Forest County Board discusses a possible \$10 million Law Enforcement Center renovation

By Mike Monte

There were some interesting topics covered at the recent Forest County Board meeting on March 15th.

While there was some general business like the amount of money left for the courthouse renovation, which was quoted as \$1,130,000. This is from a \$5 million budget.

One notable change that was approved by the board was for the board to meet on a monthly basis instead of bi-monthly. Laabs brought up the extra cost, but Chairman Gretzinger brought up that the board is also quite busy these days, and that the extra meeting was needed.

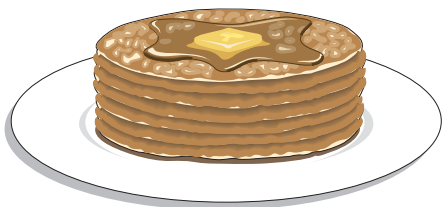

The board approved the change, so from now on, the county board will meet the 3rd Tuesday of each month.

The biggest topic discussed was a possible \$10 million updating of the Law Enforcement Center. The reason for this possibility is the need for increased security during trials. Currently, those heading to a trial or hearing in the courthouse have to be transported from the Law Enforcement Center to the courthouse, and this can, in certain cases, bring up a security risk. The update would put the court room and related offices in the addition.

There was some good discussion on the topic. Chaney thought that the subject should be acted on or at least made clearer at the April meeting when more info is known. The Chair agreed with this thinking and suggested that it be discussed at the April meeting. Laabs added that plans should be drawn up to meet the needs and determine the cost of materials and said that right now materials are high cost.

There was more discussion, with some board members adding that waiting 30 days won't make a difference.

The vote was taken and it was decided to table the issue to the April meeting by a vote of eleven to ten.

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

As Spring approaches, many of us will get out to start our Maple Syrup operations. Pure maple syrup is a natural and nutritious sweetener and a smart choice as a sweet topping or as a flavorful ingredient in baking and cooking. Maple Syrup is 100% natural and unrefined, retaining the inherent nutritional value of the sap obtained from the maple tree.

Maple syrup is a very good source of mineral nutrients and vitamins. Maple Syrup contains over 54 identified antioxidants and minerals. Compared to some other sweeteners it is lower in calories as well. According to many studies, maple syrup is deemed a healthier sweetener option.

In the state of Wisconsin, it is regulated that any maple syrup labeled pure must not contain any additives including flavor additives as some may. Pure Maple Syrup contains NO preservatives and can be kept in a sealed container indefinitely. After the opening of the container, it should be refrigerated to prevent mold. Maple Syrup can also be frozen. Maple Syrup may form sugar crystals inside the jug, but these are not dangerous to your health. Check out the food safety guidelines when making maple syrup.

Learn how to identify maple trees in winter. The middle of February to the middle of April is the time period to tap across Wisconsin. It will depend on the local weather conditions and the type of tap method you implement, but usually a good rule of thumb is to tap when you have had one or several days where temperatures have been above 32 degrees Fahrenheit and fall back below freezing at night. The reason for this is because at night, with the cold, sap leaves the roots and travels up within the tree. Then in the day the sap flows back down towards the roots due to gravity and the pressure within the tree. With a tap in the tree at this time the sap will flow from the tree as it flows downward within the tree. Each tree tap should, in a good year, produce an average of 40 gallons of sap which produces 1 gallon of maple syrup.

Wabeno Area Players presentation of "The Outrageous Adventures of Sheldon and Mrs. Levine"

The Wabeno Area Players are sure you will laugh until your ribs hurt when you see a performance of "The Outrageous Adventures of Sheldon and Mrs. Levine." Sheldon is played by the wonderfully talented RJ Chickey. Mrs. Levine is played by the veteran actress Carol Bartlein. There are many more performances still to be enjoyed of this hilarious comedy: March 24, 25, 26, 31, and April 1, 2 at 7:00 p.m. and March 27 and April 3 at 2:00 p.m. All shows are at the Nancy Volk Auditorium in Wabeno. Tickets are available online at www.ShowTix4U.com and will be sold at the door starting one hour before showtime. Tickets are \$15 for adults and \$10 for students. The show is rated PG-13. Come join the nonstop laughter!

Mapping broadband and internet access in Forest County

Hello Forest County Residents and Businesses, Student's, Etc.,

For those of you who have internet access, can we get you to take a broadband speed test where you live? Also, for those of you who do NOT have internet access. This is a safe link. It will only take a few moments and personal information is always protected and never shared.

At this link: <https://expressoptimizer1.net/public/>
When the link comes up:

- (1) Click let's do it
- (2) Type in your address
- (3) Click Check address
- (4) Click begin (after checking the tab)

Even if your home does not have reliable internet access, you can help. Visit the link <https://expressoptimizer1.net/public/> from a friend's home or the local library and click on "Enter an Address with No Available Service" to complete the survey.

Why are we asking you to do this? Because taking this internet speed test will help us identify areas of need for broadband in Forest County. This is part of a statewide test being taken all over Wisconsin. The Forest County Broadband Commission is working with the Wisconsin Economic Development Corporation and Grow North Regional Economic Development Corporation to roll out this simple speed test. We hope that EVERYBODY as noted above, residents, students, businesses - will take this simple speed test and take it repeatedly. Even those residents without internet access can help by logging onto the site from a friend's home or the local library. Click on "Enter an address with No Available Service" to complete it.

Another Reason we are asking you to do this: To tap into state and federal grants for broadband, we need to identify areas of greatest need. This is one major way to identify those areas of greatest need. It will provide you with information on the speed of your own broadband at home or at your business.
FOREST COUNTY FORWARD!

Continued on page 04

Spring must be coming!

These swans landed in a farm field near Argonne on County P. They are picking a meal from last summer's leavings. While the weather was just above freezing when this picture was taken, last Tuesday on May 22nd, the swans are likely an indicator that warm weather isn't far away.

Positive cases of covid-19 in Forest County

Forest County Public Health officials have confirmed 1 individual has been diagnosed with novel coronavirus infection (COVID-19) since March 1, 2022 with either a PCR, antigen, or home test. County health officials and local partners are contacting individuals who test positive as able. There have been 6 deaths this year related to COVID-19. This is a snapshot of the numbers as they are continuously changing throughout the day.

The Forest County Health Department encourages community members to get vaccinated, practice good hand hygiene, wear a mask or cloth face covering when necessary, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested. If positive, please isolate yourself away from others for 5 days since symptom onset and wear a mask for the 5 days following your release from isolation.

In an effort to keep our community members up-to-date on COVID-19, the Forest County Health Department will continue to update our Facebook page and local newspapers every Friday with current COVID-19 case counts as capacity allows. Please call our office at 715-478-3371 with any questions or concerns.

Sen. Felzkowski supporter of the changes to shoreland zoning

On Friday, Governor Evers signed Senate Bill 867 into law, which was championed by Senator Mary Felzkowski (R-Tomahawk). This bill, which passed through the legislature with strong bi-partisan support, makes changes to shoreland zoning laws regarding viewing corridors and bridge construction.

Viewing corridors for lake-front property, under current statute, are permitted to be 35 feet for every 100 feet of shoreline frontage. The purpose of this statute was to allow land owners to have a beautiful view of the lake they are residing on, while requiring that a vegetative buffer zone be maintained as well. Due to the unclear language of the statute, counties asked for clarification, as the current interpretation of the law requires at least 100 feet of shoreline before a viewing corridor is allowed. This bill allows a riparian landowner to create an access and viewing corridor that is 35% of their shoreline or 10 feet, whichever is greater.

"One of the greatest natural resources we have in Wisconsin are the thousands of lakes spread throughout the state. These lakes provide prime locations for homes and cabins, where it's only natural to want a view of the tranquil waters you live on. This commonsense, bi-partisan bill provides clarity in our laws, and protects the rights of the landowner to enjoy their property to the fullest."

This bill also adds bridges that have received a permit from the DNR to the list of structures that may be built within the 75-foot shoreland zoning setback area - putting county and local bridges on the level as state bridges, which are already exempt.

SB 867 was signed into law as 2021 Wisconsin Act 200.

Broadband Cont. from pg. 1

We {our Forest County Broadband Commission}can't do this without the help of Forest County residents. We need as many of us you - as possible to take this very easy internet speed test. The test will help determine where internet speeds are below Federal Communications Commission (FCC) standards and where the state needs to focus on building the broadband infrastructure.

Right now, the FCC has decided that the definition of broadband is 25 Mbps (mega bits per second) of download speed and 3 Mbps of upload speed. It is important to note that this definition is rapidly changing. Many involved in broadband throughout the United States are calling for a new definition of broadband to be 100/20, meaning 100 Mbps of download speed and 20 Mbps of upload speed. Whereas this would be a substantial improvement for sure, most experts are calling for speeds of 100 symmetrical meaning 100 Mbps/100Mbps both download and upload speeds. It important to note that upload speeds means that information is being sent - videoconferencing, etc. is being done. Hence, business transactions are being conducted when information is uploaded. So, yes, I would like to see upload speeds as high as download speeds. I am in favor of 100/100.

To take the test, residents and businesses simply need to visit <https://expressoptimizer.net/public> from their home or

SCHAEFER'S IGA PULL-OUT SECTION

SCHAEFER'S IGA PULL-OUT SECTION

This past Sunday, March 13, 2022, my wife and I were on Keith Siding Road going to Hwy W about 10:30 am. I missed a turn and slid in the fresh snow into a field and got stuck. A very kind young man stopped in his truck to check if we were all right. He called his father and his grandparents asking if they had a tow chain. His father came out to check on the situation and called a friend of his. His friend was there in 20 minutes and towed us out of the field. That young man basically saved our entire day. We live in the Milwaukee suburbs and were heading home before the accident. Due to the kindness of that young man, his father, and the man who towed us out, everything ended well. It really restored both our faith in good people. Some people in Milwaukee could learn a lot about kindness from those people around Crandon who helped us while in need.

We'll never know their names, but I wanted to send my sincere appreciation to them all.

Bless you,
Dan and Marisa Kentowski
Brookfield, WI

Spring elections ahead, ensure you have an ID to vote

Spring is officially here and the Wisconsin Spring Election is weeks away. Wisconsin Department of Transportation Division of Motor Vehicles (DMV) reminds voters to check and be sure that they have the proper identification needed to vote in next month's election (April 5).

Wisconsin driver licenses or IDs are the most common form of identification used for voting purposes. A federally compliant REAL ID card is not required to show at the polls. The Wisconsin Elections Commission notes other forms of identification are valid for voting, such as military or student ID cards. To see if a card meets the requirements, visit the Wisconsin Elections Commission website.

Voters looking to get their first Wisconsin ID can turn to DMV for help. To obtain an official ID card, there are documentation requirements such as a birth certificate. If all documentation is not readily available, the ID Petition Process (IDPP) may be used to obtain a receipt valid for voting while the remaining documents or verifications are obtained.

DMV offers this service and ID cards for voting purposes free of charge. DMV's toll-free Voter ID hotline at (844) 588-1069 is available for questions on obtaining an ID to vote.

DMV's website has a locator to help find the nearest DMV and check wait times (wisconsindmv.gov/centers).

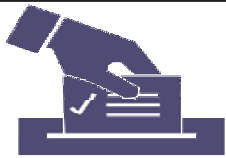

AREA EVENTS

VOTE for Jamie Thomaschfsky April 5th, 2022 for Crandon School Board

Will continue to work hard to make Crandon Schools a great place for our kids!!

- I have two kids in the district
- A strong business background
- Active in the community
- Coaches youth football, basketball & soccer
- I believe in a well rounded education for all of our students

Authorized & paid for by Jamie Thomaschfsky

PLEASE RE-ELECT JOHN DOANE FOR CRANDON SCHOOL BOARD APRIL 5TH

AN APOLOGY

I apologize to the Laona Lions Club and to Chitko Bros. for leaving them off the Laona Lions Club "thank you" we published in the 03 21 22 issue of the Pioneer Express. The Lions gave me the name of Chitko Bros. to add to the thank you and I left it off the finished ad.

Psst! WE have confidence in YOU.

Who are we? People who care, people like you. Though we may not agree on some issues, we want what's best for you and for us. We have confidence you will do the right thing, as we strive to do, so we can live together in harmony.

WE have confidence in YOU.

Who are we?

BIDS AND NOTICES

ACCEPTING BIDS ON FIREWOOD

The Forest County Forestry Department is accepting bids for 6 face cords of firewood at Veteran's Memorial Park on Lake Metonga. All firewood must be dry hardwood, 16 inches long, split to a diameter not to exceed 6 inches wide, delivered and stacked at Veteran's Memorial Park. "ALL" bid specifications must be met to be a valid bid. When bidding, please include the cost per face cord.

Please submit the bids to the Forest County Forestry Department, 200 E. Madison Street, Crandon, WI 54520, by 4:30 p.m., April 15, 2022. Bids will be opened at the next Forestry and Recreation Committee meeting.

BIDS AND NOTICES

School District of Wabeno Area Strategic Plan Update - Invitation

The School District of Wabeno Area invites any residents who live within the District boundaries to our Strategic Plan Update night on Monday, April 11, 2022 at 5 p.m. The event will be held in the cafeteria of the Jr./Sr. High school. The Administration will be providing an update on the Strategic Plan presented May 5, 2020.

For those planning to attend, please RSVP to the District Office by April 6, 2022. This is to give us an estimate for the meeting so we can plan on seating and snacks for the night. You can reach the District Office at 715-473-2592 ext. 4503.

Thank you in advance for having an interest in our District's future

Crandon Senior Spotlight - Alexis McCorkle

Alexis McCorkle, daughter of Rob and Stacey McCorkle, said her best high school memories were going to sports games, homecoming, winterfest, prom, playing basketball at lunch and getting a game of cards in whenever we got the chance senior year. Her accomplishments include going to state for basketball her sophomore year and being a part of organizations like National, Spanish and Psi Alpha Honor Societies. She is also the salutatorian of her class.

Over the past twelve years of her life she's learned many different life lessons, including the value of hard work, time management, critical thinking and many more. Basketball has taught her the importance of team-work and leadership. It has also helped her to gain confidence in herself. The most important thing she's learned is to never take any moment for granted because time moves fast.

She plans to continue her education at Nicolet Technical College through the UW-transfer program to earn an associates degree in science.

She would like to thank her parents for always believing in her and pushing her to be her best, her grandparents for always being there for her when she needs them, and her many basketball coaches over the years because she wouldn't be the person she is today without them.

CHS students qualify for the State Solo and Ensemble competition

L to R: Cole Shepherd, Elle Reeder, and Joey Walrath

On March 4, 2022, several Crandon Middle and High School students participated in WSMA Solo and Ensemble hosted by Florence High School. Seniors Elle Reeder and Joey Walrath, as well as Junior Cole Shepherd all played class A pieces and achieved the rating of a starred first which advanced them to the State Solo and Ensemble competition.

Elle played a piano piece by Ignace Paderewski titled "Minuet in G, Op. 14 No. 1". A vocal piece titled "The Vagabond" by Ralph Vaughan Williams with lyrics by Robert Louis Stevenson was sung by Joey. On trumpet, Cole performed "Grand Russian Fantasia" by J. Levy. Best of luck at the State competition!

Crandon Senior Spotlight - Carter Bissonette

Carter Bissonette, son of Bobbi and Chandy Bissonette, said a few of his best high school memories are from his freshman year. One of his favorite memories is his first final exam. Another good memory he has of high school is his sports career. He has learned a lot about life.

He has learned a lot in his past twelve years of school, but most importantly how fast time goes. He believes he has learned as much information as he will need to pursue his career.

He plans to attend NWTC for electrical power distribution. He then plans on becoming an electrical lineman.

He would like to thank his parents for pushing him to always do his best in everything he does. He would also like to thank all of his family for watching him in his sports over the years.

Crandon Senior Spotlight - Gabrielle Ackley

Gabrielle Ackley, daughter of Richard and Ethel Ackley and Amy and Mike Moringstar, said her best high school memories are sharing her artwork and her baked goods with friends and teachers. Her accomplishments include sharing her craft of felting at Night of the Arts.

In the past twelve years, she's learned to stop and think before making decisions. An important lesson is that some people you believe to be your friends are not really friends at all.

She plans to go to Nicolet for culinary arts in the future.

She would like to thank Mrs. Ison, Mrs. Gunderson, Mr. Marten, Ms. Nickel, Mr. Mac, Mrs. Peters, Ms. Hansen and Dad and Ethel for helping her make it this far.

Mark your Calendars!!!

Our chicks will be here the week of April 11th. You can stop in a reserve yours now.
