## Argonne Centennial was a great success

The pavilion and the adjoining tent were filled at lunch after a great parade

The Argonne Firemen and their helpers deserve some kudos for the event held last weekend celebrating the 100th anniversary of Argonne being called Argonne. It is actually a much older town, starting out as Vanzile, then North Crandon, and in 1921 being named Argonne in honor of those who fought and died in the Battle of the Argonne back in WWI.

There was a historical photo display, a visit to the graveyard with "deceased" residents telling their stories, a great parade, kids games, live music at the pavilion with great food, and a magnificent fireworks display.

The event was extremely well-attended. There was actually a parking problem in Argonne. The reuniting of old friends was another plus for this event. If you have ever been an Argonne resident, you should have been there.

More photos on pg. 2 & 16

Going for the finish line!

## Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

Earlier this summer, botanists discovered a population of the wetland invasive plant European frog-bit (*Hydrocharis morsus-ranae*) in Oconto County. This is the first time this species, which is widespread along the coastal areas of lakes Erie and Huron up to the eastern Upper Peninsula, has been found in the wild in Wisconsin.

The population was discovered north of the city of Oconto near Lake Michigan.

European frog-bit grows in shallow, quiet, or slow-moving water; along the edges of lakes, rivers, and streams; and in swamps, marshes, and ditches. It is a free-floating, stoloniferous aquatic plant that can grow to form dense floating mats of interlocking plants. The leaves are leathery, measure 0.5-2.5" across, and are round to heart-shaped. The flower has three white petals and the stem has horizontal runners that produce new plants.

The dense growth form of this species can get in boat motors, affect fish and waterfowl movement, and decrease oxygen levels in water as plants decompose.

European frog-bit is extremely difficult and costly to control, and its ability to form new plants vegetatively has allowed it to spread and proliferate quickly. The plant has been declared a noxious weed in parts of the United States.

If you see European frog-bit, take one or more photos, make note of the location, date, and time of the observation, and report to Forest County Land & Water, [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us) or 715-478-1387.

For more information, visit the Wisconsin DNR's webpage on European frog-bit as well as the press release issued August 9, 2021, by Wisconsin DNR on the discovery in Oconto County.

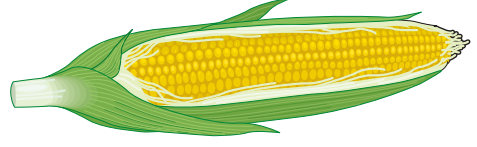

## Trump Lake Walleye Fundraiser this weekend!

If you want to see Trump Lake have a higher walleye population or if you just want some good food, beer and lots of friendly BS, go to the Trump Lake Walleye Fundraiser!

The event is this Saturday, August 21st at the Trump Lake Pavilion, from noon until 5 p.m..

There will be hot dogs, brats, booyah, burgers, beer, soda and chips. You can get in on the Silent Auction, let the kids get into the sawdust pile and join in the meat and tool raffles. There will be a 50/50 raffle and lots of fun for a good cause.

## Laona VFW Corn Boil

The Laona Cook-Elfors VFW Post is sponsoring their Annual Corn Boil this weekend at Silver Lake Beach in Laona.

Come and enjoy a good time on the beach with entertainment, prizes, food, and like always, free corn for all.

Don't forget to buy a raffle ticket and get a chance to win some cash prizes!

## Two Trap Shoots This Saturday

Take your pick or shoot in both events

### Crandon Cardinal Meat Trap Shoot Saturday

There will be a trap meat shoot at the Crandon Off-Road Track this Saturday, August 21st from 10 a.m. until 4 p.m. For those not familiar, the track is about a mile west of Crandon, just follow the signs to the trap.

The money raised will go to support the Crandon High School Trap Team. This is a great activity for those students with an interest in sharpening their shooting eye, and it is a sport that can be pursued throughout life.

All are welcome and encouraged to come and shoot and compete for the meat. It is a good chance to fill your freezer, providing you enter enough shoots and shoot very well!

### Padus Nicolet Gun Club Lewis Shoot this Saturday

The Padus Nicolet Gun Club is sponsoring a 50 Bird Lewis Trap Shoot this Saturday, with shooting starting at 9 a.m. You can shoot as many rounds of 50 as you want, with ties splitting the pot.

The Padus club is located on Padus Road off Hwy 32, between Laona and Wabeno. There are two traps and the club can handle plenty of shooter. For more info, see the ad on the Recreation page.

There will be plenty of food and beverages available. Bring plenty of shells and an appetite.

If you would like to shoot trap and enjoy some company of like-minded people, the Padus gun club is open for shooting every Tuesday evening, starting about 5 p.m. There are two traps, a nice clubhouse and good company.

## Forest County Sheriff John Dennee resigns

Forest County Sheriff John Dennee has turned in his resignation, effective September 5th. It will be up to Governor Evers to select another sheriff to fill out the remainder of Dennee's term of office as sheriff.

The letter Sheriff Dennee sent to County Clerk Matuszewski is printed below.

To: Nora Matuszewski, Forest County Clerk

*This letter will serve as my official notice of resignation and retirement as Forest County Sheriff on Sept 5th 2021.*

*I want it known that after much thought and discussion with family and loved ones, I have concluded that its, just time. After a 31year career in law enforcement and the last almost 11 as your Sheriff, it is time for me to step aside and allow new leadership and ideas to run the office.*

*I make this decision with no resentment or hard feelings. I consider it an honor to be trusted to be your Sheriff. But, I was told years ago by a retired Sheriff that I would know when it's time and "it's time".*

*I want to thank my wife and my children who have lovingly and patiently stood behind me and were without me in many ways throughout the years. I feel they deserve much more of me than I gave them and I look forward to giving that to them.*

Thank you and God Bless,  
 Sheriff John Dennee  
 Forest County Sheriff

## 1011 cases of covid-19 (24 active) confirmed in Forest County

Forest County Public Health officials have confirmed 24 additional persons has been diagnosed with novel coronavirus infection (COVID-19) in the last week, for a total of 1011 cases in Forest County. County health officials and local partners are contacting others with whom the individuals who tested positive had close contact with. As of Thursday, August 12th, Forest County has 5,259 negative test results. There are currently 24 active cases in isolation, 962 released from isolation, 3 hospitalized, and 27 deaths related to COVID-19.

The Forest County Health Department encourages community members to practice good hand hygiene, wear a mask or cloth face covering when necessary, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested. If you are interested in a COVID-19 vaccine, please call our office or your primary care provider.

In an effort to keep our community members up to date on COVID-19, the Forest County Health Department will continue to update our Facebook page and local newspapers every two weeks with current COVID-19 case counts. This will include the number of negative and positive cases in Forest County. Please call our office at 715-478-3371 with any questions or concerns. These numbers were current on August 17.

## Adopting State's guidance for K-12 schools is best way to create a safer return to school

The Wisconsin Association of Local Health Departments and Boards (WALHDAB) supports the goal of keeping students in the classroom for in-person learning for the 2021-2022 school year. As schools prepare for the upcoming school year, WALHDAB urges schools to follow recently published state guidance to better protect the health and safety of students and staff.

Adopting the following basic prevention strategies will provide schools the best opportunity to establish a safer environment necessary to sustain in-person learning throughout the school year. The Delta variant is one of the most contagious respiratory viruses and it spreads more easily and quickly than other variants.

"These recommendations come as our state experiences a surge in COVID-19 cases caused by the Delta variant, now the dominant strain of COVID-19 across the United States and in Wisconsin", says Darren Rausch, WALHDAB Co-President and Greenfield Health Department Health Officer/Director. Require Universal Masking

### Beef Kiefer awarded a stone at the High Ground

The Highground, located four miles west of Neillsville, started as the Wisconsin Vietnam Veterans Memorial Project. It has grown to a 155-acre park that includes a museum, a gift shop and Camp Victory, an additional facility located 15 minutes north of the main campus. The private facility, which receives no ongoing federal or state funding, is supported by donations and grants. The Park is free to the public and open 24/7/365. The Highground is the nation's premier Veterans Memorial Park.

Crandon's Terry "Beef" Kiefer was awarded a stone at the High Ground on July 31 for his service to the country in the Viet Nam War.

Beef is second from the left in the front row in the photo above.

Congratulations to him for the honor and our appreciation goes out to you for your service to your country!

### Burton-O'Keefe Celebrate 100 Years on Lake Lucerne

Albert Burton (far left in photo) with his Potawatomi friends in front of tent, circa 1919.

Albert Burton purchased frontage on Stone Lake from Per Ola Land Company in 1921 and 1923.

Together with his friends from the Potawatomi Tribe, he built a beautiful log cabin at the end of what is now Knott Lane. He traveled 2 days from Chicago on gravel roads to spend summers on the lake with his wife Elizabeth and daughters Grace and Patricia. A second white cottage was moved onto the property to accommodate family and friends. The children, grandchildren and great grandchildren of Patty (Bess) and John O'Keefe (married in 1937) continue to enjoy the lake, now Lake Lucerne. O'Keefe family members are traveling from California in August to join the family members who occupy four cabins on Lake Lucerne. On the agenda: fishing, campfire stories about old adventures on the lake, visits to old haunts such as Johnnie's, pontoon rides and hikes to PONDEVRON on Davison's Tree farm.

## State guidance K-12 Cont. from pg. 1

Masking is a proven tool in mitigating the spread of the COVID-19 virus. Masks are particularly important in a school setting given the significant portion of the student population that is either not vaccinated, or not yet eligible to receive the vaccine. Mask use, regardless of vaccination status is therefore the safest way for everyone in schools to protect themselves and prevent transmission to others. This recommendation is in alignment with guidance from the Centers for Disease Control and Prevention (CDC), the American Academy of Pediatrics (AAP), and the Wisconsin Department of Health Services (DHS). Masking all ages regardless of vaccination status is a key component and important to incorporate as school starts to keep kids healthy and safe in school.

### Promote Vaccination

Vaccination continues to be our best path towards ending the COVID-19 pandemic and a critical strategy to help schools sustain a safe in-classroom learning environment. On May 12, Wisconsin expanded COVID-19 vaccine eligibility to include adolescents aged 12-15. Schools are asked to promote vaccines among staff, families, and students by providing information, encouraging vaccine trust/confidence, and establishing supportive policies and practices that make vaccination easy and convenient.

### Implement a Layered Approach to Mitigation

Again, the Delta variant has demonstrated increased transmissibility and all available layers of protection to lessen the spread of disease are important. WALHDAB strongly recommends using a layered approach. Adopting layered strategies, in addition to masking and vaccination, provide the best chances to mitigate the spread of COVID-19 and create healthier and safer in-classroom learning environments for students,

staff and teachers.

- CDC continues to recommend that people who are not fully vaccinated maintain physical distance of at least three feet from other people at school. Several studies from the 2020-2021 school year show low COVID-19 transmission levels among students in schools that had less than six feet of physical distance when the school implemented universal masking and other layered prevention strategies.

- Schools should work with their local health department to manage contact tracing efforts. Isolating those with positive COVID-19 test results, and quarantining close contacts helps all of us get ahead of the spread.

- CDC recommends offering symptomatic testing and screening testing depending on community transmission, population, and activity. See the CDC website for more information.

- Practice good hygiene by covering your cough, washing your hands with soap and water for at least 20 seconds, and maintaining clean facilities. Cleaning once a day is enough to sufficiently remove potential virus that may be on surfaces. Visit the CDC's website for more information.

This effort requires a commitment from all of us that share a vision of healthier and safer return to in-classroom learning. These recommendations are by no means exhaustive or static. Intervention and control measures should be based on the most recent guidance available from local, state, and federal public health and healthcare authorities. School leaders are encouraged to regularly communicate, coordinate and update community plans with their local public health officials.

# Death Notices

**Raymond E. Williams**, age 75, of Crandon passed away peacefully Friday, August 13, 2021, at The Caring Place in Crandon. Raymond was born to Susan Williams in Blackwell on October 28, 1945.

As a child Raymond was an avid horse enthusiast, spending countless hours riding in the woods and exploring nature. His love of nature prompted him to become a boy scout.

Life eventually lead him to Milwaukee where he lived with foster parents on 10th and Manky. In high school he was on the football and basketball team where he learned to master his "hook shot." As he learned the city, he met inspirational friends and learned to play the bass guitar which enabled him to play in a band with noteworthy musicians.

Following high school, he enlisted in the U.S. Navy from 1967-1968 and was stationed in Pensacola, FL. Upon his discharge, he moved back to northern Wisconsin where he married the love of his life, Bonnie May Daniels. The couple was blessed with two children, Dominic and Raymond, Jr. Raymond continued to work in the forest industry. He later worked as security guard for the Forest County Potawatomi Community.

Raymond is survived by his son, Raymond Jr. of Crandon as well as many extended family members and friends.

He was preceded in death by his mother; wife, Bonnie; and son, Dominic.

Visitation began at 4 p.m. on Monday, August 16, 2021 at the Potawatomi Cultural Center in Crandon. Native American Services began at 11 a.m. on Tuesday, August 17, 2021 at the Potawatomi Cultural Center with Mrs. Mary Jane Thunder presiding. Burial to follow at the Potawatomi Tribal Cemetery in Crandon.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family

**Larry R. VanEperen**, age 72, of Townsend, WI passed away peacefully at Bellin Hospital with his family by his side on August 10, 2021. Larry was born May 9, 1949 to Lawrence and Joan (Swenson) VanEperen in Appleton, WI. Larry married Hope Williams on August 31, 2004 in South Dakota.

Larry was born on a dairy farm and that remained his lifelong passion, farming. He farmed until the time of his death. He had a love for horses, especially his lifelong companion, Thunder. Larry and Thunder made many appearances in the 4th of July parade, an event he never missed! Larry could be found touring the neighborhood on his 4-wheeler at all hours of the day and night. Larry spent a lot of time on the shores of the Wolf River fishing, but to be honest, he just enjoyed fishing where family was!

Larry was a founding father of Townsend Fire Department, he also obtained an Associate's Degree from Fox Valley Technical College in Police Science. He served his community as the Town Constable for many years. But most of all he enjoyed spending time with family and friends, he cherished each and everyone one of them! He had the biggest heart and made friends everywhere he went!

Larry is survived by his wife, Hope; daughter, Val (Troy) Hoffmann; and sons, Brian (Katryna) VanEperen, Greg (Kayla) VanEperen. When Larry married Hope, he was blessed with Rhett (Krista) Delfosse and Cody (Shelby) Delfosse, whom he raised as his own. He is further survived by brothers, Lee VanEperen, Les (Tammy) VanEperen; sister, Linda (Lee Wilmington) VanEperen; grandchildren, Karlee (Bob) Dronso, Riley (Heather) Hoffmann, Brynlea Hoffmann, Bekkah and Bailey VanEperen, and Destiny Dudek and Corbin VanEperen; and great-grandson, Bob Dronso.

Larry was preceded in death by his parents; sister-in-law, Annie; and nieces, Victoria and Jamie.

Visitation will be held from 9 a.m. to 12 p.m. on Monday, August 23, 2021 at St. John Lutheran Church in Townsend, WI. Memorial service will follow at 12 p.m. with Pastor Richard Kelm officiating. Interment at Forest Home Cemetery, Townsend, WI.

Weber Hill Funeral Home Wabeno, WI is assisting family with arrangements. Online condolences to: [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Osborne P. Crowe**, age 57, of Wabeno passed away Friday, August 13, 2021 at St. Mary's Hospital in Rhinelander surrounded by his family. He was born March 3, 1964 at the Cook County Hospital in Chicago, IL, the son of Osborne Sr. and Patricia (nee Whitefish) Crowe.

Osborne was raised by his loving grandparents, Ellis and Margaret (nee Whitefish) Weso. He and Kristie Gerdeen-Dohoyos were blessed with five children.

He is survived by daughters, Clarisse (Tyrone) Tucker of Shawano, Cherish (Luis) Santaella of Henderson, NV, Rachel Crowe and significant other, Tim, of Georgia and Virginia Crowe of Milwaukee; son, Forrest (Jeramiah significant other) Crowe of Milwaukee; sisters, Margaret "Peggy" (Mike) Konaha of Crandon, Lanette Crowe of Arizona and Angel (Leslie) Gristeau of Gillette; and brothers, William (Catherine) Daniels III of Crandon, Richard Crowe of Keshena, Larry Crowe of Keshena and Kevin Crowe of Keshena.

In addition to his parents, Osborne was preceded in death by a brother, Patrick John Crowe; sisters, Candy Crowe and Diana Lynn Daniels; as well as uncles, Tom Crowe, Curtis Crowe, Kenneth Weso and Fred Notinokey; special aunt, Christine Venegas; nephews, Antonio WhiteMagpie and Michael Konaha Jr.; and niece, Lisa WhiteMagpie.

Visitation began at 4 p.m. on Sunday, August 15, 2021 at the Potawatomi Cultural Center, Crandon. Native American Services were at 11 a.m. on Monday, August 16, 2021 at the Potawatomi Cultural Center with Mr. Joe Daniels presiding. Burial followed at the Neopit Cemetery.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

### Community Health Centers Matter

This week marks National Health Center Week 2021. It is a time to acknowledge and thank the elected officials who move beyond the partisan divide over health care to support and agree on a program vital to our communities. Like so many other essential health care workers, Community Health Centers have responded to the call to keep our communities healthy and safe during COVID-19.

Community Health centers provide preventive and primary care services to almost 30 million people and have continued to do so while facing a global pandemic. Community Health Centers provide care to people who disproportionately suffer from chronic disease and lack access to affordable, quality care. While our approach is community-based and local, collectively we are the backbone of the nation's primary care system. Community Health Centers lower health care costs to the tune of 24 billion dollars a year, reduce rates chronic diseases, and stimulate local economies.

At NorthLakes, we provide integrated, primary care services in 12 rural communities throughout northern Wisconsin. We are not just healers, we are innovators who look beyond medical charts to address the factors that may cause poor health, such as poverty, homelessness, substance use, mental illness, lack of nutrition, and unemployment. We are a critical piece of the health care systems and collaborate with hospitals, local and state governments, social, health and business organizations to improve health outcome for people who are medically vulnerable. We have pivoted to serving our communities through telehealth, drive through COVID-19 testing, community and in-clinic COVID-19 vaccinations, all while still ensuring our patients can access basic necessities like food and housing resources.

The mission of Community Health Centers remains crucial today because access to basic care remains a challenge in parts of the United States. Many people live in remote and underserved communities where there is a shortage of providers and, in many cases, the nearest doctor or hospital can be as far as a 50-mile drive in another county. In rural Wisconsin, we're blessed to have many partners committed to helping us ensure everyone has access to health care, but there is much work to be done.

Congress must act immediately for CHCs to continue to serve as health care homes. Long-term and stable funding for Community Health Centers will ensure we can keep our doors open and close the growing access gap for medically vulnerable communities. Show your support during National Health Center Week by supporting a health center in your community and advocating to your local, state and federal legislators about the value we bring to your community.

Stay well-  
Reba Rice, CEO  
NorthLakes Community Clinic

## Helping stop the spread aquatic invasive species

Interested in protecting Wisconsin's waters? We need your help to prevent the spread of Aquatic Invasive Species.

You won't want to miss the 8th annual Snapshot Day coordinated in partnership by UW-Madison Division of Extension, River Alliance of Wisconsin, and the Wisconsin Department of Natural Resources.

Oconto County Lakes and Waterways Association is hosting a site:

EVENT DETAILS:

Saturday, August 21st 8:30 a.m.-12:00 p.m. at Riverview Town Pavilion 15471 Hwy 32, Mountain, WI 54149

Volunteers will look for invasive species at critical monitoring sites, and potential invasive species will be verified and cataloged with the Wisconsin Department of Natural Resources to guide species removal and conservation plans.

No experience is necessary, and training is provided virtually prior to the event. This is a free event. Recommended for ages 8 and up, minors must be accompanied by an adult.

REGISTRATION:

Register and see all event details at: [www.wateractionvolunteers.org/events/](http://www.wateractionvolunteers.org/events/). Advance registration is requested to help Site Leaders build monitoring plans, but will remain open until August 19th.

*Thank You!*

**Need help with Medicare costs?**  
If you have Medicare and you're facing challenges with paying for health care, you may be eligible for programs that can help you save money on medical and drug costs. People with limited income and resources may qualify for Medicaid, a joint federal and state program that helps with medical costs.  
Even if you don't qualify for Medicaid, Medicare Savings Programs may be able to help you pay your Medicare premiums and other costs. If your income is \$1,449 or less for an individual, or \$1,959 for a couple, and your resources are under \$7,970 for an individual or \$11,960 for a couple, you may already be eligible for one of these programs.  
If you qualify for Medicaid or one of the Medicare Savings Programs, you'll automatically get Extra Help paying for your prescription drugs. Extra Help is a Medicare program that helps people with limited income and resources pay Medicare prescription drug costs, like premiums, deductibles and coinsurance.  
If you don't automatically qualify for Extra Help, you may still be eligible if your income is \$1,610 or less for an individual, or \$2,177 for a couple, and your resources are under \$13,290 for an individual and \$26,520 for a couple. You can apply online for Extra Help with Social Security Administration at www.ssa.gov or by calling: 1-800-772-1213 (TTY 1-800-325-0778).  
Another program that can help with your prescription drug costs is SeniorCare, Wisconsin's prescription drug assistance program. This program is available to Wisconsin residents who are 65 years of age or older and are a U.S. citizen or have qualifying immigrant status. Your annual income determines your level of coverage in this program. For more information or to access an application online, go to: www.dhs.wisconsin.gov/seniorcare or call 1-800-657-2038.  
It's important to call or fill out an application if you think you could qualify for savings, even if your income or resources are higher than the amounts listed above. These amounts change yearly, and you may be eligible for another savings program depending on your situation.  
To find out if you're eligible for savings through one of these programs or any other benefits, contact the Aging and Disability Resource Center in your county. In Forest County, contact the Elder Benefit Specialist at the Aging and Disability Center of the Northwoods at 800-699-6704.
