Chamber Receives \$30,000 Marketing Grant

From left: Brian Schultz, Tina Kulaf, Chris Shafer, Jeff Anderson, Curt Haga and Mark Ferris.

The Wisconsin Department of Tourism recently awarded \$356,534 in Joint Effort Marketing (JEM) grants. JEM grants provide partnership funding to help nonprofit Wisconsin organizations promote tourism, including 501(c)(6) organizations such as Convention and Visitor Bureaus and Chambers of Commerce.

The Forest County Chamber of Commerce was awarded \$30,000 for a Year 2 JEM grant to promote Crandon Rocks. Crandon Rocks Labor Day Weekend is a four-day event that will be held September 1st through September 4th. Festivities will be held at the Crandon International Off-Road Raceway, as well as at various businesses throughout Forest County.

"The latest round of JEM grants shows off some of Wisconsin's one-of-a-kind events and destinations," said Governor Tony Evers. "Wisconsin outpaced the national average for travel spending recovery compared to 2019 for 24 months in a row, and it's projects like these that will continue to spur tourism's recovery and uplift local communities."

Shell's Giving Pump Program supports local schools

Shell is giving to the schools with the Giving Pump Program. The Giving Pump Program is an easy way for Shell sites to give back and create positive change for children in their communities. With collaboration between Shell, our Wholesalers and retailers, and local charities, a portion of purchases made by customers at the designated Giving Pumps will go to support local children's charities.

For every gallon of fuel sold at the designated dispenser, 1 cent per gallon will be donated to the charity. Minimum donation per site is \$300. The campaign will begin on August 1st and run through October 31st, 2022.

The Carter C-Store chose Wabeno School District as their recipient and the Stone Lake C-Store chose the Crandon School District.

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at lcc@co.forest.wi.us.

Water lovers of all ages are invited to join Forest County Association of Lakes (FCAL) and local watershed protection groups on a search for aquatic invasive species on Friday, August 19th, 8:30 a.m. - 12:30 p.m., at the Lake Lucerne Advancement Association pavilion.

Snapshot Day is a fun, hands-on effort that relies on participants to monitor streams, lakes, and wetlands at designated sites around Wisconsin to look for signs of non-native plants and animals that pose risks to Wisconsin waterways and wildlife. Information collected will be provided to the WI DNR to inform and guide monitoring and response efforts.

"It isn't a huge time commitment for volunteers, but Snapshot Day is a great way for people to experience meaningful community science in Wisconsin," said River Alliance of Wisconsin Aquatic Invasive Species Program Director Ellen Voss. "Volunteers come away with a sense of how everyone plays a role in protecting Wisconsin's rivers and lakes."

"Early detection is key to keeping problematic species in check," said Voss.

The Argonne Fire Department Family Fun Day!

Argonne's first fire truck is always in the parade.

The Argonne Fire Department will be holding their annual Family Fun Day on Saturday, August 13th. This is a good old fashioned day with good times for kids and adults.

The town that Abraham Van Zile started back in the 1880's has changed a lot through the many decades, but it is still a town that people enjoy living in, and Family Fun Day is when that good feeling is celebrated.

The parade begins at 11 a.m. with a the line-up at the pavilion at 10:30 a.m. There is a prize for the best float. The kids games begin at 1:00 p.m.

You won't have to go hungry at this event, there will be food and beverages all day, and while you are enjoying the food, you can buy paddle wheels and sign up for the raffles that are sold all day.

There are many children's games, but the exciting event is the greased pig event. This can be an exciting chase around the ballfield, with somebody eventually catching the pig.

The music will be supplied by Trigger Trippers and Train Wreck.

All are invited. You don't have to be from Argonne to have a great time at this celebration of small town life!

Kids Games

Hugs For Jug fish fry on Friday, August 19 in Townsend

Gerard "Jug" Baugnet, from Townsend, has been diagnosed with stage 4 cancer. He is being helped through this ordeal financially by the Townsend Fire Department.

On Friday, August 19th, from 5-8 p.m., the Fire Department is holding a drive-thru fish fry at the Townsend Fire Department. The meal will include perch, potato salad, cole slaw and rye bread. A dessert will also be available.

Called "Hugs For Jug," this fundraising will help Jug pay bills and get through a bad time. Bring your appetite!

ATV entry to trail, parking, & rest room

There was a ribbon cutting last week on the new ATV facility in Crandon. ATV riders can park, unload, use the rest room and enter the trail on the old railroad grade and ride to the south only at this time.

The trail entry is on the north end of town just before the overhead on the east side of the road.

Forest County K-9 unit receives donations

Forest County 4-H donated the check above for \$282. Another check was presented by the Community Foundation for \$250.

The 2022 National Night Out event held on Tuesday, August 2nd at Palmer Park in Crandon was a great success. At the event, members of the Forest County 4-H Northwoods Clovers Club took the opportunity to present two checks to the Forest County Sheriff's K9 unit.

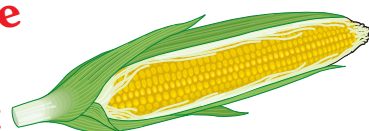

The first check presented was in the amount of \$282.00 and represented funds raised by the 4-H Club volunteering their time earlier in the summer at Wabeno's Steam Up Days. The club voted to donate to the K9 unit after Officer Wilson and Thunder demonstrated K9 techniques at their June 4-H meeting. 4-H is a positive youth development program that encourages civic engagement by pledging service in the community.

The 4-H group also presented a check to the K9 unit on behalf of the Crandon Area Community Foundation. The check was in the amount of \$250 and represented a donation from the Associated Bank, a fund of the Greater Green Bay Community Foundation.

Each year, Associated Bank colleagues generously provide thousands of volunteer hours in their community. In return, Associated Bank grants a nonprofit organization of their choice a \$250 grant. The Crandon Area Community Foundation, a 501c3 entity, accepted the grant on behalf of a local Associated Bank colleague, who requested the funds be donated to the Forest County K9 unit.

To learn more about Forest County 4-H, the Crandon Area Community Foundation, of the Forest County K-9 unit please visit the Forest County Extension website at <https://forest.extension.wisc.edu>.

Roberts Lake Fisheree & Corn Roast

The 46th Annual Roberts Lake Association Fisheree & Corn Roast will be this Saturday, August 13th on Roberts Lake, on Hamilton Drive.

This is a big event, with 58 cash prizes and a top prize of \$1,000. There will be raffles, including meat raffles. A trophy will be awarded for walleye, perch, crappie, northern pike, bass and bluegill.

You won't go hungry or thirsty either. There will be brats, burgers and plenty of delicious corn to satisfy your taste buds.

The fishing hours are from 7 a.m. until 4 p.m.

Positive cases of covid-19 in Forest County

Forest County Public Health officials have confirmed 26 individuals have been diagnosed with novel coronavirus infection (COVID-19) since August 1, 2022 with either a PCR, antigen, or home test. County health officials and local partners are contacting individuals who test positive as able. There have been 7 deaths this year related to COVID-19. This is a snapshot of the numbers as they are continuously changing throughout the day. If you would like to follow the case numbers more closely, please visit: www.dhs.wisconsin.gov/covid-19/cases.htm

The Forest County Health Department encourages community members to get vaccinated, practice good hand hygiene, wear a mask or cloth face covering when necessary, and stay alert for symptoms of COVID-19. If you are experiencing any symptoms or have been exposed to someone with COVID-19, please contact your health care provider and ask to be tested. If positive, please isolate yourself away from others for 5 days since symptom onset and wear a mask for the 5 days following your release from isolation.

In an effort to keep our community members up-to-date on COVID-19, the Forest County Health Department will continue to update our Facebook page and local newspapers biweekly with current COVID-19 case counts as capacity allows. Please call our office at 715-478-3371 with any questions or concerns.

Bonus antlerless permits on sale starting on August 15

The Wisconsin Department of Natural Resources (DNR) today announced that bonus antlerless harvest authorizations will be available for purchase starting at 10 a.m. on Monday, Aug. 15 online through the Go Wild license portal and at license sales locations.

Deer population levels vary throughout the state, and antlerless harvest opportunities vary by management zone. This allows for greater harvest opportunities where deer are abundant and a more conservative harvest where deer are fewer in number.

Bonus antlerless harvest authorizations, formerly known as tags, are available for purchase in all deer management units (DMUs) for the 2022 season.

Bonus authorizations are sold at a rate of one per person per day until sold out or until the 2022 deer hunting season ends. Bonus authorizations are \$12 each for Wisconsin residents, \$20 each for non-residents and \$5 each for youth ages 11 and under.

A list of units with bonus antlerless harvest authorizations available for purchase is available on the DNR website.

Each day at 9:45 a.m., an online queuing system will be put in place to manage volume. At 10 a.m., all online users waiting on the Go Wild system will be randomly assigned a number and staged into a virtual queue.

There is no advantage for customers who enter the site before 9:45 a.m. Please note that customers who enter the site after the randomization at 10 a.m. will be added to the end of the virtual queue in the order in which they arrive.

When accessing Go Wild, follow the prompts until you reach your personalized dashboard. To purchase a bonus antlerless harvest authorization, click the "Buy Licenses" button from the dashboard to open the sales catalog. From there, you will find "Bonus Antlerless Harvest Authorization" at the very top of the list. If you have not had the chance to get your license in advance, you can purchase one after you select the bonus antlerless harvest authorization in Go Wild.

Hunters will need to know the deer management

zone and unit in which they intend to hunt. They will also need to determine whether they will hunt on public or private land to make their purchase.

The first three days of bonus sales are management zone-specific, and the fourth day is open to all zones:

- Aug. 15, 10 a.m. – Forest Zones (Northern and Central).
- Aug. 16, 10 a.m. - Central Farmland Zone.
- Aug. 17, 10 a.m. - Southern Farmland Zone.
- Aug. 18, 10 a.m. – All zones available.

As a reminder, a minimum of one Farmland (Zone 2) antlerless harvest authorization is included with each deer hunting license purchase in units that offer them. Some units will offer more than one antlerless deer harvest authorization with each deer license.

Forest County has 250 permits available.

7 tips to help encourage your child to exercise

Exercising is good for anyone of any age, but it can be crucial in adolescents. According to the Center for Disease Control (CDC) less than one-quarter of children 6 to 17 years of age participate in the recommended 60 minutes of physical activity every day.

Regular physical activity can help children and adolescents improve cardiorespiratory fitness, build strong bones and muscles, control weight, reduce symptoms of anxiety and depression, and reduce the risk of developing other health conditions.

One way parents/guardians can help encourage their child to be physically active and to develop healthy living habits is by exercising with their child.

National Exercise with Your Child Week takes place August 7 to 13. This week is dedicated to helping encourage parents and guardians to empower their children to be physically active every day. Staying active together and being a role model for a healthy life can help children build confidence while teaching them the importance of physical activity.

"Exercising with your child regularly can teach them how fun and exciting physical activity can be," says Dr. Erika Crockford at the Aspirus Eagle River Clinic. "Lifestyle

habits that are learned in childhood are much more likely to stay with a person into adulthood. When sports and physical activities are a family priority, it provides children and parents with a strong foundation for a healthy lifestyle."

Here are 7 other great ways to help encourage children to be physically active, according to American Academy of Pediatrics:

- Emphasize fun. Find a sport that the child enjoys. The more they enjoy the activity, the more likely they will be to continue it.
- Choose an activity that is developmentally appropriate. For example, a 7- or 8-year-old child is not ready for weightlifting or a 3-mile run, but soccer, bicycle riding, and swimming are all great activities for kids this age.
- Provide a safe environment. Make sure the child's equipment and where they practice or play is safe. Make sure the child's clothing is comfortable and appropriate for the activity.
- Provide active toys. Young children especially need easy access to balls, jump ropes, and other active toys. Be a role model. Children who regularly see their parents enjoying sports and physical activity are more likely to do so themselves.
- Set limits. Limit screen time, including time spent on TV, videos, computers, and video games, each day. Use the free time for more physical activities.
- Make time for exercise. Some children are so overscheduled with homework, music lessons, and other planned activities that they do not have time for exercise.
- Make sure the child has a convenient time and place to exercise.

Planning around both parents and children's schedules may be difficult, but it's a crucial bonding experience that can influence a child's lifestyle and health.

For Old Time's Sake

The photo is labeled Elliot Hospital in Laona. It would be nice to say where this modern for its day hospital was located and what happened to it, but there is nobody to ask. It was likely replaced by the Ovitz Hospital, which is also gone.

**Laona-Wabeno Fall Sports Co-Op Meeting
Laona/Wabeno Boards of Education
Monday, July 18, 2022
5:30 P.M.**

Laona High School Gymnasium

School Board President, Dave Seeber, called the meeting to order at 5:29 P.M. Wabeno Board members present: Dave Seeber, Katryna VanEperen, Trinity Shepard, Dawn Jakubiec, Lori Mattern, and Dan Christianson. Administration: Jeffrey Walsh, District Administrator and William Taylor, Jr./Sr. High School Principal

Wabeno Board members absent: Janet Opiela
Others present: Michelle Boor, Chad Albrecht, Frank Shepard, Jr., Katie Shepard, Melissa Chrisman, Jason Bertrand, Melissa McLaughlin, and Hope Gilligan

Administration absent: Tim Brauer, Elementary Principal, and Robert Tucker, Director of Pupil Services

Pledge of Allegiance.

Motion made by Katrina VanEperen seconded by Dawn Jakubiec to approve the agenda. Carried 6 to 0.

Winter sports updates

Boys Basketball: Varsity 9-1 Conference Champs; 19-6 overall. Eliminated after their first round bye in regionals by Gillett. All Conference selections: 1st team: Connor Taylor & Reed Christianson; 2nd team: Carter Janesch; Offensive Player of the Year: Connor Taylor who ended his HS career with 1927 points. Other acknowledgements: Academic All State, Reed Christianson; Division 5 All State Team, Connor Taylor – selected to play in the Division 5 All Star Game June 30th 9:30 a.m. and Northern WI/Upper MI Border Bash All Star Game, June 6th

.JV got better as the season progressed. The highlight of their season was defeating Wausau Newman.

Girls Basketball: Varsity 7-2 Conference; 21-7 overall. Lost to Assumption in the Sectional Finals 40-26. All Conference selections: 1st team: Elizabeth Krawze; 2nd team: Grace Krawze; Honorable Mention: Kaylyn LaRock and Rylee Yaeger. Other acknowledgements: Elizabeth Krawze was selected to play in the Northern WI/Upper MI Border Bash All Star Game June 6th

State Honor: Elizabeth Krawze was selected as a WIAA State Scholar Athlete Finalist (only 32 athletes receive this honor!) She was also selected as the Northern Lakes Conference Scholar Athlete.

JV didn't have enough girls for a program or any girls out from Wabeno.

Wrestling: All Conference selections: Ryan Roy, Piersson Czaplinski, Frank Shepard III, and Gus Fink; Paige Peterson placed 5th at State Girls Wrestling; State Qualifiers: Ryan Roy and Piersson Czaplinski; Ryan Roy finished out the tournament in 5th place and Piersson Czaplinski finished in 4th

Spring sports update:

Baseball – Varsity overall record 2-11. This spring made it very difficult to get in a routine as most practices were held indoors and half of our games were canceled due to the weather. Next year's April schedule will be mostly away games so we can get an opportunity to play along with a tournament in the UP dome hopefully.

All-Conference selections: 1st team: Braden Brauer, 2nd team: Connor Taylor; Honorable Mention: Frank Shepard III and Brady Shepard.

Softball – Varsity overall record 16-5 with the final loss coming to Sevastopol in the Section Semi-Final The girls fought hard and just came up a bit short. Conference and Regional Champs.

All-Conference selections: 1st team: Elizabeth Krawze, Malerie Krawze, Grace Krawze, Allison Albrecht; 2nd team: Kaylynn LaRock and Rylee Yaeger; Player of the Year: Elizabeth Krawze

Track – The Rebels had 7 events qualify for Sectionals: 4x400m relay, Jesse Prasser, Adisun Romprey, Adam Seeber and Kevin Sheldon; 1600m, Jesse Prasser; 300 hurdles, Adam Seeber; Discus, Danny Harris; Triple jump, Kassidee Linssen; 2 mile, Natalie Newton; 800m, Adisun Romprey; Girls All-Conference selections: Natalie Newton and Kassidee Linssen. Boys All-Conference selections: Adam Seeber, Jesse Prasser, and Adisun Romprey.

Golf – Conference Champions, Regional Champions, and State Qualifiers. The Rebels finished 7th out of 8th. All Conference selections: First team: Reed Christianson and Ryan Simonis; Second team: Owen Seeber; Golfer of the Year, Ryan Simonis

Discuss and take possible action on coaches' salaries. No action taken. Jeff Walsh, Melissa Chrisman, and Michelle Boor to discuss and bring back. Retroactive pay will be issued, if needed.

AD representation from both schools. Discussion, no action taken.

Motion by Dawn Jakubiec seconded by Trinity Shepard to adjourn at 6:06 P.M. Carried 6 to 0.

Trinity Shepard, District Clerk

Crandon Elementary School

4K/5K Enrollment Day

This is a day to enroll your child in the School District of Crandon's 4K program.

- Only the child to be screened and one adult should attend
- All children 4 or 5 years of age by September 1, 2022 who have not already participated in a 4K open house or attended 4K
- Bring child's birth certificate and immunization record
- Tuesday, August 30th, 2022
- 8:00am - 12:00pm
- Crandon Elementary School (Use District Office entry doors)
- District office will buzz you into the building

Developmental Screening

The School District of Crandon is required to locate, identify, and evaluate all children, with disabilities, including children with disabilities attending private schools in the school district, and homeless children. The process of locating, identifying, and evaluating children with disabilities is known as child find. This agency conducts the following child find activities each year: developmental screenings of preschool children.

- Only the child to be screened and one adult should attend
- Children ages 0-5 are welcome and who are not currently enrolled in 4K or KG
- The School District of Crandon will conduct a screening for children ages 3-5.
- Crandon Head Start information will also be available
- Tuesday, August 30th, 2022
- 8:00am - 12:00pm
- Crandon Elementary School (Use District Office entry doors)
- District office will buzz you into the building
- No additional paperwork is needed

For Old Times Sake

These two Crandon ladies both liked the woods and waters. Nora Radliff, on the left loved to hunt and fish, and Olive Glasgow, on right, liked to photograph any and everything wild. It would appear that Nora has killed a fox, and for once, Olive is in the photo instead of taking the photo.

SCHOOL DISTRICT OF LAONA BID REQUEST

The School District of Laona is looking for concrete bids. The project consists of (2) 14' x 40' concrete slabs.

For further details regarding the specifications and scope of the project, please contact Mark Chrisman at 920-680-3628.

Sealed bids will be accepted through September 1, 2022 at 3:00 p.m. Bids will be opened at the September 6, 2022 town board meeting.

The project needs to be completed by October 15, 2022.

Please send sealed bids to:

**Town of Laona
Attn: Concrete Bid
5146 Linden St PO Box 36
Laona, WI 54541**

BIDS AND NOTICES**POLK STREET UTILITY IMPROVEMENTS PROJECT
IN CRANDON**

The Polk Street Utility improvements projects is expected to begin August 8th. The project includes reconstructing the sanitary sewer, watermain, storm sewer and street pavements. The sanitary sewer included in this project is the main interceptro leading to the Waste Water Treatment Plant. The sewer was originally installed back in the early 1940's and is beyond it useful life. The utility project is located along the following streets within the City of Crandon.

- East Polk Street - Lake Avenue (Hwy 8) to Park Avenue
- Park Avenue - East Polk Street to Glen Street
- Glen Street - Park Avenue to Railroad Avenue

The general contractor, James Peterson & Sons, will begin installing sanitary sewer at the corner of Glen Street and Park Avenue and work towards the south along Park Avenue. Traffic will be open to local traffic only. Residents are encouraged to use side streets adjacent to the project. James Peterson & Sons plans to complete all the utility work this year before winter. Any remaining work not completed this year will be completed next spring.

Weekly progress meetings with the City, Contractor and Engineer are scheduled to be held on the jobsite each Wednesday at 2:00 p.m. The public is encouraged to attend.

**Wabeno School Administration
transition announcement**

The School District of Wabeno Area is excited to announce the upcoming transition with our Administrative team.

Jeff Walsh, our current District Administrator, has announced his retirement from his position at the end of the 2022-2023 school year. The Wabeno School Board would like to acknowledge Jeff for all his efforts to help Wabeno succeed during his tenure.

The Wabeno School Board is excited to announce the promotion of Bill Taylor, our current High School Principal, as our new District Administrator effective July 1, 2023. We are also excited to announce the promotion of Bob Tucker, our current Director of Special Education, as our new High School Principal, effective July 1, 2023.

The Wabeno School Board is very excited to be able to promote members of our current staff to new positions within the school. Continuity is very important in the success of a school district and we feel this transition is a great way to help make this happen.

The Wabeno School Board would like to send their appreciation to our current Administrators for their efforts in initiating this transition and doing a great job in creating a true Administrative team. The Wabeno School Board is looking forward to the upcoming school year and the future years with our new Administrative team.

**School District of Wabeno Area

Thank You's and Personals

A Huge Thank You!!

The Lake Lucerne Advancement Association wishes to thank everyone that came out and supported our August 6th annual fundraiser, "FAMILY FUN DAY," at the Lake Lucerne Clubhouse.

Thank you also to all of the businesses that have supported the lake association this year and in the past, to all of the volunteers that helped us out, and to all of the businesses and individuals that provided donations to help make the event a huge success.

Special thanks to the master grillers, kitchen staff, cashiers, kid's games crew, ticket sellers, raffle runners, raffle coordinators, bartenders, apparel sellers and the auctioneer crew. An unbelievable effort by all of you!

Congratulations to our cash raffle winners: \$500-Stacy Rains; \$300-Len Koch; \$100-Zoey Vyse; \$50-Steve Schroeder; \$50-Steve Mulligan

thank you

Death Notices

Buddy Earl Brooks, 73, of Crandon, passed away on Thursday, August 4, 2022, with his family at his side at Rennes Health & Rehab Center in Weston, Wisconsin.

Buddy was born in Milwaukee on February 2, 1949, to Earl and Sabra P. (Howerton) Brooks. He was raised in Crandon and was a 1968 graduate of Crandon High School. He attended college for one year at Nicolet College. Buddy was then drafted into the United States Army where he was stationed in Germany. He returned to Crandon and was employed as a Mechanic at George's Self-Serve for many years. He met the love of his life, LaVonne Adkins when her car broke down and he repaired it. The couple dated for awhile and then were married in Crandon on June 14, 1986.

Buddy enjoyed camping, fishing with LaVonne, hunting, listening to country music, and golfing. But most of all, Buddy loved his family and enjoyed spending time with them, especially his grandchildren.

He will be dearly missed by his loving wife, LaVonne, children, Kevin Brooks of Madison, Wisconsin, Michael (Kat) Brooks of Crandon, Lori (Orin) Lewis of Wausau, and Stacey Brooks (Mo Hashem) of Marshfield, nine grandchildren and one great-grandson. Also surviving are other relatives and friends.

The visitation for Buddy will take place on Saturday, August 13, 2022, at the Praise Chapel, located at 200 East Sixth Street, Crandon from 10:00 a.m. until the 11:00 a.m. Memorial Service with Pastor Rich Perik officiating.

Immediately following the service at Praise Chapel, a Committal Service, taps and presentation of the flag by two representatives from the United States Army will take place at Lakeside Cemetery.

A luncheon will follow in the church hall.

Arrangements have been entrusted to the Hildebrand Funeral Home & Cremation Specialists, 24 E. Davenport Street, Rhinelander, Wisconsin 54501, 715-365-4343. Everyone is invited to sign the guestbook or leave an online condolence at www.hildebrandrussfh.com

Richard "Dick" Bauknecht, 83, passed away August 5, 2022 at The Bay at NuRoc under the care of Compassus Hospice. Dick was born August 24, 1938 in Antigo, the son of Clarence and Angeline (Lemke) Bauknecht.

Dick was enlisted in the U.S. Airforce as an Air Medic and served sometime in Africa. After serving, Dick met the love of his life, Jacqueline Samz, in Antigo. They were married June 24, 1961 and made their life in Crandon where they had three children: Christopher (Kelly), Norman (Christine) and Julie (Russell) Statezny.

Dick worked for a time in the woods for Jackie's dad, John Samz. He later went to work for the SooLine WI Central Railroad, where he retired after 30 years. After retirement, Dick enjoyed hunting and especially fishing. Dick's favorite place was in Michigan fishing Lake Gogebic.

Dick is survived by his children; grandchildren, Katie (Ben) Tupper, Jessica Kevilus and Cody Bauknecht; and great-grandchildren, Madalyn and Breanna Tupper and Bentley Kevisus. He is also survived by his sister, Judy (Gary) Adamski of Antigo; and nephews, Scott (Jill) Adamski of Crandon and Brian Adamski of Antigo. In addition, he is survived by Jackie's brothers and sisters, nieces and nephews.

Dick was preceded in death by our beloved Jackie in October 2021; his great-grandson, Alex Jasper Ford; and his parents.

A private burial at the Crandon Lakeside Cemetery will be held.

A celebration of life will be announced at a later date.

Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Effective Communication Strategies Alzheimers meeting

Effective Communication Strategies is a program that helps families facing Alzheimers or other dementia understand communication changes that accompany the disease process. The person affected often experiences changes in communication and behavior that can be confusing to friends and family as a result. For caregivers, learning to decode messages through attitude, tone of voice, facial expressions and body language can help both parties to connect and communicate in meaningful ways.

Effective Communication Strategies is a program provided by the Alzheimer's Association® that explores how communication takes place when someone has Alzheimer's disease. By the end of the program, attendees will be able to:

- Explain the communication changes that take place throughout the course of the disease.
- Decode the verbal and behavioral messages delivered by someone with dementia and respond in ways that are helpful to the person.
- Identify strategies to connect and communicate at each stage of the disease.

Effective Communication Strategies includes video interviews with professionals who explain critical aspects of communication throughout the Alzheimer's journey, and caregivers who share tips that have worked for their families.

The program will take place on Tuesday, August 16, from 1:00-2:30 p.m. at the ADRC of Oneida County. Registration is encouraged. To register, or for more information, please call Julie at 715.352.4091 or email to jstpierre@alz.org.

\$50,000 matching gift donation for Walk to End Alzheimer's in Antigo

ANTIGO, WI August 2, 2022 The Alzheimer's Association Wisconsin Chapter is pleased to announce a charitable contribution supporting the Walk to End Alzheimer's®. An anonymous donor will match up to \$50,000 for any donations made to the 2022 Walk to End Alzheimer's in Antigo. The Walk to End Alzheimer's is the largest event to raise awareness and funds for Alzheimer's care, support and research. In Wisconsin, there are more than 120,000 Wisconsinites living with Alzheimer's or dementia and more than 198,000 serving as caregivers.

"We work with families every day who are impacted by Alzheimer's and struggling to navigate this devastating disease," said Julie St. Pierre, community outreach coordinator, Alzheimer's Association. "We are grateful and humbled by this generous contribution which will make a significant impact to these families, as well as help to continue important research to find new treatments, and ultimately a cure."

To donate and double your impact with this match, visit the Walk to End Alzheimer's in Antigo website at act.alz.org/antigo. Donations will be accepted through Dec. 31, 2022.

Edward Leon Mazur, 70, of Goodman, passed away Friday, July 29, 2022 at Medilodge of Grand Traverse County, Michigan. Edward was the son of Mack Mazur Sr. and Della (Fercy) Bailey.

He graduated from Goodman High School in 1971. Edward served in the U.S. Marines Corp. from 1972 to 1974 then served in the U.S. Army from 1974 to 1978.

He was a loving father to his daughter, Alisha Brandenburg; sons, Jacob McPherson and Edward Mazur Jr.; and grandfather to Aiden Mazur, Alena Brandenburg and David Jr. Brandenburg. Edward enjoyed fishing, any kind of berry picking, ginseng picking and loved spending time with his family.

He is survived by his father, Mack Mazur Sr.; brothers, Richard Mazur, Jay Mazur and Craig Mazur; sister, Debbie Hardy; step-sister, Laurie Hawley; step-brother, Jim Buck; and many nieces and nephew.

Edward was preceded in death by his mother, Della Bailey (1972); brother, Mack Mazur Jr. (2010); and dear friend, Mark Kloss (2022).

Graveside service will be held at 11 a.m. on Thursday, August 11, 2022 at Glenwood Cemetery in Goodman with Father Albert Balderas officiating and Military Honors.

Weber-Hill Funeral Home is assisting the family with the arrangements. Online condolences for the family may be directed to www.weberhillfuneralhome.com.

Richard "Dick" Roy

passed away on August 1st, 2022 at the age of 61. Dick was known for his heartwarming personality and his ability to have a good time with everyone he loved. Dick enjoyed hunting, fishing and being in the outdoors. He started and ran his own business as a mason in the community for many years. Dick loved his second family at Phil's Filing Station and spending time with all of them. Especially his close friends, Phil, Butch, Doug and Lori.

Dick was born on July 1, 1961 in Lakewood, the son of Leonard and Margaret Roy. Born and raised in Lakewood his entire life.

He was preceded in death by father and mother Leonard (Foxy) and Margaret (Lowery) Roy. Brother-in-law Joseph Brish and two infant sisters. As well as his beloved pups Little Anne and Gunner.

He is survived by brothers Robert (Joanne) Roy and Lenny (Kelly) Roy. Sisters Myra (John) Sauer, Mary Jane (Janie) Roy, Rosalie D'Angelo, Judy Brish, Edie (Greg) Kurzynski. Several nieces, and nephews, and special niece Bobbi Jo Roy. Children Jenny (Gregory) Abbondandolo and Willy (Lacey) Hilger. Grandchildren Halley (Tarik) Abdulaziz, Leslie "Poohey" Lukas, Sydney Barker, Jolie, Hunter and Ella Hilger and his Great Grandchildren Norah and Nolan.

Letters to the Editor

We welcome letter to the Editor; however the letters should be legible, in good taste, not libelous and pertinent to current issues. Names will not be withheld upon request, except for very special circumstances. NAME AND PHONE NUMBER SHOULD BE INCLUDED FOR VERIFICATION PURPOSES. We reserve the right to reject any and all letters.

Baldwin Pushes for Stronger Federal Response to Monkeypox Public Health Emergency

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin is urging a more robust federal response to the ongoing Monkeypox Public Health Emergency.

Senator Baldwin joined a group of senators led by Senator Jeff Merkley (D-OR) in a letter to Senate Majority Leader Charles Schumer (D-NY) and Minority Leader Mitch McConnell (R-KY) urging the Senate to include critical funding to address the monkeypox (MPV)/orthopoxvirus Public Health Emergency (PHE) in any forthcoming legislative package in the 117th Congress.

In their letter, the Senators spotlight that the United States public health system remains on the frontlines in identifying MPV cases, informing Americans about access to vaccines and therapeutics, and connecting constituents to necessary medical care and resources. Yet this system continues to be strained by the COVID-19 pandemic and underfunded.

"MPV testing efforts are currently encountering processing and collection barriers that have led to underreporting of cases and poor data to aid the federal government in directing necessary resources in an appropriate manner," the Senators wrote. "Additionally, as both a prophylaxis and treatment, acquiring and administering vaccines swiftly is crucial to stemming the spread of MPV and protecting all communities across the United States. Finally, clinics and providers are facing additional barriers in clinical services supplies, education for providers to properly identify MPV, vaccines, testing supplies, contact tracing, and community outreach to bolster our public health response to MPV, and ensure that accurate and adequate information is reaching our constituents."

Laboratory Shipping and Receiving Technician Opportunity Northern Lake Service, Inc. Crandon, WI

Job Description: This position would be responsible for assembling and shipping sampling kits to clients per specific work orders and for receiving all incoming sample shipments to the laboratory. The receiving process includes screening samples for proper preservation, temperature, and required paperwork. Once receipt screening is complete, all samples are entered into the computer database (LIMS) and placed into proper storage. This position requires the ability to communicate professionally with staff, clients, and couriers regarding scheduling, receipt, and any delivery issues.

Ideal Candidate: The ideal candidate will have a high school diploma with background classes in chemistry, biology, and computer programming. The ability to learn and understand software is a must as sample data entry is crucial. Must be willing to grow within the department and be a team player. Opportunity to build a strong technical background along with contributing to the overall quality, safety, and success of the laboratory.

Requirements: High school diploma. Able to lift a maximum of 50 pounds, push, bend, and handle loading carts and hand trucks. Willing to work as both a part of a team as well as independently at times. Ability to operate within a Windows operating system. Must be willing to relocate for the position.

Compensation: Full-time hourly position with flexible hours. Pay will be dependent on experience. Competitive benefits package including paid time off, sick leave, 401k match, health insurance, and profit sharing is available. After two years of employment, employee stock ownership is available.

Schedule: 8-Hour Shift (7:00am to 4:00pm) Monday to Friday (Overtime May Be Required)

COVID-19 Considerations: Vaccination for COVID-19 is Required for Employment

Education: Minimum High School Diploma (Required)

Application Process: Submit a resume and cover letter. The hiring process may involve a combination of both phone and in-person interviews.

Email: resumes@nlslab.com

Mail: Northern Lake Service, Inc.

Free Opening Reception Aug. 18 for Fiber F(r)iends art exhibit at Nicolet

Top fiber artists from throughout the Northwoods will soon have many of their finest works on display at the Nicolet Art Gallery.

To kick off the exhibit, Nicolet is inviting the public to the free Opening Reception from 5 p.m. to 7 p.m., Thursday, Aug. 18, in the Art Gallery, which is located in the Northwoods Center on the Rhinelander Campus.

"These artists are all part of the Fiber F(r)iends group that formed a decade ago in order to create a community for fiber artists to get together to share their ideas and art with like-minded individuals," said Melinda Childs, Community Cultural Development Director for ArtStart and Nicolet College, who curated the show on behalf of Nicolet.

"I've had the wonderful opportunity to see some of the works that will be in the exhibit, and they truly are amazing. It's obvious these artists take their work seriously but also know how to weave in whimsical touches here and there to make the pieces even more captivating."

The innovative exhibit will include fiber pieces from member artists Colleen Ansbaugh, Jan Dietrich, Pat Gaska, Lynn Gilles, Rene Iannarelli, Arlene Lueck, Emmy Nitzel, Helen Tumas, and Gale Willcox, as they responded to a number of artistic challenges inspired by art and poetry, various materials, and working in the style of Frank Lloyd Wright.

Artists will also be at the Opening Reception and available to discuss their works.

The exhibit, which is free and open to the public, will run through Oct. 1. Regular gallery hours are 6 a.m. to 6 p.m. Monday through Thursday and 6 a.m. to 5 p.m. on Fridays.

For more information, visit nicoletcollege.edu or call the college at (715) 365-4493.

Yet another message from Mark Gatton... I think I've figured it out! There are a lot of SHY PEOPLE in Forest County! Let's see if I can help.

The bus service is for those 55 years and up... unless the bus isn't full (never full so far). In which case we can accept those younger people who want to join the fun! The ride costs you \$4 and lunch can be had for \$10 to \$15 on average.

I'll pick you up at home and usually return you home by 2 p.m. We even help with your packages! So, if you need to do some shopping, need a haircut or to stop at your pharmacy or bank, want to do lunch, or just want a day trip to socialize (we still don't bite) or get out of the house and have \$20, give me a call at 715-889-0859.

Forest County to Rhinelander: Arrive about 10 a.m. Walmart complex and Aldi's plus any reasonable suggestions. Will stop for lunch.

Forest County to Antigo: Arrive about 10 a.m. Walmart and Fleet Farm plus any reasonable suggestions. Will stop for lunch.

Forest County to Iron Mountain: Arrive about 10 a.m. Walmart plus any reasonable suggestions. Will stop for lunch.

Thursday, August 11: Iron Mountain

Tuesday, August 16: Rhinelander

Thursday, August 18: No route

Tuesday, August 23: Antigo

Thursday, August 25: Rhinelander

Tuesday, August 30: No route

Destinations may change based on rider's needs or wishes. Call 715-889-0859 at least the day before riding.

Until we develop an established ridership, we will attempt to provide service to anyone who desires to join any trip.

Conservation Corner Cont. from pg. 1

Volunteers are also key to the success of the free event.

"Snapshot Day is a great opportunity for community members to get out and work together to check our streams and rivers for potentially harmful invasive species," said St. Croix River Association Invasive Species Program Lead Angelique Dahlberg. "Last year, we found an Asian clam the furthest north it's been documented in the St. Croix. Understanding where these species are is invaluable to resource managers – and understanding what is out there and why it could be harmful is invaluable to our communities."

No experience is necessary, and training is provided virtually prior to the event and at the volunteer meetup site. Recommended for ages 8 and up, and minors must be accompanied by an adult.

WI DNR defines invasive species as, "plants, animals and pathogens that cause harm to the economy, environment and/or human health." Invasive species are often non-native but it is important to remember that not all non-native species are invasive. Invasive species are typically generalists - they can utilize a wide range of resources and survive in a wide variety of environmental conditions. Faster growth rates or earlier reproductive maturity often help invasive species establish rapidly. When coupled with a reproductive advantage of sheer numbers - think hundreds of seeds or millions of eggs - they can have more offspring survive and continue the cycle. There are often a lack of predators or disease to control these growing populations allowing AIS to continue breeding, eating, and out-competing native species in Wisconsin.

Early lung cancer detection

WAUSAU, Wis. – Lung Cancer is commonly associated with people who smoke, but the reality is not everyone who smokes gets cancer.

August 1 is World Lung Cancer Day. According to the American Cancer Society, lung cancer is the second most common cancer in both men and women (not counting skin cancer) and is by far the leading cause of cancer death among both men and women. Each year, more people die of lung cancer than of colon, breast, and prostate cancers combined.

Some people with early lung cancer have symptoms, but most lung cancers do not cause any symptoms until they have already spread. "If you talk to your provider when you first notice symptoms, your cancer might be diagnosed at an earlier stage when treatment is more likely to be effective," says Dr. Christopher Peterson, Aspirus Medical Oncologist. "In addition, even if you do not have symptoms, you should discuss your history of smoking with your provider."

The most common symptoms of lung cancer are:

- A cough that does not go away or gets worse.
- Coughing up blood or rust-colored sputum (spit or phlegm)
- Chest pain that is often worse with deep breathing, coughing, or laughing
- Hoarseness
- Weight loss and loss of appetite
- Shortness of breath
- Feeling tired or weak
- Infections such as bronchitis and pneumonia that don't go away or keep coming back
- New onset of wheezing

If lung cancer spreads to distant organs, it may cause:

- Bone pain (like pain in the back or hips)
- Nervous system changes (such as headache, weakness or numbness of an arm or leg, dizziness, balance problems, or seizures), from cancer spread to the brain or spinal cord
- Yellowing of the skin and eyes (jaundice), from cancer spread to the liver
- Lumps near the surface of the body, due to cancer spreading to the skin or to lymph nodes (collections of immune system cells), such as those in the neck or above the collarbone
- Most of these symptoms are more likely to be caused by something other than lung cancer. Still, if you have any of these problems, it's important to see your doctor right away so the cause can be found and treated, if needed.

Aspirus Cancer Care will be holding a screening clinic for lung cancer on Friday, September 9, 2022, from 9:00 am to 1:00 pm on the Aspirus Wausau campus. For more information, visit aspirus.org/classes-events/lung-cancer-screening.
