Jameson's 1930 Inn is Now Open for Business in Crandon

Stephen Wilson and Stacey Jameson outside of the new Jameson's 1930 Inn.

Stephen Wilson and Stacey Jameson are proudly announcing the reopen of doors at former Crandon Hotel Bar & Restaurant on Thursday June 16th offering lunch and dinner. The Wisconsin traditional Friday Night Fish Fry and the weekly draw surpassed only by Friday Night, Saturday Prime Rib Night, will be prepared and served. Pair that with our signature drink, the Wisconsin Old Fashion, muddled and prepared with local maple syrup. The addition of breakfast to be added at a later date.

Camp 5 & the Lumberjack Steam Train begin 2022 season

After sitting out the 2021 season because of covid, the Lumberjack Steam Train will once again be carrying passengers to the Camp 5 Museum Complex.

The ride on Ol' 4-Spot will bring them to the Logging Museum, complete with a working blacksmith shop, along with vintage photos and the tools that were used to provide lumber to an expanding nation.

The Farm Corral will give the visitor a chance to interact with farm animals, along with feeding and petting. The Nature Center gives insight into the ecology of the Northwoods of Wisconsin and is a delight to the eye. A ride on the Green Treasure Forest Tour will give a look at a managed hardwood forest, from the seat of a trolley car, and the visitor gains insight into how a forest can provide the products we use in our life and still maintain its beauty and sustainability.

There is also the Ecology Walk to enjoy, shopping can be done at the Cracker Barrel Store, and later in the growing season, the 7-acre maze.

With all of the things to see and do, the visitor can build up an appetite, and Choo-Choo Cafe will be waiting with delicious hamburgers, hot dogs, deep-fried foods, chips, cold drinks and other taste delights.

The steam train leaves the vintage depot on Hwy 8, on Laona's west side, starting at 10:00 a.m. and each hour until the last run at 1:00 p.m. The last train returns to the depot at 3:00 p.m. Camp 5 is open Tuesday through Saturday.

The charge for adults is \$20, children age 4 to 16 \$8, and there is a family rate for two adults and three or more children ages 4 to 16 of \$60. Children under three have free admission. Seniors age 65 or older receive a \$2 discount from admission, and active duty military servicemen with proper ID receive free admission for them and their families.

The Lumberjack Steam Train will give an insight into how people traveled back in the days of steam trains, and the whole experience will be a delight for the entire family, no matter what the age.

All are welcome and encouraged to experience this unique attraction.

Wabeno Lions Club hosts Senior Citizens Dinner

After being put onto the back burner for two years, thanks to the pandemic, the Wabeno Lions Club is hosting their "annual" Senior Citizens Dinner once again. The social event will take place at the Wabeno Firefighters Grounds on Friday June 24, starting at 4:00 pm. The event is FREE, honoring our senior citizens "around 55+" (ages not checked!) from the Wabeno area, including Freedom, Blackwell, Carter and Pados.

It will be a spaghetti dinner with salad and garlic bread and complimentary beverages.

The afternoon/evening will have fun gambling, with Bingo, meat raffle and our usual 50/50 drawing, where we give back 50% and then give back the remaining 50%, as well! Everyone LOVES to win!

REQUIRED: Please call Lion Gregg Tallier at (715) 473-3844 or text (715) 889-0274 to reserve your spot! No deliveries this year. Have someone drive you to town and they are invited, too! The Lions Senior Citizens Dinner precedes the 2nd Annual Mega-Meat Raffle, held the very next day from noon till 6:00 at the same Grounds. Plan to join ALL the fun!

FCP Brush Run Weekend

Living up to a well-earned reputation as the "Big House," Crandon International Raceway today released the official schedule for its upcoming 29th annual Forest County Potawatomi Brush Run race weekend -- as well as additional prize money for Pro and Sportsman drivers. Scheduled for June 24 - 26, the AMSOIL Championship Off-Road Series will be the center piece of the massive event schedule, with an expected field of more than 250 racers taking part in a Brush Run record of 57 on-track race activities.

On Friday, June 24 the track will host 16 practice and six qualifying sessions for both Pro and Sportsman categories. An action-packed schedule of 17 races and a live evening concert will take place Saturday, June 25. The weekend will be capped with 18 total races on Sunday, June 26, including the exciting 29th annual Forest County Potawatomi Community Cup finale.

With six events on its 2022 schedule, the AMSOIL Championship Off-Road series kicked-off a few weeks ago in Antigo, Wisconsin.

The Blackwell Centennial The Henkel history

August Henkel was born October 16, 1891 in Germany. He served in the military in 1911. Later, he crossed the ocean and ended up in Wisconsin in search of farmland to settle and raise a family.

He took a job as the team driver with the Flanner-Steger Lumber Company in Blackwell. In 1913, he returned to Germany to bring his intended bride, Emily Monte, to Blackwell.

While there, WWI broke out and August did not have a passport to board the ship. He folded his work papers and put them in his pocket. With everyone rushing to board the ship, when it came his turn, he motioned to the papers in his pocket and was passed through.

August and Emily married in the Wabeno Lutheran Church, in 1914. Emily took a job in the boarding house, and they became naturalized citizens in 1919.

August purchased his farmland in Blackwell and raised cows, pigs and chickens and put in a huge garden. Children would come to their house with containers for milk, and Emily always had cookies or piece of freshly baked bread for them.

Conservation Corner

6/3/2022

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

The Forest County Land & Water Department wrapped up another successful Plant Sale on Friday, June 3rd. Native plant orders went out in February and plants were ordered from Hansen's Greenhouse in Oneida County. This year we tried to add a few more shrubs and bushes to the orders. In all about twenty pre-orders were received. The plants ranged from native columbine, cardinal flowers to thimble berries and snow berries.

Plants were picked up on Thursday, June 2nd and were very healthy looking. On Friday, Land & Water set up by the tank in the Forest County Courthouse Square and by 4pm all plant orders were picked up.

The Land & Water Department would like to thank everyone that ordered and picked up plants. The proceeds from the sale will go toward providing scholarships for local students to attend Conservation camps in the Summer.

Rebel Golfers head for State

**PICKEREL
AUTO BODY**
W6482 Cty. Rd. A, Pickerel, WI 54465 • (715) 484-2402

Accomplishing so much for this small town, the Rebel golf team has earned themselves a spot at the State Championship Golf Tournament. Hard work was shown by dominating the conference earning the team the title of undefeated conference champions. They went on to become Regional Champions, but the Rebels aren't done yet. The team consists of five golfers, competing with themselves but ultimately working together to earn a spot at the state tournament as a team.

Led by two seniors Ryan Simonis and Reed Christianson the Rebels have had a dominant season never finishing below 2nd in any tournament the entire year. Ryan was conference MVP and Reed was close behind and finished second overall in the conference.

Behind the two seniors is a strong group of underclassmen. Gage Liptack a sophomore, Owen Seeber a junior, Carter Champine a freshman, and Lawton Webb a sophomore also was a varsity letter winner and Galen Schumacher was close behind in the first spot on the JV team.

Proving themselves worthy at the Sectional tournament this past Tuesday, the Rebels are confident and eager for this exciting opportunity. Great job representing our program and the Laona-Wabeno community!

McCasin Lions clean up after the litterbugs

May 16th was the annual spring HWY Cleanup along HWY 32 from the Lakewood overlook to Townsend. 16 McCasin lions participated in the cleanup. They had collected 30 bags of trash. They encourage all to keep their garbage with them until a receptacle can be found. Let's help keep our Northwoods clean!

Clean Boats Clean Waters-Townsend

The Townsend Inland Lakes District held a meeting for the Clean Boats Clean Waters Program boat landing volunteers at the home of Judi Fellows, CBCW Volunteer Coordinator. Nine volunteers attended the training session which was presented by Derek Thorn who is the coordinator for the Aquatic Invasive Species Program for FLOW (Forest-Langlade-Oconto Waterways). The volunteers will welcome boaters at the Horn Lake and Reservoir Pond landings and inspect their boats for aquatic invasive plants as they enter and leave those landings.

It is anticipated that this year will be back to normal for boating activity on the lakes. Anyone interested in volunteering to work at the boat landings should contact Judi Fellows at 715-213-4123.

Wabeno High School - Perfect Attendance 2021-22

Wabeno High School is pleased to announce that Kierra O'Keefe, an 11th grade student, has maintained perfect attendance for the 2021-22 school year. Kierra has only missed a half of day of school since entering the Wabeno High School in 2017.

Congratulations on this accomplishment, Kierra!

Wabeno 5th grade life science activities

Mrs. VanKauwenberg's 5th graders were very busy in May with life science, hands-on learning activities. We incubated chicken eggs and learned about chick embryology & development. Students took notes & made observations in a science journal during this 21-day journey.

In addition, students were graced with the presence of Mr. Joe Shepard from the FCP Community Farm on two separate visits to our classroom. Mr. Shepard brought in all different kinds of vegetable seeds for students to choose from to plant. Each student selected eight seeds of their choice to grow under the garden light in our classroom. He later joined our class to help students transplant their seedlings to take home and plant.

Lastly, we did a short study on backyard birding with a focus on the characteristics of the common house wren. On May 16 & 17, students went to the Fab Lab at the high school to make wren houses to place in their backyards. Fifth graders had just finished a science unit on simple machines and were able to put some of their knowledge to use in building the bird houses. Hopefully, some of our students will be able to see birds make use of these birdhouses this summer!

Fruit and Vegetable Prescription

The perfect place to find fresh food is at your local farmer's market. From farm to table, the produce is one of the healthiest ways to get all your nutrients.

"Summer is the perfect time to give canned and frozen produce a break - to give our bodies and minds a healthy boost with some fresh fruits and veggies," said Danielle Polega, APNP, a Family Medicine Nurse Practitioner at Aspirus Tomahawk Clinic. "As a bonus, buying them at a farmers market is a fantastic opportunity to support our local farmers."

Aspirus has launched another year of their Fruit and Vegetable Prescription (FVRx) Program which helps provide patients with access to fresh produce. Patients are identified by the Patient-Centered Medical Home team and Health Resource Team as having a need, whether it be food insecurity, low-income, chronic conditions, or lack of access. Eligible patients are given a "prescription" to use at one of many participating farmers markets in the Aspirus service area.

"We know that a diet that's rich in fruits and veggies is healthy for us, but not everyone has the same access to these items," adds Polega. "This program is designed to get more nutritious foods in the hands of more families in our communities."

Oftentimes farmers market vendors provide free tastes of things like raspberries, local jellies, and fruit. The aromas of fresh vegetables and fruits are so wonderful that it makes you want to start planting. You are bound to taste or see something that triggers a smile.

Here are some tips for getting the most from your trip to the farmer's market:

- Go early. You may not need to be among the first arrivals for a weekday market, but weekend markets get busy fast. If you arrive too late, the best pickings may be gone.
- Bring cash and reusable bags. Transactions will go easier if you have a pocket of small bills. Plus, you need sturdy bags to carry your items home.
- Talk to the vendors. The sellers want to talk about their fruits, veggies, and jams. Ask for buying and storing tips. They can often give you recipe ideas too.

For more information on the FVRx program or to see if you qualify, visit <https://www.aspirus.org/fvr-program>.

Death Notices

Introducing & welcoming Pastor Michael Willitz

Trinity Lutheran Church, Wabeno and Risen Savior Lutheran Church, Mountain are glad to announce the arrival of our new minister! Pastor Michael Willitz accepted the call to serve our congregations and started as our pastor on May 22, 2022. Pastor Willitz came to us from Lord of Love Lutheran Church in Deforest, WI where he served for nearly eight years as an associate pastor.

Michael Willitz is the third of seven children born to the Reverend Joel and Dawn Willitz. He lived in three different states as a child: Florida, Georgia, and Wisconsin. Michael received his bachelor's degree in education in 2008 from Bethany Lutheran College (Mankato, MN). Following college, he taught English for one year in Wenling, China.

After returning to the United States, Michael began studies at Bethany Lutheran Theological Seminary (Mankato, MN). In his senior year, he served as a vicar in Sutherlin, OR and graduated from seminary in December 2013. After attending one semester of classes at Wisconsin Lutheran Seminary (Mequon, WI) he was assigned to his first parish in Deforest in 2014.

In 2018, Michael was united in marriage to Erica Babinec. Erica grew up in Onalaska, WI. She graduated from Martin Luther College (New Ulm, MN) in 2012, and then began teaching. She taught for three years in Beijing, China; one year in Watertown, WI; two years in Lowell, AZ; and one year in Sun Prairie, WI. Erica now keeps busy at home raising the two Willitz boys.

The Willitz's are very excited to be living in Wabeno and are grateful for the warm and friendly welcome they have received from both congregations. They are eager to get to know the congregational members the entire Wabeno community.

Blackwell Centennial Cont. from pg. 1

August sponsored some families from Germany to come to Blackwell and work on the farm. Herman Reiter and his family emigrated here and lived in the small white house on the corner.

The Henkels had two children; Margaret, who married Clarence Rogge and moved to Oshkosh, and Eric, who remained in Blackwell to run the farm. Eric married Helen McKinney, from Kempster, who was employed as a maid in the George Flanner home.

Money was tight, and the two planned to elope, but August heard of the plan. He said he would help pay for a wedding. Harriet Flanner lent Helen her wedding veil for the ceremony.

Eric farmed until he suffered a stroke. Helen worked at the NuRoc Nursing Home, retiring as assistant administrator. They had two children, Ronald and Carol. Ronald still lives on the farm, but rents out the fields to a local farmer. Carol and her husband Ron farmed in the Langlade area, and she now lives in Lily.

Dorothy (Dot) M. Greasby of Lakewood died Tuesday, June 7, 2022 with her family by her side under the care of Lakewood Assisted Living and Unity Hospice. She was 98 years old. She was born March 26, 1924 to Antone and Anna (Lewins) Smits in Glenmore, Wisconsin.

Dorothy attended St. Joseph Catholic Grade School, later earning her GED. She married Earl Dunks and together they raised nine children. The couple farmed on property in Oneida before moving the family to Lakewood in 1972 where they owned and operated Earl & Dot's Bar. Following Earl's Death in 1977, she married William (Bill) Greasby in 1979. Bill and Dot shared many great years together.

Hobbies included bowling, playing cards... especially sheepshead and smear, crocheting, polka dancing, fishing, cooking large dinners for the holidays, baking pies and feeding hummingbirds. Many blankets, towels, scarfs, and dishcloths were lovingly made for family and friends thanks to her crocheting talent. "Snow birding" to Florida was a love she shared with Bill having done so into her 90's.

She had tremendous love for her family especially her grandchildren and great-grandchildren. You could always find candy at grandma's house, gummy bears being her favorite. Later in life, she discovered her love of music. Her two favorite songs were "You are my sunshine" and "Jingle Bells" as she would sing them often to her friends at Lakewood Assisted Living.

As she and Bill got older, they moved to an apartment by St. Mary's of the Lakes Catholic Church. Dot had a strong faith in God and was always involved with church activities.

In addition to her parents, Dot was preceded in death by her first husband, Earl; second husband, Bill; sons, David Dunks and Robert Dunks, along with his wife Susan; sisters, Leona (Norbert) Vanden Langenberg, Marie (Jim) Van De Voort and Mable (Eddie) Ebben; brothers, Donald Smits and Elmer (Delores) Smits; and in-laws, Wilbur (Mavis) Greasby, George (June) Greasby, Beatrice (Harold) Van Lanen and Eli (Amelia) Dunks.

Survivors include her daughters, Judith Christensen, Dianne Dunks, Joanne (Robert) Roy and Karen (David) Kerber; sons, James (Bonnie) Dunks, Richard (Jeanette) Dunks and Michael (Mary Jo) Dunks; step-children, Mary (Greg) Thompson, Albert Greasby and Colleen Greasby; sister-in-law, Arlene Smits; brother-in-law, Rodger (Sharon) Dunks; 27 grandchildren and 42 great-grandchildren.

Special thank you to Lakewood Assisted Living for the special care given to her over the past many years. It was a blessing to know she was in good hands and to see the tenderness and dignity of care provided to her. Thank you to Unity Hospice for your care over the past few years and helping to provide her with a wonderful level of care.

Visitation will be held Saturday, June 11, 2022 from 9 a.m. to 11 a.m. at St. Mary's of the Lake Catholic Church in Lakewood. Mass of Christian burial will be held at 11 a.m. with Father Philip Dinh Van-Thiep officiating. Burial will take place at a later date at St. Joseph Catholic Cemetery in Oneida, WI.

Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences can be made at www.weberhillfuneralhome.com.

Elizabeth Bailey, 81, of Wabeno, passed away Saturday, June 11, 2022 at her home. Elizabeth was born May 12, 1941, the daughter of Albert and Margaret Holmes. She was united in marriage on August 2, 1959 to Marvin G. Bailey.

Surviving Elizabeth are her daughters, Beverly (Ken) St. Peter of Wabeno, Kathy (Dave) Smith of Gillett, Jamie (Jason) Bauer of Laona and Angela Bailey of Wabeno; sons, Richard (Dana) Bailey of Wabeno, Marvin (Pat) Bailey of Shawano and Gerald Bailey of Suring; 20 grandchildren; numerous great-grandchildren and great-great-grandchildren; and sister, Elaine Framness of Montana.

She was preceded in death by her parents; husband, Marvin Bailey; and daughters, Mary Kiefer and Maria Bailey.

Services will be held on Friday, June 17, 2022 at Weber-Hill Funeral Home in Wabeno, WI with Pastor Ben Larson officiating. Burial to follow at Forest Hill Cemetery. Visitation will be held from 10 a.m. to time of service at 11 a.m.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Mary Jane O'Donnell Schultz, 85, of Crandon, WI passed away peacefully at NuRoc Nursing Home June 12, 2022, surrounded by her family.

Mary was born August 8, 1936 in Crandon to Harry William and Jane Hambley O'Donnell. Mary had three siblings: Thomas, Susan, and Harry Jr. Mary attended Crandon High School graduating in 1954. She married her high school sweetheart, William Lawrence Schultz, on November 20, 1954. They made their home in Crandon and together had four children: Kirby (Ann), Brian, Candace (Bucky) and Stephanie (Bret). Mary attended Antigo County Normal receiving an Associate Degree in education. Mary was owner/operator of Mary Jane's Thread Mill located on Lake Avenue in Crandon for many years. The shop was a gathering place for family and friends to knit, crochet, eat, drink coffee and chat. Mary was an active member of St. Luke's United Methodist Church her entire life. She was a Sunday school teacher, choir member and member of United Methodist Women's Club. Mary was also a life member of Eastern Star.

Mary enjoyed being a homemaker and was an avid baker. Delicious meals were always being prepared in her kitchen with a special dessert included. Her children vividly remember coming home from school to fresh baked bread, caramel and cinnamon rolls. She loved to sew, knit, needlepoint, paint, crochet, play piano, sing, and read.

Mary has 13 grandchildren: Ryan, Tatum, Paige, Bailey, Megan, Jacob, Abbe, Bill, Tim, Matthew, Elizabeth, Kathryn and Mary; and 19 great-grandchildren: Paris, Addison, Enzo, Oliver, Theo, Henry, Scout, Mack, Ayla, Will, Elliott, Caleb, Vivian, Alexander, James, Kady, Wesley, Nash, and Ella.

In a unique yet beautiful sequence of events, Mary passed away on the same day as her daughter, Stephanie, entering heaven's gates together. Mary and Stephanie will be missed dearly, but their memories will live on forever through their loved ones.

Visitation will be held on Thursday, June 16, 2022 from 5 p.m. to 7 p.m. at Praise Chapel Community Church in Crandon. Visitation will be held from 9 a.m. to time of Memorial service at 10 a.m. on Friday, June 17, 2022 with Pastor Franz Gerber, Pastor Francois Kazadi Mukosa and Pastor Dick Kendal officiating.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Stephanie J. Mattson, 58, of Crandon, WI passed away peacefully in her home on June 12, 2022. She was surrounded by family and got to enjoy her beloved view of Lake Metonga in her final days.

Stephanie Jane Schultz was born March 26, 1964, in Rhinelander, WI to Bill and Mary Jane Schultz of Crandon, WI. "Stephie" or "Snef" was the youngest of four children. Her older siblings Kirby, Brian, and Candy adored her almost as much as her parents did. Stephanie attended Crandon High School and later went on to graduate from the University of Wisconsin-Madison, where she met some of her lifelong friends. Stephanie married her soulmate, Bret Mattson of Wabeno, WI on August 8, 1987. The couple then welcomed daughters Kathryn and Mary in 1991 and 1994. Stephanie took great pride in being a wife and a mother, two roles that she made look effortless. She was a devoted sister, aunt, and friend to many. She was also the best grandma to her four grandchildren, a role that some may argue she was put on this earth for.

Even before building a beautiful home on the lake, Stephanie could be found enjoying summers waterskiing, watching off-road races with friends and family, and dancing to 'Love Shack' anytime she heard it. In the winters, she enjoyed snowshoeing, ice skating on the lake, watching Hallmark movies with the girls (and sometimes Bret), and her loved ones always enjoyed Steph's Christmas Rollout Cookies. She always had a positive attitude no matter the circumstances. She lit up any room she walked into with her infectious smile and sense of humor. Stephanie led by faith and example. She was a woman of many talents but allowing God to make His presence known through her, was her greatest triumph during her time here on earth.

In a unique yet beautiful turn of events, Stephanie and her mother Mary Jane both passed away on June 12, 2022. Mother and daughter approaching heaven's gates together is truly a beautiful thing. They will be missed immensely, but their memories will live on forever through their loved ones.

Visitation will be held on Thursday, June 16, 2022 from 5 p.m. to 7 p.m. at Praise Chapel Community Church in Crandon. Visitation will be held from 9 a.m. to time of Memorial service at 10 a.m. on Friday, June 17, 2022 with Pastor Franz Gerber, Pastor Francois Kazadi Mukosa and Pastor Dick Kendal officiating.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Brush Run Cont. from pg. 1

The track today also announced it has posted a total of \$28,000 in cash prizes for the Sunday's exciting Forest County Potawatomi Community Cup finale, a Crandon tradition that pits unlimited Pro 2 versus Pro 4 trucks via a staggered start. Last year the Pro 2 of California's Jerett Brooks took home the race's top honors and a \$10,000 cash prize.

Another Crandon tradition is its support of racers competing in the Sportsman classes. Comprised of enthusiastic weekend warriors in a wide variety of truck, buggy and UTV categories, AMSOIL Championship Off-Road competitors can look forward to additional \$10,000 in prize money distributed to various classes for Saturday and Sunday's rounds of Sportsman series racing.

For September's Labor Day weekend Crandon International Raceway is also preparing the host the largest short-course off-road race in the world. The 53rd Polaris Crandon World Championship Off-Road Races®, featuring the 7th annual Red Bull Crandon World Cup, will be held from September 1- 4, 2022. The jam-packed schedule represents a massive gathering of Pro and Sportsman competitors in the AMSOIL Champ Off-Road series racing as well as a complete field of Ultra4 series for rock racers. The 6th annual Crandon World Cup for Pro category racers will also take place on Sunday, with the winning drivers earning coveted Crandon World Champion titles and rings.

The weekend ends with the sport's biggest prize of all -- the annual Red Bull Cup finale for Pro 2 and Pro 4 trucks -- all on Crandon's iconic 1.75-mile dirt track at the same time -- separated by a timed split start.

For Old Time's Sake

This might not look like much of a house, but according to some of the old timers, this was the first house in Crandon. The Van Zile brothers came to this area seeking their fortune, and built this place. It was located right behind Jerry Hauser's garage, and you can still see the ridge in the ground where it stood.

The Van Zile brothers were Abraham, William, and Charles. Charles married a Mole Lake Chippewa girl and they moved to Minneapolis. William stayed in Crandon, and built the first frame house in town. Abraham, however, actually started the town of Argonne in anticipation of the railroad coming through and building a big switchyard. He did have a false start, building the town of Wall to the east of current Argonne, but when the switch went in on the flats of Argonne, the town was moved and was called Van Zile. Then it was called North Crandon, but in 1921, it became Argonne.

Recognizing a Stroke: At any Age

Chaylen Kuklinski woke up one morning and couldn't walk or stand. She managed to get out of bed, crawl outside and lay on the ground with her dog. Her mother eventually found her, and Chaylen was taken to the hospital.

At the age of 36, having a stroke wasn't at the top of life concerns for Chaylen.

She was a young working professional who spent the previous nine years as an Emergency Medical Technician (EMT) at Aspirus Wausau Hospital (AWH).

Despite that, she found herself at AWH being told she was having a stroke.

"I didn't believe it until I heard the medical team call for a code stroke," says Chaylen.

She didn't notice any stroke warning signs. She only knew that she couldn't walk.

"Patients don't often realize they're the ones having a stroke. Even people in the medical profession such as Chaylen," says Lisa Ebert, Aspirus Stroke Network Coordinator.

She was eventually flown to UW Madison for a neuroendovascular procedure.

This is common for many patients suffering from an Ischemic or Hemorrhagic stroke.

Recognizing and treating a stroke in a timely manner is critical. Outcomes are much better when treatment is quickly administered. For every minute the brain is deprived of necessary blood flow, 1.9 million brain cells die.

"Fortunately, members of her family knew the signs and symptoms of a stroke and got her medical attention," says Ebert. "Time is critical when one is having a stroke."

Chaylen was eventually transferred back to Wausau where she started her recovery at the AWH Inpatient Rehab Unit.

Today, Chaylen continues her path back to her past life. Her stroke affected the left side of her body and she's left-handed. She's also a self-proclaimed talkative person and the stroke has affected her speech as well.

"I was a hockey player and an EMT. I worked my way up to a paramedic position with Aspirus MedEvac," says Chaylen. "I want to get back to doing those things."

The signs of a stroke often appear suddenly. By knowing the warning signs, you can help get the treatment you or a loved one needs as quickly as possible.

Know the signs of a stroke. Every second counts - BE FAST:

- BALANCE - Sudden loss of coordination or balance
- EYES - Sudden change in vision
- FACE - Sudden weakness on one side of the face or facial droop
- ARM - Sudden arm or leg numbness or weakness
- SPEECH - Sudden slurred speech, trouble speaking, trouble understanding speech
- TERRIBLE HEADACHE - Sudden onset of a terrible headache

Approximately 10-15 percent of all strokes occur in adults aged 18 to 50 years. May is National Stroke Awareness Month and aims to raise awareness about the prevention and treatment of a stroke. Understanding the many risk factors for a stroke could save your life.

"Educate everyone around you," says Ebert. "60 percent of the time it's not the stroke patient that notices they are having a stroke. It's children, grandchildren, friends."

Chaylen continues to work on her rehab. She's working her way back a little bit each day.

More information on local stroke care as well as related links can be found on the Aspirus website at www.aspirus.org/stroke-care.

FOREST COUNTY COMMISSION ON AGING

Yet another message from Mark Gatton... Are you there???

I'm confused! I've checked the map and I know that there are more towns in Forest County than Crandon and Laona. I'm dying to pick you up in Armstrong Creek, Alvin, Wabeno or wherever you live. I'll pick you up at home and, with most trips, return you home by 2 p.m. We even help with your packages. All for just \$4.

So if you need to do some shopping, need to stop at your pharmacy or bank, want to do lunch, or just want a day trip to socialize (we don't bite) and get out of the house, give me a call at 715-889-0859.

Until we develop an established ridership, we will attempt to provide service to anyone who desires to join any trip.

Forest County to Rhinelander: Arrive about 10 a.m. Walmart complex and Aldi's plus any reasonable suggestions. Will stop for lunch. Depart Rhinelander by 2 p.m.

Forest County to Antigo: Arrive about 10 a.m. Walmart and Fleet Farm plus any reasonable suggestions. Will stop for lunch. Depart Antigo by 2 p.m.

Forest County to Iron Mountain: Arrive about 10 a.m. Walmart plus any reasonable suggestions. Will stop for lunch. Depart Iron Mountain by 2 p.m.

Thursday, June 16: Rhinelander

Tuesday, June 21: Iron Mountain

Thursday, June 23: Rhinelander

Tuesday, June 28: Antigo

Thursday, June 30: Rhinelander

Destinations may change based on rider's needs or wishes. Call at least the day before riding.

Jameson's 1930 Inn Cont. from pg. 1

In 1930 when The Hotel Crandon first opened its doors, the selling of alcohol was illegal in the United States. When the 21st Amendment was enacted in December of 1933, two local Forest County residents, Art McMillion and Tom Fannin were ready to open the tavern business filing their applications with City Council.

For over three years Crandon Hotel functioned as a coffee shop and restaurant rather than a bar.

Today, Jameson's 1930 Inn, sister company to Jameson's Whiskey Darlin' Coffee Bar, is located in the Historic Hotel Crandon. Both located in the heart of Forest County, on Lake Avenue, Main Street, Crandon. Join us for a modern fusion taste of a traditional Wisconsin steakhouse and French gastropub.

Jameson's 1930 Inn will open its doors; both restaurant and bar, Thursday, June 16, 4 to 8 p.m. and again Friday and Saturday, 11a.m. to 9 p.m. serving lunch and dinner.

We will also be open on Fathers Day, Sunday, June 19th, 10 a.m. to 2 p.m. for brunch. On opening night, desserts will be on the house, which is homemade lemon crème cake, prepared by Karol Berdan

The hours of operation are: Wednesday and Thursday: 11 a.m. to 8 p.m., Friday 11a.m. to 9 p.m. and Saturday 10 a.m. to 2 p.m. and 4 p.m. to 9 p.m.
