to each of us to keep our communities healthy and safe this deer season," said DNR Secretary Preston D. Cole. "As hunters new and old make their way into the woods this season, it is important they follow all of the Wisconsin Department of Health Services COVID-19 safety precautions including wearing a mask, keeping six feet of distance from others and avoiding crowds."

Anyone who has ever experienced Wisconsin's famed gun deer season knows it's a tradition bigger than any buck. As Wisconsin continues to see record-setting numbers of positive cases of COVID-19, health and safety is paramount.

On Nov. 10, Gov. Tony Evers issued Executive Order #94 outlining new measures to help stop the spread of COVID-19. This order advises Wisconsinites to stay home, use extra precautions if they must leave their home and adopt good public health practices. Businesses are also encouraged to take further steps to protect workers, customers and the surrounding community.

Micro Loans available through the Forest County Economic Development Partnership

Small businesses throughout Forest County looking to make improvements may wish to consider a micro loan available through the Forest County Economic Development Partnership. FCEDP offers this loan program as a very streamlined approach to access funds for capital improvements and expanding one's business. The process is less restrictive than traditional lending offering a low interest rate; making funds available in a relatively brief time period once application is made.

With the micro loan program, up to \$10,000 is available with a repayment period of up to 36 months. Several area small businesses have taken advantage of the program over the past three years. An application is available through Forest County Economic Development Partnership at 116 S. Lake Ave. in Crandon. The office is located in the Forest County Chamber office. Contact Mark Ferris, Executive Director with any questions and to fill out an application. Ferris can be reached at 920.858.3193 or by email at: director@forestcountywibusiness.com. Scheduling arrangements are very flexible for other appointment times.

MADISON, Wis. – Calling all Wisconsin fourth, fifth and six graders: It's time to get out your paint and colored pencils for the third annual poster contest to help the Wisconsin Department of Natural Resources (DNR) spread the word to Keep Wildlife Wild.

The goal of the contest is to create a poster that teaches the importance of enjoying and observing wildlife in the wild and not keeping wildlife in homes or as pets.

"The young artists never disappoint," said Amanda Kamps, DNR wildlife health conservation specialist and head of the Keep Wildlife Wild initiative. "The artwork and creativity we saw in the first two years of the poster contest impressed all the judges. It's inspiring to know these future leaders understand the importance of keeping our wildlife wild."

Each entry must be prepared according to the poster contest's rules. Please read the requirements carefully as excellent submissions have been disqualified in the past because of missed requirements.

POSTER CONTEST RULES:
The poster entry must contain the words: "Keep Wildlife Wild 2021" and follow the theme of the Keep Wildlife Wild tagline: "A young wild animal's best chance for survival is with its mother!"

All posters must consist of original artwork of Wisconsin native wildlife.

Posters must fit an 8 1/2" x 11" sheet of paper. Posters must be submitted individually; no team creations.

New this year: all posters must be submitted electronically.

SUBMISSION DEADLINE:
Participants may begin submitting electronically on Nov. 13, 2020.

To be considered, submissions must be received by Feb. 12, 2021.

There is no grace period.

THE WINNERS:
First, second and third-place finalists will be selected for each grade level.

Finalists will be announced during the fourth-annual Keep Wildlife Wild week in April 2021.

DMV gives new extension for drivers over age 60

Online prep speeds driver license renewal process,
reduces time in DMV

The Wisconsin Department of Transportation's Division of Motor Vehicles (DMV) recognizes the elevated health risk to drivers over age 60 during this pandemic and has granted them an extension until January 21, 2021 to visit a DMV to renew their driver license with no late fee.

While drivers over age 65 are required to renew in person, a DMV visit need not take long. DMV offers these tips to reduce the time it takes to renew a driver license:

- Use the Driver License Guide to fill in the form and submit it electronically
- Make an appointment through the Driver License Guide
- Tell your concerns to the DMV Customer Service Representative when you check in

"For those not qualified to renew their driver license online, we've developed robust online tools to help reduce the amount of time of their visit," DMV Administrator Kristina Boardman said. "We're continually gauging the health risks of vulnerable populations and challenging our staff to find new ways to safely and efficiently serve customers."

Here are other steps DMV has taken to protect the health of customers and employees:

- Made the decision to restrict all in-person transactions.
- DMV Customer Service Centers are open only for the issuance of Wisconsin driver licenses and identification cards.
- Allow qualified drivers ages 18 to 64 to renew their license online (wisconsin.dmv.gov/renewDL)
- Allow parents to verify teen eligibility and complete a road test waiver so fewer people in DMVs
- Limit the number of customers within the DMV
- Allow space in the lobby for social distancing
- Require staff to wear protective gear and installed protective plastic barriers
- Sanitize facilities regularly

Drivers who no longer want to use their driving privilege but want identification can easily exchange their license for an ID online and a new ID card will be mailed. Details and other resources for aging drivers are available at wisconsin.dmv.gov/olderdrivers.

By limiting the number of people within DMVs, providing electronic submission of paperwork and appointments, and extending the deadline, Wisconsin DMV has taken measures to safely manage customers' needs through this health crisis.

Mary is also survived by many extended family members and friends who she has touched over the years in their own individual ways, and who have enriched her life with love.

She was preceded in death by her parents Norbert and Edna Vanderhyden, sisters Phyllis and Jean, foster sister Alice, brother-in-law Eugene Piontek, son-in-law David Seager and grandson (Little) David Seager.

She was a longtime member of St Ambrose Catholic Parish Wabeno Wisconsin and a fixture in the Wabeno Community cooking for many special occasions, wedding and funeral dinners over the years. Mary maintained a very long daily prayer list for many people, and watched or attended mass daily if she was at all able. She was a person of service and mercy to many people in their time of need. For many years, Mary provided in home nursing assistance to people in Wabeno. Mary loved family gatherings especially the holidays when she was able to have everyone home to cook for.

The family wishes to recognize the staff of Aspirus Langlade Hospital, Antigo for making her passing as peaceful as she wished, their compassion was extraordinary in these very difficult times.

Memorial services will be held at a later date. Online condolences may be left for the family at www.weberhillfuneralhome.com

Stanley Fishler, age 79, of Crandon, passed away at his home, surrounded by his family on Saturday, November 14, 2020. Stanley was born April 24, 1941 in Grant County, Wisconsin the son of Peter and Mary (Johll) Fishler.

On July 2, 1966 in Crandon, he married his bride, Grace Anne Walentowski.

He is survived by his wife of 54 years, Grace Fishler of Crandon; son, Michael (Maria) Fishler of Green Bay; son-in-law, Joseph

Summerville of Oshkosh; grandchildren, Steven and Elizabeth (Cody Sulewski) of Green bay; Kyle, Mackenzie (Matthew Ludwig), and Tyler of Oshkosh; sisters, Joann Bruckner, Wauzeka, WI; Patricia Rogers, Sugar Grove, IL; Barbara Kessler, Kenosha, WI; Deb Johnson, Gays Mills, WI; brothers, John (Camilla) Fishler, Platteville, WI; Ronald Fishler, Edgewood, Iowa; David (Debbie) Fishler, Prairie Du Chien, WI and many special nieces and nephews.

Stan served 6 years in the National Guard then worked at American Motors for 7 years while attending Gateway Technical school earning a degree in hydraulics. He used his hard-earned degree while working at Oil Gear Company in Milwaukee for 4 years. He moved back to Crandon in 1971 and was a self-employed logger for 25 years. During that time, he attended Nicolet Technical College earning a degree in Machine Tooling. He also worked at Conway True Value for 10 years. After retirement he loved spending time working on projects in his machine shop. He enjoyed spending time with family, camping, pontoon boat rides, walks in the woods, and cocktails in the backyard swing. He was always happy to spend time with his grandchildren.

He is preceded in death by his parents, Peter & Mary Fishler; daughter, Karen Summerville and brother, Roger.

Gathering of family and friends will be on Friday, November 20, 2020 from 10:00 a.m. – 12:00 p.m. at Praise Chapel Community Church, Crandon. A Celebration of Life service will follow at 12:00 p.m. with Pastor Franz Gerber officiating. Online condolences may be left for the family at www.weberhillfuneralhome.com

The family would like to thank Ascension Hospice, especially his team: Linda, Todd, Emily, Gabby, and Lorena. They provided wonderful, loving care to Stan these past few months and the family is very grateful for all their support throughout this difficult time.

Karen Lee Aderholdt (Wolff) was born October 15, 1939 to Edith and William Wolff, Jr., in Shawano, WI. She grew up in Long Lake and the family moved to Lakewood while she was in high school. She graduated from Wabeno High School in 1957. She married Clifford Aderholdt on May 1, 1959 in Townsend, WI. They had 5 children and built a home in Townsend, WI

Karen was a homemaker until all of her children were in school. She started her working career at the Elliott Glove factory in Wabeno. She was then employed by the Wabeno School District as a Title I aide. She then became the high school secretary until her retirement in 1995. Karen's greatest joy was working in the school with the students. After her retirement she volunteered her time at the White Lake School District working with students. While working for the Wabeno School District she was also an EMT for the local ambulance service. She was an active member of St. John Lutheran Church in Townsend as a Sunday school and Vacation Bible school teacher and as the financial secretary for many years. You would always see Cliff and Karen in the second pew for services.

From 1996-2006 she joined her husband on his yearly Chief Joseph Appaloosa Historic Trail Ride as his driver from camp to camp while he rode his horse. Karen's pastimes included working in her flowerbeds when the weather was nice and her indoor planter when it wasn't. The house was always decorated for every holiday, she loved Christmas the most. She spent as much time as possible with her grandchildren enjoying the beach on the lake they lived on. Karen loved the sun and couldn't get enough of it.

Karen survived by daughters Cathleen (David) Lundgren, Jeanne (Harvey) VerHaagh, Clinton (Vickie) Aderholdt, Steven Aderholdt, brother William (Mari) Wolff, sister Patti (David) LaLuzerne, 16 grandchildren, 13 great-grandchildren, and many other nieces, nephews and in-laws.

She is preceded in death by her husband of 61 years Clifford Charles Aderholdt, her son Charles Allen Aderholdt, her parents, Edith (Way) and William Wolff, Jr., sister, Virginia Dachlet, and grandson Brent (Steven) Aderholdt.

When all is said and done, "Just get me a coke!" A private family graveside service will be held.

Online condolences may be left for the family at www.weberhillfuneralhome.com

Ray M. Wittenkeller, 94, of Townsend, WI passed away Thursday, November 12, 2020 at the Aspirus Langlade Hospital, Antigo. Ray was born October 15, 1926 in Lockport, Illinois the son of George and Mollie (Schwab) Wittenkeller.

He was united in marriage on September 28, 1948 to Elaine Degnan. Ray was a member of St. John Lutheran Church in Townsend. He deeply loved his family and his town of Townsend.

He always looked forward to sitting with his friends over breakfast at Karla's Kountry Kitchen and playing the card game to see who had to buy coffee. He was a diehard Chicago White Sox and Chicago Bears fan.

Surviving Ray are his sons, Barry (Jane) Wittenkeller, Burnsville Minnesota; Christian (Barbara) Wittenkeller, Addison, IL; Jay (Diane Jung) Wittenkeller, Spokane, Washington; grandchildren, Jennifer, Douglas, Brian, Kristin, Hannah; great-grandchildren, Nathan, Mallory, Logan, Elaine, Sage.

He was preceded in death by his parents, his wife Elaine; daughter, Christine; sisters, Mabel, Loretta; brothers, Robert, George, Ralph and Calvin.

Services will be held in the spring. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com

National Forest Christmas tree permits now available online
 (Rhineland, WI, November 18, 2020) – New this year, the Chequamegon-Nicolet National Forest is offering personal use Christmas tree permits through Recreation.gov at <https://www.recreation.gov/tree-permits/cnnf>. Permits cost \$5 per tree, with a maximum of five permits per household. Visitors must have their permit(s) with them when harvesting.

“We’re hopeful that making Christmas tree permits available online will make it easier for people to enjoy the experience of hiking through the woods to find the perfect tree,” said Tim Vetter, Recreation, Wilderness and Lands Program Manager.

Visitors can also purchase permits by mail or through no-contact delivery at a forest office by calling any office location below:
 Eagle River: 715-479-2827; Florence: 715-528-4464; Lakewood: 715-276-6333; Laona: 715-674-4481 Rhineland: 715-362-1300

Fourth and fifth grade students are eligible for a free Christmas tree permit through the Every Kid Outdoors initiative. Every Kid Outdoors was created so fourth graders and their families could discover the Nation’s wildlife, resources and history for free. The Forest Service recently extended the program to fifth graders who may not have been able to use their fourth grade pass as intended.

Students must print a pass or voucher from the Every Kid Outdoors website at <https://everykidoutdoors.gov>. Fourth graders should follow links to “get your pass,” and fifth graders should follow the link to “get your voucher,” which leads to the National Park Service website.

Students can obtain their Christmas tree permit in person at a forest office or online. At a forest office, students must present their valid Every Kid Outdoors pass or voucher. If obtaining the permit online, they must enter the pass or voucher number during checkout. All online purchases, including those for free permits, will incur a \$2.50 processing fee.

Visitors should plan their tree harvest by measuring the transport vehicle and space where they plan to display their tree(s). Cell service may be limited or unavailable on the forest, so consider bringing a map. Maps are available for download, at any forest office, and by mail.

The forest recommends against tree harvesting during gun deer hunting season, Nov. 21-29. Throughout fall, forest visitors should wear bright clothing and plan midday visits for better visibility. The Wisconsin Department of Natural Resources lists all hunting season dates on its website at <https://dnr.wisconsin.gov/topic/hunt/dates>.

Nicolet Promise tuition assistance available to eligible high school grads

Nicolet College is now accepting applications for its popular Nicolet Promise program, which so far has paved the way for 57 students to attend college tuition-free.

“The Nicolet Promise puts college within reach for many recent high school graduates who otherwise may not have been able to attend college,” said Nicolet Dean of Enrollment Erika Warning-Meyer. “This program creates the opportunity for eligible students to learn the skills they need for successful careers.”

When Leah Schindeldecker graduated from high school she thought she was going to have to take a gap year in order to work and save money to attend college. Then she heard about and applied for the Promise program.

“The Nicolet Promise is the best thing I could have asked for and I wanted the chance to explain how much I appreciate the Promise,” said Schindeldecker, who went on to graduate from the college’s Accounting program. “The financial assistance Promise provided eased all the stress I had about attending college.”

Recently the Foundation Board revised eligibility requirements to allow more students to take advantage of the Promise program.

To be eligible, students must have graduated with a high school diploma or earned a GED/HSED within two years prior to enrollment at Nicolet College either in 2020 or 2021; reside in the Nicolet College District; be eligible for Federal Pell Grants as determined by the Free Application for Federal Student Aid (FAFSA); and enroll in a financial aid eligible academic program, taking a minimum of 9 credits per term.

The current application period is for students planning on attending Nicolet in the fall of 2021.

Under the program, the Nicolet College Foundation will pay the balance of tuition and fees for eligible students after federal and state grants have been applied. The Foundation will cover this cost for up to 15 credits per term, until completion of an associate’s degree or 70 credits.

“Many people may feel that college is not an option for them because of cost,” Warning-Meyer explained. “Others might be reluctant to enroll because they think they will be overwhelmed with student debt. The Nicolet Promise addresses both of those issues.”

The program also aims to encourage young adults to stay in the Northwoods at a time when many leave seeking opportunity elsewhere.

“The chance to earn a tuition-free college education is a huge incentive for young adults to stay in the region,” she said. “The skills they will learn are in high demand across the Northwoods. Our hope and goal is for these students to graduate and start careers that are financially and personally rewarding in area communities.”

Prospective students have until March 1, 2021, to complete the Nicolet Promise requirements. Interested individuals should go to nicoletcollege.edu/promise to complete the Promise Inquiry Form and view all program requirements.

Nicolet Foundation Executive Director Heather Schallock said the Nicolet Promise is made possible by ongoing fundraising efforts and generous donors financially supporting students through their gifts to the Foundation.

“All of our donors have a great deal of faith in students attending Nicolet and want to do whatever they can so everyone who wants a college education has the opportunity to earn a college education,” she said.

In light of COVID-19, Nicolet has instituted several health protocols to ensure student safety.

“Student safety is our No. 1 priority,” Warning-Meyer explained. “The vast majority of our classes, about 80 percent, are in a flexible online format. When students do have to come to campus to attend a lab or other learning experience, we require that everyone wear a face covering when indoors and maintain at least six feet of physical distancing.”

Individuals interested in attending Nicolet are encouraged to call the college at (715) 365-4493, 1-800-544-3039, ext. 4493; TTY 1-800-947-3529 or 711.

Nicolet currently offers more than 60 associate degrees, diplomas, certificates, and apprenticeships. Many of these credentials are offered in the highly flexible Nicolet My Way format that allows students to complete the course work at times that best fit their schedules.

**Local businesses and school help get
 Crandon Police new Conference room**

In the spring of 2019, the Crandon Police Department was donated \$1000 from the Crandon International Off-Road Raceway that was put towards new conference chairs and supplies for a conference table. With the need of a conference table, the School District of Crandon Tech. Ed. Teacher, Mr. Krause, took on the project, along with Mr. Baker and their students. With their craftsmanship and the generosity of other local businesses, a beautiful and unique conference table was constructed and is now being utilized.

ATTENTION TAXPAYERS

Hunters Covid Safety Cont. from pg. 1

The Wisconsin Department of Health Services (DHS) discourages social gatherings of any size, including getting together with friends or extended family during hunting season at deer camp. The less time spent with people from other households, the less likely you are to get sick or spread COVID-19 to others. Try to lodge in your own room, tent or trailer and limit the number of households using shared spaces.

"Wisconsin is in crisis - our case numbers are rising and our hospitals are strained," said DHS Secretary-designee Andrea Palm. "Each of us must do our part to stop the spread of COVID-19. Limiting your interactions with people outside your household is a key step, so we ask hunters to reduce their travel and to hunt with the people you live with."

Although activities such as heading to camp or gathering at check stations are often considered an integral part of hunting season, extended physical or close contact increases the risk of COVID-19 transmission.

While deer camp will look different this year, there are still ways to enjoy the social aspects of deer hunting and mentoring through video chats, text messages and other creative ideas that keep you and others safe. Hunters are reminded to register their deer online or by phone.

For specific information regarding COVID-19 we encourage the public to frequently monitor the DHS website for updates, and to follow @DHSWI on Facebook and Twitter, or dhs.wi on Instagram. Additional information can be found on the CDC website.

Raceway Buyout Cont. from pg. 1

Crandon International Raceway is comprised of a 1.75-mile short-course off-road track, more than 2,100 designated grass camping sites, a modern grandstand and a hospitality facility, a designated off-road park, corporate hospitality suites, a trap range and a VIP center and office at the location's original barn. The track plays host to two major race events each year, including June's Forest County Potawatomi Brush Run and Labor Day's massive Polaris World Championship Off-Road Races® and Crandon World Cup - an event which saw a record crowd of just over 70,000 people at its 50th anniversary running in 2019. Both the new Champ Off-Road and Ultra4 series are scheduled to run at the track as part of their 2021 race seasons.

The next step in its evolution also provides the chance for Crandon's longstanding Board of Directors to enjoy more time with family and a well-deserved retirement from our facility's day-to-day operation. Led by club President and Off-Road Motorsports Hall of Fame Inductee Cliff Flannery, these generous people have devoted decades of service to build the track and keep it maintained, while also staying true to the club's cornerstone mission of donating tens of thousands of dollars back to the local community. Each year hundreds of volunteers earn these charitable donations by helping in all phases of track operation during race weekends.

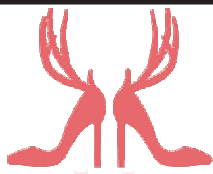

Keeping the Crandon International tradition part of the family, Jamey's father was the late Off-Road Motorsports Hall of Fame honoree and track champion Jack Flannery, while Cliff Flannery is Jamey's uncle.

"This racetrack has been such a positive influence on the entire Flannery family and also in the lives of so many people," said Jamey Flannery, who also currently races in the Champ Off-Road series unlimited Pro 4 category. "It's an honor for me to be in a position to help extend that history and expand Crandon's status as the Indianapolis Motor Speedway of the off-road world. We can't wait to get started on getting ready for the 2021 season."

"While this announcement will come as a surprise to many, the fact is that life is always all about timing," explained Cliff Flannery. "The entire community and our hard-working staff of volunteers and crew have spent the better part of our lives building Crandon International literally by hand. After 50 years we knew the time had come to transfer that dedication to something much bigger for the future. All of us old guys will still be spending time here, but we are really excited for seeing what happens to this special place moving forward."

From an operational perspective, the change offers both opportunity and a greater level of stability, along with enhanced resources that will allow Crandon International to undergo many exciting upgrades for fans, racers and sponsors alike. Much of that focus will be on enhancing the camping and hospitality aspects at the track, along with expanding Crandon's operation to its well established fan base of adventure and outdoor enthusiasts.

Crandon Office Manager Tina Kulaf will remain in her role of managing the track's business operation, while current Promoter Marty Fiolka and his TRG Rennsport group will continue their roles in event promotion, sponsorship, marketing, content and public relations.
