"Why I Love Forest County" Art Contest

Deadline and Submission Requirements

- Residents and landowners from Forest County are eligible to enter.
- Age groups are: 19 and up, 12-18, and 11 & under.
 - Preregistration to get entered in the contest is accepted by emailing info@crandonpl.org. You MUST pick up the official canvas at the Crandon Public Library on Friday, August 23rd between 9 am and noon. Noon is the last official time to register.
 - When you pick up the Official Canvas, a \$5 entry fee is required. The entry fee will be used to pay for the canvas and be part of the final prize.
 - Your assignment is to paint ANY iconic landmark, landscape, street scene, or building that exists in the boundaries of Forest County Wisconsin. You can use any art style or art medium as long as it is ON the Official Canvas.
 - ALL submissions MUST arrive between 5:30 p.m. and 6 p.m. at the Crandon Public Library on Saturday, August 24th. Public viewing and voting will be open from 6:00 p.m. until 7:30 p.m.
 - The winning artists will be announced August 26th. Any art submitted after the deadline will NOT be accepted.
 - All artwork must be original and may not be a copy or duplicate of any published work, including photographs. No copying or tracing will be accepted, nor will any mechanically or electronically generated art. The participant's signature on the entry form is an acknowledgment of the originality of the art.
 - An artist's statement must be submitted on the Official ART form and will include:
 - Artist's Printed Full Name
 - Artist's Cursive Signature
 - AGE GROUP

Medium used, Name of Art Piece: "I Love My County Because ____." Explanation in 1-2 sentences. Only one submission per person is allowed. If you are a winner, your original artwork will be expected to be on display at the Forest County Fair. All participants are ENCOURAGED to display their paintings at the fair as well.

Crandon Public Library, 110 West Polk Street, Crandon, WI 54520 715-478-3784

Conservation Corner

Conservation Corner is a weekly article produced by the Forest County Land Conservation and Land Information Department. For more information contact Kayla Littleton, Forest County Land Conservation and Land Information Director at 715-478-1387 or by e-mail at lcctech@co.forest.wi.us.

Shoreland Habitat Restoration

Forest County's lakes and streams offer an escape for residents and visitors. From flowages to glacial lakes, our waters provide abundant recreational opportunities, as well as a chance to simply get away from the sights and sounds of an urbanizing society.

The escape has become so popular that many lakeshores and streambanks are now growing more houses than trees, often with more consequences than meet the eye. Soil exposed during construction can wash into the water, and the development itself permanently alters a portion of the natural landscape. Buildings and driveways replace vegetation, increasing the amount of storm water runoff and pollutants entering the lake or stream.

Owners of existing and new homes typically bring with them traditional landscaping ideas centered on the conventional yard. Too often, that means manicured lawns extending to the water's edge, along with the fertilizer and pesticide applications that are the norm in the cities and villages left behind. Over time, and combined with other sources of pollution, shoreline development can have major impacts on water quality. The impacts can be minimized with a landscaping plan that places less emphasis on lawns and incorporates a variety of plants adapted to conditions near the water's edge.

The Forest County Land Conservation Department encourages riparian landowners in Forest County to take a look at their shoreline and see how they can help benefit the water quality on their lake or stream. Leaving a natural growing buffer between your yard and shoreline can greatly reduce the amount of runoff and pollutants entering the water, as well as help prevent erosion. Native plants such as trees, shrubs, grasses, and wildflowers have root systems that non-native plants do not. Native plant roots are deeper and much more extensive, making them more tolerant to drought and

Alicia's Place Now Open in Crandon

Kayla VanCleve, a registered nurse, is pleased to announce the opening of her new business Alicia's Place Adult Day and Respite Care LLC.

Named after her aunt Alicia "Lisa" VanCleve who suffered from Cerebral Palsy. Lisa needed 24/7 care giving. Kayla also has seen the need for care givers to have the opportunity to step away. When Covid 19 broke out years later and caregiving and the need for care givers increased, Kayla wanted to be able to support our small community and visitors of Forest County with the opportunity to enjoy all we have to offer in the Northwoods but still be able to bring their loved ones with.

Alicia's Place offers adults with physical or cognitive disabilities or acute injuries day services such as respite that includes 3 nutritional meals a day, 2 snacks per dietary guidelines, unlimited coffee, water and juice, medication management and education. Volunteer services, daily activities, emergency respite per availability, light exercise, ADL assistance and memory activities. The building is secured with an alarm system, an outdoor fenced in patio with seating. No fuss fee discount for private pay, accepting IRIS payments now and state certification for Medicaid programs to include Lakeland and Inlusa coming no later than September 1st. Alicia's Place keeps clients socially active and provides companionship, reduces caregiver stress, burnout, anxiety and depression. Alicia's Place gives clients the chance to remain at home longer or with a loved one by giving caregivers the opportunity to work and rejuvenate by finding balance between work, personal life and caregiving and assisting caregivers with appropriate community resources to help assist and navigate client care. Weekend respite available but limited. Call for specific details on weekend respite.

Alicia's Place is open Monday thru Friday 7:30 a.m. - 5:00 p.m. It is located at 605 South Forest Avenue in Crandon. To contact Kayla please call 715-902-0848. You can also email aliciasplace.fc@gmail.com. Visit us online at www.aliciasplacellc.com or find us on Facebook.

Nicolet College Fall Term begins August 26

Register for fall classes now

Nicolet College is gearing up for the Fall Term, which will begin on August 26. With a wide range of programs and courses available, there's still time for new and returning students to register for classes and take the next step in their educational journey.

Nicolet College offers associate degrees, technical diplomas, and certificates in applied technology and trades, business and entrepreneurship, health and public safety, and University Transfer - Liberal Arts.

"Whether you're looking to start a new career, gain new skills, or pursue personal interests, Nicolet College has something for everyone," said Patrick Burns, director of strategic enrollment. "Students get to know their instructors personally, learn through hands-on experiences, and have easy access to a variety of services, including tutoring and counseling, to help them succeed."

Nicolet College is extending its hours for two special enrollment events in August. Nicolet College @ Night will be held from 4:30 pm - 6:30 pm on Wednesday, August 7, and Monday, August 19. This is an opportunity to meet with an admissions representative, talk to financial aid advisors, and apply to Nicolet College for free.

"At Nicolet College, we understand that our students lead busy lives, and we're committed to offering flexible options to support their educational goals," added Katie Ourada, admissions manager. "Our Nicolet College @ Night events are designed to ensure that everyone has the opportunity to access the resources they need, no matter their schedule."

The Beetles are Back! Fourth Annual Crandon Class 11 VW World Championships Labor Day Weekend

-- Vintage VW Race Cars Expected from Around the Country --

The 55th running of the legendary Polaris Crandon World Championship is shaping up to be another truly memorable Labor Day motorsports weekend, and today track officials announced the return of a new fan favorite.

Coming from locations around the country, vintage Volkswagen Beetles will again invade the small Northwoods town of Crandon, Wisconsin for the fourth annual Crandon Class 11 World Championships. Featuring vintage air-cooled Volkswagen Beetles that remain largely stock with the exception of modern safety equipment and highly restricted performance upgrades, Class 11 remains a fiercely competitive category even in grueling long distance marathons like the annual BFGoodrich SCORE Baja 1000. Treated as a Pro category by Crandon International Raceway, Class 11 was added to the busy Polaris Crandon World Championship schedule in 2021.

A field of more than 30 vintage Volkswagens and their teams are expected to make the journey to Crandon from around the country for the 55th Polaris Crandon World Championships, the largest short-course off-road race in the world. Scheduled for August 29 - September 1, 2024, the weekend will also play host to the Sportsman and Pro racers of the AMSOIL Championship Off-Road series and the dynamic rock racing competitors that comprise the national Ultra4 series.

Part of an action-packed 55th anniversary Polaris Crandon World Championships calendar, the Class 11 Volkswagens appear twice on the race weekend schedule that includes 50 races over four days and nights of competition. The endearing vintage VWs will enjoy the spotlight on a national stage as part of MAVTVs recently announced live network coverage of the Forest County Potawatomi "Friday Night Thunder" races.

Art in the Garden Scholarship Fundraiser planned in Goodman for August 17th

Art in the Garden in Goodman has been an annual event since 2011.

The annual Art in the Garden, at the home of Lynn and James Stankevich in Goodman, is scheduled for Saturday, August 17th from 10 a.m. - 3 p.m. at 105 Main St. Goodman. Shoppers are invited to stroll the garden paths and visit the vendor booths that fill the yard.

Jewelry work, quilt work, and other forms of crafts and art such as paintings, pottery, cloth works, metal works, greeting cards and garden art are set up throughout the yard or in the sunken gazebo area garden. Vendors and visitors alike can sit a spell and soak up the atmosphere and relax as they shop, eat, or listen to live music by the band, "Mullins 3 Gen".

SCHOOL DISTRICT OF WABENO AREA CONFIDENTIALITY OF PERSONALLY IDENTIFIABLE INFORMATION OBTAINED THROUGH CHILD FIND ACTIVITIES

The School District of Wabeno Area is required to locate, identify, and evaluate all children, with disabilities, including children with disabilities attending private schools in the school district, and homeless children. The process of locating, identifying, and evaluating children with disabilities is known as Child Find. This agency conducts the following child find activities each year during Early Childhood Developmental Days. This notice informs parents of the records the school district will develop and maintain as part of its child find activities. This notice also informs parents of their rights regarding any records developed.

The school district gathers personally identifiable information on any child who participates in child find activities. Parents, teachers, and other professionals provide information to the school related to the child's academic performance, behavior, and health. This information is used to determine whether the child needs special education services. Personally identifiable information directly related to a child and maintained by the school is a pupil record. Pupil records include records maintained in any way including, but not limited to, computer storage media, video and audiotape, film, microfilm, and microfiche. Records maintained for personal use by a teacher and not available to others and records available only to persons involved in the psychological treatment of a child are not pupil records.

The school district maintains several classes of pupil records.

"Progress records" include grades, courses the child has taken, the child's attendance record, immunization records, required lead screening records, and records of school extra-curricular activities. Progress records must be maintained for at least five years after the child ceases to be enrolled.

"Behavioral records" include such records as psychological tests, personality evaluations, records of conversations, written statements relating specifically to the pupil's behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization and lead screening records, law enforcement officers' records, and other pupil records that are not "progress records." Law enforcement officers' records are maintained separately from other pupil records. Behavioral records may be maintained for no longer than one year after the child graduates or otherwise ceases to be enrolled, unless the parent specifies in writing that the records may be maintained for a longer period of time. The school district informs parents when pupil records are no longer needed to provide special education. At the request of the child's parents, the school district destroys the information that is no longer needed.

"Directory data" includes the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received, and the name of the school most recently previously attended by the student.

"Pupil physical health records" include basic health information about a pupil, including the pupil's immunization records, an emergency medical card, a log of first aid and medicine administered to the pupil, an athletic permit card, a record concerning the pupil's ability to participate in an education program, any required lead screening records, the results of any routine screening test, such as for hearing, vision or scoliosis, and any follow-up to the test, and any other basic health information, as determined by the state superintendent. Any pupil record relating to a pupil's physical health that is not a pupil physical health record is treated as a patient health care record under sections 146.81 to 146.84, Wisconsin Statutes. Any pupil record concerning HIV testing is treated as provided under section 252.15, Wisconsin Statutes.

The Family Educational Rights and Privacy Act (FERPA), the Individuals with Disabilities Education Act (IDEA), and section 118.125, Wisconsin Statutes, afford parents and students over 18 years of age ("eligible students") the following rights with respect to education records:

-The right to inspect and review the student's education records within 45 days of receipt of the request. Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the records(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. The school district will comply with the request without unnecessary delay and before any meeting about an individualized education program, or any due process hearing, and in no case more than 45 days after the request has been made. If any record includes information on more than one child, the parents of those children have the right to inspect and review only the information about their child or to be informed of that specific information. Upon request, the school district will give a parent or eligible student a copy of the progress records and a copy of the behavioral records. Upon request, the school district will give the parent or eligible student a list of the types and locations of education records collected, maintained, or used by the district for special education. The school district will respond to reasonable requests for explanations and interpretations of the records. A representative of the parent may inspect and review the records.

-The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading.

Parents or eligible students may ask the School District of Wabeno Area to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the district decides not to amend the record, the district will notify the parent or eligible student of the decision and the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

-The right to consent to disclosures of personally identifiable information in the student's education records, except to the extent that federal and state law authorize disclosure without consent. The exceptions are stated in 34 CFR 99.31, Family Educational Rights and Privacy Act regulations; Sec. 9528, PL107-110, Every Student Succeeds Act (ESSA); and section 118.125(2)(a) to (m) and sub. (2m), Wisconsin Statutes. One exception that permits disclosure without consent is disclosures to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Also the district discloses "directory data" without consent, unless the parent notifies the district that it may not be released without prior parental consent.

-The right to file a complaint with the U. S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.

Art in the Garden Cont. from pg. 1

Lynn and her husband Jim remind shoppers that there will also be food and refreshments for sale throughout the five hours.

The Stankevichs and the Varsity Club of Goodman-Armstrong Creek schools use the proceeds from this event for local scholarships. In Stankevich's case, the scholarship honors the memory of their son, Brian, a cancer victim at a very young age. The Varsity Club also uses any food and beverage profits for their scholarships to worthy students.

They sell hot dogs, bratwurst, hamburgers and beverages. Among the extras will be homemade sauerkraut carefully prepared by Brian's grandparents. In addition, pure maple syrup from Brian's uncle and artwork from Brian's family members will be for sale.

There will be over 30 vendors and there will be a large assortment of bucket raffles that guests may purchase tickets for a chance to win. Live music by the band "Mullins 3 Gen" will be on the grounds from 11:00 a.m. - 2 p.m.

The Stankevich family looks forward to welcoming visitors to their yard for a day of shopping while listening to live music and browsing the gardens. Hopefully the weather will cooperate so that the event does not have to move to the fire and rescue hall in Goodman. Follow the event on Facebook for updates.

55th World Championship Off Road Race® Volunteer Meeting
=PLEASE=
ATTEND THE WEDNESDAY NIGHT MEETING
AUGUST 28 AT 7PM AT THE BRUSH RUN PAVILION P21

K-9 Cornhole

The friends of Forest County K-9 are holding a Cornhole Tournament on August 10th, 2024. We will have food available and raffles. The funds from this tournament will go towards purchasing a new K-9, equipment for current K-9s and handlers, and a new K-9-equipped vehicle.

Friends of Forest County K-9 was started to help with the cost of K-9s daily needs and fundraise for future K-9s.

We are reaching out to you in hopes that you will be able to support us in this event. Your donation would help us have a successful event. We will be grateful for any contribution of money, gift certificate, or raffle items.

If you have any questions, feel free to contact any of the following: Michelle Belland 715-902-0145 or Annie Krawze 715-889-2233.

**SCHOOL DISTRICT OF WABENO AREA
ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL
AND EVALUATION PROCEDURES**

Upon request, the School District of Wabeno Area is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Donna Smith, Director of Pupil Services, School District of Wabeno Area, at 715.473.5122, ext. 1212, or by writing her at 4346 Mill Lane, Wabeno, WI 54566.

NOTICE OF SPECIAL NEEDS SCHOLARSHIP PROGRAM

This notice serves to inform parents and guardians of students with disabilities that the State of Wisconsin has established the Special Needs Scholarship Program. Under this scholarship program and as further specified in state law, a child with a disability who has been denied the opportunity to attend a nonresident school district under the full-time open enrollment program may be eligible to receive a scholarship from the Department of Public Instruction (DPI) that allows the child to attend an eligible private school that is participating in the Special Needs Scholarship Program.

This is a state-administered program. A parent or guardian who is interested in the Special Needs Scholarship Program should independently verify the participating private schools and the specific terms, eligibility criteria, and application procedures of the scholarship program with the DPI.

The Special Needs Scholarship Program is further defined and governed by Wisconsin Statute 115.7915 and Wisconsin Administrative Code Chapter PI49. However, special eligibility requirements not found in that statute exist for program scholarships that are awarded for private school attendance that initially begins in the 2024-2025 school year. Additional information about the program should be available on the website of the Wisconsin Department of Public Instruction: <https://dpi.wi.gov/>

Bids & Notices

**PUBLIC NOTIFICATION OF NONDISCRIMINATION
POLICY**

The School District of Wabeno Area is committed to providing an equal educational opportunity for all students in the District. No person may be denied admission to any public school or be denied participation in, be denied the benefits of, or be discriminated against in any curricular, extracurricular, pupil services, recreational, or other program or activity because of a person's race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, including transgender status, change of sex or gender identity, disability, age (except as authorized by law), military status or physical, mental, emotional, or learning disability or handicap as required by Sec. 118.13, Wis. Stat. This policy also prohibits discrimination as defined by Title IX of the Educational Amendments of 1972 (sex), Title VI of the Civil Rights Act of 1964 (race and national origin), and Section 504 of the Rehabilitation Act of 1973 (handicap).

All career and technical education programs follow the District's policies of nondiscrimination. In addition, arrangements can be made to ensure that the lack of English language skills is not a barrier to admission or participation.

The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available.

Any questions concerning Title IX of the Educational Amendments of 1972, which prohibits discrimination on the basis of sex, should be directed to: William Taylor, District Administrator, School District of Wabeno Area, 4346 Mill Lane, Wabeno, WI 54566; Phone 715-473-2592, ext. 1203.

Inquiries related to Section 504 of the Rehabilitation Act of 1973, which prohibits discrimination on the basis of handicap, should be directed to: Donna Smith, Director of Pupil Services and Section 504 Coordinator, Wabeno Jr./Sr. High School, 4346 Mill Lane, Wabeno, WI 54566; Phone 715-473-2592, ext. 1212.

Inquiries related to Title VI (race, color, and national origin) and all other complaints, should be directed to: William Taylor, District Administrator, School District of Wabeno Area, 4346 Mill Lane, Wabeno, WI 54566; Phone 715-473-2592, ext. 1203.

Legal Reference: Section 504: 34 CFR 104.8
 Title IV
 Title VI
 Title IX: 34 CFR 106.9
 Sections of 111.31-111.39 Wisconsin Statutes
 118.13
 118.19
 118.20

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov. USDA is an equal opportunity provider, employer, and lender.

**School District of Wabeno Area
ANNUAL NOTICE - HOMELESS CHILDREN**

The McKinney-Vento Act defines children and youth who are homeless (twenty-one years of age and younger) as:

- Children and youth who lack a fixed, regular, and adequate nighttime residence, and includes children and youth who are:
 - sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason (sometimes referred to as double-up);
 - living in motels, hotels, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
 - living emergency or transitional shelters;
 - abandoned in hospitals;
 - awaiting foster care placement;
- Children and youth who have a primary nighttime residence that is a public or private place not designated for, or ordinarily used as, a regular sleeping accommodation for human beings.
- Children and youth who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings.
- Migratory children who qualify as homeless because they are living in circumstances described above.

If you are personally aware of or are acquainted with any children who may qualify according to the above criteria, the School District of Wabeno Area provides the following assurances to parents of homeless children:

- Local school district staff member (liaison) to assist homeless children/families:-Tim Brauer, Homeless Liaison, 715.473.2592 ext. 1204 or tbrauer@wabeno.k12.wi.us
- There shall be immediate enrollment and school participation, even if educational and medical records and proof of residency are not available.
- All educational opportunities and related opportunities for homeless students (preschool to age 21), including unaccompanied youth, shall be the same as for the general student population.
- Enrollment and transportation rights, including transportation to the school of origin. "School of origin" is defined as the school the child or youth attended when permanently housed or the school in which the child or youth was last enrolled.
- Written explanation of a child or youth's school placement, other than school of origin or the school requested by the parent, with the right to appeal within the local dispute resolution process.
- Meaningful opportunities for parents to participate in the education of their children. These shall include: special notices of events, parent-teacher conferences, newsletters, and access to student records.

Please contact Tim Brauer, homeless liaison for the School District of Wabeno Area, for additional information about homeless issues. Tim Brauer can be reached at (715) 473-2592 ext. 1204 or tbrauer@wabeno.k12.wi.us

**PUBLIC NOTICE TO ALL
CUSTOMERS OF CRANDON
WATER & SEWER UTILITY**

On Monday August 19th, 2024 the Crandon Water & Sewer Utility will begin flushing fire hydrants. Flushing will continue thru Friday, August 23rd, 2024 and will be conducted between the hours of 8 a.m.-3p.m. **Please be advised that you may experience a drop in water pressure as well as some discoloration of the water during this process.** The discoloration of water is only temporary and does not indicate a problem with the water. If your water does become discolored, turn on an outside faucet to clear the water line before doing laundry or cleaning. The Crandon Water & Sewer Utility will continue to monitor the water quality to ensure that the water remains safe to drink. We apologize for any inconvenience this may cause, but flushing is an important part of our system maintenance.

Please contact the Crandon Water & Sewer Utility at 715-478-2836 with any questions or concerns you may have.

Food Pantry
in
Lakewood**

The Crooked Lake/Mountain Lions Club's fundraisers this fiscal year were all very successful due mainly to the very generous people who attended them. The Christian Food Pantry in Lakewood has always been at the top of the list of recipients for monetary donations. In December the club donates \$1000 and again in June another \$1000.

Pictured on the left is Lion Mary Liner, who also works at the Food Pantry, accepting the \$1000 check from the club's newest member, Lion Linda Baeten.

Home Energy Rebates Program in Wisconsin Lowers Families' Utility Bills

Baldwin applauds new program funded through Inflation Reduction Act to provide energy rebates to families

U.S. Senator Tammy Baldwin (D-WI) is applauding the launch of a program funded through the Baldwin-backed Inflation Reduction Act (IRA) to lower families' utility bills by offering energy rebates to Wisconsinites. Today, Wisconsin launched the first-in-the-nation Home Efficiency (HOMES) rebate program - enabling households at all income levels, with an emphasis on lower-income households, to save on energy efficiency improvements such as insulation, air sealing, and heat pumps that reduce whole-home energy consumption.

"Across Wisconsin, the Inflation Reduction Act is helping families cut costs and expand access to smart upgrades that not only reduce families' footprint, but also save money as we invest in more efficient appliances, vehicles, and household necessities," said Senator Baldwin. "I was proud to support this program for Wisconsin to help families save on the front end of cost-cutting investments that will deliver savings for years to come."

The HOMES rebate program is part of an \$8.8 billion investment under the Baldwin-backed Inflation Reduction Act for states, territories, and Tribes to lower energy costs and increase efficiency in American homes by making it cheaper to install cost-saving measures such as heat pumps, electrical panels, and insulation. These energy-saving measures will save American households up to \$1 billion annually in energy costs and support an estimated 50,000 U.S. jobs in residential construction, manufacturing, and other sectors.

Meet the Crandon Football Team!

Crandon Football would like to invite the Community to come meet the 2024 Cardinal football team and coaches.

- Thursday, August 15th
- 5:00pm - 7:00pm
- Crandon Football Field

Join us for player and coach introductions, games, raffles, music and camaraderie. Watch the Crandon football Moms tackle their sons!

Crandon HS Football players will have drills for the kids on the field.

Crandon Athletic Booster Club will have concessions for sale. Crandon Football Moms will be baking up some goodies for a bake sale.

There will also be sign ups for Crandon Youth Football.

Come wish the boys of fall luck as they head into the 2024 season. Hope to see you there! Go Cardinals!

McCaslin Lions Golf Outing

The McCaslin Lions had a very successful golf outing on July 23rd at McCaslin Brook Golf Club. 80 golfers had a fantastic time playing a scramble. The proceeds from this outing will benefit the Lions scholarship programs. Our appreciation to all the hole sponsors and to those who participated in the golf outing, as well as for all the generous donations of gift certificates, baskets and items for the basket raffles. Pictured are Lions Tony, Theresa, Mark, Sandy and Patty.

While Supplies Last

Bridget (Gnacinski) Lykins lost her battle with cancer on August 1, 2024. She was born January 15, 1977, to Ethel and (the late) James Gnacinski in Antigo, Wisconsin. On September 20, 1997, she married the love of her life, Nicholas Lykins. Two days after their 14th wedding anniversary they were blessed with a beautiful, long-awaited, baby girl. Brielle became the driving force in their life.

Bridget enjoyed friendships with all sorts of people throughout her life. Once you got to know her, you wondered how you could not be her friend. Throughout her school life she was the one everyone wanted to be around. When she got her first job at Burger King, her list of friends grew as some customers would only come in if she was working so they could talk to her. The same became true when she went to work at Prange-Way and Wal-Mart. While she was working at Mole Lake Casino, many customers commented that her bright smile made them feel good even if they had lost money. It was soon evident when she started work at Schaefer's IGA that some of those customers sought out her check-out line. She worked her way up from front-end cashier to office manager. The joke had become that the store couldn't run without her because she knew every job in the store and she kept everyone doing their job.

Bridget loved time spent with family and friends. When she and Nick were offered an old camper, she jumped at the chance to have it. Of course, it wasn't long and Nick loved camping too. They moved out of that dinky little camper into a bigger one they could spend the entire summer in. Besides camping Bridget also loved planting flowers in the spring. Mother's Day was spent with her grandmother, Mom, an aunt, Brielle and Nick buying a new garden's worth and then some of flowers.

She was always ready for a cook-out or anything that involved family and friends enjoying laughs and good times together. You can be sure that there was probably going to be a water fight of some kind if the weather was warm. And no one was out of bounds when it came to getting squirted with water.

After her daughter Brielle was born, she decided we needed to have a large Easter egg hunt at Great-Grandma's (GG) house. The yard was strewn with hundreds of eggs and a dozen or so of her cousins hunting for those eggs. It didn't make any difference if half of them weren't relation, if you had a child and knew Bridget, you were invited to share in the loot.

Bridget wasn't afraid to help anyone in need. If you didn't quite have enough to finish paying for your groceries, she paid the rest. If you lost your job just before Christmas and don't know how you would put any presents under the tree for your kids, Bridget surprised you with more than enough to keep them happy. If suddenly you find yourself with a new child because their parents can't care for them, Bridget would ask what she could do to help. If they arrived with nothing, not even a pair of shoes, Bridget would buy clothes to help the child have something to wear. She was raised to pay it forward, share what you have. Always caring and kind, always ready to help. That was Bridget.

Bridget was preceded in death by her Paternal Grandparents and her Father. She was also preceded in death by her maternal Grandfather as well as her husband's parents and other relatives.

She is survived by her husband, Nick, daughter Brielle, mother Ethel Gnacinski, brother Michael (Emanda) Gnacinski, grandmother Vera Tomlin. Sisters-in-law Melissa Duffek, Rene Tullberg, Jaimie (Ryan) Hoef, Carrie (Mike) Burrows-Lawrence. Nephews Colton, Riley, Justin, Jubal and Levi and niece Kayla. She is also survived by half-sister Jeri (Richie) Sneller and step-mother Pat Gnacinski. Special confidante Aunt Dawn and Uncle 'Dirtbag' David Kramer also survive. She also is survived by many aunts and uncles and cousins.

In lieu of flowers, please consider making a donation to the Forest County Ties That Bind Us. Without them the battle to fight cancer would have been even harder.

Visitation was held on Monday, August 5, 2024, from 4:00 p.m. to 8:00 p.m. at Weber-Hill & Packard Funeral home in Crandon and again on Tuesday, August 6, 2024 from 10:00 a.m. until the time of services at 12:00 p.m. Mr. Cole Kincaid will preside over services.

Online condolences may be directed to www.weberhillfuneralhome.com

Peter George Meisinger, of Crandon, WI passed away peacefully on July 30, 2024 with family by his side. He was 73 years old.

Pete was born in Milwaukee, WI on December 29, 1950 to the late George and Lolita (Lieske) Meisinger. He was a 1969 graduate of Goodrich Senior High in Fond du Lac, WI. On September 25, 1971 he married Penny (Marvin) Meisinger in Crandon, WI. They were blessed with three children.

Pete was a well read man with countless hobbies and endless projects. A lifelong lover of the outdoors, he took immense joy in boating, motorcycling, woodworking, and adventuring with Penny. His wood craftsmanship was admired by many, and his passion for water was evident in every boat he owned (there were many). Pete enjoyed his family and friends and took much pride taking them out on the water. Pete relished time spent cooking for as many people as he could find to feed. He was a hard-working, intelligent, and resourceful man who loved to learn and who lived life on his own terms until the very end.

Pete was an avid member of the original Crandon Ski Serpents water ski club back in the 1960's. It was during his time with the team that he met Penny. He and Penny raised their family in Duluth, MN where Pete worked in food management. They moved back to Crandon in 2000 where Pete worked in several healthcare related fields. In his fifties, Pete went back to school to become a Registered Nurse. He worked at St. Mary's Rhinelander Hospital until retirement in 2022.

Pete is survived by his loving wife, Penny; his children, Heather (Geoff) Lohmiller, Ryan (Naomi Stromgren), and Crystal Meisinger; six grandsons: Luke, Cael, Tate, Brek, Levi, and Adrian; and his sisters, Pat (Jim) Becker, Jan (Alan) Erickson, and Joann (Wally) O'Connor, as well as countless nieces and nephews. He is preceded in death by his parents; his brothers, Paul, Jim, and Phil; and his nephew, Justin.

Online condolences may be directed to www.weberhillfuneralhome.com

A celebration of Pete's life was held at: Wolf River Rendezvous (Outside in the big white tent) 11624 US-8 in Crandon, WI 54520. Saturday, August 10, 2024, from 10 am-12 pm Visitation, 12 pm Service, Food Followed.

Swearingen and Felzkowski Comment on NRB's Blatant Disregard for Northern CDACs

During recent deliberations regarding the upcoming deer hunting season, Natural Resources Board members ignored input and requests made by the County Deer Advisory Councils (CDACs) from Bayfield and Oneida Counties.

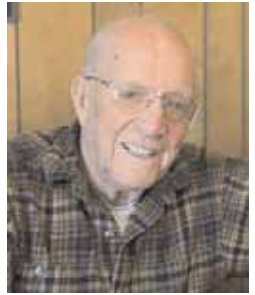

Posted on the DNR website, "Each county in Wisconsin has a County Deer Advisory Council (CDAC) to provide input and recommendations to the department on deer management within their county. Councils work with local department staff to schedule meetings, provide community outreach and an opportunity for public input, review population data and deer impacts on forests and agriculture, develop three-year recommendations on county population objectives and create annual antlerless harvest quotas."

First reported on by Danielle Kaeding at Wisconsin Public Radio, "[Natural Resources] board members took exception with county recommendations that would have barred hunters from killing antlerless deer on public lands in Bayfield and Oneida counties. The board unanimously approved increasing the number of doe tags by 400 on public lands in each county."

In December of 2023, Representative Rob Swearingen (R-Rhinelander), Senator Mary Felzkowski (R-Tomahawk), and northern legislative colleagues held a listening session in Woodruff. Over 200 hunters showed up to express their concerns over the decrease in deer population and the lack of respect the CDACs receive from the Department of Natural Resources (DNR) and the Natural Resources Board.

Swearingen and Felzkowski commented: "It's no surprise that the DNR and NRB took these recommendations and threw them in the trash. Deer hunting and the deer population are clearly not a priority for this administration, as Governor Evers, Attorney General Josh Kaul, DNR Deputy Secretary Steve Little, and six of the seven NRB members declined our invitation to hear real concerns from folks in northern Wisconsin. This latest move is just another notch in the bureaucratic belt that continues to squeeze our state's longstanding hunting heritage into nonexistence."

Robert Kielman, age 91, of Wabeno, died on August 2, 2024 at Unity Meng Hospice Residence in DePere. He was born on February 9, 1933 in Wabeno, a son of the late Fred and Erma (Pollock) Kielman. He married the love of his life Marilyn Mallow on September 19, 1953 at St. Ambrose Catholic Church.

He was a graduate of Wabeno High School, class of 1952. He served in the United States Army from May 5, 1953 to April 20, 1955 having served in the 43rd Armored Infantry Battalion serving in Europe.

Bob held many jobs including a baker, truck driver, beer distributor, school bus driver and custodian, having retired from the School District of Wabeno Area where he worked for many years.

He was a member of St. Ambrose Catholic Church, the Wabeno American Legion Sylvan Post #44, Log Roller Snowmobile Club past president, was a town of Wabeno supervisor and volunteer for the Wabeno Fire Department and Rescue Squad.

Bob was a father-figure to many, not just his own family. He considered his friends as family. It was common for him to check on cabins and cottages for friends that did not live in the area. He always made sure to lookout for his family and friends. His pride and joy were his grandchildren. "Papa," was always there taking them fishing, hunting, camping, giving big hugs and pats on the back. The biggest joy was when Papa would tell them how proud he was of them. Bob and Marilyn loved camping with great friends. They especially loved camping trips around Lake Superior with old friends. Bob also enjoyed hunting and fishing, one of his favorite spots was Camp One Spring Pond.

Survivors include his wife of 70 years, Marilyn; five children, Denise (Kevin "Skeeter") Champine of Wabeno, Shelly (Chuck) White of Mountain, Mike (Brenda) Kielman of Suamico, Kelly (Mark) Nemetz of Ledgeview, and Leah (Steve) Fatla of Wabeno; grandchildren, Josh, Mandi, Nicole (Scott), Krista (Travis), Abigail, (Kaleb), Amber (Noah), Melissa (Andy), Brad (Kim), Angela, Marki (Ryan), Annie (Kory), Ashley and Dakota (Adam); great-grandchildren, Kevin, Brett, Halle, Ethan, Harper, Trent, Brayden, Hudson, Claire, Baylon, Aubrey, Carter, Caden, Owen, Abi, Jaxson, Clemson, Luka, Zoey, Emery, Trapper, AJ and Mada. He was also survived by many nieces, nephews, and other relatives.

In addition to his parents, he was preceded in death by a granddaughter, Randi Lynn; five sisters, Cassie, Joan, Ardis, Theda, and Alice; and two brothers, Dick and Percy.

Bob's family would like to thank all the family and friends who helped them the past two weeks. Your visits and food made them realize how big of an extended family they have. A special thank you to the staff at Unity Hospice for the care and support they gave during this difficult time.

A memorial Mass will be held on Monday, August 19, at 11 a.m. at St. Ambrose Catholic Church with Rev. John Cerkas officiating.

Visitation will be held on Monday, August 19, from 9 to 11 a.m. at the church.

The Wabeno American Legion will provide Military Honors following the Mass at the church.

In lieu of flowers, memorials to Unity Hospice, 2366 Oak Ridge Circle, DePere, WI 54115.

Bradley Funeral Home and Crematory in Antigo is assisting the family with arrangements. Online obituary at www.bradleyfh.com

2nd Annual Townsend Watermelon Eating Contest

June 29th started pretty quietly in Oughton Park on Pickerel Lake in Townsend. By 11AM 42 youth participants and their parents had arrived for the 2nd Annual Watermelon Eating Contest.

Children were divided into age groups of 1-3, 4-5, 6-7, 8-10 and 11-12. Winners in each age group received an age-appropriate prize and all participants received a coupon for free ice cream from Northern Delights in Lakewood.

Some were new to this event and some were veterans in eating watermelon as fast as you can. The adults even took a turn at the contest. One thing shared by all was coming together as a community to have some good clean fun. The beautiful setting of Oughton Park led to an enjoyable atmosphere. The covered pavilion was welcome shade and the tree lined park adjoining the lake was enjoyed by all.

Many community members and businesses donated prizes and/or money to help make the event enjoyable. Their generosity is appreciated by all. Mark your calendars for early summer for next year's event.

New Development - Tower Road Acres Forest County. Crandon

Thomas M. Cleerman III, owner of C3 Development LLC is announcing a new housing development project called Tower Road Acres.

This project has the potential to significantly enhance the local community and economy of Forest County.

Tower Road Acres will be located on 240 acres of beautiful wooded land in the township of Crandon, WI in the heart of Forest County. The development will be structured in three development phases, and will include an estimated 40 lots overall: Tower Road Acres will be located on 240 acres of beautiful wooded land in the township of Crandon, WI in the heart of Forest County. The development will be structured in three development phases, and will include an estimated 40 lots overall:

- Develop 10 five-acre parcels, marketed and sold by Local Living Realty, owned by Chad Albrecht. These lots will be available for immediate purchase in the beginning of August 2024
- Additional five-acre parcels will be developed following the completion of a major road infrastructure project through the property. Tentative Timeline - Completion October 2024
- Construct a 40-unit apartment complex on the east side of the property. Tentative Timeline - Spring/Summer 2025

Tower Road Acres has been meticulously designed and planned by C3 Development in collaboration with Maines & Associates, who have conducted all surveying and lot layout. Flannery Contracting of Crandon is selected to construct the new roads required for the development.

Nicolet Bank will be the lead lender for the project. For inquiries please contact Jed Lechleitner, Vice President Commercial Banking at the Eagle River Branch. Local Living Realty, LLC will be the lead Realtor for the Project, for inquiries please contact Chad Albrecht.

This project will provide excellent living opportunities for current and new residents of Forest County, contributing to the growth and development of the local area. Tower Road Acres is one of the biggest development projects in many years to the area, and each phase will create much needed tax revenue, and an economic boost in Forest County. C3 Development will work with Visit Forest County in this venture to explore opportunities for collaboration and ensure its success. We encourage interested parties to connect with Visit Forest County, C3 Development LLC, Local Living Realty LLC (Chad Albrecht) and Nicolet Bank with any questions or interest.

Tower Road Acres development plans are available to view at the Visit Forest County office. 116 South Lake Avenue. Crandon, Wisconsin 54520.

HELP WANTED

The Forest County Highway Department is accepting applications for part-time cleaning position. This position would be involved with cleaning office, breakroom and restrooms. Some minor painting may be involved. This position is 2 to 10 hours per week.

Applicants must have a valid drivers license, with a clean driving record, and be able to pass a drug and alcohol screen. Applications may be obtained at the Highway offices located at 5350 County Rd. W, Crandon, Wisconsin. or on the Forest County Web Site.

Wages are set at \$20.33 per hour.
Applications will be accepted until 3:00 P.M. on August 20, 2024.

By Order of the Forest County Highway Committee:
Mark Chrisman, Highway Commissioner

Help Wanted

School District of Wabeno Area Title VI Indian Education Program Jr./Sr. High School Tutor Facilitator

The School District of Wabeno Area, Title VI Indian Education Act Program has an opening for a part-time Tutor Facilitator for the 2024-25 school year to provide academic support to Native American students. Hours and days worked will be 3 or 4 days per week, Monday through Friday, for between 15 and 19 hours a week, with the schedule to be determined at the time of hire.

Duties include core academic grade monitoring, homework completion monitoring and assistance in English, math, science, and social studies related courses, and test prep as needed/appropriate. Starting hourly wage will be \$16.00 to \$18.00 per hour depending on experience and education. Life insurance, paid holidays, and retirement are available. Health insurance is not available with this position.

The ideal candidate will have an associate degree in any area or can demonstrate ability to assist students with English, science, math and social studies subject area coursework. In addition, the applicant should enjoy working with adolescents in grades 6 through 12. Native American preference applies as required by Title VI grant requirements. Questions regarding this position may be directed to Deb Kruger 715.276.7404.

Applications are available from the District Office or at www.wabeno.k12.wi.us/District/EmploymentOpportunities/EmploymentApplications. Send an application along with 3 current letters of reference to William Taylor, District Administrator, 4346 Mill Lane, Wabeno, WI 54566. Applications will be received until 3:00 p.m. Thursday, August 15, 2024.

HELP WANTED

School District of Wabeno Jr./Sr. High School Teacher Aide

The School District of Wabeno Area is seeking a full-time Jr./Sr. High School Teacher Aide for the 2024-2025 school year and beyond. The workday will tentatively be set from 7:30 a.m. to 3:30 p.m. Duties will include providing academic classroom support, behavior monitoring, some toileting duties, and lunch recess duty with students. Work schedule will be 37.5 hours per week, Monday through Friday, with full benefits. Starting hourly wage is \$15/hour. Candidates must be willing to become certified as a Special Education Aide from the State of Wisconsin.

Applications can be obtained from the District Office or at www.wabeno.k12.wi.us, District/Employment Opportunities/Employment Applications. Send the application along with 3 current reference letters to Donna Smith, Director of Pupil Services, 4346 Mill Lane, Wabeno, WI 54566. Applications will be received until 3:00 p.m. Tuesday, August 20, 2024.

The School District of Wabeno Area in accordance with Wisconsin Fair Employment Practices Act, Wisconsin Statute 111.31, does not discriminate in hiring practice based on gender, age, race, color, creed, religion, genetic information or testing, physical, mental, emotional, or learning disability or handicap, national origin, political affiliation, marital status, veteran status, sexual orientation, arrest record or conviction record. The School District of Wabeno Area is an equal opportunity employer.

Lung cancer screenings save lives

Aspirus Health is on a mission to educate anyone with a strong smoking history just how important lung cancer screenings can be.

Dr. Christopher Peterson, a Board-certified oncologist at Aspirus Cancer Care, recommends a lung cancer screening, which includes a low-dose CT scan, for those with a significant smoking history. In general, this includes:

- Current or former smokers (quit in the last 15 years)
- Ages 50-77 (80 for private insurance)
- More than 20 pack years (smoking one pack a day for 20 years, or the equivalent)
- No existing symptoms of lung cancer such as coughing blood or chest pain

"A low-dose CT scan is a very painless thing," explains Peterson. He adds, "It's also very quick."

"Low-dose CT scans can find very small cancers on the lungs that otherwise wouldn't have been detectable," explains Peterson. "We can now find them very early, before any symptoms are present, so we can remove them at a very early stage. When we're able to identify cancers earlier, we're more often able to cure those cancers," he explains.

Lung cancer is the leading cause of cancer-related death in the United States.

Britta Wolter, Advanced Practice Nurse Prescriber at Aspirus Cancer Care, reinforces the importance of lung cancer screenings. "In my own work, I've seen low-dose CT scans simply save lives."

For more information, call an Aspirus Nurse Navigator at 715.847.2284, or contact your primary care provider to see if you qualify for lung cancer screening.

For Old Times Sake

Crandon's main street seems to get more than its share of construction in recent times, but it went through it back in the 30's as well. We think this is when water and sewer was installed. Notice that Freimuth's garage shows up as does Schaefer's Meat Market. If someone would combine those two buildings, it would make a great bank. Wait! They did that in recent times. Those two buildings on the left are now the Laona State Bank. The big building that now houses Subway and other businesses, was a grocery and theater in those days.

Early race starting at the fairgrounds

While the overall weekend event and race is still being finalized, Class 11 racers will participate in Crandon's open test day on Thursday, August 29 before being a feature race under the lights on Friday, August 30. The weekend's big race to earn a coveted Crandon World Championship ring will take on Sunday, September 1 as Class 11 takes part in the 9th annual Red Bull Crandon World Cup. The Red Bull Crandon World Cup is produced by Crandon International Raceway as the sport's most prestigious and lucrative day of Pro-category competition capped by the Red Bull Cup race pitting Pro 2 versus Pro 4 unlimited trucks.

In the world of motorsports, Labor Day weekend is synonymous with just one thing -- the annual Polaris Crandon World Championships Off-Road Races. This year's 55th running of the sport's biggest and best event returns for a four-day weekend of racing, music, camping and more from Thursday, August 29 through Sunday, September 1. Comprised of 2,300 sites, Camp Crandon is nearly sold out, with gates opening to the racers and public at 12:00 noon (CST) on Wednesday, August 28.

Additional event and weekend wristband purchases can be found at www.crandonoffroad.com.
