Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

As you head out to your deer stand this week, you may want to think about what tree you have it in. It is becoming increasingly important for Wisconsin hunters to avoid placing tree stands in ash trees or near ash trees. Emerald ash borer (EAB) is an invasive wood-boring beetle that feeds on the tissues under the bark ultimately causing the ash tree to die. The infestation of EAB has caused profound death in Wisconsin ash trees, especially so in the southern half of Wisconsin, Door County, and the Mississippi River counties. These dead and dying ash trees could suddenly snap or drop large branches posing a safety risk to hunters and those spending time in the woods throughout the year. There are cases in Wisconsin where these instances have led to permanent harm and fatal accidents.

"Dead and dying ash are structurally weaker than healthy trees, so they are not safe places to put deer stands," said Bill McNee, WI DNR Forest Health Specialist. "At this time of year, it can be hard to tell if a tree has been infested by emerald ash borer, so hunters should place deer stands in other types of trees instead." The overall recommendation is to ensure you are not placing a stand in an ash tree or near ash trees that are dead or dying as one's bodily safety is at risk and harm of a great impact could occur. The wearing of a harness while using a tree stand is also highly recommended for personal safety.

It is too often that people put themselves in dangerous and risky situations thinking something drastic won't happen to them, especially so when you have your sights set on a big buck or filling the freezer with meat, but do not make that mistake. Educate yourself so you can maintain safety and pass on your knowledge to others whether it be a hunter renting your land for the hunting

The Old Deer Hunter's Revenge

(Editor's Note) The following article is a true story of a deer hunt back in 1967. The story ran in this paper back in 2004. Enough time has passed to repeat this tale, and even if you read it back then, you might enjoy it again with the passage of time.

By Mike Monte

Deer hunting is an institution here in northern Wisconsin. I am a deer hunter. I like it, but I have admit, I am not passionate about the sport. I much prefer the company of bird dogs and sunny days of autumn to the gray, cold days of November. While gunning whitetails might not be my first choice, I have only missed one deer season in the forty-odd years I've hunted, and I was in the hospital, so I had a good reason.

To me, deer hunting can be endless hours of boredom, punctuated with surges of adrenaline when a deer finally decides to make himself visible. It is usually the companionship that makes the season worthwhile. A good campfire at noon with plenty of BS flying through the smoke can make a drab day quite pleasant.

While the memories of most deer seasons blend together, with none of the memories unpleasant, a few stand out. Such was one day in the deer hunt of 1967. I was a college kid. I couldn't afford a 'good' deer rifle, and I was

There have been 9 probable cases this month for a total of 83 probable cases. County health officials and local partners are contacting others with whom the individuals who tested positive had close contact with. As of Monday, November 15th, Forest County has 6,412 negative test results. There are currently 33 active cases in isolation, 1,414 released from isolation, 4 hospitalized, and 29 deaths related to COVID-19. This is a snapshot of numbers, but they are continuously changing throughout the day.

The Forest County Health Department encourages community members to practice good hand hygiene, wear a mask or cloth face covering when necessary, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested. If you are interested in a COVID-19 vaccine, please call our office or your primary care provider.

In an effort to keep our community members up to date on COVID-19, the Forest County Health Department will continue to update our Facebook page and local newspapers every two weeks with current COVID-19 case counts. This will include the number of negative and positive cases in Forest County. Please call our office at 715-478-3371 with any questions or concerns.

Contest voters will have until 3:00 P.M. January 2, 2022 to cast their ballots for both the best private residence and the best business displays. Ballots can be returned to the Town Hall office, Mikes Supermarket or Karla's Kitchen.

Get your flu shot before the Holidays!

The Forest County Health Department continues to encourage community members to get a flu vaccine to help them stay healthy while visiting family and friends this holiday season. The flu vaccine is the best tool to protect yourself and your loved ones from becoming ill with the flu. Getting your flu vaccine at least two weeks before a gathering gives your body time to build the immunity it needs to fight infection.

"This year, it is critical to make sure you and your family are protected," said Dr. Jasmine Zapata, Chief Medical Officer in the DHS Bureau of Community Health Promotion. "Research shows that getting your flu vaccine can reduce rates of hospitalizations, prevent illness and missed work, and save lives including for children."

The flu vaccine is safe and effective, and is recommended for people ages six months and older. Flu vaccination is especially important for people who are younger than 5 years old, over the age of 65, pregnant, or have a chronic health condition. But it is also important for others to get the flu vaccine to protect themselves, avoid spreading the flu to more vulnerable family members and friends.

You can get your flu vaccine at the same time as other vaccines, including the COVID-19 vaccine. Vaccines work just as well and are just as safe if you get them alone or with other vaccines. You can find flu and COVID-19 vaccine locations by visiting vaccines.gov or calling 211.

In addition to getting a flu vaccine, other things you can do to prevent the flu include washing your hands regularly, cleaning surfaces, and taking good care of your body. This also includes getting good sleep, drinking plenty of water, managing stress, and exercising regularly.

The holiday season is rapidly approaching. We'll soon be spending more time with our families and loved ones. Don't let the flu stop you. Get your vaccine today. For information on where to find a flu vaccine in Forest County, please call The Forest County Health Department at 715-478-3371. We are not able to take walk ins at this time due to the renovations in the courthouse.

Due to the Thanksgiving Holiday there is an early deadline for the Pioneer Express. Please get your ads and articles to us by Tuesday Morning by 10 a.m. Thank You!

Death Notices

Carol Jean Frederick, 70 of Kyle, Texas, passed away unexpectedly on November 2, 2021 at Ascension Seton Hays Hospital.

Carol was born in Laona, WI to William (Bill) and Margaret (Babe) Frederick (McDaniel) on Sept. 15, 1951.

Carol went to high school at

Laona High School and graduated in 1969. After traveling the world being a military wife and mom, she later continued her education at Austin Community College and resided in Texas where she began working for IBM. Through several business transitions, she spent over 30 years in her job before retiring this past year.

Carol was a loving, devoted mother, grandmother, great-grandmother (GiGi), sister, aunt and confident to all who knew her. She had a specific way with us, each individually and cared deeply for reach and everyone. Her love, being the most precious moment, that one can ever have in life. Her love nurtured and inspired our soul providing guidance and clarity for each's success helping us with the strength to overcome many attributes of life's decisions. She will continue to guide and strengthen us on the days to come and leave us with precious, beautiful memories. She provided us with the tools of life and remains with us in spirit through our walk, filled and embraced with the thoughts of internal life she has earned. She was and still is, one in a million.

Carol is survived by her love of 16 years, Jerry Hall (Lane &Quinn), her Son Jamie (Monica) Jameson of Pflugerville Texas, Daughter Stacey (Stephen) Jameson of Crandon, WI., Grandchildren; Jeremy, Domonick, Jade, Jalynn, Jillian and Ashton, and Great Granddaughter, Remianna. She is also survived by Sister MaryLou Hoover, and Brothers Bill and Randy (Sharon) Frederick, an aunt, cousins, nieces, and nephews. She is preceded in death by her Father William (Bill) Frederick, Mother Margaret (Babe) Frederick and Sisters Sarah Masse and Shirley Roeber, Aunts, Uncles, Cousins, Nieces, Nephews and her Mancoon Cat Sassy.

At Carol's request, please remember her in celebration of life as you last saw her. She leaves us all with much love and hope, of that most beautiful place we will see her again, made whole and healthy, beautiful, and vibrant with life.

For those here in Texas, there will be a prayer and remembrance during mass at St. Johns Lutheran Church in Uhland this Sunday. She will travel home to WI where a spring graveside service will be held.

Carol was involved with Meals on Wheels for over 25+ years and was an active member of the church, St. Johns Lutheran Church in Uhland, TX. In lieu of flowers, place make any donation to one of these two charities.

Carley Jo Kincaid, 25, of Crandon, passed away Friday, November 5, 2021 at her home. Carley was born July 23, 1996 in Antigo, the daughter of Clinton and Carol (Wood) Kwick.

She was united in marriage to Ross Kincaid on October 19, 2019 in Crandon.

Carley was always up for an adventure, whether it be riding around looking at Christmas or Halloween lights with her husband and dog, Layla, or taking a road trip somewhere with Ross and her best friend, Cindy. Anyone who knew her knows how much she loved Christmas and decorating for it, and how much she enjoyed baking for her family and friends. Carley had a contagious laugh, and her beautiful eyes and smile could light an entire room.

Surviving are her husband, Ross Kincaid; parents, Carol Kwick (James) and Clinton (Mandy) Kwick; brothers, Cameron Kwick of Rhinelander and Clayton Kwick of Crandon; half-brother, Ryan Kwick of Pearson; grandmother, Mavis Wood; mother-in-law, Donna Haluska; father-in-law, Dave (Lori) Kincaid; and sister-in-law, Amber (Jake) Mayer of Tomahawk. She is further survived aunts, uncles, cousins and friends.

She is preceded in death by grandfathers, Jack Wood and Donald Kwick; and grandmother, Florence (Darlene) Kwick.

Visitation was on Wednesday, November 17, 2021 from 10 a.m. until 12 p.m. at the Weber-Hill Funeral Home in Crandon. Memorial services will follow at 12 p.m. with Mr. John Schaefer officiating.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Norma "Tina" R. Rosio, 79, of Crandon, WI passed away Saturday, November 6, 2021 at her home, surrounded by loved ones. Tina was born May 23, 1942 in Oklahoma, the daughter of George and Evelyn Schoolman. She was united in marriage to Herbert William Rosio on May 6, 1962 in Crandon.

Tina was a lifelong member at Seventh-Day Adventist Church in Clearwater Lake. Tina had a career as the secretary to the Forest County District Attorney. Herb and Tina enjoyed traveling and upon retirement they set off across the country on their touring motorcycle. Destinations included family and friends homes to help with various handyman projects and sightseeing the country together. The home that Herb and Tina built together became a free "bed and breakfast" for family gatherings, with a dinner table and food that always extended far enough to satisfy all. There were games of volleyball, nature hikes to the top of the ski hill, and games of Farkle played around the table late into the evenings; all punctuated with many giggles and laughs.

Much like a hummingbird, you never saw Tina rest, she was always busy going from one project to the next. While visiting at friends and family homes she was eager to help tidy your home and prepare meals. Even at age 73, she helped Herb erect a 30' x 50' garage while keeping the job site clean and organized. Her interests included having a healthy diet, cooking, baking, gardening, painting, drawing, sewing, tennis and hiking. One of her greatest joys was spending time with her great-grandsons.

She is survived by her daughter, Lisa (Paul) Murray of Crandon; granddaughter, Nia (Taylor) Tauer; great-grandchildren, Teague, Alden and Jace Tauer of Green Bay; brothers, Curt (Cindy Klemp) Schoolman and Al Schoolman of Clearwater Lake; and aunts, uncles, sisters-in-law, brother-in-law, cousins, nieces, nephews and friends.

She was preceded in death by her husband of 57 years, Herb; son, Jay Rosio; son-in-law, Peter Ottmann; and by her parents.

In lieu of flowers, memorials in Tina's name may be directed to St. Jude Children's Research Hospital, or your favorite children's charity.

A celebration of life will take place in the spring.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

James L. Olderman, age 60 of Lakewood, passed away on Thursday, November 11, 2021 with family by his side. Jim was born on August 31, 1961 to Walter Olderman and Mavis Zimmerman in Green Bay. For 10 years, Jim worked as a tree trimmer for Asplundh Tree Expert Co. He then joined IBEW Local 2150 as an equipment operator working with power companies throughout the Midwest until his retirement. In 2006, Jim began seeing Cyndee Ebbens and they spent many happy years together. Jim loved the outdoors, hunting and fishing. He was a jokester; picking on someone was his way of showing love. Jim enjoyed helping members of his community.

Jim is survived by his girlfriend, Cyndee; mother, Mavis Zimmerman; 6 siblings, Diane (Gary) Kuse, Wayne "Bob" (Barb) Olderman, David (Jill) Olderman, Thomas (Bonnie) Olderman, Sharon (Mike) Volrath, and Linda (Audie) Davis; nieces and nephews, Angie, Robert, Amanda, Kristin, Amy, Jenna, John, Jade "The Cootie Queen", Levi, Jason, Jessie, Josh, and Cody. He is further survived by other relatives and friends.

He was preceded in death by his father, Walter; step-father, Douglas Zimmerman.

Per Jim's wishes, no services will be held. Gruetzmacher Funeral Home in Suring is assisting the family with arrangements. Online condolences can be expressed at www.gruetzmacherfuneralhome.com.

The family would like to thank the Vince Lombardi Cancer Clinic, Aurora Healthcare, and Unity Hospice for the wonderful care and compassion offered to Jim and his family during their time of need.

Stanley B Sopkowicz, 91 of Goodman, WI passed away Thursday, November 11, 2021 at Oscar G. Johnson VA Medical Center in Iron Mountain.

Stanley was born May 15, 1930 in Goodman, son of the late Frank and Rose (Marshall) Sopkowicz. He graduated from Goodman High School in 1948 and married Carol Graetz on July 25, 1953 at Union Protestant Church in Goodman. She preceded him in death in 2008. Stanley lived his entire life on his family farm which was established by his father in 1913. He purchased the farm in 1953. In 1954 Stanley was called to serve our country in the US Army during the Korean War. For the two years he served, Carol along with daily help from his father in law Ferris, and brother in law Ken kept the farm running. He always said he owed them a debt of gratitude he could never repay. Without their help he felt he and Carol would surely have lost the farm. He spent most of his life running a successful dairy and beef farm. He also had a tree farm.

He was selected as a finalist in 1963 for Marinette County's outstanding young farmer. He was a member of the American Legion and VFW. He served as commander of the VFW. He was an authorized provider in the Military Funeral Honors Program. He was a charter member of the Wild River and Goodman-Armstrong Creek Lions Club and was past president of both clubs. He was a supervisor on the Goodman town board, and also the town chairman. He was a member of the Goodman volunteer fire department, serving as secretary when it was established in 1966. He was a member of the Marinette County Board of Supervisors; shoreline zoning commission. He was a longtime director on the board of Laona State Bank. In July of 1989 he was honored in Madison for his tree farming program using Boy Scouts.

He and Carol had countless fond memories of time spent with family and friends at the cottage on Lake Hilbert. Together they enjoyed traveling to places such as Vegas, Reno, Lake Tahoe, and marveled at the Redwoods. He enjoyed hunting, fishing, snowmobiling and golfing, and was a member of the Nicolet Country Club in Laona. He was also a member of the Union Protestant Church.

He is survived by a brother in law, Ken (Zona) Graetz of Green Bay, many nieces and nephews, good friend Tish Wellnitz, and so many other special friends and colleagues.

Along with his wife Carol, Stanley is preceded in death by siblings Bernadette (Sister Gemma), Stella, Edward, Caroline, Bruce, Sophie, Steve, and Ted.

A memorial service will be held at 11am on Friday, November 19, 2021 at Union Protestant Church in Goodman, with Pastor Tim Smith officiating. Graveside services will follow at noon at Goodman Cemetery. The VFW will conduct military honors.

Stanley could bring a smile to anyone's face (and often a chuckle), and could teach us all the importance of showing kindness to others.

We express our heartfelt thanks to the doctors, nurses and staff at the VA hospitals for their compassionate care and concern for Uncle Stanley. And also to his friend Dennis Engel for helping him get to doctor appointments, run errands and perform tasks around the house.

Cards or condolences to the family of Stanley may be mailed to the funeral home or expressed online at www.ernashfuneralhomes.com.

In lieu of flowers memorials may be made in Stanley's name to the charity of your choice.

The family has entrusted the Erickson-Rochon & Nash Funeral Home of Iron Mountain with the arrangements.

Old Deer Continued from pg. 1

John, as unofficial leader of the hunting party, decided that we should spend the rest of the afternoon sitting on a ridge near Monico Creek. We were to walk the road at the bottom of the ridge with a hunter dropping off at intervals to watch the bottom of the ridge until dark.

Perry and I were the last in the line, and as we walked an old logging trail down to the creek, we noticed two sets of very fresh deer tracks that crossed the trail and entered about a quarter acre of thick aspen saplings. The aspen was bordered by a large open marsh on one side, the creek on the other and the trail we were standing on completed the triangle. I whispered to Perry that I would sneak in the brush and flush the deer out. One of the tracks appeared to be a buck track, the other a doe.

It has been forty years since that afternoon, but in my mind's eye, I can still see that six point buck jumping higher than my head, just a few feet from my left shoulder. I can vividly remember that big Marbles sight caught on the brush as I tried to swing that old, long gun on that buck. I know I managed to get the rifle up, but nothing happened. Then he was gone and Perry's gun opened up for two, maybe three shots. With a thick-headed feeling, I realized that I hadn't even pulled back the hammer on that old 94, making it damn hard to fire a shot.

Then, I heard John open up on the buck, about four shots. Then Alfred started pouring out lead. Silence, and then one shot. Not a loud report, it had to be Dad Marvin. I worked my way out of the saplings and was met by Perry's crooked grin and a shrug of his shoulders. Perry suggested we walk back and see what happened.

We met John and Alfred as they stepped out in the logging trail.

Continued in next column →

Both admitted that they missed cleanly with every shot. John said we might as well check on Dad, even though there wasn't a "chance in hell" that he could have hit that running buck. As we walked back towards the trucks, it was easy to see that the buck wasn't taking any chances on getting shot. He was hitting his stride, and the tracks he made in the snow were yards apart, not feet.

Glen sat on the tailgate of the pickup. His old .32 Remington pump was laying across his lap, his ankles were crossed and his feet were casually swinging back and forth. He had a small smile on his face and looked content. John said, "Well, I suppose he got by you too!"

Glen, matter of factly, said, "Nope, he laying over there," as he pointed to his left. John, with a disbelieving look, walked out of the old log landing where we had parked, into the second-growth that was starting to reclaim the clearing.

An excited voice rang out; "Dad, you shot out his left eye!"

Glen, with a disgusted tone, answered; "Damn it! I hate when that happens. I always shoot too quick! I was aiming for his left ear."

John walked back to his father and insisted that he had been extremely lucky. We heard a chuckle kind of deep and hearty; "Maybe I was lucky, maybe I wasn't."

Alfred told his father-in-law; "you better get over there and gut your deer. It'll be dark soon."

Dad Marvin reached in a pocket and pulled out a very sharp jackknife. Like I said, Glen was a sawmill man, and he liked to keep things sharp. He opened it and handed it to Alfred. "Well fellas," he said, "with my bad eyes I could easily cut of a finger. Maybe you two should do it."

I looked at Perry. He had a grin you couldn't wipe off with sandpaper. So did I. We watched as two men, both adults in their forties, walked slump-shouldered to the buck, both having learned one more lesson in life from Dad Marvin. It was a great day to deer hunt.

season or your children or grandchildren building a tree fort or playing on a rope swing in your woods. Likely by the opening of deer season the ash trees will have entirely dropped their foliage so it is important for hunters and woodland owners to be able to identify ash trees without fully intact leaves above or absence of leaves altogether.

There are four native ash tree species within Wisconsin: White ash, Green ash, Black ash, and Blue ash. There are many available online identification resources: UW-Stevens Point LEAF Tree ID Tool containing dichotomous keys, Virginia Tech Dendrology ID Keys available in an app and website form, UW-Green Bay Gary A. Fewless Herbarium Trees of Wisconsin.

These are some terrific informational ID guides with clear images for assistance.

Bark
Younger ash trees have smoother bark becoming rough and forming distinct diamond-shaped ridges with maturity.

Seeds
Single, flattened, paddle shaped (samaras) that occur in clusters. Typically remain on trees until late fall or early winter.

Branching and Bud Arrangement

Ash trees have an opposite branching pattern, meaning branches originate directly across from each other. Lateral buds (the buds along a twig) are also oriented across from each other.

Buds
Chocolate chip shaped terminal bud with visible leaf scars below the lateral buds.

Leaves
(if present) Compound leaves with typically 5-11 leaflets. The leaflet's margin (edge) may be smooth or toothed
