## Candidate Spotlight

Anyone seeking political office is invited and encouraged to announce their candidacy in the Candidate Spotlight. It is an opportunity to tell the voters why you are running, goals if elected, etc. It is not a forum for bashing an opponent, and there is no charge.

### Joe Heyrman for Townsend Town Supervisor

I have served a 36-year career working as an IT professional and hold a B.A. in Business Administration from Lakeland College. My wife Terri and I first purchased our property in Townsend in 2000. After retiring from Thrivent Financial in 2019 we have established Townsend as our permanent home.

I thoroughly enjoy working with others and am looking forward to leveraging my vast experience, professional background and financial knowledge to help continue to make Townsend a great place to live, work and play!

### Samantha Hoffman, Candidate for Laona School Board

My name is Samantha Hoffman, I have served on the Laona Board of Education since April 2016. During my time on the board, we have been able to accomplish many great things at the Laona School District.

First, we were awarded as a Blue Ribbon School, which is a national recognition for overall academic excellence and closing achievement gaps among students. We have been able to create a strategic plan that focusses on academic goals, community involvement as well as maintenance of our school grounds. Another great accomplishment is our pupil numbers continue to increase, and with this we have added staffing to ensure academics continue to excel with our students.

My hope is that I can continue to collaborate with administration, teachers, and support staff to continue to move Laona School District in a positive direction. My hope also is that you take the time on April 6th to vote for Samantha Hoffman, so that Laona School District can continue to excel and be the school of choice in the Northwoods.

## Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

### Shoreland Lighting: A Special Concern

As Spring approaches and our lakes open up, one of the issues that came to my attention is Shoreland Lighting. During the daytime Shorelands are heavily used for recreation. Artificial lighting allows us to engage in nighttime activities that would be impossible or unsafe under normal nighttime conditions. Whether it's boating, fishing or simply sitting on the porch to read, our enjoyment of the night is enhanced by the use of artificial light. At the same time, our rivers and lakes at night provide a quiet open dark space that gives us privacy and an opportunity to enjoy the heavens. Balancing the ability to see at night with the desire to preserve the beauty of the night is the goal of sensible shoreland lighting.

Sensible lighting can minimize the three most serious problems along our shorelands:  
**Glare:** The first principle of good lighting is to illuminate only what we wish to see. When we see a distant point of light across the water, when we are seeing light from the fixture itself rather than what the fixture is meant to illuminate, we are observing glare. Poorly-designed or poorly installed lighting causes glare that can severely hamper the vision of boaters, pedestrians, cyclists, and drivers, creating a hazard rather than increasing safety.  
**Light Trespass:** Light trespass is a light fixture on one property that illuminates an adjacent or nearby property. Light trespass is not a legal concept, but rather a description of the nuisance effect of improperly aimed lights on someone else's property. We all have seen street lights, commercial lights or residential lights spilling over onto adjacent property, causing illumination where it was

## Forest County COVID Vaccine Update

The Forest County Health Department is currently helping to provide COVID-19 vaccine to eligible individuals as determined by the Wisconsin Department of Health Services (DHS). This includes:

- Frontline healthcare personnel
- EMS
- Those who provide direct patient service or other healthcare services
- Law enforcement/Fire personnel
- Anyone 65 and older
- Educators and child care
- Individuals enrolled in Medicaid long-term care programs including Family Care, Family Care Partnership, IRIS, Wisconsin's Children's Long-term Support Waiver, and Katie Beckett
- Some public facing essential workers including 911 operators, utility and communications infrastructure, public transit, and food supply chain, restaurant workers, and spiritual care providers/clergy
- Non-frontline essential health care personnel
- Congregate living facility staff and residents including employer-based housing, housing serving the elderly or people with disabilities, shelters, transitional housing, and incarcerated individuals

Wisconsin DHS has announced that individuals age 16 and older with certain medical conditions will be eligible for the vaccine beginning March 22nd, 2021. These medical conditions are associated with an increased risk of severe illness from COVID-19 and includes:

- Asthma (moderate-to-severe)
  - Cancer
  - Cerebrovascular disease (affects blood vessels and blood supply to the brain)
  - Chronic kidney disease
  - COPD (chronic obstructive pulmonary disease)
  - Cystic fibrosis
  - Down syndrome
  - Heart conditions, such as heart failure, coronary artery disease, or cardiomyopathies
  - Hypertension or high blood pressure
  - Immunocompromised state (weakened immune system) from solid organ transplant, blood or bone marrow transplant, immune deficiencies, HIV, use of corticosteroids, or use of other immune weakening medicines
  - Liver disease
  - Neurologic conditions, such as dementia
  - Obesity (body mass index [BMI] of 30-39 kg/m2)
  - Overweight (BMI of 25-29 kg/m2)
  - Pregnancy
  - Pulmonary fibrosis (having damaged or scarred lung tissues)
  - Severe Obesity (BMI 40 kg/m2 or more)
  - Sickle cell disease
  - Type 1 or 2 diabetes mellitus
  - Thalassemia (a type of blood disorder)
- You can learn more about Wisconsin's vaccination planning and eligible groups at <https://www.dhs.wisconsin.gov/covid-19/vaccine-about.htm>

The Forest County Health Department continues to receive weekly vaccine allocations from the state. Individuals are then scheduled based on that allocation and their eligibility.

FCHD has provided 1,837 COVID vaccines as of March 19th, 2021.

If you are interested in receiving the vaccine, please call our office at 715-478-3371 to be added to our waitlist. You can also contact your healthcare provider or local pharmacy to ask about vaccine availability.

## 937 cases of COVID-19 (7 active) in Forest County

Forest County Public Health officials have confirmed additional persons have been diagnosed with novel coronavirus infection (COVID-19) for a total of 937 cases in Forest County. County health officials and local partners are contacting others with whom the individuals who tested positive had close contact with. As of Friday, March 19, Forest County has 4,554 negative test results. There are currently 7 active cases in isolation, 907 released from isolation, 0 hospitalized, and 26 deaths related to COVID-19.

The Forest County Health Department encourages community members to use caution.

## Armstrong Creek Town Hall has an unwanted doorway

The Armstrong Creek town hall had a vehicle make a new opening in the building. A lady from Minnesota said her cruise control turned on when she left the stop sign where Hwy 101 meets Hwy 8. The town hall stopped the acceleration. According to the Forest County Sheriff's Dept. there was no ticket issued, as the driver passed all of the sobriety tests, and the car's malfunction is taking the blame.

There will have to be extensive repairs made to the building, but the driver was insured.

## Ties That Bind Us seeks sponsors for the Kentucky Derby Fundraiser

Forest County Ties That Bind Us and Pack Em Inn are currently seeking sponsors for their 2021 Kentucky Derby Fundraiser at Pack Em Inn on May 1st.

### Sponsorship Opportunities:

Triple Crown Sponsor \$350 - Recognition with an 8.5" x 11" Triple Crown poster with your company name and logo displayed at the event, your logo on event advertising and on our Facebook page

Secretariat Sponsor \$250 - Recognition with an 8.5" x 11" Secretariat sponsor poster displayed at the event and listed on the event Facebook page.

Memorial Sponsor \$150 - Honor the memory of a loved one by having their name displayed on an 8.5" x 11" Memorial poster at the event.

Basket Raffle Sponsor \$50/\$75/\$100 - A basket will be put together for the donated amount and your name will be displayed on the basket the day of the Derby

Basket Raffle Donation - We welcome anyone who would like to create their own basket goodies to donate to the raffle. Selling a new product you want to share? Make it into a gift basket! What a better way to get the word out and contribute to a great cause!

Your donation can be dropped off at Pack Em Inn or contact us and we will be happy to pick it up!

100% OF THE PROCEEDS STAY RIGHT HERE IN FOREST COUNTY TO HELP OUR FAMILY, FRIENDS AND NEIGHBORS WHO ARE DEALING WITH THE BURDEN OF CANCER.

For more information, please contact: Ties That Bind Us at 715-478-6342 / email [fcttbu@gmail.com](mailto:fcttbu@gmail.com) or Dawn at 920-538-5811 / email: [dawnmvolz74@hotmail.com](mailto:dawnmvolz74@hotmail.com)

## Rebel Youth Wrestlers continue to excel

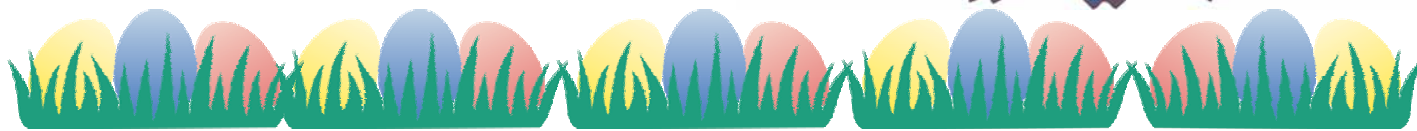

Back Row: Ryker Schingeck, Reegan Roy, Max Clark, Cameron Tilton-Front Row: Colt Hoffman, Zander Weso

To say the least this year has been difficult for many sports out there, youth wrestling including with lack of youth tournaments available for kids to participate in. A few weekends back Rebel Youth Wrestling had six kids attend the 2021 Youth Folkstyle state wrestling tournament: Max Clark, Reegan Roy, Ryker Schingeck, Cameron Tilton, Zander Weso and Colt Hoffman. Congratulations to Zander Weso for bringing home first, Colt Hoffman bringing home a third and Reegan Roy bringing home a fourth place. Amazing job to all the kids that went and wrestled, after a difficult season. Our appreciation to Katy and Brian Schingeck for facilitating practices, FCP for use of the rec center, Dan Moravec and Colin Schubert Varsity Rebel Wrestling Coaches and all the other coaches that helped make this year possible and continue to work to excel the Rebel Youth Wrestling Program. It is much appreciated by all the kids and parents!

**School District of Wabeno Area Child Development Day**

The School District of Wabeno Area will be conducting developmental screening for young children living in the District who are ages 2 1/2 to 4 years old. Children will be screened through observation in a 1:1 setting. The screening will be held at Wabeno Elementary School on Wednesday, April 14 from 9:00 a.m. – 2:00 p.m. and Thursday, April 15 from 3:30 p.m. – 6:00 p.m.

If your child was screened last year, they do not need to screen again.

If you have a child in this age range, please call the Elementary Office now at 715.473.2592 to schedule an appointment.

4K registration will also be held during these times for children turning 4 prior to September 1, 2021.

**CITY OF CRANDON ASSESSOR**

The City of Crandon will be accepting proposals for Assessment Services to begin May 1, 2021. This will be an agreement for maintenance assessments services and should contain an annual fee.

Proposals should include maintaining the assessment roll and individual property classifications, Open Book and Board of Review. In addition a separate proposal for potential revaluation should be included.

Please send your proposal with a copy of the State of Wisconsin certification, proof of insurance, references and resume to

City of Crandon  
 P.O. Box 335  
 Crandon, WI 54520

By April 15, 2021 at 4:00 p.m. City Council reserves the right to reject any and all proposals

## Bids & Notices

**Forest County Public Property Committee Bid Notice**

The Forest County Public Property Committee is requesting bids on three (3) Mitsubishi split unit heat/air conditioners with six (6) heads. The split unit air/heat conditioners will service two adjacent offices in the Forest County Courthouse. The offices may be viewed between the hours of 8:00a.m.-3:00p.m., Monday-Friday. If interested, please contact the maintenance department at (715) 478-6616 to set up an appointment time to view the offices.

Quotations will be accepted until March 29, 2021 at 4:30 p.m., at the Forest County Clerk's Office, by mail at 200 E Madison Street, Crandon, WI. 54520, or by email at [maintenance@co.forest.wi.us](mailto:maintenance@co.forest.wi.us).

Quotations will be reviewed at the next scheduled Public Property meeting, March 30, 2021 at 4:30p.m.

Quotations must include a certificate of insurance, the start date of installation of unit, completion date, and a contract. Please contact Mark Rinehart at (715) 478-6616 for more information.

The Public Property Committee has to the right to accept or reject any or all quotations, and reserves the right to select the most favorable quotation

# Death Notices

Warren L. Hardy, 89, of Goodman, WI passed away Sunday, March 21, 2021 at Maplewood Villa in Armstrong Creek surrounded by loved ones. Warren was born February 20, 1932 the son of Leon and Elnore (Schultz) Hardy.

Warren served in the U.S. Navy and was a veteran of the Korean War. He was a skilled tool and die

maker by trade and enjoyed many hobbies including hunting, fishing, camping and canoeing and wildflower photography and more. He also served for many years as a Leader and active participant with Boy Scout Troop 19 in Muskego, WI. He was also associated with the congregation of the Kingdom Hall of Jehovah's Witnesses of Armstrong Creek.

Warren is survived by his daughter Tina, stepdaughter Kristy and stepson Rodney, as well as 6 grandchildren and 1 great-grandchild.

He was preceded in death by his brother, 'Bing' (Delano), his parents, and ever-loved (ex) wife Linda (Snyder).

Honoring Warren's request no services will be held.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**Ruth L. Walentowski, 84**, of Crandon, WI passed away on Sunday, March 21, 2021 at her home surrounded by loved ones. Ruth was born November 24, 1936 in Crandon the daughter of Tom and Nancy (Wagner) Kegley. She was united in marriage to Harold Walentowski on September 8, 1956 at St. Luke's Methodist Church and he preceded her in death on March 16, 2000.

Surviving are her daughters, Nancy (Ron) Sheldon, Sheboygan Falls; Tammy (Curt) Gerald, Crandon; grandchildren, Jared, Megan, Michael, Jennifer, AmyJo, Chad, Travis; ten great-grandchildren; sister, Mildred Koehn, Richland Center; son-in-law, Tim Zastrow, Sheboygan Falls.

She was preceded in death by her parents, husband, Harold Walentowski; daughter, Barbara; son, Brian; sisters, Jean and Shirley; brothers, Wilmore, Edwin, John and Donny; grandson, Troy McKee.

Celebration of life will be held at a later date. Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

On Sunday March 14th, 2021 Lloyd Vollmar, loving husband, father, grandfather, son, and brother passed away at age 57. Lloyd was born November 5, 1963. On June 13, 2015 he married Cheryl "Marvin". He proudly raised three children , Brock, and Logan. Lloyd was also

a proud grandfather of Cash, Ruby, Aleigha, and Hank and had another grandchild on the way; Avery Drew.

Lloyd served in the United States Army for 4 years and retired after serving as a trooper for 24 years with the Wisconsin State Patrol. Lloyd loved hunting, fishing, camping and spending time outdoors. Lloyd was very hard working and a dedicated family man. Above all else Lloyd enjoyed spending time with his family the most. He always put a smile on everyone's face and touched so many hearts. Lloyd was a hero to many and loved dearly by all.

Lloyd was preceded in death by his mother Kitty Vollmar; Maternal grandparents Ruby Wilson and Lynn Dutton; Paternal grandparents Adeline and Harry Vollmar. Lloyd is survived by his wife Cheryl and her two daughters Laura Campisi and Shahaley Carr; his father Tom Vollmar; his children Whitney Vollmar, Brock Vollmar, and Logan Vollmar; his twin brother Lynn Vollmar (Anne Wynveen Fenske) , and his two sisters Sam and Tamarr Vollmar (Charlie Marvin); his grandchildren Cash Calhoun, Ruby Calhoun, Aleigha Deacy, and Hank Hitz.

Memorial services will be held at the Lake Lucerne Gospel Chapel at 5132 Jaeger Rd. Crandon, WI 54520 on Sunday March 28th visitation begins at 2:00 pm, services to follow. Memorial Service will be officiated by Don Dewing.

On Monday, March 15, Shirley Winnefred Shampo found eternal peace with our Lord, with her loving daughter by her side. Shirley was born on August 21st, 1919 to Henry and Ester (Wines) Shampo.

She worked for many years at Schlafke's Bakery and planted trees for the Forest Service during her vacations. She also worked at Connors Mill where she helped make beautiful furniture (her family still has some of the dressers she helped make). She worked a few years at Elliot Glove Factory and retired after her job at Wabeno Schools, working in the kitchen, back when they made the meals from scratch.

She was a faithful Christian lady who you would see at most Sunday services sitting in the back pew of the Presbyterian Church that she was very involved with. She never hesitated to volunteer her time to help with pie sales and help in the kitchen during coffee hour and funeral dinners. Everyone knew they could count on her to help out and get the job done. She also loved to bowl and was really great at it. She was in a bowling league for several years, winning many ribbons and awards

Her true passion in life was her family. She grew up in Wabeno with several siblings.

Shirley had two children – Gary and Cindy, who she proudly raised on her own.

Her real joy came when she had grandchildren. She babysat them for countless hours. Her grandchildren loved to stay at Grandma Shampo's house on the weekends (and any other day they could). Time spent at grandma's house was very special to her grandkids. She made endless Knox blocks, eggs, green tea and toast, rice tomato soup and the best homemade banana bread. When great grandkids started arriving, she became "Grandma Grandma" to them and was thrilled to babysit and watch them grow too, spoiling them with more love than you can imagine. Grandma's house was where her family learned words like "Dasn't, mustn't, levermind, zink and sandrich".

She was a self-sufficient woman who lived on her own for years. Shirley never had a driver's license so, with a pretty scarf on her head, she walked wherever she needed to go (friends and family always made sure she had a ride when she wanted one).

To her family, she was larger than life. She touched so many lives in her 101 years on this earth. Her family will remember the unconditional love she showed them, the hours of back scratches and arm tickles she patiently gave them, the fun they had eating sour apples from her apple tree and picking plums to make her famous plum jelly. She was known for her cooking and baking skills and always put on huge holiday dinners for her family. No one can make a hamburger taste quite like Grandma Shampo's.

In her later years you could find her gallivanting with her bestie Clara Koskella. These ladies were always on the go, often picking up or delivering flowers for her granddaughter.

They loved meeting Gary at the Knothole for a burger and coffee and of course, a good round of gossip. She would go out of her way to help anyone and rarely ask for anything in return. She was truly one of a kind. She will be remembered as a kind, loving and generous woman who would do anything for her family.

Shirley was preceded in death by her parents, Henry and Ester Shampo, Siblings; Henry Shampo and Oliver (Jeanie) Shampo. ; Eugene and Henrietta (Shampo) Oettinger, Marlin and Mildred (Shampo) Breaker, Brother In-Law, Robert Schmoll and two baby siblings Frank and Lill. Son, Gary Shampo. Grandson, Scotty Belland. And many dear friends.

She is survived by:  
 Daughter, Cindy (Walter) Belland  
 Sister, Faye Schmoll.  
 Grandchildren; Racquel (Darren) Giese, Rene Shampo, Raletta (Steve) Ashbeck, Kevin (Jess) Belland, Jordan (Erika) Belland.  
 Great grandchildren; Brandon, Coty, Jessica, Zack, Ryan and Kassidy.  
 Great-great granddaughters; Lyllia, Vaughn Mae, Mariah, Finley and Lennyx.  
 And loving nieces and nephews and numerous extended family members and friends.

The family expresses tremendous gratitude for all those who love and cared for her and invite them all to share in the celebration of her life.

Visitation will be held on Monday, March 22, 2021 from 10:00 a.m. – 12:00 p.m. at the First Presbyterian Church, Wabeno. Funeral Services will follow at 12:00 p.m. with Pastor Josh McKenna officiating. Interment will be at Forest Hill Cemetery, Wabeno. Online condolences may be for the family at [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**Thomas D. Huettl, 51**, Howard, WI, passed away, Tuesday morning, March 16, 2021, at home while surrounded by his family. Born Sept. 23, 1969, in Appleton, he is the son of Darwin "King" and Helen (Freiberg) Huettl. Tom is a graduate of Wabeno High School. He met his future wife, Marlene Lambert while at a softball tournament. They wed on August 13, 1993, in Green Bay and soon the

couple started their family, first with the birth of Hailey and later, Brandon. His children were the pride of Tom's life. Tom enjoyed his many years as a Master Plumber, and most recently served as an Account Manager with Mid-State Supply.

Tom will be remembered for his enjoyment of family vacations in Wisconsin Dells every summer. He enjoyed hunting trips, snowmobiling, golfing and playing softball. Tom found great joy watching Hailey and Brandon at various sporting events as well.

Tom is survived by his wife of 27 years, Marlene; two children, Hailey (boyfriend, Kolton Goslinowski) and Brandon, both at home; his parents, King and Helen Huettl; sister, Tammy Huettl; brother, Timothy Huettl; brother-in-law, Duwayne "Buck" Newbury; nieces and nephews, Valerie (Josh) Fieber, Stephanie (Jeff) Andersen, Ryan (Megan) Huettl, Tyler (Brianna) Huettl, Abby Huettl, Faith Blondeau, and Jayden Blondeau; numerous great-nieces and nephews, aunts and uncles; and Tom's many Godchildren.

He was preceded in death by his paternal grandparents, Aaron and Dorothy Huettl; maternal grandparents, Edgar and Dolores Freiberg; uncles and aunts, Aaron "Fuzzy" (Regina "Reggie") Huettl, Donna Huettl, Carol Freiberg, Linda Green, and Rick Doemel; mother and father-in-law, Norbert and Patricia Lambert; brother-in-law, Joseph Lambert; and sister-in-law, Lynn Newbury.

Visitation will be at St. Paul Ev. Lutheran Church, 514 S. Clay Street, Green Bay, Thursday, March 25, 2021 from 9:00 am until the time of the service. Memorial service 2:00 pm Thursday at the church with Pastor Jon Zabell officiating.

Tom's family extends a special thank you to his best friends, Dan (Dana) Ehlers, "Rocky" (Darren) Giese, Tom (Traci) Habenstein, Brenda (Stuart) Spaude, Mike (Glenda) Huettl and many other friends for all the good times, laughter and shenanigans throughout the years.

"We love you!"

## EMPLOYMENT OPPORTUNITY

### FOREST COUNTY FORESTRY OFFICE

### ASSISTANT COUNTY FOREST ADMINISTRATOR

### POSITION

Forest County is currently accepting  
applications for the full-time position of Forestry  
Assistant County Forest Administrator. This  
position is full time, forty (40) hours per week. The  
Assistant Administrator will work under the  
direction of the Forestry Administrator.

Applicants must be able to assist the  
Administrator in the implementation of the 15-  
year Comprehensive plan, the Land Use Plan, the  
Outdoor Recreation plan and assist with timber  
sales management and recreation trails. Must be  
able to work with GIS maps and aid department  
heads in County projects.

Application materials, including the  
position description and summary of benefits may  
be obtained at [www.co.forest.wi.gov](http://www.co.forest.wi.gov) or in the  
County Clerk's Office, Forest County Courthouse,  
200 E Madison Street, Crandon, Wisconsin 54520  
or by calling (715) 478-2422. The deadline for  
applications returned to the County Clerk is  
Friday, March 26, 2021 by 4:30 p.m.  
*Forest County is an Equal Opportunity Employer*

## Senior Chatter

Spring into Better Health

After a long winter, the signs of spring are sprouting up all around us. Now is a good time to focus on your health so you can enjoy all that this season has to offer. And taking advantage of Medicare preventive benefits is the perfect way to spring into better health!

Preventive services can help you prevent illnesses and detect health problems early, when treatment works best. People with Medicare have access to a wide range of preventive tests and screenings, most at no extra cost. If you're new to Medicare, a "Welcome to Medicare" preventive visit is covered during the first 12 months you are enrolled in Part B. The visit includes a review of your medical and social history as well as education and counseling about preventive services, including certain screenings, shots and referrals for other care, if needed. Once you've had Part B for longer than 12 months, you can get a yearly "Wellness" visit to develop or update a personalized prevention plan based on your current health and risk factors. Note: The Wellness visit is not the same as an annual physical exam.

You pay nothing for the "Welcome to Medicare" visit or yearly "Wellness" visit if your doctor or other health care provider accepts Medicare assignment. If additional tests or services are performed during the same visit that aren't covered under the preventive benefit, you may have to pay coinsurance, and the Part B deductible may apply. Medicare also covers screening tests for breast cancer, diabetes, heart disease, obesity management, and osteoporosis, just to name a few. You can find a complete list of Medicare-covered preventive services in your Medicare and You 2021 handbook or on the Medicare website at [www.medicare.gov](http://www.medicare.gov). Talk to your doctor about what screenings and shots are right for you.

For local assistance with Medicare questions or other health insurance counseling contact the Aging and Disability Resource Center of the Northwoods (ADRC) at 800-699-6704.

**Conservation Corner** Cont. from pg. 1  
 not meant to be. Because the waterfront is unobstructed, water reflects glare from shoreland lights over the water to trespass on distant properties.

**Sky Glow:** Much of our exterior lighting shines directly upward, causing the sky above our cities to glow and washing out our view of the dark night sky. Billboard lights that shine upward, street lights that bounce light off pavement, and commercial and residential lighting open to the sky all contribute to sky glow.

Installing sensible shoreland lighting can be especially challenging because of the ability of water to both reflect light and provide an unobstructed view from far away. Anyone who has seen the moon rise over the water appreciates how reflective the water can be. Artificial light placed at the shoreland is free to carry across the water for long distances.

Waterfront lighting is often used to identify a pier or marina for boaters on the water after dark. Taverns and restaurants use neon signs to attract customers off the water. Dams and other structures use lights to warn of dangers to navigation. Mills, factories, ballfields and other facilities near the water also light the shoreland. While these uses of artificial lighting are legitimate, we must also take into consideration those people who can see those lights, but are not using them.

The most common shoreland lights are attached to homes, garages, piers and other structures on waterfront residential property. While we may notice the glare from an unshielded garage light across the lake, it's likely that we've never ventured across the lake at night to see how our own home lights the night. Let's start by making our own lighting sensible and unobtrusive, only then helping our neighbors "see the light."

Solving shoreland lighting problems always involves working with our neighbors. You may have spent some time working on this problem, others may not have thought about it at all. An easy first step to educating our neighbors and ourselves about a perceived lighting problem is to identify all the sources of glare along the shoreland.

If you are talking individually to a neighbor about a lighting problem, a careful explanation may be all that's needed. Keep in mind that your neighbor probably has concerns about their safety and security and feels that their bright light is a good solution to their concerns. Above all, be tactful and courteous. Understand some of the facts about different lighting fixtures, energy savings, and the differences between a good security light and a light that is just very bright. Most people like to be helpful and cooperative when approached in a friendly and cooperative manner.

Municipalities in a number of states have enacted lighting control ordinances. These measures prohibit inefficient, low-quality lighting. Lake and homeowner associations or municipalities interested in regulating shoreland lighting can take example from the following section of the Oneida County, Wisconsin zoning code, which focuses on pier lighting:

Flashing and rotating lights are prohibited.

Lighting inside a boathouse and intended to illuminate its interior is permitted.

Lighting on exteriors of berthing structures shall be fitted with opaque shields to prevent direct visibility of the lamp to persons on public waters or adjacent lands more than 50 feet beyond the berthing structure.

Lighting not mounted on a berthing structure but designed to illuminate a berthing structure or its immediate vicinity shall comply with subparagraph 3 above.

Lighting installed on, or intended to illuminate, seasonally-used berthing structures shall be turned off when not required for safety or security.

Public marinas may install illuminated signs with opaque shaded or shielded lighting that provide information pertaining to applicable federal state or municipal rules and regulations relating to electrical, fueling, waste and sewage disposal or other safety and environmental matters. Such sign illumination shall not be visible off the berth structure.

Eliminating glare and light pollution saves money while reducing our impact upon our neighbors and creatures of the night.

**State driver licenses and IDs are most common forms of ID at the polls**

Anyone who doesn't have an ID to vote in the Spring Election should start the process now  
 Wisconsin driver licenses or IDs are the most common form of identification used for voting purposes. Wisconsin Department of Transportation Division of Motor Vehicles (DMV) encourages voters to check and be sure that they have the proper identification needed to vote in next month's election (April 6). A federally compliant REAL ID card is not required for voting purposes.

The Wisconsin Elections Commission notes other forms of identification are valid for voting purposes, such as military or student ID cards. To see if a card meets the requirements, visit the Wisconsin Elections Commission website.

Voters looking to get their first Wisconsin ID can turn to DMV for help. To obtain an official ID card, there are documentation requirements such as a birth certificate. If all documentation is not readily available, the ID Petition Process (IDPP) can be used to obtain a receipt valid for voting while the remaining documents or verifications are obtained. DMV offers this service and ID cards for voting purposes free of charge. DMV's toll-free Voter ID hotline at (844) 588-1069 is available for questions on obtaining an ID to vote.

DMV's website has a locator to help find the nearest DMV and check wait times (wisconsindmv.gov/centers).

**For Old Time's Sake**

Before the hardwood timber was logged in this area, the pine was cut and floated down the rivers to the sawmills when spring arrived. This picture is of the driving crew on a Wolf River drive. They are posed on the raft that carried the cook shack. The photo is marked as "about 1890." The logs were driven to Oshkosh, where 14 large sawmills converted the logs into lumber for use in cities like Milwaukee, Chicago, and St. Louis and many more. There are still people living in old houses built with lumber sawn from pine trees floated down the Wolf.

When the railroads eventually made their way into the Northwoods, hardwood logs and lumber was produced for markets in the same population centers. When the logging was done, the Northwoods was a land of stumps, rocks and brush. This made way for some homesteaders and made for some great grouse and deer hunting, as well as poverty for many Northwoods residents.

**Nicolet College welcomes three new advanced patient simulators to family**

Nicolet College's family of patient simulators used to train health care students recently grew by three with the addition of high-tech female birthing simulators named Victoria and her newborns Tory and Vicki.

"It's always exciting to welcome new members into the family and this time is no different," said Nicolet Nursing Instructor Dilya St. Louis.

"Victoria and her babies will significantly expand the skills students learn related to obstetrics and give them the experience of delivering a newborn baby from a pregnant mother. When they graduate, they'll then take these skills out into Northwoods communities as they begin and advance in their health care careers."

Nicolet first began purchasing patient simulators a dozen years ago. These included an adult male, a young boy for pediatric education, and a several-month-old infant.

"Like everything the technology advances so quickly," St. Louis said. "We saw a need to bring in these next-generation level of simulators and expand our training experiences in OB and pediatrics."

The mother-daughter simulators can be programmed to give students a wide variety of birthing situations, everything from a normal delivery to ones that present with complications.

Features include the ability to recognize and react to medications, respond to intubation and CPR, produce normal and abnormal heart and lung sounds, and present different respiratory and oxygen-level scenarios, along with other advanced features.

"It really does give them hands-on, near-real-world experience and bridges the gap between the theory students learn from a textbook theory and what they'll experience when treating actual patients," St. Louis said.

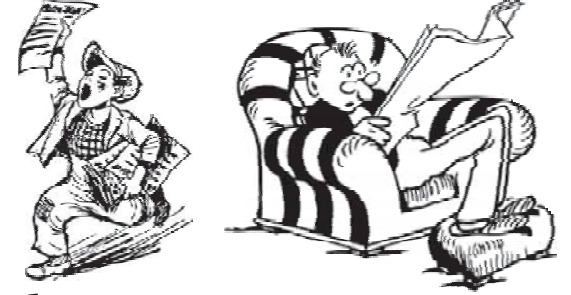

For more information about Nicolet's Nursing program or any other Health Occupations program, visit [nicoletcollege.edu](http://nicoletcollege.edu) or call the college at (715) 365-4933, 1-800-544-3039; TTY 1-800-947-3529 or 711 relay.

Photo cutline: Nicolet College's Health Occupations program recently welcomed a new family of high-tech patient simulators to campus. Pictured here in a Nursing lab with the simulators are, left to right, Nicolet Nursing Instructor Dilya St. Louis, Nursing students Makayla Siebers, Pickeral, Rebecca Beyersdorf, Conover, Bethany Tice, Rhinelander, Faith Becker, Elcho, and Nicolet Nursing Instructor Ann Ovsak.

### Virtual College Visit Month set for April at Nicolet College

Anyone considering attending Nicolet College will have the month of April to explore the numerous opportunities and services available that lead to becoming a college graduate.

"This is a great opportunity for people to learn about Nicolet College in an individualized way that fits around their schedules," said Katie Ourada, Nicolet admissions manager. "One of the best features of a virtual visit is that people can explore what the college has to offer when it works best for them and also access the information as often as they want."

The event will run from April 5 to 30 and include video presentations by instructors from many different academic programs along with how to navigate the admissions process, information on the many different types of financial assistance that is available through the college, and the numerous different support services offered to students.

Interested individuals will need to register for the event and can do so by visiting [nicoletcollege.edu/admissions/visit-us](http://nicoletcollege.edu/admissions/visit-us) and clicking on the Register for College Visit Month link.

The college is also offering individualized on-campus visits, Ourada noted.

"There's nothing like walking the campus, seeing the facilities, and getting a feel for what the college is like," she said. "For those who attend the College Visit virtual event, we will encourage them to come to campus on their own to see in person all of the great things they learned about in our virtual event."

Individualized campus tours can be scheduled by visiting [nicoletcollege.edu/admissions/visit-us](http://nicoletcollege.edu/admissions/visit-us) and clicking on the Register for a Campus Tour link. Incoming students can also use that link to schedule a virtual or in-person admissions appointment with an admissions advisor.

Everyone on campus is required to follow the college's COVID-19 guidelines, which include wearing a face covering when indoors and maintaining at least six feet of physical distancing at all times.

Summer Term begins May 7 with numerous other start dates throughout the year for Nicolet MyWay academic programs. The full list of summer classes can be found at [nicoletcollege.edu/summer](http://nicoletcollege.edu/summer) and applying for admission is free.

Nicolet offers more than 60 different college credentials. These range from short-term certificates to two-year associate's degrees. The college also has numerous credit transfer agreements with four-year institutions for those interested in earning a bachelor's degree. These agreements are with every campus in the University of Wisconsin System, including UW-Madison, and many private colleges and universities.

"What many students do is start by earning a certificate, use that to get a job in their field of choice, and also continue taking classes to earn a more advanced credential," Ourada explained.

"That way they're earning money, gaining valuable work experience, and setting themselves up for advancement in their careers by gaining more skills in Nicolet classes."

For more information about Nicolet, including the full list of academic programs, visit [nicoletcollege.edu](http://nicoletcollege.edu) or call the college at (715) 365-4493.

It is our mission to exceed our guests' and employees' expectations and maintain their loyalty for a lifetime.

**One Low Price, Plain and Simple, Always!**

Whether you are 18 or 80, you get the same price upfront, in writing, every day!

**Relaxed Shopping Experience**

Relax, our sales team is here to help you make a wise choice and they're paid based on how satisfied you are, not on how much you spend.

**Affordable Financial Solutions for Today and Your future**

Competitive financial services to meet your budget and evaluate your options. Your choice and your credit history won't change the price of the vehicle.

**Real Cash Value for Your Trade**

You'll know what your vehicle is worth before you start to shop. It's based on the current value of your vehicle and doesn't depend on the one you want to buy. We'll pay you that for your vehicle even if you don't buy ours.

**The Right Vehicles at the Right Time**

We have the right vehicles in stock based on what you want, and at the best value for your money.

**Dependable Service to Meet Your Schedule**

Our professional team is here to provide you full maintenance and repair services when you want and need them, including Saturdays.
