## Holt & Balcom Logging Camp Museum Opens May 27,

Dan Lazzaroni touches up the paint in the cookshack.

By Kathleen Marsh, Camp Director

After hosting school field trip tours for seven area elementary school groups in May, the Holt & Balcom Logging Camp Museum in Lakewood officially begins its summer season on Saturday, May 27. The site will be open 10-3 for public tours every Saturday through Labor Day weekend. A special program Lucy Loved Lakewood will be presented July 22 at 1 p.m. The program features a role play of Mrs. W. A. Holt by Kathleen Marsh and rare vintage photographs taken by Lucy at Island Lodge, the Holt's summer retreat in Lake Archibald.

Maintenance, including a touch-up repainting of the interior of the cookshack and bunkhouse, has been completed by Dan Lazzaroni Painting, Laona. Casey Glander and his assistant Anthony Macusen from Northeast Wildlife Removal safely relocated the furry flying mosquito-eating machines from the bunkhouse.

The Logging Camp Museum is located off Highway F, one and one-half miles east of Lakewood. Turn right off F into the McCauslin Golf Course and Country Club, then follow the signs. Park in the Golf Course lot; the Museum is directly behind the clubhouse.

Special tours of six or more guests can be arranged by calling Bob Brown (715-276-3505) or Kathleen Marsh (920-841-6235). The Museum does not charge admission but gratefully accepts donations from those who visit to help keep our precious logging heritage alive at the oldest logging camp in America still sitting where it was built. Tax-deductible contributions may also be sent to: Kathleen Marsh, Director; Holt & Balcom Logging Camp Museum; 16965 Nicolet Road, Townsend, WI 54175.

## Tressa Votis is Crandon High School Commencement Speaker

Tressa Votis, a 1999 graduate of Crandon High School, will be delivering the 2023 commencement speech. She was one of the first students in Crandon High School history to take advantage of Youth Options, a program designed to help students get a head start in college. She attended Nicolet College full-time during her senior year and graduated with 28 college credits. In the

fall of 1999, Votis went to the University of Wisconsin-Oshkosh where she majored in Broadfield Social Science education. At UW-Oshkosh, she was a member of the women's golf team and several honor societies. During her time there, she spent several weeks in Europe studying economics and philosophy. She graduated in December 2002 with a Bachelor of Science in Secondary Education and a minor in History.

In the fall of 2003, Votis was hired by the School District of Tomahawk and served as a high school social studies teacher for seven years. During this time, she coached volleyball, basketball, and track and field. She also obtained her Master's Degree in Secondary Education in 2005 from Viterbo University.

Dear Editor,

My favorite place in Crandon is the Crandon Public Library. As an avid reader, I can always find a book or three to check out. I can use the fast wifi and print and scan. I can make copies.

I'm usually not alone at the computers as there are often other library patrons who are doing the same thing as I am. Where would we all go to get our tasks done if the Crandon Public Library didn't provide this service for us? If I had small children for whom I was responsible, we would be at the library regularly for Story Hour and play time in the Children's Room while checking out a pile of books. Then the children and I would enjoy the Summer Reading Program with its weekly events, drawings and decorations. I would take part in Adult Art to satisfy my creative side.

What would I do if the library wasn't there? There isn't any other public place where I feel so welcomed, so relaxed, like I belonged. I have no anxiety about whether or not I can get what I need there. I hope the Crandon Public Library never ceases to exist.

Jean Junwirth

**Summer Food Service Program**

Media Release -(For sponsors that are not camps and that establish program eligibility by geographic area)

Stressing the importance of offering nutritious meals to children during the summer months, the Wabeno Area School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price school meals are typically unavailable. Free meals will be made available to children 18 years of age and under. Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

Summer school runs from June 7 through June 30. The following location will be serving the free meals this summer, Monday through Friday

- Wabeno Elementary
- Breakfast 8-9 a.m.
- Lunch 11-12 p.m.

Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

"This program fills a void created when school lunches are not available," said Wabeno Area School District. "Helping parents meet the nutritional needs of their children is the strength of this program."

### Tressa Votis Cont. from pg. 1

In the fall of 2010, Votis returned to her alma mater when she accepted a position at Crandon High School. In 2015, she began offering one of two of the first Advanced Placement classes in Crandon High School history. Additionally, she was selected by College Board in 2019 to score Advanced Placement exams in Tampa, FL. In 2021, she established the Crandon chapter of Psi Alpha Honor Society in Psychology for students who have successfully completed her Advanced Placement Psychology class. Every spring, you will find Votis and her Psi Alpha students volunteering in the community in a variety of ways. In addition to her teaching duties, she also runs the school's concession program, serves as class advisor, and fundraises for and coordinates the annual Winterfest field trip for students in the middle and high school. Votis was the recipient of the Herb Kohl Educational Foundation for Excellence in Teaching award in 2022. In April of 2023, she completed a program through Educate Wisconsin and St. Mary's University in Minnesota to complete her principal licensure. Votis also holds the position of Clerk/Treasurer for the Town of Lincoln and has since 2013.

Tressa Votis is the daughter of Roger and Karen Wilson, and is married to Patrick Votis. She resides in Argonne with her husband and three children, Walker, Reid and Riley. Her brother, Eric Wilson, served as the commencement speaker in 2013.

## NEW Zoo Adventure

The Wabeno Elementary School Kindergarten Class was able to attend a field trip to the NEW Zoo Adventure Park. We are grateful to the Forest County Potawatomi Executive Council and Community for their generous donation for our trip. Kindergarten students were able to touch a guinea pig, turtle, and snake during the education class in addition to exploring the zoo and seeing the many animals. A few students also experienced the winds of the African Savannah and others fed the giraffes.

## Senior Banquet Cont. from pg. 1

Wabeno Lion Al Harrison was the banquet chairperson. Wabeno Lion Gregg Tallier introduced the featured speaker, Derek Loch, a 2011 Wabeno High School graduate. Derek obtained a Biology Bachelor's Degree from University of Wisconsin- Concordia; he was accepted into Concordia's School of Pharmacy and graduated in 2020 with his pharmaceutical degree. Also in 2020, Derek was diagnosed with lymphoma cancer, and he went through ten months of aggressive treatment to achieve remission. He is currently a pharmacist at Nicolet Pharmacy in Lakewood. Derek is engaged to Abby, and they are busily planning a July wedding.

Derek's advice to the class of 2023 was to have a plan and be willing to work hard to achieve it. He also stressed the importance of financial planning.

His own life experience has taught him the importance of appreciating each new day, enjoying what you're doing, and loving where you are.

Wabeno Lion President, Paul Newton, thanked Derek for his moving presentation. He then presented Derek with a plaque commemorating his address to the Wabeno Class of 2023 at their senior banquet. It was a well deserved honor.

The Terry J. Beining Student Service Award was the next important item on the agenda, as the Lions are a service organization whose motto is, "We Serve". Lion Gregg Tallier delivered a wonderful tribute to Lion Terry, who served his community as a Wabeno Lion for over 50 years and was instrumental in organizing the senior banquet for many of those years. Lion Terry was a respected teacher, mentor, community member, and an example of courage to many of us.

## Big Problem, Little Solution

by Paul Leverson, MSPT at  
Health In Motion

HEALTH IN  
MOTION

Sometimes in life, don't you find you've traveled way too far down the wrong path? Then, once you realize it, you're immediately met with the discouraging thought of how far you have to go to get back to where you should be.

Discouragement is often the biggest problem we face in life.

It's often the biggest thing we face in our clinic as well.

Often, people come into our clinic after years and years of dysfunction, pain, and lost ability. They're often facing multiple medical problems other than their primary complaint because of their body's reduced ability to do what it's meant to do. This can be a pretty discouraging situation. A big problem.

After 20 years of helping people, one thing they've taught me is that often, big problems might have little solutions. Often times, it's simply authentic encouragement in the right direction. Sometimes, the solution is so simple, and the results so profound, it is revolutionary and liberating to a patient. We concentrate on finding those little solutions that the patient can start the day they come in...making those small changes that produce big results, while we help them solve that big problem.

Before you know it, discouragement melts away.

The next time you find yourself a long way down that wrong path, remember, the simplest and most effective thing is simply to turn around. Every step you take back is an encouraging thing. We can help you identify the way back...and walk with you every step of the way. That's what families do.

Lion Gregg stated that, "Mr. Beining became part of so many lives and should be remembered for his dedication and service to this community." Lion Gregg also shared some excellent quotes on the importance of service from Martin Luther King, Jr., John F. Kennedy, William Shakespeare, and Dr. Seuss.

Wabeno Lion President Paul Newton presented the Terry J. Beining Student Service Award plaque to Class of 2023 member Maddyson Calhoun. Maddy donated her time and talents by: assisting at the Antique Power Association annual events, the Wabeno Arts and Music Fests, Steam Up Days, volunteering to help at senior citizen dinners, helping at Community Fish O Rees, and at the Lions "MEGA MEAT RAFFLE". Maddy also gave numerous hours to the Juvenile Diabetes Research Foundation.

Maddy says, "Giving your time, thoughts, opinions, and heart is what volunteering means to me." Well done, Maddy!

The 69th Annual Senior Banquet for the Wabeno Class of 2023 came to a close with Class President Kelsey Beaber introducing the members of the Wabeno High School Class of 2023. Lion Gregg Tallier made some closing remarks, "God Bless America" was sung, and pictures were taken.

The Wabeno Lions and the McCaslin Lions wish success to the Wabeno High School Class of 2023.

Letter to the Editor

Re: The Crandon Public Library

In 1731, Benjamin Franklin started the first subscription library supported by its members. In 1833, a town in New Hampshire was the first municipality to fund a library using local funds for the explicit purpose of establishing a free library open to all classes in its community. Fast forward to 2023, Crandon, Wisconsin and our small town offers a wide variety of free materials and services to the people living in our area.

Oftentimes, my taste in viewing, listening or reading material is not "what's trending". That doesn't seem to matter. I can usually find what I want by doing a search through the Wisconsin Valley Library Service. Our library is connected to 25 public libraries in 7 counties in North Central Wisconsin. Within days, I get a call and whatever I've ordered becomes available right here in my own town. Not only that, one of the two Lori/Laurie's or Kay at the circulation desk hand my materials over with a smile and a pleasant visit.

I've been delighted to take my granddaughter to the children's room or a children's program at the library and my women's exercise class meets in the lower level. I've attended interesting and informative programs from time to time and see that as being of real value, too.

I couldn't be happier with my experience at our library and strongly support the ongoing "Campaign Fundraising 2023".

Respectfully,  
Jackie Hurley

# DEATH NOTICES

**Martin Edward Rummel, 79**, of Wabeno, WI passed away peacefully on May 13, 2023; with Pastor Willitz and his loving family at his side. Martin was born March 11, 1944, in Laona, the son of Edwin and Evelyn (Walker) Rummel.

Martin was a farmer all his life. He worked on the family dairy farm until he was able to start his own. He loved hunting. He loved every fur baby that came into his life and always had one or more fur companions at his side.

Martin married Gail (Bazille) Webb on March 11, 1994. They spent many happy years together on the dairy farm and then moved on from dairy to beef farming.

Martin was previously married to Carol (Wolf) St. Peter.

Surviving is his wife of 29 years, Gail; daughters, Tami (David) Hazen, Spring Hill FL and Tina (Dale) Webb, Wabeno. He is further survived by step-daughters, Romelle (Rob) Zeratsky, Green Bay; Deanna "Dee" Budd, Wausau; Glenda (Cory) Ziolkowski, Davenport IA; stepsons; Donald (Julie) Webb, White Lake; Roy (Nancy) St. Peter, Appleton; Jerry (Laurie) St. Peter, Rhinelander and Will St. Peter (Al Snyder) Rehoboth Beach DE; grandchildren; Zachariah, Jordan, Alexandra Hazen, Cassandra (Gabriel) Benitez, and Alex Webb; sisters-in-law; Kathy (Phil) Rummel and Kathy (Clifford) Rummel; many step-grandchildren and step-great grandchildren; a niece and six nephews.

He was preceded in death by his parents; brothers, Phillip, Bruce, Cecil and Clifford; half-brother Louis; grandson, Jacob and step-granddaughter, Christine.

Thank you to the staff at Compassus Hospice Care and Pastor Willitz for all you did to make Martin comfortable in his final days.

Please honor Martin by giving to a cause that is close to your heart. A Celebration of Life will be held at a later date.

Online condolences for Martin may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com)

**Leigh Jennifer Thunder "giwadnok", "North Wind", 40**, of Crandon, WI passed away Sunday, May 21, 2023 at St. Vincent Hospital in Green Bay. Leigh was born September 6, 1982 in Wausau, the daughter of James Thunder and Elizabeth JoAnne Pruitt. She was united in marriage in 2006 to Patrick Saunders.

Leigh was an amazing cook and baker, she loved doing her art, painting and re-doing furniture, she sewed her daughters pow wow outfits. She loved being outdoors in the woods and camping and especially days at the beach with her family. She enjoyed hanging out with her nieces, nephews, cousins, auntie Mary Jane Thunder and her dear friend Nick Pamonicut.

Surviving are her daughters, Maria Thunder of New Mexico and Jordan Thunder of New Mexico; granddaughter, Sage; mother, JoAnne; and sisters, Jessica Thunder of Rhinelander and Alyce Daniels of Crandon.

She was preceded in death by her father, James Thunder; sister, Joni Thunder; and brothers, Ken Thunder and James Thunder Jr.

Visitation began at 5 p.m. on Wednesday, May 24, 2023 at the Potawatomi Cultural Center. Services will begin at 10 a.m. on Thursday, May 25, 2023 at the Potawatomi Cultural Center with Mr. Richard Gouge officiating. Burial to follow at the Potawatomi Tribal Cemetery.

Online condolences for the family may be directed to [www.weberhillfuneralhome.com](http://www.weberhillfuneralhome.com).

## Crandon Library Update

We began the year of 2023 with a typical need for an increased budget, but we actually received a decrease. We had a significant drop in circulation in 2020 and we have not returned to the previous levels. This is tied to our budget, which may continue to shrink each year. Many other Wisconsin libraries have limited budgets as well. The Wisconsin Library Association continues to advocate for increased state aid to our public library systems (our system is Wisconsin Valley library Service), and our ability to continue to maintain and reinforce all services.

Essential community services, library collections, and programming at our local library all aid the community. Literacy is an important facet for growth in our community and lifelong learning is recommended for all ages. Libraries offer so much more than books, including essential programs and resources which provide for our community needs. Library cards and most services are free with registration.

We have a "Campaign Fundraising 2023" event going on for the year of 2023. If you are interested in supporting the Crandon Public Library with a donation, we accept nice books, audio books, and DVDs. We also accept monetary donations. We will continue to support our community to the greatest degree possible with the resources we have. We appreciate your support this year, which will help us to continue all current services.

**Happy Father's Day from the Four Busmen (Mike, Mark, Christ & Bob)**

I've been told...over and over...that I did a poor job of explaining the new Crandon Express. We are trying to get residents of Forest County, who have trouble getting to and around in Crandon to take care of their business needs. It will run every other Tuesday and will stop at ANY CRANDON BUSINESS OR OFFICE. (Think groceries, hardware, gifts, flowers, restaurants, banks, library, ice cream stand, etc.) I'll drop you off where you want and you call me when you need a pick up...like a taxi?? If you need to get to and around Crandon, give me a call.

So, whether you live in Crandon or other parts of Forest County, we'll try to get you to Crandon and back home with your goodies. Call Mark at 715-889-0859.

**CRANDON EXPRESS: Tuesday, June 6 and Tuesday, June 20. Please remember, if we get no riders, we will have to discontinue this service.**

**MONDAY AND THURSDAY TRIPS:** Forest County to Rhinelander, Antigo and Iron Mountain. We pick you up at your home sometime between 8 and 9 a.m. and typically arrive at the destination town around 9:45. Walmart is a popular stop but we will attempt to take you wherever you wish. Then...LUNCH! (Optional). We talk about where to eat and all riders are encouraged to voice their opinion. Then return home, arriving between 1 and 2 p.m. most days.

**Thursday, June 1:** Rhinelander

**Monday, June 5:** Iron Mountain

**Thursday, June 8:** Rhinelander

**Monday, June 12:** Antigo

**Thursday, June 15:** Rhinelander

**Monday, June 19:** Rhinelander

**Thursday, June 22:** Iron Mountain

**Monday, June 26:** Rhinelander

**Thursday, June 29:** Antigo

## WAM Fest coming in July Vendors should apply

WAM Fest, (Wabeno Art and Music Fest) is back (on main street) in Wabeno - Saturday, July 22nd celebrating live music and arts of all kinds all day. The schedule of musicians is available online at [www.WabenoArtsAndMusicFest.org](http://www.WabenoArtsAndMusicFest.org)

The full day features continuous music starting at noon, food, drinks, raffles, kids' artful activities, area artists, student art contest on display and a street market of area vendors and crafters - something for the whole family.

It's all happening at the bandshell right in the middle of town, Highway 32, Forest County, 11 a.m. - 10 p.m.

Interested street market vendors are invited to send in an application for free booth space. Email your completed form to [beckmf@gmail.com](mailto:beckmf@gmail.com) or mail it to: Mary Beck, 4445 Trump Lake Rd., Wabeno, WI 54566. Contact Mary Beck if you'd like to volunteer.

Coordinated by Friends of Wabeno and sponsored in part by: Forest County Tourism, Forest County Potawatomi Community, Wabeno Public Library, and many generous, local businesses.

**Conservation Corner** Cont. from pg. 1

that we're in 'Turtle Crossing' season. Wisconsin, known for its abundant wildlife and diverse ecosystems, is home to several species of turtles. These remarkable reptiles play a vital role in maintaining the ecological balance of wetlands and other habitats. However, the increasing number of road incidents involving turtles poses a significant threat to their survival. It is crucial to implement measures that protect Wisconsin turtles while they navigate the challenges of road crossings.

Turtles in Wisconsin contribute to the state's biodiversity and ecological health. They aid in controlling populations of insects and small vertebrates, maintain healthy aquatic ecosystems, and serve as indicators of environmental quality. Wisconsin is home to various turtle species, including the painted turtle, snapping turtle, and Blanding's turtle, each with its unique characteristics and conservation needs. Protecting these reptiles from road hazards is essential to maintain healthy populations and preserve the state's natural heritage.

Turtles are particularly vulnerable to road incidents due to their slow-moving nature and the fragmentation of their habitats caused by road infrastructure. The following factors contribute to their heightened risks:

**Habitat Fragmentation:** Roads dissect turtle habitats, restricting their movements and access to essential resources, such as nesting sites, foraging areas, and overwintering locations.

**Vehicle Collisions:** Turtles often traverse roads to find suitable nesting sites or seek new habitats. Their slow movement and low profiles make them prone to vehicle collisions, resulting in severe injuries or fatalities.

**Nesting Disruption:** Female turtles travel long distances to lay their eggs, and roads can impede this critical process. Disturbed nesting activities can result in reduced reproductive success and ultimately impact population numbers.

**Protective Measures for Wisconsin Turtles**  
To ensure the conservation of Wisconsin turtles and reduce the risks they face while crossing roads, several measures can be implemented:

**Road Signage and Awareness Campaigns:** Installing "Turtle Crossing" signs in known turtle crossing areas can alert motorists to be cautious and slow down. Coupled with public awareness campaigns, these initiatives can educate the community about the importance of turtle conservation and responsible driving.

**Wildlife Underpasses and Fencing:** Constructing wildlife underpasses beneath roads and installing exclusionary fencing can provide safe passage for turtles. These structures allow turtles to navigate their natural habitats without crossing roads, reducing the risks of vehicle collisions.

**Citizen Science and Reporting:** Engaging the public through citizen science initiatives encourages individuals to report turtle sightings, roadkill incidents, and vulnerable crossing areas. This data can inform conservation efforts, helping to identify high-risk areas and implement targeted mitigation strategies.

**Ecological Corridor Conservation:** Designating and preserving ecological corridors that connect turtle

habitats can promote safe and unrestricted movement across roadways. By preserving these corridors, we enable turtles to reach critical nesting sites, foraging areas, and overwintering habitats without encountering dangerous road conditions.

Preserving Wisconsin's turtle populations requires our efforts to protect them from the hazards of road crossings. By implementing a combination of measures such as road signage, wildlife underpasses, citizen science initiatives, and corridor conservation, we can ensure their safe passage and contribute to their long-term survival. It is our responsibility as residents and conservationists to raise awareness, and work collaboratively towards safeguarding these remarkable creatures for future generations to enjoy. Together, we can create a safer environment for Wisconsin turtles and demonstrate our commitment to preserving the state's natural heritage.

## A guide to flag etiquette

This Memorial Day, we know many across the nation want to pay proper respect to the Stars and Stripes. The following guide will help ensure your flag is looking shipshape wherever-and whenever-you choose to fly it.

- Display:**
- \* The flag should be flown at half-staff on Memorial Day until noon, then raised.
  - \* Flags should fly from sunrise to sunset but may be flown at night if properly illuminated.
  - \* Fly the flag at half-mast during times of national mourning.
  - \* Whether the flag is hung vertically or horizontally, the union (blue section) should always be in the upper left side.

- Reminders:**
- \* Bring the flag indoors if you're expecting inclement weather (unless you have an all-weather flag).
  - \* The flag should never rest on the ground.
  - \* Flags shouldn't be used as clothing.
  - \* On single flagpoles, the American flag should be on top, and no other flag should be larger.

- Storing and maintaining the flag:**
- \* A flag should be kept dry and folded properly into a triangle with the union visible.
  - \* When a flag becomes tattered, damaged or otherwise worn out, it should be retired and properly disposed of.

- Basic color guard protocols:**
- \* The color guard will announce, "Ladies and gentlemen, please rise for the presentation of colors and remain standing for the national anthem, followed by the Pledge of Allegiance.

\* When the color guard brings the U.S. flag into a venue, whether you are seated in the audience or at the head table, stand and face the colors.

\* When passing or being passed by uncased (unfurled) colors, individuals may begin the hand salute when the colors are six paces distant and hold the salute until they have passed six paces beyond the colors.

\* The color guard posts the colors, and the national anthem is played, immediately place your hand over your heart until the anthem is completed. If the Pledge of Allegiance is said after the anthem, keep your hand over your heart until completion.

\* Remember-there is no requirement to stand or place your hand over your heart for any patriotic song other than the national anthem ("The Star Spangled Banner").

Remember - our fallen heros. They are the reason that we are free.

**NOTICE**

**WABENO SANITARY DISTRICT NO. 1  
CUSTOMERS HYDRANT FLUSHING  
MAY 23-24, 2023**

We will be flushing the fire hydrants on May 23rd through 24th, 2023. You may wish to draw water prior to our flushing dates and refrigerate it for drinking purposes. During the flushing period your tap water can become discolored. Should you experience discoloration, please flush your water tap until the water runs clear. Hydrant flushing improves water quality. Should you be interested, we invite you to observe the change in the initial, intermediate and final water quality from the hydrant during flushing. Hydrant flushing can increase water pressure, remove discolored water from the system and increase fire-fighting ability in various parts of our system. This exercise flushes pockets of stagnated water out of the water supply system and improves water quality not only in color, odor and taste. It can also remove harmful constituents before they are able to develop. Thank you in advance for your patience during this time period. Should you have any concerns, we ask that you feel free to contact our office at 715-473-2905.

He holds a Bachelor's degree in Psychology from UW-Oshkosh and a Master's degree in Human Resources Management from Webster University. His awards include the Meritorious Service Medal, Joint Service Commendation Medal, Army Commendation Medal (4OLC), Army Achievement Medal (2OLC), Overseas Ribbon (2nd Award), Global War on Terrorism Service Medal, National Defense Service Medal, and the Army Service Medal.

Honored guests will include WWII veterans; Homer Rosa, Kenneth Aubol, Bernard Miller, and Paul Campbell; WWII Nurse Cadet Emma Hoffman; and Gold Star Mother Betty Hozan. Music will be provided by Stephanie Schmidt and Cole Shepherd.

Prior to the service, a re-dedication of the courthouse Veterans Memorial building will take place. The thirty year old building is in the process of being renovated thanks to a county wide effort. The Crandon Area Community Foundation, the Forest County Historical and Genealogical Society, and the American Legion Post 94 have collaborated on planning and fundraising for the project. They are currently completing research to update the exhibits and plan to have some of them completed in time for the dedication ceremony.

A new feature in the building will be the addition of a swing board exhibit which will allow for rotating displays highlighting veteran's stories submitted by families and local researchers. Information on how to submit these stories will be shared at the dedication ceremony with the goal of having the first edition of the swing boards completed by Veterans Day.

Many volunteers have assisted, and continue to assist on this project and will be recognized at the service. CoVantage Cares Foundation assisted with fundraising and matched donations raised during the Giving Tuesday Campaign in 2022.

Please join us in remembering and honoring those who have died in service to our country. After the service, community members are invited to lunch and tours of the building. Please bring a chair.

### Wabeno Vending Machines

Wabeno High School recently purchased two vending machines with the help and donations provided by our local businesses. The business class, taught by Mrs. Peterson, decided that they wanted to start a school store. However, with the small class size, did not have enough employees to help to run it, so the idea of vending machines was brought up.

The students started out with no money. After some brainstorming, they decided to reach out to local businesses and organizations for donations to help them reach their goal of purchasing used vending machines. The businesses who donated include: Forest County Potawatomi, Mike's Super Market, Nicolet Plastics, Northern Financial, Old Town Hall, Olive Pit, Smith Concrete, and St. Mary's of the Lake. We would like to thank everyone who donated and a special "thank you" to Forest County Potawatomi for helping us reach our goal. After searching for the right vending machines, the class found two in Appleton that would meet our needs. Mr. Mattern went out his way to pick up and deliver the vending machines to us. The class then had to give the machines a very good cleaning and learn how to stock and set them up.

The next step the class took was deciding what to sell. The students developed a survey, sending it out to the middle and high school student body asking what items they would want in the machines and how much they would be willing to pay for those items. This survey came back with some great ideas. A huge "thank you" to Mike's Super Market for being the go to vendor in keeping the machines stocked.

Once we received all of our items from Mike's Super Market, we stocked the machines and made stickers to advertise the businesses who helped finance our goal. In just two weeks of having the machines available, we have needed to restock most of our starting inventory twice.

Throughout the whole process of purchasing the machines and stocking them for the school to use, the business class was able to practice advertising, business letter writing, inventory, cost profit margins, and machine maintenance. The vending machines were a great addition to our school and we could not have achieved them without our local businesses. Thank you!
