Hope For Ukraine Project at Wabeno Elementary

Students from the Wabeno Elementary School load one of two vehicles filled with medical supplies, food, and clothing heading to support the people of Ukraine. This project was spearheaded by the 5th grade students and staff to aid a family in our District who is directly affected by the conflict. Activities throughout the week included dress up days, donation collection, and a penny challenge. Students also made pins, ribbons, and bracelets to raise money for the cause. Throughout the week, the students and community together raised \$2,455.31, which will be donated to the International Committee of the Red Cross (ICRC.org) for the Ukraine Crisis. Congratulations to the 5th grade for winning the week-long challenge! We appreciate everyone for all the support and well wishes throughout the week!

Wabeno Area Players have a hit Still time to see it!

By Linda Monte
 If you need to add some fun and enjoyment to your weekend, I would advise you to take in the play put on by the Wabeno Area Players. "The Outrageous Adventures of Sheldon and Mrs. Levine" will give you plenty of laughs. The only players involved are Carol Bartlein as Mrs. Levine and R.J. Chickey as Sheldon. The two talented actors read letters from each other that give you an insight to their personalities, and how they relate to each other. The dialogue is fast moving and very entertaining. You won't be sorry if you spend an evening at the Nancy Volk Auditorium, in Wabeno and let yourself be entertained by this very well done play. There will be performances on March 31st., April 1st. and 2nd. at 7:00p.m. and April 3rd. at 2:00 p.m.

Lack of interest in county board leaves 8 districts with no candidate

By Mike Monte
 The election is coming up on April 5th, and there is a disturbing lack of interest in serving on the Forest County Board. There are open seats in the following districts: District 20 in the City of Crandon, District 13 in Nashville, District 12 in Pickerel, District 7 in Wabeno, District 6 in Laona, District 5 in Wabeno/Blackwell, District 3 in Caswell, and District 17 in Lincoln. While there is a possibility of a write-in in a couple of the districts, there is apparently no interest in other districts. Write-in can still file with the county clerk by Friday, and hopefully there will be some interest. According to the news on the radio, other counties have some hotly contested races, but here in Forest County, it seems that people are content to not get involved. There is still time to get a write-in campaign going, and it is important that the county have an active and diverse set of opinions on the county board. And, instead of plopping in front of the television every evening, you could attend a meeting and get paid for it. If you have any interest at all, you can still do it.

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us. After the latest batch of snow melts, my department will be checking the county woodlands for Garlic mustard. Garlic mustard is an herbaceous biennial plant meaning it has a two-year life cycle. This is an invasive plant in Wisconsin. The first-year plants can more difficult to spot and identify than the second-year plant. There are some first-year garlic mustard look-alikes. Garlic mustard flowers (reached senescence or maturity) as early as April so control and eradication efforts must be performed early in the year. Complete eradication of this woodland invaders, like many other invasive species, can take many years of effort as garlic mustard seeds can remain in the seed bed of the soil.

First-Year Plants

First year plants have leaves that form into clusters of 3-8 rounded to kidney shaped lobes. During the first-year growing season the leaves develop at the ground level. The leaves have scalloped edges and a wrinkled appearance and they remain green all winter.

Second-Year Plants

The flowers appear on this plant in the second-year growing season. The small flowers are made up of four petals and are found on the end of the main stem and side branches. These flowers can be seen from April through June and are the earliest emerging white flower seen in spring. The leaves of second-year plants are heart

Lovely Ladies

by Win Abney
 Pa and Ma were always looking for horses, but as I say, they had no truck to transport them. What they would do, when they learned there was a horse that they might buy, was to drive down. I'd ride along and if the horse was suitable and they wanted to buy it for their summer riding rentals, why, they'd buy it. Then it was my job to ride the horse home. I had one stop that I used to make when I would ride a horse home from Antigo after my dad purchased it. There was, at that time, the Ace of Clubs Tavern, right along the highway. Later on, they called it The White House and then something else, but when I was a kid in the late 30s, it was the Ace of Clubs Tavern. Quite frequently, they'd get a horse south of Antigo. There's a road called highway 52 that leaves 45 and goes on to Wausau. Often, they'd get a horse in there. They got a strawberry roan at somebody's farm, and sometimes they'd buy one near Bryant. We got a horse called Silver out towards Polar, and so it was my job to ride 'em home wherever they got them. South of Antigo, as I headed north towards home, I would stop at this Ace of Clubs Tavern because you could get a bottle of pop and they had candy bars. By that time, I was ready to take a little break, especially if I had an animal that was hard to manage or contrary. So I would stop the critter and go to the door. The place wasn't really open at that time in the morning, but there were always so many nice ladies, that as a kid, I thought that was great. Gosh, not only did they give me pop for a nickel, but they'd give me chewing gum and candy. They came out and looked at the horse and bragged about the horse and were just as thoughtful and courteous as you could be. I thought they were great ladies. And so I'd make it a point to stop there and get my Orange Crush every chance I could when I'd come that way. Well, it wasn't until years later that I realized it was not only a tavern where they sold booze and liquor, but it was also a place where they had ladies that were more than just house keepers. I think about it with a bit of fondness because they were good to me, and I always looked forward to stopping at the Ace of Clubs Tavern. I look back on it now with amusement because at the time, I didn't know what really was going on. * Mark your calendars. Jackie Hurley will be at the Crandon Public Library on April 8th @ 2:00 to share more of "Win Abney Tells A Good Story". She will also describe some of her experiences with self-publishing and a three-book historical fiction series for middle grade readers. Win Abney was a gifted story teller and a real-life adventurer. Many of his stories play out in this fast-paced series for horse lovers!

Positive cases of covid-19 in Forest County

Forest County Public Health officials have confirmed 1 individual has been diagnosed with novel coronavirus infection (COVID-19) since March 1, 2022 with either a PCR, antigen, or home test. County health officials and local partners are contacting individuals who test positive as able. There have been 6 deaths this year related to COVID-19. This is a snapshot of the numbers as they are continuously changing throughout the day. The Forest County Health Department encourages community members to get vaccinated, practice good hand hygiene, wear a mask or cloth face covering when necessary, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested. If positive, please isolate yourself away from others for 5 days since symptom onset and wear a mask for the 5 days following your release from isolation. In an effort to keep our community members up-to-date on COVID-19, the Forest County Health Department will continue to update our Facebook page and local newspapers every Friday with current COVID-19 case counts as capacity allows. Please call our office at 715-478-3371 with any questions or concerns.

Crandon Library to feature a talk by Jacqueline Hurley & a book sale

It is National Library Week (April 3rd-9th) at the Crandon Public Library. There will be an Author Talk and discussion with Jacqueline Hurley of Crandon, on Friday April 8th, 2-3:00 p.m. in the lower level of the library. This will be on historical fiction for middle grade readers and adult stories. With support from The Friends of the Library. A Friends of the Library Book Sale will be held on Friday, April 8th, from 9-1:30 p.m. and Saturday April 9th from 9-noon.

Check-in days are fast approaching for the Senior snoop shop

It's hard to believe, but check-in days for the Senior Snoop Shop are only two months away. If you're aged 50 or older and either live in or own property in Forest County or the immediately adjacent counties, you qualify to put your handmade crafts in the shop for sale. We would love to have you join us. The first business meeting of the year will be Thursday, May 12 @ 9:00 a.m. in the conference room at Associated Bank. All those interested in being consignees and/or volunteers are encouraged to attend. Check-in days will be Tuesday, May 17th and Wednesday, May 18th from 10:00 a.m. 'til 2:00 p.m. each day. Opening day for sales will be Friday, May 27th. The shop will then be open six days a week. For questions and other information, you can contact any of the officers. President: DeAnn Haga (262-385-7498); Vice-President: Robyn Karcz (920-606-8863), Treasurer: Kathy Gibbs (715-478-0403) or Secretary: Ann Koziol (715-478-2785).

-shaped to triangle. The leaves are coarsely toothed along the leaf margin and form in an alternating pattern along the stem. When the leaves are crushed it can produce a garlic odor. Likely the most prominent feature is the 1-4-foot-tall flowering stalks. Seed capsules appear soon after flowering. When ripe the seeds within the capsules are black in color.

Garlic mustard invades upland forests, floodplain forests, savannas, yards, disturbed areas, and roadsides. It prefers shaded areas, but can be found in full sun as well. Invasion of forests usually begins along the wood's edge, and progresses via streams, animal trails, and disturbed areas. This plant exudes antifungal chemicals into the soil that disrupts association between mycorrhizal fungi and native plants, suppressing native plant growth. Garlic mustard outcompetes many tree seedlings due to these characteristics.

Mowing as low as possible before the emergence of flowers can suppress garlic mustard. These plants may still resprout and flower. Woodland owners must monitor the population and repeat mowing. Care must be taken not to mow when mature seeds are present. Educating yourself on mowing times for common invasive species in northern Wisconsin is crucial to eradication efforts rather than increasing the spread.

Hand pulling in early spring before seed set is another viable removal method. If the plants are already flowering it is crucial to place the plants in plastic bags for trash disposal or burning. Bagged plants brought to landfill facilities should be labeled as "INVASIVE PLANTS - APPROVED BY WI DNR FOR LANDFILL." Pull if soil conditions allow for the removal of the S-shaped taproot. Cutting plants at their base just after the flower stalks have elongated but before any flowers have opened. Cutting may have to happen more than once during the growing season. Cutting with sharp shovel or spade below the soil surface is another option.

In some large natural settings fire is utilized but opening up the understory can encourage germination of stored seed in the soil and actually promote the growth of emerging garlic mustard seedlings. A follow up with a simple handheld propane torch can be beneficial. For this reason, burning must be conducted for 3-5 consecutive years in early spring or fall. Burning will control seedlings, but survival of second-year plants is variable depending upon the fire intensity.

Chemical application can be directed to individual plants or broadcast across an infested area. A higher concentration rate can be used on larger plants and denser populations and lesser concentration rates can be used on smaller and less dense populations. If garlic mustard that you wish to treat is mixed with desirable vegetation, applications of herbicides without soil activity in the late fall through early spring can reduce injury to desirable plants since garlic mustard emerges earliest and goes dormant later than most desirable vegetation. Whether applying chemical mixtures yourself or having a professional complete the application in your woodland, it is important to do research on chemicals and the safety concerned for humans and wildlife.

Something to note is that if your property is enrolled in the Managed Forest Law Program (MFL) Forest Certified Group option, there are restrictions on the use and type of pesticides allowed. Pesticide use on MFL Forest Certified Group lands should be reported to WI DNR.

Milestones Reached by Rebel Boys Basketball Seniors

The Laona/Wabeno Rebels boys basketball team saw two of their senior players achieve milestones in their basketball careers.

Connor Taylor finishes his high school career with 1,929 points, which sets a new record for the Rebel co-op program. He surpassed Cooper Chrisman, who held the record at 1,693 points. Connor was also selected to the Northern Lakes All-Conference team all four years of high school and was selected as the Offensive Player of the Year his junior and senior years. On March 13, 2022, Connor was also selected to play in the Division 5 All-Star game which will take place Thursday, June 30, 2022, in Wisconsin Dells. Congratulations, Connor!

Senior-Connor Taylor,
son of Bill and Tina Taylor

Senior-Reed Christianson,
son of Jake and Sherry Christianson

Reed Christianson finishes his high school career with 1,238 career points. Reed surpassed his dad, Jake Christianson, who had 1,173 career points for the Logrollers. Reed was also selected to the Northern Lakes All-Conference team all four years of his high school career. Congratulations to Reed on a very successful high school career!

Spring Book Fair

The Wabeno Lions Club has generously donated \$1,500 to the Wabeno Elementary Reading program. Pictured above is Al Harrison, Lions Member, and Laurie Christianson, Wabeno Reading Specialist. The donation will be used to provide every Wabeno Elementary student in 4-year-old kindergarten through 5th grade with a free book of their choice from the Spring Book Fair. The local Lions clubs in Wabeno and the Lakewood/Townsend area, McCaslin Lions and formerly Lioness, have sponsored the purchase of books for Wabeno School District students over many years. Over time, the generous donations of the local Lions Clubs have provided each student with a small personal library collection of self-selected books. We appreciate the Wabeno Lions Club and the McCaslin Lions Club for your continued support of literacy in our community.

American Diabetes Association Alert Day

WAUSAU, Wis. – More than 37 million Americans have diabetes according to the Centers for Disease Control and Prevention (CDC).

The American Diabetes Association estimates that 8.5 million of the 37.3 million that have diabetes were undiagnosed.

American Diabetes Association Alert Day, observed every fourth Tuesday of March, on March 22 this year, is a part of a movement to create awareness about the 'silent killer'.

"Unfortunately, many patients who are prediabetic don't understand the importance of proper nutrition, regular exercise and weight management until they are diagnosed with type 2 diabetes," explains Aspirus Health Diabetes Education Coordinator Kathryn Drexler, RN, CDCES.

Diabetes is a serious disease that can often be managed through regular physical activity, healthy eating habits, weight management, and the appropriate use of insulin and other medications to control blood sugar levels — if lifestyle modifications are not working.

If you have these risk factors, you may be at higher risk than others for prediabetes and type 2 diabetes, according to the CDC:

- You are overweight.
- You are 45 years of age or older.
- Your parent or sibling has type 2 diabetes.
- You are physically active fewer than 3 times per week.
- You ever gave birth to a baby that weighed more than 9 pounds.
- You ever had diabetes while pregnant (gestational diabetes).

"The main message I want people to take away from Diabetes Alert Day is that early detection is key to the prevention of prediabetes to diabetes," explains Drexler. "If lifestyle changes are implemented early, the progression to diabetes can hopefully be avoided and in turn mitigate the overwhelming clinical and public health burden it continues to cause."

Know your risk before it's too late to prevent the onset of diabetes. Spare a minute this year on Alert Day and take the Diabetes Risk Test from the official ADA website to get your results online.

Visit the Aspirus diabetes care website to learn more about diabetes and to find an Aspirus provider in your area.

FOREST COUNTY COMMISSION ON AGING TRANSPORTATION

A message from Mark Gatton...
 As the driver of the Forest County Office on Aging bus, I want to invite residents of Forest County to join us on our twice-weekly trips. We shop, sight see, enjoy lunch at various restaurants and, overall, have a great time.
 We pick you up and return you right to your door, even helping with your packages. All for just \$4!
 So, if you need to do some shopping, have a clinic appointment, need to stop at your pharmacy, want to do lunch, or just want a day trip to socialize and get out of the house, give me a call at 715-889-0859.
 Until we develop an established ridership, we will attempt to provide service to anyone who desires to join any trip.
Forest County to Rhinelander: Arrive about 10 a.m. Walmart complex and Aldi's plus any reasonable suggestions. Will stop for lunch. Depart Rhinelander by 2 p.m.
Forest County to Antigo: Arrive about 10 a.m. Walmart and Fleet Farm plus any reasonable suggestions. Will stop for lunch. Depart Antigo by 2 p.m.
Forest County to Iron Mountain: Arrive about 10 a.m. Walmart plus any reasonable suggestions. Will stop for lunch. Depart Iron Mountain by 2 p.m.
Tuesday, April 5: Rhinelander
Thursday, April 7: Antigo
Tuesday, April 12: Rhinelander
Thursday, April 14: Iron Mountain
Tuesday, April 19: Rhinelander
Tuesday, April 19: Antigo
Thursday, April 21: Rhinelander
Thursday, April 28: Rhinelander
 Destinations may change based on riders' needs or wishes. Call at least the day before riding.

Thank Yous and Personals

I am willing to say prayers for anyone who feels the need for prayers. I do not need to know why you would like to have prayers said. Please call Laurie at 715-484-7256.

THANK YOU!

The Lumberjack Memorial Trails Snowmobile Club (LMT) would like to thank our local community for all their support during this snowmobile season. We are an all-volunteer club, and our fundraisers play a big part in enabling us to keep our equipment in good shape, as well as fueled up for almost daily grooming. We had a nice long season, and we tried our best to keep the trails in the best possible condition for fun and safety.

We would also like to thank Jack Kloss, who was the president of Snow-Mo-Wheelers Club for over 30 years. The club recently dissolved, and they turned over all their assets to LMT. It will be put to good use. Thank you so much.

Letters to the Editor

We welcome letters to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Increasing domestic production would stabilize the rapidly increasing price of fertilizer

WASHINGTON, D.C. - U.S. Senator Tammy Baldwin joined a bipartisan group of colleagues in urging the Biden administration to prioritize domestic production of green fertilizer to support American agriculture, ensure price stability, and reduce greenhouse gas emissions.

The senators specifically called on the Biden administration to focus on domestic manufacturing of green ammonia for fertilizer as they develop Regional Clean Hydrogen Hubs. Authorized by the bipartisan Infrastructure Investment and Jobs Act, Regional Clean Hydrogen Hubs will boost economic growth and reduce hydrogen costs by expanding the use of clean hydrogen in the industrial sector and beyond.

"A clean, stable, domestic source of ammonia-based nitrogen fertilizers is extremely important for America's agriculture industry. A Regional Clean Hydrogen Hub focused on the manufacture of green ammonia for fertilizer would allow America's farmers to drastically reduce their carbon footprint while also providing price and supply stability to this critical farm input. We urge you to prioritize green ammonia production through the Regional Clean Hydrogen Hubs," the lawmakers wrote to Secretary of Energy Jennifer Granholm.

The letter was led by Amy Klobuchar (D-MN) and was also signed by Senators Chuck Grassley (R-IA), Tina Smith (D-MN), and Deb Fischer (R-NE).

The deadline for the Pioneer Express is Tuesday at 5 p.m.

Death Notices

Angelina C. De Leon, age 48, of Crandon, died unexpectedly Monday, March 21, 2022 at home. She was born on March 10, 1974, in West Allis, a daughter of Domingo De Leon "Jr" and Christine Wendorf.

After high school, Angelina attended UW-Green Bay receiving her Bachelors' Degree. Life eventually brought her to Crandon where she made many friends and cherished her relationship with her family.

She was an avid Green Bay Packers Fan, loved to read, watch QVC Network TV, a great storyteller and loved coloring. Angelina also liked collecting Barbie Dolls, Coca-Cola memorabilia, and gnomes. Angelina had a special bond with her Siberian husky, Mingo.

Those that knew her best will remember her as having a big heart and general love for life. She will always be remembered by her sister Michelle as "Baby Girl" "222." Angelina had a wonderful sense of humor and could make anyone in her presence laugh. Her concern for others and putting others before herself showed her caring and loving nature. In times of laughter, she would jokingly speak of her imaginary friend "Egata the Squirrel."

Survivors include her sister, Michelle De Leon (Billy Lemke) of Crandon; step-son, Shaun Laubert of Crandon; and mother, Christine Wendorf of Antigo.

In addition to her father, she was preceded in death by her significant other, Steven Laubert, and her brother, David De Leon.

Visitation was held Friday March 25, 2022 at Weber-Hill Funeral Home in Crandon from 1 p.m. to 3 p.m.

Her family would like to give a special thank you to Crandon Rescue Squad, Crandon Fire Department and Officer Bath of the Crandon Police Department.

Online condolences can be made to

Stephan "Steve" Roy Wheeler, 70, of Crandon, WI passed away Wednesday, March 23, 2022 at his home. Steve was born September 27, 1951 in Appleton, the son of Eldee and Regean (Thomack) Wheeler.

He was united in marriage on July 3, 1969 in Iron Mountain, MI to the love of his life Nancy Bauernfiend. Steve enjoyed working on his Chevelle, and spending time with family and friends. He was easy to talk to and quick to give advice. His words would not be all that he offered, being the first and sometimes most involved in working out the problem or helping you through a crisis. Afterwards he would sit with you by the fire, watching the sunset and recapping what a great job you did and helping you learn from what you had just accomplished.

Surviving are his wife of 53 years, Nancy Wheeler; daughters, Cyndee Wheeler of Brillion, WI and Sarah Wheeler (Jamie Fairfield) of Crandon, WI; son, Tom (Jan) Wheeler of Kaukauna, WI; grandchildren, Kaylin Chitko (fiancée, Kyle Kasten), Kyle Chitko, Tatum Munroe and Tanner Wheeler; sister, Jeanne Laux of Appleton; brothers, Richard (Stella) Wheeler of Florida, Gregory (Toni) Wheeler of Menasha and Mark (Cindy) Wheeler of Appleton; sisters-in-law, Barbara Heiden of Appleton and Belinda Zorn of Kiel; and his dog, Buddy.

He was preceded in death by his parents, Eldee and Regean Wheeler; sister, Leota Gillespie; brother, Roger (Beth) Wheeler; sisters-in-law, Suzanne (Dale) Diener and Bonnie Hotchkiss; and brothers-in-law, Floyd Heiden and Robert Zorn.

Celebration of life will be held at a later date.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Thomas V. Smith, ba-ga-maa-ham (Tomahawk), age 67, of Crandon, was born in Milwaukee, WI on September 3, 1954 and passed away surrounded by his loved ones on March 18, 2022 in Mole Lake, WI.

Tom worked in various places over his many years including roofing, construction, and for the Forest County Potawatomi Community before his retirement. He was enormously proud of his graduation from Nicolet College and loved spending his days hunting, fishing, and riding motorcycles. Tom loved being a grandpa and loved his cat Slingo, as well as all his family and close friends.

Tom was preceded in death by his parents, John and Norma Smith; sister, Alice Ackley; and brothers, Fred Ackley, Arlyn Ackley, Gary Smith, and James Smith.

He is survived by his daughter, Valerie (Doug) Ready; and three granddaughters, Claire, Anna, and Genevieve. He also survived by his sister, Judy Poler (Richard) and numerous close friends and family.

Visitation will be held on Saturday, April 2, 2022 from 10 to 11 a.m. at the Weber-Hill Funeral Home, Crandon. Memorial service will follow at 11 a.m. with Pastor Don Dewing officiating. Online condolences may be left for the family at www.weberhillfuneralhome.com.

**FACSIMILE BALLOT NOTICE OF
GOODMAN-ARMSTRONG CREEK SCHOOL DISTRICT
REFERENDUM ELECTION
APRIL 5, 2022**

**OFFICE OF THE DISTRICT CLERK OF THE GOODMAN-ARMSTRONG CREEK SCHOOL
DISTRICT**

TO THE ELECTORS OF THE GOODMAN-ARMSTRONG CREEK SCHOOL DISTRICT

Notice is hereby given of the referendum election to be held in the Goodman-Armstrong Creek School District, on the 5th day of April, 2022 at which the referendum question set forth in the sample ballot below shall be determined.

INFORMATION TO ELECTORS
Upon entering the polling place, the elector shall give his or her name and address, show an acceptable form of photo identification and sign the poll book before being permitted to vote. If an elector is not registered to vote, an elector may register to vote at the polling place serving his or her residence, if the elector presents proof of residence in a form specified by law. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot. Upon being permitted to vote, the elector shall retire alone to a voting booth or machine and cast his or her ballot except that an elector who is a parent or guardian may be accompanied by the elector's minor child or minor ward. An election official may inform the elector of the proper manner for casting a vote, but the official may not in any manner advise or indicate a particular voting choice.

On referenda questions when voting by paper ballot, the elector shall make a cross (X) in the square at the right of "yes" if in favor of the question, or the elector shall make a cross (X) in the square at the right of "no" if opposed to the question. On referenda questions when voting by marksense ballot, the elector shall complete the arrow at the right of "yes" if in favor of the question, or complete the arrow at the right of "no" if opposed to the question. On referenda questions when voting by optical scan ballot, the elector shall fill in the oval at the right of "yes" if in favor of the question, or fill in the oval at the right of "no" if opposed to the question. On referenda questions when voting by touchscreen ballot, the elector shall depress the button next to "yes" if in favor of the question, or depress the button next to "no" if opposed.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector. Except for touchscreen ballots, if the ballot has not been initialed by two inspectors or is defective in any other way, the elector shall return it to the election official, who shall issue a proper ballot in its place. Not more than five minutes' time shall be allowed inside a voting booth or machine. Sample ballots or other materials to assist the elector in casting his or her ballot may be taken into the booth and copied. The sample ballot shall not be shown to anyone so as to reveal how the ballot is marked.

After an official paper ballot is marked, it shall be folded so the inside marks do not show but so the printed endorsement and inspectors' initials on the outside do show. The elector shall leave the booth, deposit his or her folded ballot in the proper ballot box, or deliver the ballot to an inspector for deposit, and the elector shall leave the polling place promptly.

After an official marksense or optical scan ballot is marked, it shall be inserted in the security sleeve so the marks do not show. After casting his or her vote, the elector shall leave the booth, insert the ballot in the voting device and discard the sleeve, or deliver the ballot to an inspector for deposit. If a central count system is used, the elector shall insert the ballot in the ballot box and discard the sleeve, or deliver the ballot to an inspector for deposit. The elector shall leave the polling place promptly.

After an official touch screen ballot is marked, the elector shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot. The selected individual rendering assistance may not be the elector's employer or an agent of that employer or an officer or agent of a labor organization which represents the elector.

NOTICE OF REFERENDUM ELECTION

Goodman-Armstrong Creek School District
TAKE NOTICE that a referendum election shall be held on April 5, 2022 in the Goodman-Armstrong Creek School District for the purpose of approving or rejecting a Revenue Cap Resolution adopted by the School Board of said District on December 15, 2021.

The Revenue Cap Resolution reads as follows:

**RESOLUTION TO EXCEED REVENUE CAP
COMMENCING WITH THE 2022-23 SCHOOL YEAR
BY AN AMOUNT OF \$750,000**

BE IT RESOLVED by the School Board of the Goodman-Armstrong Creek School District, Marinette and Forest Counties, Wisconsin, that the final school district budget shall include an amount not to exceed \$750,000 in excess of the revenue limits imposed by Section 121.91 of the Wisconsin Statutes each year for a period of three years on a non-recurring basis, beginning with the 2022-23 school year and ending with the 2024-25 school year, for the purpose of paying District operation and maintenance costs.

The referendum ballot will ask District electors: "Shall the School Board of the Goodman-Armstrong Creek School District be authorized to exceed the revenue limit under Section 121.91 of the Wisconsin Statutes beginning with the 2022-23 school year through the 2024-25 school year on a non-recurring basis by an amount of \$750,000 each year for the purpose of paying District operation and maintenance costs as provided in the foregoing resolution?"

A "yes" vote is in favor of the resolution set forth above and is a vote to approve exceeding the revenue limit under Section 121.91 of the Wisconsin Statutes for the 2022-23 through 2024-25 school years on a non-recurring basis by an amount of \$750,000 each year for the purpose of paying District operation and maintenance costs.

A "no" vote is opposed to the resolution and is a vote to deny exceeding the revenue limit under Section 121.91 of the Wisconsin Statutes for the 2022-23 through 2024-25 school years on a non-recurring basis by an amount of \$750,000 each year for the purpose of paying District operation and maintenance costs.

Persons with questions regarding the referendum election should contact Amy Wysocki, Superintendent.

FOREST COUNTY FORESTRY DEPARTMENT Accepting Bids

The Forest County Forestry Department is accepting the following bids for the Veterans Memorial Park on Lake Metonga. The Campground has 65 sites and will be open from June 1, 2022 until September 30, 2022.

Six (6) face cords of firewood: All firewood must be dry hardwood, 16 inches long, split to a diameter not to exceed 6 inches wide. Please provide one bid for 6 face cords bundled, delivered and stacked at Veteran's Memorial Park. When bidding, please include the cost per face cord.

Blocks and bags of ice: With the purchase of ice, we ask that a freezer or ice merchandiser be provided for storage and capable of holding at least 150 blocks or bags and there must be a delivery over 4th of July weekend. When bidding, please include the cost per bag of ice as well as the cost per block of ice. The volume in each block or bag should also be listed on the bid.

Pumping holding tanks: The Campground has tanks at the shower/restroom facility, manager's cabin, RV dump station and one pit toilet (men's and women's). When bidding, please include the cost per gallon for pumping all tanks as needed for the 2022 summer camping season.

"ALL" bid specifications must be met to be a valid bid.

Please submit bids to the Forest County Forest Administrator, Courthouse, 200 East Madison Street, Crandon, WI 54520 by 4:30 p.m. by Friday, April 15, 2022. Please designate on the envelope "Ice Bid", "Firewood Bid" or "Pumping Tanks Bid". Bids will be opened and awarded at the next Forestry Committee Meeting in the County Board Room of the Courthouse in Crandon.

If you have any questions, please contact the Forestry department at (715)478-3475 or travis@co.forest.wi.us.
