## Red Arrow Snowmobile ATV Club will hold their 16th Annual Corn Roast Fundraiser Labor Day Weekend

On Saturday of Labor Day Weekend (September 3rd) Red Arrow will host its 16th Annual "Corn Roast and ATV/UTV Parade" at the Old Town Hall Bar & Restaurant in Townsend. Open to the public, the event will begin at 11AM. Meat raffles, D.J. Music, Food, beverages and free sweet corn will be available all day. Tickets for our BIG 34 prize raffle ticket will be available. Raffle prizes will be drawn at 5PM. The day's activities will all be under the cover of a big tent so come rain or shine!

The ATV/UTV parade will leave the Red Arrow Clubhouse (16712 Hummingbird Hill Lane, Townsend) at 10:30 AM and proceed to the event at the Old Town Hall. All ATV and UTV owners are invited to participate in the parade. You do not have to belong to a club to participate.

Come ride with this year's parade Grand Marshal, Larry Market. Larry has been a member of Red Arrow Snowmobile ATV Club for many years. Larry has worked countless fundraisers for the club including the Corn Roast and Fish A Ree. It is plain to see that they have truly given a lot to the sports of snowmobiling and ATving in the Townsend area. Clubs are only successful when there are dedicated volunteers like Larry, many times going above and beyond for the sports they enjoy!

Come to the Corn Roast by ATV, UTV, car, truck or van...everyone is invited to attend this great "family friendly" event at the Old Town Hall Bar and Restaurant. Direct ATV/UTV access is available from as far as the City of Gillett to the south, Florence, Forest and Marinette counties and Michigan trails at Iron River.

All proceeds from this event will go directly into maintaining and improving the Snowmobile and ATV/UTV trails in the Townsend area. Red Arrow is responsible for about 65 miles of snowmobile trails and about 15 miles of ATV/UTV trails including the Nicolet State Recreational Trail thru Townsend.

## Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land & Water Conservation Department. For more information contact Steve Kircher, County Conservationist-Land Information/GIS Director at 715-478-1387 or by e-mail at [lcc@co.forest.wi.us](mailto:lcc@co.forest.wi.us).

Remember that warm day last week when you went swimming in your lake, and you felt that the water was warmer near the surface and colder at the bottom? Do you know what this phenomenon is called and why it happens?

Lakes that are large enough, like Lake Metonga and Lucerne, and deep enough are stratified or layered. Stratification of a lake is simply the layering of different water temperatures within the lake. The three layers that make up the lake are the epilimnion, the metalimnion (also referred to as the thermocline), and the hypolimnion.

The top layer of water is referred to as the epilimnion. This layer is the warmest in the summer because this water is on the surface of the lake and is heated by the sun throughout the day. The sun's rays only penetrate so deep within the water, which is why the water on the bottom of the lake does not get as warm as the water on the top of the lake.

The middle layer of water is referred to as the thermocline, or the metalimnion. This layer of the lake has water that is moderate in temperature. It isn't the warmest spot, but it's not the coldest spot either. This water receives some sunlight, but not enough to warm up the water molecules so that they can become a part of the epilimnion.

The bottom layer of the lake is known as the hypolimnion. This layer consists of the coolest, densest water since the sunlight typically does not reach the bottom of the lake.

Here in Northern Wisconsin, these three layers do still exist in the winter, but they are underneath the layer of ice that is formed on top of the water. These layers change throughout the year during turnover. Turnover is caused by the density of the water particles changing and it allows for the colder water to move to either the top or bottom of the lake, depending on the season. The density of water changes as the temperature of the water changes. For example, cooler water is more dense than warmer water, meaning that in the summertime, the cooler water sinks down to the bottom of the lake.

However, once the water reaches a temperature of 0 degrees Celsius (32 degrees Fahrenheit) it freezes. Water in its solid form (ice) is less dense than water in its liquid form, which is why the coldest water is found on the top of the lake in the winter as a sheet of ice.

## WPS awards grants to Crandon and Laona Fire Departments

Wisconsin Public Service awarded a grant to the Crandon Fire Department. The money will be used to purchase a glass cutting saw to get through modern and tough car windows, plus extrication gloves and fire resistant suits.

The Laona Fire Department was also given grant money that will be used for training purposes.

## Donation to the LMT by Paul Elbe

On Saturday, August 20th The 2nd Annual Awareness Dementia and Alzheimer Benefit: Celebration of Life of Kathy Elbe was hosted at The Night Owl. Many raffles were held during the day. All proceeds raised were donated to The Ties that Bind Us.

Many people, friends and family worked very hard that day for this event. At the end of the day, Paul Elbe gave a personal donation to Lumberjack Memorial Trails (LMT) group for helping to run the raffles.

## Book Sale at Lakes Country Public Library

The Friends of Lakes Country Public Library located on Hwy 32 in Lakewood will host a book sale on Friday, September 2nd from 9:00 a.m. - 3:00 p.m. and Saturday, September 3rd from 10:00 a.m. - 2:00 p.m.

Items for sale include paperback and hardcover books, DVDs, CDs, and puzzles. Proceeds from the sale will provide funding for new materials, special programming including the summer reading program, the outdoor garden, and the summer intern.

If you are interested in joining or helping the Friends please contact the library at 715-276-9020. All local residents and seasonal visitors are welcome to join. Please support this valuable resource.

## DNR announces changes to 2022 hunting season

The Wisconsin Department of Natural Resources (DNR) today announced the 2022 combined Wisconsin Hunting Regulations pamphlet is now available online and will soon be available at license agents and open service centers around the state.

As in previous years, the combined regulations pamphlet brings season dates, shooting hours and regulations together in one convenient document. The 2022 Wisconsin Trapping Regulations are also available online and will also soon be available in print across the state.

## Crandon International Raceway announces poker run at Polaris World Championships

In 2022 the biggest event weekend in Crandon International Raceway's sparkling 53-year history will officially kick-off at noon on Thursday, September 1 where it should be - on the dirt. The second annual Lucas Oil Legends Poker Run, presented by Polaris, will take race and off-road fans on a picturesque 78-mile run starting under the golden gates of the legendary off-road race facility.

Created as a charity fundraiser spotlighting the beautiful Northwoods of Wisconsin's Forest County, this exclusive event is limited to 100 UTVs and features a 78-mile route through tree-lined countryside as well as stops at the Potawatomi Carter Casino and a final celebration in downtown Crandon.

Participants will join Crandon off-road racing legends as they kick-off the biggest short-course off-road race in the world while simultaneously raising donations benefiting the Off-Road Motorsports Hall of Fame (ORMHOF) and the Forest County ATV Association. The Poker Run is designed as a fun run (not a race) held in beautifully groomed forest terrain that will also offer a chance to win some valuable prizes from Lucas Oil, Polaris, Yokohama Tires, Vision Wheel, Rigid Industries and more.

## Crandon Raceway Set For Return of 2nd Annual Continental Tire Class 11 VW World Championship Vintage Race Cars A New Labor Day Weekend Tradition

With the biggest race weekend in its 53-year history ready to invade the tiny Midwest town of Crandon, Wisconsin, the historic off-road raceway today announced the return of a new fan favorite. Thanks to the enthusiastic support of Continental Tire, Gravel Kings, Rugged Radio and Mobilwagen wheels, the second annual Crandon Class 11 World Championships will again be a reality on the traditional Labor Day weekend Crandon schedule.

A BEETLE INVASION: A staple since the sport's inception, in recent years the nearly stock vintage Volkswagens that comprise Class 11 have seen a huge uptick in popularity among fans and racers. Almost all of the cars coming to participate in the upcoming Continental Tire Crandon Class 11 World Championship are making the trek to Wisconsin from the western United States. (Photo: Jason Zindrowski) Nearly 20 vintage Volkswagens and their teams are expected to make the long journey to Crandon for the 53rd Polaris Crandon World Championships, the largest short-course off-road race in the world. Scheduled for September 1-4, 2022, the weekend will also play host to the Sportsman and Pro racers of the AMSOIL Championship Off-Road Series and the dynamic rock racing competitors that comprise the Ultra4 series.

**Hunting season changes** Cont. from pg. 1  
This year, there are some changes to the regulations for open-water waterfowl  
hunting. Hunters may now hunt in the open waters of the Great Lakes, Green Bay and Big  
Green Lake as long as they are a minimum distance of 500 feet from shore.  
In addition, the 2022-23 squirrel season will now close on Feb. 28, 2023, instead of  
the last day of January.  
Deer hunters throughout the state will have their first opportunity to enjoy the  
woods with the opening of the 2022 archery and crossbow deer seasons, which run  
concurrently statewide from Sept. 17 to Jan. 8, 2023. The archery and crossbow seasons  
are extended to Jan. 31, 2023, in metro sub-units. Many counties will offer the antlerless-  
only holiday hunt between the Christmas and New Year holidays.  
Bonus antlerless deer harvest authorizations are still available for purchase in  
some counties. Check the DNR website for availability.  
**The 2022 deer season schedule is as follows:**  
-Gun Hunt For Hunters With Disabilities: Oct. 1-9  
-Youth Deer Hunt: Oct. 8-9  
-Gun Deer Hunt: Nov. 19-27  
-Muzzleloader: Nov. 28-Dec. 7  
-Statewide Antlerless Hunt: Dec. 8-11  
-Farmland Zone Holiday Hunt: Dec. 24-Jan. 1, 2023  
The hunting regulations pamphlet summarizes Wisconsin's hunting laws most  
relevant to hunters. For additional hunting and trapping laws, consult Wisconsin State  
Statutes chapter 29 or consult chapter 10 of the Administrative Code of the DNR.  
For more information on hunting in Wisconsin, visit the DNR website.

**We Do Job Printing at the Pioneer Express 478-3640**

Capping off the weekend on Sunday, September 4th will be the 7th annual Red Bull Crandon World Cup for Pro category racers, with the sport's best Pro drivers earning coveted Crandon World Championship titles and the biggest prize of all -- the annual Red Bull Cup Challenge finale.

Additional event and weekend wristband purchases can be found at [www.crandonoffroad.com](http://www.crandonoffroad.com).

Featuring vintage air-cooled Volkswagen Beetles that remain largely stock with the exception of modern safety equipment and highly restricted performance upgrades, Class 11 remains a fiercely competitive category even in grueling long distance marathons like the annual BFGoodrich SCORE Baja 1000. Treated as a Pro category by Crandon International Raceway, Class 11 was added to the busy Polaris World Championship schedule in 2021.

**HISTORY AND FRIDAY NIGHT LIGHTS:** Volkswagen-based race cars have been part of the Crandon off-road races since the event's earliest days (top). Now enjoying a resurgence, the stock "Class 11" Volkswagens will compete as a feature race on Friday September 2nd as part of the Polaris Crandon World Championship's "Forest County Potawatomi Friday Night Thunder." (Photo: Jason Zindrowski)

"Admittedly there was some skepticism when we first announced that Crandon was opening up our Polaris World Championship weekend for Class 11 VWs," explained Crandon Promoter Marty Fiolka. "That quickly went away watching the reaction to these cars from our fans both young and old. With the help of top-tier partners like Continental Tire and Gravel Kings we will proudly host the Crandon Class 11 World Championships on Labor Day weekend for years to come."

While the overall weekend event and race has yet to be announced, the Class 11 racers will participate in Crandon's open test day on Thursday, September 1st before being a feature race under the lights on Friday, September 2nd. The weekend's big race for the Continental Cup and Crandon World Championship rings will take on Sunday, September 4th as part of the 7th annual Red Bull Crandon World Cup.

Both of the weekend's Crandon Class 11 World Championship races will be available for viewers to watch around the world as part of Crandon's massive 2022 Polaris World Championship live-streaming and television broadcast production efforts. Coverage of the Class 11 competitions will be streamed at no cost on various motorsports platforms and [www.crandonoffroad.com](http://www.crandonoffroad.com).

In the world of motorsports, Labor Day weekend is synonymous with just one thing -- the annual Polaris Crandon World Championships Off-Road Races. This year's 53rd running of the sport's biggest and best event returns for a four-day weekend of racing, concerts, camping and more from Thursday, September 1st through Sunday, September 4th. Comprised of 2,100 sites, Camp Crandon has been sold out for nearly two months, with gates opening to the racers and public at 12:00 noon (CST) on Wednesday, August 31st.

A record event crowd of more than 60,000 people will enjoy seeing more than 425 teams from across America competing in races spread over three days and nights. The massive race weekend is the largest, oldest and most prestigious short-course off-road race in the world, and includes a complete schedule of Pro and Sportman AMSOIL Champ Off-Road series racers going all-out to win both season championships and Crandon World Champion title and rings for all classes.

**David Jesse Houle**, 73, of Hiles, passed away August 21, 2022 at Aspirus Rhinelander Hospital with his loved ones by his side. He fought a courageous battle against cancer, never giving up.

David was born February 26, 1949 in Laona, Wisconsin to Jesse and Betty (Bonack) Houle of Hiles. He was the oldest of four children. David attended Crandon High School and went on to welding school in Beaver Dam, Wisconsin while working for John Deere. He returned home to Crandon to marry his high school sweetheart, Mary L. Mihalko, on June 29, 1967. They were happily married for 54 years. The couple welcomed three daughters, Lori, Amy and Angel.

When he came home from Beaver Dam, he went on to work at Daniels in Rhinelander for a few years. He then went on to work at the Forest County Highway Department for 37 years, which shows his commitment and superior work ethic until he retired.

He was an amazing husband, father and grandfather. David loved his entire family with his whole heart. He had a love for the outdoors and everything it had to offer. On any given day you could find him hunting, fishing or his passion for cutting fire wood and an amazing skill for piling the wood to fit just like a puzzle.

In addition to his wife, Mary, survivors include his mother, Betty; daughters, Lori (Stacey) Shampo, Amy (Brian) Houle-Bukovic and Angel (Jamie) Sears; grandchildren, Katie, Carter, Dylan, Luke, Harley, Isabella, Brianne, Jamie, Jesse, Dustin, Dylan, Michael, Kurt, Mason, Avery, and Keiryn; and brothers, John and Jesse "Punk" (Crystal) Houle.

He was preceded in death by his father, Jesse Joseph Houle; step-father, Martin Hozan; and his brother, Danny "Boone" Houle.

He will be missed dearly, but his memory will live on forever in our hearts.

A celebration of life will be held Saturday, September 24, 2022 from 11 a.m. to 3 p.m. at the Hiles Town Hall. All that would like to celebrate David's life are welcome to attend.

Weber-Hill Funeral Home is assisting the family with arrangements. Online condolences can be made by visiting [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**Forest County Fair barn upgraded**

The original Forest County Fair barn that was torn down to build a new cattle barn in 1935

The 2022 Forest County Fair symbolized the completion of a two-year long project for 4-H members enrolled in Forest County's Horse Project. As part of the barn safety project, 4-H members created first aid kits for horses, identified fire hazards and researched the necessary signage for public visitors to the barn.

As this year's Fair approached the County Fair committee met and the needs the 4-H youth had identified for the health and safety of their horses in the barn was discussed. Present at the meeting were representatives of Hometown Trolley who stepped forward and pledged \$2,000 to the barn project. Argonne Lumber also donated \$500 towards the cost of the lumber and Mel Flannery Trucking donated a load of sand for the horse arena.

The week before the Fair began volunteers Brian Schultz, Brian Vertz, Marc Franti, Dave Kircher, Kevin Kuebler, Tony Weber, Hayden Weber and Gavin Weber completed the necessary hands-on work to ensure a safe and healthy barn for both 4-H members and visitors to the Fair.

During the 3-day Fair, several families boarded their horses in the newly upgraded barn and were able to participate in all the 4-H horse project activities available. For more information about 4-H and the upcoming 2022-2023 Horse Project please contact Michelle Gobert at 715-478-7797.

Current barn at the Forest County Fairgrounds

**DEATH NOTICES**

**Richard Lee (Rich) Lukaszewski Sr**, 71, of Laona, WI passed unexpectedly in his sleep on Saturday August 20, 2022.

Rich was born in Laona, WI to John and Marcella (McDaniel) Lukaszewski. Rich was one of six siblings being raised in Laona and graduated in 1969.

Rich moved to the Sheboygan area where he worked for Kohler, Poly Vinyl, Watsons, and finished his career with 27 years at Bemis manufacturing. When not working Rich loved playing the drums and often times played with local bands including Country Knights and Polka Potion. He avidly played from the age of 15 until the age of 68 when he lovingly passed the sticks to his grandson, Robert. Besides the drums, Rich's true passion was fishing, which he enjoyed sharing with his sons. He always said he retired just to fish.

On March 14, 2008 Rich was united in marriage with Susan Torstenson. They resided in Sheboygan, moving to Laona shortly after Rich retired in 2013 where Rich's friendship with his cousin Andy grew and reconnected.

Richard is survived by his wife, Sue of Laona; children and step-children, Armin (Kim Thone) Lukaszewski, Rachel (Jason Gretz) Behr, and Richard Lukaszewski Jr., all of Sheboygan, Charles (Dawn Borchert) Clark of Missouri, and Melissa (Jeremy) Tock of Sheboygan; grandchildren, Amber, Jastin, Armin Jr (Jade Gill), and Amara Lukaszewski, Cody, Zachary, and Christopher Burns, Jacob Gretz, Makayla, Jahda, and Ahnika Lukaszewski, Travis, Robert, and Lucas Tock and Damien (Madeline) Behnke; great-grandchildren, Regan and Lilah Lukaszewski; his brothers, John (Mary) Lukaszewski of Plover, Robert (Chris) Lukaszewski of Grafton and David (Judy) Lukaszewski of Kohler; along with numerous nieces, nephews and cousins.

Richard is preceded in death by his parents and his sister, Helen (Richard) Roberts.

No funeral service will be had per Rich's request; however there will be a luncheon in Laona at a future date. There will a Memorial gathering in Sheboygan on September 24, 2022, location TBD.

Please send all condolences in care of Melissa Tock to 434 Michigan Ave Sheboygan WI 53081.

Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

**George Henry Uihlein**, of Milwaukee, passed away peacefully on Sunday, August 14, 2022. Born to Herman A Uihlein and Nancie (Dauer) Uihlein in 1951, he is survived by his loving wife Susan (Ruedy) Uihlein, children Justin D Uihlein (Taylor), George A Uihlein, and grandchildren Millie and Wyatt Uihlein. He is further survived by brothers H Alfred Uihlein, Peter T Uihlein (Pam), sister Linda R Uihlein, nephews P Timothy Uihlein (Megan), Mattson Uihlein (Caroline), and many other relatives. George's sense of humor and kindness touched everyone he met. Graduating from the University School of Milwaukee in 1970, George formed many lifetime friendships with his USM classmates. He received his BSBA from University of Denver in 1974, and was a banker at First Wisconsin in Milwaukee, Union Bank of Bavaria in Munich, and Soci t  Generale in NY. George and his family enjoyed their life and friends in the Milwaukee, Madison, Florida, and Oconto areas. He also enjoyed volunteering at Schlitz Audubon, The Nature Conservancy, and the Ozaukee Hockey Rink. George's greatest joy was being a father and Opa. He courageously battled cancer and transplants over the past 17 years with kindness and without complaint. We would like to thank the doctors, nurses and staff at UW Hospital, Dr. Longo, and the organ donors to whom he owed his life. A special thank you for the support of the Bald Eagles Hockey Team and the Verona Senior Center. A private memorial service will be planned in the north woods later this fall.

## Walk to End Alzheimers in Rhinelander

The Alzheimer's Association is inviting Rhinelander residents to join the fight to end Alzheimer's by participating in the Walk to End Alzheimer's® on September 17, 2022 at The Hodag Dome, 863 Hodag Dome Drive, Rhinelander. The event opens at 8:30 a.m. with the Opening Ceremony at 9:40 a.m. immediately followed by the Walk at 10:00 a.m. We're very excited to be kicking off the event at the Hodag Dome, which is the largest air-supported high school dome in the nation.

The Walk is chaired by Jim Brust, Brust Consulting. "We're so excited to be joining together this year as a Walk community," said Brust. "The need is stronger than ever to support all those affected by Alzheimer's and other dementia. With the dollars raised, the Alzheimer's Association can continue to provide care and support to families on this difficult journey, while also advancing critical research toward methods of treatment and prevention."

Duff Damos, radio personality, NRG Media, will serve as master of ceremonies to welcome individuals, families, and members of the community. On Walk day, participants honor those affected by Alzheimer's with the poignant Promise Garden ceremony a mission-focused experience that signifies our solidarity in the fight against the disease. The colors of the Promise Garden flowers represent people's connection to Alzheimer's their personal reasons to end the disease.

## Baldwin helps secure over \$31M in Federal transportation funds for 4 Wisconsin projects

WASHINGTON, D.C. – U.S. Senator Tammy Baldwin announced that four Wisconsin projects will receive RAISE Grant Funding, totally more than \$31 million dollars to invest in Wisconsin's transportation infrastructure.

"Our infrastructure is the backbone of our economy, and Wisconsin's transportation system will be strengthened with this federal funding. I voted for the Infrastructure Investment and Jobs Act and supported these projects through the appropriations process to put people to work rebuilding our infrastructure," said Senator Baldwin. "Bringing this federal funding home to Wisconsin delivers more results for communities across our state."

The following Wisconsin communities will receive support:

- The City of Beloit will receive \$13,476,269 to make safety improvements including a new bridge on Willowbrook Road, reconstruction of Willowbrook Road, reconstruction of Colley Road, multilane roundabouts at three intersections, and railroad crossing improvements.

- **Forest County and the Potawatomi Community will receive \$9,531,340 to construct an approximately 4.8-mile walking and biking path along US Highway 8 to link the City of Crandon, Wisconsin, the Forest County Potawatomi Community (FCPC) Stone Lake reservation lands, and the Otter Springs Recreation Area. The project will also construct an approximate 0.56-mile pathway within the FCPC Government complex, as well as an approximate 1.64 mile formal ATV-only trail.**

- The City of Sheboygan will receive \$5,341,931 to build a shared-use swing bridge for non-motorized travel, which will provide a safe pathway across the river. The project will promote modal shift and thereby reduce emissions, and seeks to improve at-risk infrastructure by considering improvements to the flood plain in the project area. The bridge will connect two waterfront districts located on either side of the Sheboygan River and provide access to work centers, recreational activities and other services to the community including those who are underserved, overburdened, or disadvantaged.

- The Oneida Nation will receive \$2,952,050 to complete the engineering, design, and construction of the Oneida Transit bus garage.

The RAISE Discretionary Grant program invests in road, rail, transit and port projects that promise to achieve national objectives. The program was formerly known as the Better Utilizing Investments to Leverage Development (BUILD) and Transportation Investment Generating Economic Recovery (TIGER) Discretionary Grants. Senator Baldwin supported the two pieces of legislation that fund RAISE Discretionary Grants. The Infrastructure Innovation and Jobs Act included \$1.5 billion for this program for 2022. Additionally, \$775 million was designated for RAISE Grants in the Consolidated Appropriations Act for Fiscal Year 2022.

## 4-H Project Expo

Make plans to attend the 4-H Community Club Project Expo on Saturday, August 27th at the Wabeno firefighter grounds.

Members of the 4-H Northwoods Clovers club, organized in spring of 2021, have been exploring and learning about 4-H and its various projects. The 2022 Youth Project Expo is an introduction to exhibiting in an educational setting with face-to-face judging and will prepare youth to exhibit and demonstrate their 4-H projects. Community members are encouraged to attend the expo between the hours of 10 a.m. 1 pm.

The event will include an indoor craft and vendor show from 10 a.m. 1 p.m.

To learn more about Forest County 4-H please visit <https://forest.extension.wisc.edu> or call Michelle at 715 478-7797.

## Back to School Month: preparing for a healthy school year

It won't be long before kids head back to the classroom for the start of another school year. While you need to make sure your child has all the school supplies they need to succeed, it's just as important to make sure they have a healthy school year.

Follow these nine tips from Jeffrey Jast, MD, Aspirus Woodruff Clinic, the Wisconsin Department of Health Services (DHS) and Centers for Disease Control and Prevention (CDC) to help your child stay healthy as they start the new school year:

1. Visit your child's primary care provider. "A well-child check-up is a wonderful way to make sure your child's school year gets off to a healthy start," says Dr. Jast. "It's also an opportunity to meet sports physical requirements for your child, for kids who will be playing a sport."
  2. Don't skip the shots. Before your child walks into the classroom, make sure their immunizations are up to date. And don't forget about the flu. It is recommended that all school-age children get the flu vaccine unless they have an allergy to the vaccine or a health problem that will cause complications from the vaccine.
  3. Get sleep schedules back on track. Positive sleep health can help improve academic performance and reduce overall stress, according to the National Sleep Foundation. Start readjusting bedtimes several days out so children are hitting the pillow earlier. And encourage them to cut back on playing games and watching their favorite programs in the evening.
  4. Make an action plan to address any health-related conditions and share with your child's school. If your child has a health-related condition, such as asthma or diabetes, plan how you will communicate this information with your child's teacher and school.
  5. Talk with your child about their mental health. Let them know that this is a hard time for many young people, but they can talk to you and other adults if they need help. Make sure to know what resources are available for your child if they begin to struggle with their mental health once school starts. Talk with your child's school as they may have resources available.
  6. Healthy food = good health. Most children consume almost half of their calories at school, which makes school a great place to learn and practice healthy eating. But parents can encourage a healthy diet at home too. Make sure your child is eating a mix of whole grains, fruits, vegetables, lean meats, and foods that are low in fat and rich in protein, such as fish, eggs and beans.
  7. Wash away the germs. Encourage your child to wash their hands often, at home and in the classroom.
  8. "Whether it's soap and water or hand sanitizer, clean hands go a long way in reducing the spread of germs and infectious diseases," says Dr. Jast.
  9. Stay active. Experts recommend children move for at least 60 minutes each day. Whether it's a kickball game with classmates at recess, a family bike ride after school or baseball practice, it all counts.
- Parents: Take steps to support your own health. Set aside time for you to stay active, connect with people who support you, and practice self-care. Stay healthy and on track with adult vaccinations, including your COVID-19 vaccine. When you are fully vaccinated, you have a far lower risk of getting severely sick, being hospitalized, or dying from COVID-19.

## Wabeno Sylvan Post 44 Legionnaire of the year for 2022

The American Legion Sylvan Post 44 in Wabeno announces Legionnaire of the year for 2022.

Al Heisler has been named the Legionnaire of the year for 2022. Jeff Ewers, American Legion Commander for the 9th district of Wisconsin, presented Al with this prestigious honor.

Al is an Army Veteran and served in Viet Nam. He has been a member of Post 44 for 41 years. His dedication to serving veterans, their families, and the community has always been a priority for Al.

Al has served as Commander for 4 1/2 years and Chaplain for 8 years. He's also been a board member and represents Post 44 by attending many conferences. Even after serving as an officer for many years, Al gives guidance and direction to his comrades to help them improve. His commitment to the Legion and Post 44 continues by being on the Honor Guard. He also volunteers countless hours in many of the Post's fundraisers.

Al also loves spending time with his family. His grandchildren are his pride and joy. He enjoys watching the Packers win and western films.

Congratulations Al!

**BIDS AND NOTICES**

**Public Release for the Community Eligibility Provision**

The School District of Laona is participating in the Community Eligibility Provision for the current school year 2022-2023. These programs provide free breakfast and lunch to all students enrolled at the following school(s). Household applications are not required to receive free meals, but applications may be distributed by the school to collect household income data for other programs that require this information.

All students will be served breakfast and lunch at no charge at the following sites: C.L. Robinson Elementary and Laona Middle/High School.

For additional information, please contact Laona School District, Attention: Melissa Chrisman, District Administrator, 5216 Forest Ave., STE. A, Laona, WI 54541, 715-674-2143 Ext. 202 or email mechrisman@laona.k12.wi.us.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at: How to File a Complaint, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

1. mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW Washington, D.C. 20250-9410;
2. fax: (202) 690-7442; or
3. email: program.intake@usda.gov.

*This institution is an equal opportunity provider.*

**School District of Laona Non-Discrimination Policy**

The Laona Board of Education is committed to providing an equal educational opportunity for all students in the District.

The Board does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, changes of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.

Please review Board Policy 1422, Board Policy 2260, Wis. Stats. 118.13, and Wisc. Adm. Code PI-9 for additional information. Discrimination complaints should be placed in writing and directed to the building principal.

**School District of Laona Special Education Screening & Referral Procedures**

Any person aware of a child between the ages of birth and 21 who may be experiencing physical, mental, emotional or learning problems may contact the Special Education teachers at the School District of Laona, 5216 Forest Avenue, Suite A, Laona, WI 54541, phone (715) 674-2143 to initiate screening services that will determine if a referral for special education is appropriate.

**Referral Procedure**

The school district shall solicit and receive referrals of students with suspected educational needs from all persons who have responsible cause to believe that such needs exist. Specific state criteria shall be adhered to in determining eligibility for specific handicapping conditions. Referrals of suspected children with disability shall be referred to either of the people listed above.

**IEP - Team Evaluation**

Whenever a child is referred who is suspected of having an exceptional educational needs, the school district shall establish an IEP Team. An appointment of this team shall be the responsibility of the Program Support Teacher. The Program Support Teacher shall approve the evaluation process and may request additional information.

Procedural safeguards for evaluation including the following:

The notice of intent to evaluate shall be sent to the parents that will include:

A full explanation of the due process/procedural safeguards;

A description of the evaluation proposed, an explanation of why the evaluation is proposed, any options that were considered, and the reasons why those options were rejected;

A description of each evaluation procedure used as a basis for the evaluation;

The type of professional conducting the evaluation;

A description of any other relevant factors.

Written parental consent shall be obtained when a child is being evaluated for the first time within the district. This consent form shall include:

A statement documenting that the parent understands the content of the notice;

Information on the general areas to be evaluated;

Information on the general types of procedures to be used.

**School District of Laona Annual Notice - Homeless Children**

The McKinney-Vento Act defines children and youth who are homeless (twenty-one years of age and younger) as: \*Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:

- Sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as double-up);
- Living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
- Living in emergency or transitional shelters;
- Abandoned in hospitals;
- Awaiting foster care placement;
- \* Children and youth who have a primary nighttime residence that is a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.
- \* Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
- \* Migratory children who qualify as homeless because they are living in circumstances described above.

If you are personally aware of or are acquainted with any children who may qualify according to the above criteria, the School District of Laona provides the following assurances to parents and homeless children;

\* Local school district staff member (liaison) to assist homeless children/families:

- Jason Bertrand, Homeless Liaison, (715) 674-2143 or jbertrand@laona.k12.wi.us.

\* There shall be immediate enrollment and school participation, even if educational and medical records and proof of residency are not available.

\* All educational opportunities and related opportunities for homeless children (preschool to age 21), including unaccompanied youth, shall be the same as for the general student population.

\* Enrollment and transportation rights, including transportation to the school of origin. "School of origin" is defined as the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.

\* Written explanation of a child or youth's school placement, other than school or origin or the school requested by the parent, with the right to appeal within the local dispute resolution process.

\* Meaningful opportunities for parents to participate in the education of their children. These shall include: special notices of events, parent-teacher conferences, newsletters, and access to student records.

Please contact Jason Bertrand, homeless liaison for the School District of Laona, for additional information about homeless issues. Jason can be reached at (715) 674-2143.

**Notice for Bids**

**Please mark "Skidsteer Trac Loader Bid" on outside of sealed envelope.**

**Any questions, call Dan Moravec at 715-850-1684.**

Yet another message from Mark Gatton... I think I've figured it out! There are a lot of SHY PEOPLE in Forest County! Let's see if I can help.

The bus service is for those 55 years and up... unless the bus isn't full (never full so far). In which case we can accept those younger people who want to join the fun! The ride costs you \$4 and lunch can be had for \$10 to \$15 on average.

I'll pick you up at home and usually return you home by 2 p.m. We even help with your packages! So, if you need to do some shopping, need a haircut or to stop at your pharmacy or bank, want to do lunch, or just want a day trip to socialize (we still don't bite) or get out of the house and have \$20, give me a call at 715-889-0859.

**Forest County to Rhinelander:** Arrive about 10 a.m. Walmart complex and Aldi's plus any reasonable suggestions. Will stop for lunch.

**Forest County to Antigo:** Arrive about 10 a.m. Walmart and Fleet Farm plus any reasonable suggestions. Will stop for lunch.

**Forest County to Iron Mountain:** Arrive about 10 a.m. Walmart plus any reasonable suggestions. Will stop for lunch.

**Thursday, August 25:** Rhinelander

**Tuesday, August 30:** No route

Destinations may change based on rider's needs or wishes. Call 715-889-0859 at least the day before riding.

Until we develop an established ridership, we will attempt to provide service to anyone who desires to join any trip.

**Forest County Commission on Aging Nutrition Program SENIOR MEALS**

Cellcom now accepting applications for Green Gifts

Cellcom is now accepting applications for the 2022 Green Gifts program. Through Green Gifts, Cellcom donates proceeds from its cell phone recycling program to local organizations, programs and projects that are dedicated to or support the environment, ranging from environmental education to preservation to sustainability.

"Northeast Wisconsin has an abundance of lakes, rivers, forests, and wildlife. It's what attracts many of us to the area, whether it's for our residence or recreation. And it is up to us to protect these natural resources," said Cindy Durand, senior director of marketing communications, government relations and sustainability at Cellcom. "We're excited to support nonprofits that are leading the way as environmental stewards. These efforts pave the way for our communities to connect with nature by enhancing natural areas, providing educational programming, and spearheading research efforts."

Green Gifts complete the green cycle that starts with consumers being environmentally conscious and recycling their old handsets.

"We encourage you to recycle old, unused phones at a local Cellcom location for responsible disposal. This keeps harmful materials out of landfills and supports local organizations of all sizes whose work is positively impacting the community and building a greener tomorrow," said Durand

This year a total of \$30,000 will be donated across Cellcom's service area. Applications must be submitted by September 22 at noon. The online application and additional criteria can be found at [www.cellcom.com/greengifts](http://www.cellcom.com/greengifts). Award recipients will be notified in October.

### Poker Run Cont. from pg. 1

"For years our fans enjoyed the various trail rides we have taken through the forests surrounding the race track to kick off World Championship weekend," explained Crandon Promoter Marty Fiolka. "With the help of Lucas Oil, Polaris and other partners we can learn from our first Poker Run in 2021 and elevate this annual gathering into something very special every year. We also have to thank the legendary drivers that will be part of this event as well as the Forest County ATV association for helping plan and guide the run itself."

The poker run is open to 100 street-legal UTV/SxS/ATV machines (not race cars) for \$75 per vehicle (includes one) poker hand and \$40 per additional poker hand (up to six per vehicle). All registrants will be placed in one of four different groups of 25 participating machines - Gold, Red, White and Blue. Placings in groups will be on a first come, first-served basis.

Thanks to the enthusiastic support of Crandon's top-tier family of corporate supporters, winners of the Lucas Oil Legends Poker Run, presented by Polaris, will not only enjoy a great afternoon of exploring and charity giving, but also have the chance to win cash and prizes from a stellar awards package that offers the following: 1st place (best hand, final draw) - \$500 cash, one Lucas Oil outdoor prize pack, one Polaris 60 quart cooler, one set of four DOT Yokohama tires, one set of four Vision Wheels and one \$200 gift certificate for official Crandon merchandise; 2nd place (second best hand, final draw) - one Lucas Oil outdoor prize pack, two Polaris camp chairs, one set of Rigid Industry lights and one \$150 gift certificate for official Crandon merchandise; and 3rd place (third best hand, final draw) - one case of Lucas Oil SxS oil, one Rugged Radio GMR45 Mobile Radio Kit and one \$100 gift certificate for official Crandon merchandise.

A complete run-down of the 2022 Lucas Oil Legends Poker Run presented by Polaris can be found on the Crandon International Raceway website at [www.crandonoffroad.com](http://www.crandonoffroad.com).

The 53rd Polaris Crandon World Championship Off-Road Races®, featuring the 7th annual Red Bull Crandon World Cup, will be held over Labor Day weekend from September 1-4, 2022. Weekend admission passes and more information is available at [www.crandonoffroad.com](http://www.crandonoffroad.com).

# Thank Yous and Personals

## THANK YOU!

We would like express our heartfelt Thanks to family, relatives, and friends during our time of need.

The food, phone calls, cards, donations, flowers and all the kind words spoken were truly appreciated.

On behalf of the family of Buddy Brooks, we would like to thank you from the bottom of our hearts!

Special Thanks to Rich Perik and the Ladies of Praise Chapel.

I WOULD LIKE TO THANK EVERYONE THAT SENT CARDS, PRAYERS AND STOPPED BY DURING THE LAST FEW MONTHS OF GOLDIE'S ILLNESS. HOW GREAT IT IS TO LIVE IN A SMALL TOWN OF CARING PEOPLE.

THANK YOU TO PASTOR FRANCOIS, WARREN DORAU, CINDY MCCARDLE AND GAY TAMBURRINO FOR BEING PART OF GOLDIE'S SERVICE. ALSO THE THE UMW WOMEN THAT PUT TOGETHER AND GAVE US A WONDERFUL LUNCH.

I WOULD ALSO LIKE TO THANK NU-RUC NURSING HOME FOR THE VERY GOOD CARE OF GOLDIE WHILE SHE WAS THERE AND COMPASSUS HOSPICE CARE. THE NURSES THAT CARED FOR GOLDIE WERE THE MOST CARING, GENTLE & PROFESSIONAL. I CAN NEVER THANK THEM ENOUGH, THEY WERE THERE ANYTIME WE NEEDED THEM.

ON BEHALF OF MY FAMILY, I WOULD LIKE TO THANK ALL WHO SENT CARDS, THEY ARE TRULY COMFORTING.

ROGER CRONCE FAMILY

## Mission Evangelism Committee donates school supplies

The Mission/Evangelism Committee of Forest Larger Parish recently delivered \$250 worth of school supplies to NEWCAP in Crandon for distribution to children in need.

The hope is that education is the key to a bright future and we need to encourage children to succeed in school. \$200 will also be donated to the Backpacks To Go programs at Laona and Wabeno. This program provides easy to prepare nourishing food items delivered in backpacks to children. The goal is to supplement meals over the weekends during the school year.

Pictured left to right: Suzanne Bell, Audrey Peterson, JoAnne Gipp, Karen Pruetter and (seated on the floor) Joan Hansen.

## Youngblood new Forest Supervisor for Chequamegon-Nicolet National Forest

Rhineland, WI – August 17, 2022— USDA Forest Service Eastern Regional Forester Gina Owens recently announced the selection of Jenn Youngblood as the Chequamegon-Nicolet National Forest Supervisor. Youngblood replaces Paul Strong who took a position as Director of Environmental Planning and Stewardship in the Eastern Regional office. Youngblood starts on the Chequamegon-Nicolet National Forest on Sept. 26, 2022.

"It's good to be able to stay and serve my Wisconsin home, its residents, and the American public," said newly appointed Forest Supervisor, Youngblood. "I believe serving others and honoring the wisdom and words of my great-grandmother, grandmother, and mother to 'focus on providing humble service to others' and my goal is to do right by forest partners, forest employees, and the lands of Northern Wisconsin."

Prior to her selection as the Chequamegon-Nicolet National Forest, Youngblood served as the Chippewa Deputy Forest Supervisor. During her career with the USDA Forest Service, Youngblood has been the Special Assistant to the Regional Forester for Tribal Relations serving tribes, forest leadership, and supporting the eastern region field team. Along with experience as acting Deputy Forest Supervisor on the Mark Twain National Forest and acting District Ranger on the Hiawatha National Forest, she brings more than 30 years of experience developing and managing programs ranging from diverse issues of importance to Tribal Nations, work in health care, and a variety of land management and environmental topics.

Youngblood holds multiple degrees, including a degree in environmental science and a master's degree in adult education from Carroll University in Waukesha, WI and is a Registered Nurse. Before embarking on her federal career, she grew a consulting firm and attained a Doctor of Jurisprudence with an emphasis in natural resource law and federal Indian law. She also served at the Bureau of Ocean Energy Management in Alaska.

Youngblood enjoys spending time with her family. She loves working on her farm, in her garden, cooking, and raising critters. Youngblood grew up on the Arizona/California border by the Colorado River Indian Tribes Reservation but has called Wisconsin home since 1995 and resides in Nashotah and in the Northwoods. She is a Badger/Packer/Brewer and Bucks fan and a fan of all things Wisconsin.

Youngblood believes in collaboration and sharing ideas with others to forge strong relationships and facilitate land management goals to sustain the Nation's forests and grasslands for future generations.

Please visit our website for more information about the Chequamegon-Nicolet National Forest and follow us on Twitter at <https://twitter.com/CNNF002> and on Facebook at <https://www.facebook.com/CNNF002>.

## Thank You

The Crandon Public Library Board and Staff would like to thank everyone who helped support the Summer Reading Program 2022, Oceans of Possibilities! Our gratitude to this year's generous donators who helped give the gift of reading, excitement, and lifelong learning.

## Mole Lake's Waba-Nun-Nung Chapel undergoing renovation

The Mole Lake Community Church, which was formerly named the Waba-Nun-Nung (Bright and Morning Star) approximately 50 years ago, by Community Grandmother, Mary Van Zile, has been sorely in need of roof repairs, for a number of years. Also, the 5 feet of snow we experienced the year before last, added to the damage. The church is one of the satellite churches of the Mid-West Indian Mission (Mission). The call for assistance, put forward by the Mission was answered by the fellowship of the Village Church of Bartlett, 601 W. Bartlett Rd, Bartlett, IL 60103. The little, now historic, Mole Lake Community Church serves the community with Religious Services, Vacation Bible School for the children, a forum for Weddings and also Passing On Ceremonies.

Additionally, the church is also in need of a few minor repairs: replace water damaged walls, replace 25+ year-old carpet-samples flooring in the study and nursery rooms, and a new kitchen faucet. If memories of the Mole Lake Community Church inspire you to help out, please designate a donation to the church via the Mid-West Indian Mission website, or purchase a package of Nancy Bauknecht's famous fudge at the upcoming Art in the Square. As always, the church is open, every Sunday at 10:00 a.m.

## Hospice Education Classes

Are you planning to care for a loved one in the future? Do you want to make a difference in someone else's life? Interested in volunteering for hospice?

This 5-week course provides a wealth of end-of-life information. It is FREE and open to the public. This course is facilitated by professionals from the Compassus Hospice team, who will share their experiences and expertise in a dynamic and interactive format.

Classes are 9:30 am – Noon, Wednesdays beginning October 5, 2022, at Crandon Public Library

The curriculum will provide a foundation of end-of-life information, including: Hospice philosophy, Services provided, Levels of care, Interdisciplinary team, Hospice diagnosis, Pain & symptom management, The dying process, Dementia, Spirituality, Grief & bereavement, Communication, Family Dynamics, Volunteer's Role, Policies for the Volunteer, Health and Safety.

**The Deadline For ads in the Pioneer Express is 4:00 pm on Tuesday**

**You can't say civilization isn't advancing. In every war, they kill you in a new way.**  
(Will Rogers)

## DHS Issues Public Health Advisory to Warn of the Risks of Death from Drugs Laced with Fentanyl

Numbers show an increase in overdose deaths in Wisconsin are linked to the addition of synthetic substances and a mixture of drugs used.

The Wisconsin Department of Health Services (DHS) has issued a public health advisory to inform Wisconsinites about the increased number of deaths caused by drugs laced with synthetic substances, especially fentanyl.

Fentanyl is up to 50 times stronger than heroin and up to 100 times stronger than morphine. Because it is so strong and cheap to produce, people who manufacture illegal drugs use fentanyl to make other drugs more powerful and less expensive to make. Fentanyl can be added to pills, heroin, cocaine, methamphetamines, and other drugs.

DHS data shows that just last year, synthetic opioids, primarily fentanyl, were identified in 91 percent of opioid overdose deaths in Wisconsin, and in 73 percent of all overdose deaths. From 2019 to 2021, the number of fentanyl overdose deaths in the state grew by 97 percent.

"As we continue our work to promote mental health, reduce harm, and increase support for those struggling with substance use disorders, we can't ignore the greater risks people face by not knowing what is included in the drugs they are taking," said DHS Secretary-designee Karen Timberlake. "This is a public health crisis, and it's necessary to sound the alarm to prevent unnecessary deaths."

## Goodwill NCW providing back-to-school vouchers for families in need

MENASHA Goodwill Industries of North Central Wisconsin (Goodwill NCW) is supporting families in need this back-to-school season by providing in-store vouchers for merchandise.

The back-to-school vouchers are part of Goodwill NCW's larger GoodNeighbor program, which provided nearly \$1.1 million in merchandise to people in need in 2021. Goodwill NCW partners with community organizations, other nonprofits, service agencies, school districts and back-to-school fairs for families in need throughout 35 counties in north central Wisconsin to provide them with \$10 vouchers to distribute, allowing families to select the school essentials they need from Goodwill stores.

"Goodwill NCW is committed to providing back-to-school vouchers to community agencies and school districts throughout the territory to ensure children have clothing, shoes and other necessities as they start a new school year," said Jennie Moore, Goodwill NCW Vice President-Programs and Partnerships. "Through our partnerships across Wisconsin communities, families are able to get immediate help as they work toward a path to improved financial stability."

More than 25,600 vouchers have been distributed this year to date to community agencies for the back-to-school season for back-to-school fairs, referrals and other means of distribution.

For organizations looking to partner with Goodwill NCW for back-to-school vouchers and the GoodNeighbor program, contact November Behm at [nbehm@goodwillncw.org](mailto:nbehm@goodwillncw.org).

## 7 tips to help encourage your child to exercise

Exercising is good for anyone of any age, but it can be crucial in adolescents. According to the Center for Disease Control (CDC) less than one-quarter of children 6 to 17 years of age participate in the recommended 60 minutes of physical activity every day.

Regular physical activity can help children and adolescents improve cardiorespiratory fitness, build strong bones and muscles, control weight, reduce symptoms of anxiety and depression, and reduce the risk of developing other health conditions.

One way parents/guardians can help encourage their child to be physically active and to develop healthy living habits is by exercising with their child.

National Exercise with Your Child Week takes place August 7 to 13. This week is dedicated to helping encourage parents and guardians to empower their children to be physically active every day. Staying active together and being a role model for a healthy life can help children build confidence while teaching them the importance of physical activity.

"Exercising with your child regularly can teach them how fun and exciting physical activity can be," says Dr. Erika Crockford at the Aspirus Eagle River Clinic. "Lifestyle habits that are learned in childhood are much more likely to stay with a person into adulthood. When sports and physical activities are a family priority, it provides children and parents with a strong foundation for a healthy lifestyle."

Here are 7 other great ways to help encourage children to be physically active, according to American Academy of Pediatrics:

- Emphasize fun. Find a sport that the child enjoys. The more they enjoy the activity, the more likely they will be to continue it.
- Choose an activity that is developmentally appropriate. For example, a 7- or 8-year-old child is not ready for weightlifting or a 3-mile run, but soccer, bicycle riding, and swimming are all great activities for kids this age.
- Provide a safe environment. Make sure the child's equipment and where they practice or play is safe. Make sure the child's clothing is comfortable and appropriate for the activity.
- Provide active toys. Young children especially need easy access to balls, jump ropes, and other active toys.
- Be a role model. Children who regularly see their parents enjoying sports and physical activity are more likely to do so themselves.
- Set limits. Limit screen time, including time spent on TV, videos, computers, and video games, each day. Use the free time for more physical activities.
- Make time for exercise. Some children are so overscheduled with homework, music lessons, and other planned activities that they do not have time for exercise.
- Make sure the child has a convenient time and place to exercise.

Planning around both parents and children's schedules may be difficult, but it's a crucial bonding experience that can influence a child's lifestyle and health.

## FCAL Fall Forum a success

Derek Thorn, coordinator of invasive species for Forest County, inspects for an invasive brought to the fall forum by a lake resident.

The Forest County Association of Lakes hosted its annual Fall Forum for area lake leaders on Friday, August 19th. This event was held at the Lake Lucerne Clubhouse/pavilion on Hwy W. Our appreciation to the Lake Lucerne Association for donating this awesome space.

24 people representing 12 Forest County lakes were in attendance. Presentations were offered by Jeannie Fannin, the Forest County Zoning Administrator, regarding changes to shoreline zoning rules. Jeannie also offered information on how to safeguard the health of our septic systems. Handouts from this presentation can be obtained for your lake organization by contacting Jeannie at [jfannin@co.forest.wi.us](mailto:jfannin@co.forest.wi.us)

Following Jeannie was a presentation from Greg Matzke regarding the health of our local fisheries. Greg is the DNR Fish Biologist for Forest County. Both Greg and Jeannie fielded many questions from the assembled lake representatives.

In conjunction with these presentations, Derek Thorn conducted AIS Snapshot Day. Derek is the Aquatic Invasive Species Coordinator for Forest County. He looked at samples and pictures of suspect invasives that were brought in by the attendees.

Our appreciation to our speakers and attendees. It's always good to get together to share our common problems and solutions as lake property owners. Submitted by Pam Schroeder/2022 FCAL President Photo by Larry Sommer.

## For Old Times Sake

## For Old Times Sake

Lovers of antique care would be stepping on their tongues if they could go back in time and view these old cars. Of course, they weren't old back then, they were the latest in automotive technology. This picture is of some kind of event held in Wabeno, and looks like it is next to the Grand Plank Hotel. Whatever the event, it did draw a crowd, and just like today, people enjoyed themselves. A guess, from looking at the cars, is that it was in the early 1930's.

Take a good look and see if you can see Tricia's Treasures. You don't have to look real hard, because all of the stores in this photo now make up Tricia's Treasures, and a corner of the Bistro is on the left. At that time, it was Tracy's Tavern.

As can be seen, there was a meat market, a shoe store and another store with the sign too hard to read.

The photo was taken in the 1930's when the water works and sewer were being installed. The work, we think, was performed by the Works Progress Administration or WPA. It was the Great Depression, people were out of work and they found employment with this government program. As a result, Crandon and other towns gained a modern sewer and water system.

**POTAWATOMI CARTER CASINO • HOTEL** **CAREER OPPORTUNITY**

We, at Wiedenbauer Builders, are looking for carpenters and lead people. Experience would be great. We seek self-motivated personnel. Must work well with others, have a valid driver's license and pass a background check.

We do log, full stack, and hybrid, we also do timber frame and stick built. Every home is a one of a kind custom build, no two are the same.

Yes, we do offer benefits; one of the favorites is paid mileage, to and from the job. We generally work a 60 mile radius of Eagle River.

We offer competitive wages, pay based on experience and work ethic.

So if you would like to work on great projects and want to be proud of what you do, drop us an email at [wiedenbauerbuilders@gmail.com](mailto:wiedenbauerbuilders@gmail.com) or send us a resume to P.O. Box 1092, Eagle River WI 54521

One more thing, we have had no lay-offs in 10 years.

So check us out on Facebook! If you are the one we're looking for give us a call at 715-479-1972. We hope to hear from you soon.
