## New sign erected at Camp Harter Enders

Recently members of the Wabeno Lions Club erected a new sign at the boy scout camp on Little Long Lake in the Town of Freedom. Through the years, the property was used by a vast number of boy scout troops as a base camp for many great outings! Ownership and controlling interest in the property was originally held by M.J. Wallrich Land and Lumber Company. In 1936 the company deeded the property over to the Nicolet Forest Council of the Boy Scouts of America. In 1957 the property was transferred to the Nicolet Forest Council. In 1965, a final transfer was made to Wabeno Boy Scouts Incorporated. Wabeno Boy Scouts Incorporated currently conducts its business under the direction of a Board of Directors elected from within the Wabeno Lions Club. The property is currently maintained by the Wabeno Lions Club and intended for recreational uses as outlined in the original articles of incorporation.

At the time of property transfer to the Wabeno Boy Scouts in 1965, Harter Enders from Wabeno was instrumental in the exchange. He was the Secretary of Wabeno Boy Scouts, Inc. at the time and lead the way for the camps future. In honor of his contributions, the camp was named Camp Harter Enders.

The new sign was made by the Fab Lab at Wabeno High School and Brian Sears, a student in the fab lab, took on the lead role in its design and construction. Lion Brian VanEperen, Fab Lab Director, was also instrumental in helping to get the sign completed.

The Wabeno Lions Club would like to recognize the Wabeno Fab Lab, Brian Sears, and Brian VanEperen for the fantastic job they did on the sign!

### Reflecting on the Success of the Forest County, WI Summer Conservation Tour

Last Friday, a remarkable conservation tour unfolded, bringing together Conservationists from nine counties in northern Wisconsin to explore some of the treasures of Forest County.

The summer conservation tour in Forest County was part of a yearly event that happens with the North Central Area Association.

The North Central Area Association is comprised of Conservation members from Forest, Florence, Langlade, Lincoln, Marathon, Oneida, Portage, Vilas and Wood counties. Each summer, a county is asked to conduct a Summer Tour, highlighting conservation activities or organizations within their respective county.

Members of the Association met at Veterans Memorial Park on Lake Metonga and after coffee and pastries provided by Whiskey Darling, we presented the reclamation work that was done at the campground to raise the level and prevent future flooding.

Following the Campground presentation, we boarded a bus provided by Pitts Bus Service for a tour of Forest County. We stopped at several locations along the East Shore of Lake Metonga to discuss the Cost Share Program and rip-rap projects that had been completed to prevent shoreline erosion.

Our next stop was the Forest County Potawatomi Farms in Blackwell. Dave Cronauer, farm manager,

## Forest County Fair this weekend!

The Forest County Fair will be at the fairgrounds in Crandon this weekend. It is good hometown fun! Bring the kids and/or grandkids and have some fun!

The fair is offering wristbands on Saturday for \$25, which is a good way of keeping the kids on rides for a long time without being asked for more money.

A D.J. will be adding to the atmosphere, there is a youth talent contest, a pie contest and a host of other activities that contribute to a good time.

It will be a great thing to have the Midway back at the fair. Ask any kid, and he will agree.

A schedule of events is listed below.

### Thursday, September 7th Entry Day

Youth Building will accept exhibits from 3:00-7:00 p.m.

Open Class will accept exhibits from 5:30 p.m.-8:30 p.m.

Due to a breakdown, the Spudmobile will not be at the Fair.

### Senior Farmers' Market Program continues

The Forest County Health Department continues to take applications for the Senior Farmers' Market Nutrition Program. The program, which runs through October 31, provides vouchers to income eligible Seniors for the purchase of fresh produce from certified farmers. Forest County has three certified providers, Josh's Corn Stand (open Saturdays 9/9 and 9/16), Lila Tibbs' Farm Stand, Armstrong Creek (open Saturdays through 10/31), and the FCP Farm Store, Blackwell (open M-Sat. through 10/31). The vouchers may be used locally or throughout the State at certified farm stands and markets. The agency will continue to take applications throughout September and October.

## Keegan Kincaid wins the Big One!

This last weekend was likely the biggest race turnout since the offroad race was started 54 years ago. It is great that Keegan Kincaid, a local racer, won the big one out at the Big House. He is the new World Champ!

The crowd appeared to be the biggest ever this year, with the rock band KISS starting the fun with a concert on Friday evening that was packed with fans. Even if you didn't attend, you could hear the music all over Crandon and the surrounding area.

Anyone using Hwy. 8 over the weekend had to be amazed at the amount of vehicles parked not only on the race grounds, but all over the surrounding landscape.

It was an amazing event that had its start 54 years ago with a bunch of locals driving junkers through muddy roads, and the people who have worked on the race through the years deserve a lot of credit.

## Lakes Country Library meets Gets ready for Groundbreaking

The Pre-Construction meeting of the Lakes Country Public Library's building and expansion project was held August 31 at the library. In attendance were (L-R): Library Director Katie Essermann, Building Expansion Committee Co-Chair and Fundraising Chair Kathleen Marsh, BEC Construction Consultant John Zeller, RJM Construction General Contractor Ryan Minlschmidt, Architect Jeff Musson, BEC Board of Trustees Representative Linda McKenna, and BEC Co-Chair Tom Thielke.

A formal ground-breaking ceremony will take place on September 13, 2023 at 1:00 p.m.

## Wisconsin to be featured each week in Forest Service Fall Colors report

RHINELANDER, Wis., September 1, 2023 – Fall leaves are nature's confetti, painting the world in hues of warmth and nostalgia. Do you know where to go in the Chequamegon-Nicolet National Forest, the only National Forest in Wisconsin, to soak up the best fall colors each week? The USDA Forest Service will feature Wisconsin each week in its Fall Colors Report. The report will include photos, locations, names of species and more to help you plan your fall colors experiences.

Starting September 1, 2023, you can check the report each week online, here: [www.fs.usda.gov/cnnf](http://www.fs.usda.gov/cnnf).

The weekly USDA FS Fall Colors Report includes updates and photos from all over the Eastern Region Forests and the Midewin National Tallgrass Prairie. It's a great resource for planning your trip here in Wisconsin and also to other destinations in the region.

Popular fall colors destinations in the Chequamegon-Nicolet National Forest like Morgan Falls, the Mountain Fire Lookout Tower, Juniper Rock on the North Country Trail, and more, may be busier than usual this time of year, particularly on weekends. Please, do your part and follow "Leave No Trace" outdoor ethics to help make the experience as enjoyable as possible for all.

### Leave No Trace Outdoor Ethics:

- Plan ahead and prepare. Weekdays may be less busy than weekends at popular fall colors destinations. Travel and camp on durable surfaces. Adhere to safety / directional signs. Dispose of waste properly. A single aluminum can last 100 years, and fishing line can last 600 years.
- Leave what you find. "Take only photographs, leave only footprints."
- Minimize campfire impacts. Douse your campfire and make sure it is completely out before you leave it. "If it's too hot to touch, it's too hot to leave."
- Respect wildlife. Interacting with wildlife can cause harm to people and cause animals to lose their natural instincts to be able to sustain themselves. Be considerate of other visitors. Help make it a pleasurable experience for everyone on these public lands that we share.

Serving Wisconsin's Beautiful Northwoods!

## Bear Season opened Sept. 6

The Wisconsin Department of Natural Resources (DNR) reminds hunters that the 2023 bear hunting season opens Sept. 6. The black bear is emblematic of the Northwoods and drawing the chance to hunt bear is a coveted opportunity.

The 2023 bear season is open from Sept. 6 to Oct. 10, with specific regulations based on a hunter's bear management zone. Hunters should know the management zone in which they are licensed to hunt and review the specific bear hunting regulations within that zone.

Zones A, B and D: Where dogs are permitted

Sept. 6 to Sept. 12 - With aid of dogs only.

Sept. 13 to Oct. 3 - With aid of dogs, bait and all other legal methods.

Oct. 4 to Oct. 10 - With aid of bait and all other legal methods not using dogs.

Zones C, E and F: Where dogs are not permitted

Sept. 6 to Oct. 10 - With aid of bait and all other legal methods not using dogs.

Wisconsin is home to a thriving and expanding bear population, estimated at approximately 26,000 bears. The resident bear population covers more than half the state, primarily in the forested regions of northern and central Wisconsin, with a continued trend of slow southward expansion. Bear hunters should expect another year of quality bear hunting this fall.

General information regarding how to hunt bear, regulations and hunting hours is available on the Wisconsin DNR's Bear Hunting webpage.

## The kids donate to the Lakes Country Library

(L-R) Harrison, Kennedy, Allie and Maddie stopped by Lakes Country Public Library on August 31 to drop off a contribution to the library's building project in an extraordinary display of support from the kids who generously donated the money from their personal savings.

**New staff at Wabeno**

**Name:** Alee Taylor  
**Area working:** 3rd grade long-term substitute teacher  
I am currently a student at U.W. Superior pursuing my degree in Elementary Education. I'm recently engaged and will be getting married in 2025. My favorite thing to do is travel. My favorite place to travel to is Jaco Costa Rica. I also love spending time with my family at the lake in the summer.  
**Hobbies:** In my free time, I like to play with my GoldenDoodle Luah, kayak, shop at TJ Maxx, and playing board or card games.  
**What drew you here?:** I recently graduated from Wabeno in 2020. Wabeno has been home for 8 years now. I knew I wanted to work with the people who shaped me into who I am.  
Welcome to the team, Ms. Taylor!

**Wabeno Elementary is off to a SUPER start!**

(Pictured below is Mr. Lee Mattern and Mrs. Jacki Seeber's 3rd grade class reviewing bus expectations.)

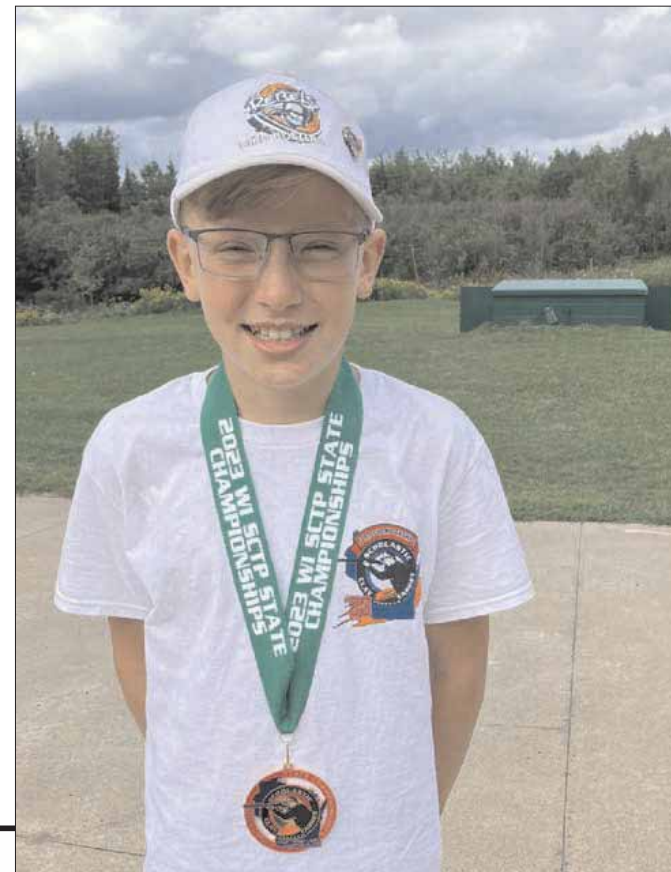

Wabeno elementary students walked into their first day of school with Super Star staff ready to teach the students about P.B.I.S. (having Positive Behavior In School)! Students learned to have Positive Behavior In School by practicing expectations for all areas of the school, including the focus for September, which is the bus. Mr. Lee Mattern focused on the 5 super powers a student will have on the bus:

- Seat on Seat
- Back on Back
- Feet on Floor
- Hands to Self
- Voice level 1

At the end of the month, prizes will be awarded for students that have demonstrated superior super powers on the bus. Look out for these superhero students at Wabeno Elementary!

**Jordy Shepard place at State!**

Congratulations Jordy! Jordy Shepard attended the SCTP state shoot and placed in 5th place in the rookie division. Check out more on the Padus Nicolet gun club facebook page.

**Conservation Corner** Cont. from pg.1

explained all of the different project the farm is involved with from the store, to aquaponics, vegetable green houses, composting, bison raising, chickens, pigs and maple syrup.

Members of the association were most impressed with all of the different projects Dave and his staff are involved with.

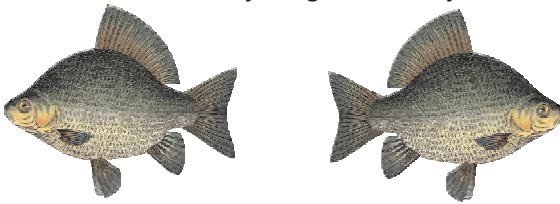

Rearing pond at Mole Lake Fish Hatchery

From there, we headed back to Veterans Memorial Park for a BBQ lunch provided by Wisco BBQ. Luke Marten and his wife provided a wonderful lunch for the association and we received a lot of compliments.

After a short business meeting, we boarded the bus again to visit the Mole Lake Fish Hatchery. Mike Preul, Mole Lake's Fisheries Biologist, met us and explained his efforts to raise walleye for lakes across northern Wisconsin.

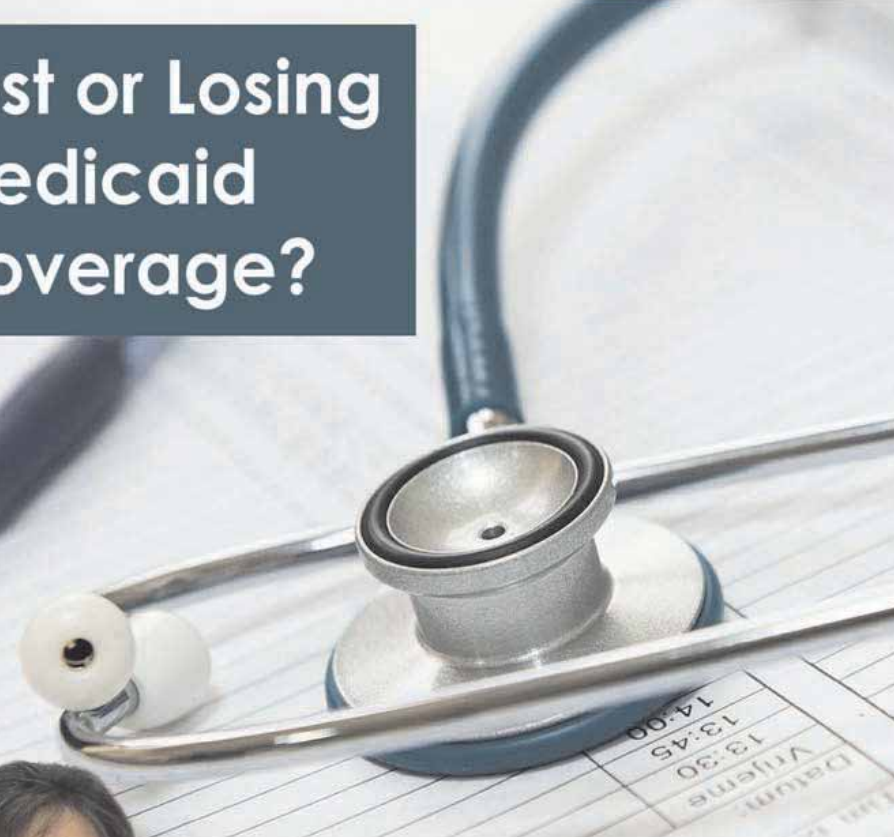

We're looking forward to next year's Summer Tour that will be hosted by Langlade County.
